THE Canning City Council, under and by virtue of the powers conferred upon it in that behalf by the Town Planning and Development Act 1928 (as amended), and the Metropolitan Region Town Planning Scheme Act 1959 (as amended), hereby amends the above Town Planning Scheme by making the following text amendments thereto:—

1. Clause 6—Definitions.

(B) After the definition of "Residential Building", insert the following:—

"Restaurant" does not include a Take-Away Foods Outlet.

(C) After the definition of "Street Alignment", insert the following:—

"Take-Away Foods Outlet" means premises in which food in a form ready to be eaten without further preparation is prepared and served to customers for consumption off those premises."

2. Zoning Tables which follow Clause 18—Delete the Use Class "Fish Shop" and the symbols against it.

3. Clause 68—Off Street Parking Provisions.

Take-Away Foods Outlets: Twenty paved parking spaces, but the Council may if it considers the circumstances justify it so doing, reduce that number in any particular case. If the Council reduces the number it may stipulate that the reduced number applies only to the particular case and if it does so additional paved parking spaces must be provided so that the total number is 20 or a lesser number if the type of Take-Away Foods Outlet is changed.

Cafes, Dining Rooms, Restaurants and Reception Lodges: One paved parking space for every 2.5 m² or part thereof of the usable area as determined by the Council, but the Council may reduce that number by not more than 50% in any case where the reduction will be balanced by the use of parking facilities on an adjoining property or the same lot pursuant to an agreement between the respective owners or occupiers, as the case may be, if the Council is satisfied that the arrangement will provide adequate overall parking facilities. In this item, the expression "usable area" means the area of that portion of the building which in the opinion of the Council is capable of being used for the seating or accommodation of patrons or guests, but does not include kitchens, lavatories, change rooms, cupboards, passages and other areas which are not normally used for the seating or accommodation of patrons or guests.
