11. The payment of a fee, and (where applicable) the turning of the meter handle, pursuant to Clause 10 shall entitle the owner or person in charge of a vehicle to park or stand the vehicle in the metered space for the period specified in the Second Schedule but does not authorise the parking of the vehicle during any time when parking or standing at that space may be otherwise prohibited in accordance with this by-law.

12. Subject to By-law 13, a person shall not permit a vehicle to remain parked or standing in a metered space during the hours specified in the Second Schedule when the parking meter appurtenant to that space exhibits the sign "Expired".

Notwithstanding any other provision of these by-laws and notwithstanding any other sign or notice, no person without the permission of the Council or an inspector shall stand a vehicle in a metered space if the parking meter adjacent to such metered space is hooded with a hood marked "No Parking", "Reserved Parking" or "Temporary Bus Stand".

PART 3—PARKING STALLS AND PARKING STATIONS.

20. (1) Subject to this by-law, to subsection (3) of section 231 of the Local Government Act 1960 and to any regulations for the time being in force under the Traffic Act, the Council may constitute, determine and vary, and also indicate by signs, from time to time—

21. Subject to Clause 23—

- (a) a person shall not park a vehicle or permit a vehicle to remain parked in any of the parking stations specified in the Second Schedule between the hours specified in that Schedule unless—
 - (i) in the case of a parking station having an inspector on duty, the appropriate fee prescribed in that Schedule is paid when demanded;

 - (iii) in the case of a parking station equipped with a ticket issuing machine, the appropriate fee is inserted in the machine; and

25. No person shall remove a vehicle which has been parked in a parking station until there has been paid the fee appropriate to the period for which the vehicle has been parked.

26. A person paying a fee at a parking station shall be entitled to receive a receipt showing the period of parking covered by such payment.

27. The driver of a vehicle in a parking station which is equipped with a ticket issuing machine shall on entry purchase from the machine a ticket or tickets for a period or periods of parking then place such ticket or tickets inside his vehicle, and ensure that such ticket or tickets remains or remain, in such a position that the time of issue printed on the ticket or tickets by the machine shall be clearly visible and readable by any inspector requiring to examine the ticket or tickets from outside the vehicle. If any inspector requiring to examine such ticket or tickets from outside a vehicle in such parking station is unable to see any such ticket or the same is in such a position that he is unable to read the time of issue printed thereon the driver of such vehicle commits an offence. If having purchased a ticket, and parked his vehicle, the driver at some time subsequently, removes his vehicle and returns later, but still before the expiry time printed on the ticket, the Council accepts no responsibility for ensuring that a parking space will be available.

28. A driver of a vehicle in a parking station not equipped with metres shall, on demand, produce to an inspector or attendant a receipt showing that the appropriate parking fee has been paid in respect of that vehicle.

29. Unless otherwise directed by an inspector or attendant, no person shall park a vehicle in a parking station otherwise than wholly within a parking stall.

33. No person shall stand or attempt to stand a vehicle in a parking stall in which another vehicle is standing, but this by-law does not prevent the parking of a motor bicycle and a bicycle together in a stall marked "M/C" if the bicycle is parked in accordance with by-law 35.

34. (1) No person shall permit a vehicle to stand in a parking stall which is at the time set aside for use by commercial vehicles unless:—

- (a) the vehicle is a commercial vehicle; and
- (b) some person is actively engaged in loading or unloading goods to or from the vehicle,

and in any case, for more than a period of thirty minutes.

(2) In this clause "goods" means an article, or collection of articles, weighing at least 14 kilograms of which the content is at least 0.2 cubic metres.

(3) A parking stall is set aside for use by commercial vehicles if there is a sign thereon or adjacent thereto marked "Loading Zone".

35. No person shall permit a vehicle to stand in a parking stall which is set aside for use by buses except for the purpose of taking up or setting down passengers to or from such vehicle.

36. No person shall park a vehicle in a stall set aside for Handicapped Persons unless the driver is a holder of a Disabled Drivers Permit, issued by the West Australian Committee on Access and Mobility.

39. (1) A person shall not stand a vehicle in a metered space or in a parking stall, whether that metered space or parking stall is situated in a parking station or in a street—

- (a) if that metered space or parking stall is by any sign thereon or adjacent or referable thereto, set apart for the standing of vehicles of a different class;
- (b) if by such a sign the standing of vehicles in that metered space or parking stall is prohibited or restricted during any period or periods, during such a period or periods; or

(6) A person shall not stand a motor bicycle without a side-car or a bicycle in a parking stall unless the traffic sign "M/C" is marked on that stall.

40. Subject to the provisions of Clause 33, a person standing a vehicle on a carriageway shall stand it—

- (a) on a two-way carriageway, so that it is as near as practicable to, and parallel with, the left boundary of the carriageway and headed in the direction of the movement of traffic on the side of the road on which the vehicle is standing;
- (b) on a one-way carriageway, so that it is as near as practicable to, and parallel with, either boundary of the carriageway and headed in the direction of the movement of traffic on the side of the road on which the vehicle is standing;
- (c) so that it is not less than 1.2 metres from any other vehicle, except a motor bicycle or a bicycle parked in accordance with these regulations;
- (d) so that at least 3 metres of the width of the carriageway, between the vehicle and the farther boundary of the carriageway, or between it and a vehicle standing on the far side of the carriageway, is available for the passage of other vehicles;

- (j) upon an intersection, except adjacent to a carriageway boundary that is not broken by an intersecting carriageway.

(2) The provisions of paragraphs (c), (f) and (h) of sub-clause 1 of this clause do not apply to a vehicle that stands in a bus stand marked on the carriageway, for the purpose of setting down or taking up passengers.
