R. W. HERBERT,
Shire Clerk.

I have audited the municipality's accounts set out on pages 1 to 9 in accordance with the Local Government Act 1960 and Australian Auditing Standards.

I make the following reservations in expressing my opinion—

- As this is the first year of my appointment, I am unable to express an opinion on the opening balance of the Municipal Accumulation and Trust Account.
- The application of the accounting policy set out in note 4 (a) results in an overstatement of assets and liabilities of \$138 335.
- As set out in 4 (b) the cash basis of accounting has been adopted. This is not in accordance with generally accepted accounting standards.
- Significant Accounting Policies—The accounts are prepared in accordance with the historical cost convention. The accounting policies adopted are consistent with those of the previous years.

(a) Reserve Accounting—To comply with the Local Government Act 1960 and Accounting Directions, the Council raises reserve fund accounts and a reserve fund contra account when Council funds are set aside into separate bank accounts for specific purposes.

At 30 June 1984 funds amounted to \$138 335.

(b) Basis of Cost and Income Recognition—Income and expenditure are brought to account on a cash basis. Therefore no liability has been established for annual leave, long service leave, trade creditors and accruals. Part of the long service leave liability is provided for by creating cash reserve under Accounting policy note (a) however the resulting cost is not charged to the Municipal Accumulation Account.

(c) Depreciation—Depreciation is calculated on a straight line basis so as to write off the cost of each fixed asset during its expected useful life.

Except for the above matters, in my opinion the accounts represent fairly the financial position of the Shire of Chittering at 30 June 1984, and the statement of accounts for the year then ended, and have been prepared in accordance with the Local Government Act 1960, Accounting Directions and Australian Standards.

Audit Report.

We have audited the books and records of the Shire of Corrigin in accordance with Australian Auditing Standards and the Local Government Audit Directions issued by the Minister for Local Government.

Included in the balance sheet is an amount for \$894 in respect of Long Service Leave Reserve Fund. We estimate that the actual liability for Long Service Leave at 30 June 1984 was \$15 000 and we are of the opinion that the full liability should have been recognised in the balance sheet.

In our opinion the annual accounts have been prepared on a basis consistent with the Local Government Act 1960 and the Local Government Accounting Directions and except for the effect on the annual accounts of the matter referred to in the preceding paragraph give a true and fair view of;

(1) the state of affairs of the Shire of Corrigin as at 30 June 1984 and

(2) the cash transactions of the Shire of Corrigin for the year ended 30 June 1984,

and are in accordance with the books and records of the Shire.

Audit Report.

We have audited the books and records of the Shire of Quairading in accordance with Australian Auditing Standards and the Local Government Audit Directions issued by the Minister for Local Government.

Included in the balance sheet is an amount for \$20 682 in respect of Long Service Leave Reserve Fund. We estimate that the actual liability for Long Service Leave at 30 June 1984 was \$35 000 and we are of the opinion that the full liability should have been recognised in the balance sheet.

In our opinion the annual accounts have been prepared on a basis consistent with the Local Government Act 1960 and the Local Government Accounting Directions and except for the effect on the annual accounts of the matter referred to in the preceding paragraph give a true and fair view of:

(1) the state of affairs of the Shire of Quairading as at 30 June 1984 and

(2) the cash transactions of the Shire of Quairading for the year ended 30 June 1984,

and are in accordance with the books and records of the Shire.
