AUDIT REPORT.

Auditor's Report on the Ratepayers of the Town of Armadale.

I have audited the Municipality's accounts set out on pages 1 to 42 in accordance with the Local Government Act 1960 and Australian Auditing Standards.

I make the following reservations in expressing my opinion:—

- (1) As this is the first year of my appointment, I am unable to express an opinion on the opening balance of the Municipal Accumulation and Trust Account.
- (2) The application of the accounting policy set out in Note 1 (b) results in an overstatement of assets and liabilities of \$882 099.
- (3) As indicated in the accounting policy set out in Note 1 (c) the accrual basis of accounting has only been partially adopted. This is not in accordance with generally accepted Accounting Standards.

Except for the above matters, in my opinion the Accounts present fairly the financial position of the Town of Armadale at 30 June 1984 and the statement of accounts for the year then ended, and have been prepared in accordance with the Local Government Act 1960, Accounting Directions and Australian Accounting Standards.
