(b) Where in respect of land zoned under Part 3 of the Scheme a non-conforming use exists, or was authorised as mentioned in Clause 4.1 of this Part, on that land and provided that the prior consent of the Council has been obtained in writing, buildings may be extended to the limits prescribed by the Uniform Building By-laws made under the Local Government Act, 1960 (as amended), or by any other by-laws made under that Act for the purpose of limiting the size,

location and distance from boundaries and any other matter required by law for that class of use within the boundary of the lot or lots on which the use was carried on immediately prior to the coming into force of the Scheme.

4.3 Change of Non-Conforming Use: The Council may permit the use of any land to be changed from one non-conforming use to another non-conforming use, provided the proposed use is, in the opinion of the Council, less detrimental to the amenity of the neighbourhood, than the existing use, or is in the opinion of the Council, closer to the intended uses of the zone.

4.4 Discontinuance of Non-Conforming Use:

- (a) Notwithstanding the preceding provisions of this Part, except where a change of non-conforming use has been permitted by the Council under Clause 4.3, when a non-conforming use of land or building shall not thereafter be used other than in conformity with the provisions of the Scheme.

#### PART 5—Development Provisions.

5.1 Development within the Scheme area shall conform to the standards set out in the following Table 2, or as otherwise specified in this part. Report of the Auditor.

The accounts of the Shire of Coolgardie are prepared on the basis of historical cost. In preparing its balance sheet it is not the policy of the Shire to:

- (i) recognize all liabilities which exist at balance date; and
- (ii) calculate depreciation to write off the cost of each fixed asset over its estimated useful life.

This policy complies with the requirements of the Local Government Act and the Accounting Directions, although it is not in accordance with generally accepted accounting standards.

I have, with the assistance of my staff, audited the books of the Shire of Coolgardie for the year ended 30 June 1984. In my opinion, the balance sheet, statement of receipts and payments, adjustment account and municipal accumulation account are prepared on a basis consistent with the Local Government Act Accounting Directions, and are in agreement with the books and records of the Shire.
