The purchaser shall erect on the lot purchased a residence to comply with Local Authority By-laws within two years from the date of the first instalment. If this condition has not been complied with in the time prescribed, the land may be absolutely forfeited together with all purchase money and fees that may have been paid. However, freehold title to the land may be applied for when a residence has been erected to "top plate height" stage, and is not less than 50% completed to the satisfaction of the Minister for Lands and Surveys.

A deposit of 10% of the purchase price is payable on application and the balance of purchase money shall be paid within twenty four months of the date of approval of application by eight (8) equal quarterly instalments on the first days of January, April, July and October in each year. The first instalment of purchase money shall become due and payable on the first day of the quarter next following the date of approval of application, the Crown Grant fee being payable with the last instalment of purchase money: Provided that amounts paid during the twelve months commencing on the first day of the quarter next following the date of approval of application shall be interest free but all moneys outstanding after that period shall be subject to interest at a rate of 10% per annum calculated at quarterly rests on the balance outstanding at the end of the previous quarter. Such interest shall be due and payable with the prescribed instalment. Nothing shall prevent the balance of purchase money and fees being paid at an earlier date should the purchaser so desire, but a Crown Grant shall not issue until the conditions under which the lot was made available for sale have been fulfilled.

The purchaser shall be a *bona fide* fisherman and be the holder of a current professional fisherman's licence and should this condition not be satisfied the licence may be forfeited.

R. P. LOUGHTON,
Chairman.F. L. COMMINS,
Secretary.

The books and accounts of the Busselton Water Board have been audited for the year ended 31 December 1981 and subject to the following comments were found to be in order.

2. (i) Schedules from the Valuer General's Office supporting increases in property valuations totalling \$9 379.00 were not produced for audit.

(ii) Included in the Statement of Receipts and Payments is an amount of \$7 134.85 shown as Headworks Reserve Funds Transfer and which as a suspense amount should have been excluded. This matter has previously been referred to in correspondence to the Board dated 25 February 1982.

(iii) An amount of \$31 480.80, being accumulated interest earned on loan funds temporarily invested, is included in the Balance Sheet item—Loan Fund Bank Account \$121 998.27. This amount should be transferred to the Water Fund Account.

3. In my opinion, in all other respects, the Revenue Account and Balance Sheet submitted by the Board are properly drawn up so as to present a true and fair view of the transactions for the period and the financial position of the Board as at 31 December 1981.

Auditors Report to the Members of Busselton Water Board.

In preparing the financial statements, depreciation has been charged on fixed assets based on what appear to be arbitrary assessment of the useful lives of the assets. We are unable to determine whether the estimates are appropriate and believe that a reassessment of the useful lives should be made by a person with the expertise to do so in order that a reasonable amount can be set aside for depreciation on an annual basis.

Valuations have not been obtained from the Valuer General to support increases of property valuations totalling \$9 379 prior to rating such properties for 1982/83 and referred to in the previous audit report of the Auditor General for the year to 31 December 1981.

In our opinion, subject to the effect, if any, of the above, the financial statements, being the balance sheet and revenue statements are properly drawn up so as to present a true and fair view of the transactions for the year ended 31 December 1982 and the financial position of the Board at that date.
