Report of the Auditor.

The accounts of the Shire of Nungarin are prepared on the basis of historical cost. In preparing its balance sheet it is not the policy of the Shire to:

- (i) recognise all liabilities which exist at balance date; and
- (ii) calculate depreciation to write off the cost of each fixed asset over its estimated useful life.

This policy complies with the requirements of the Local Government Act and the Accounting Directions, although it is not in accordance with generally accepted accounting standards.

I have, with the assistance of my staff, audited the books of the Shire of Nungarin for the year ended 30 June 1984. In my opinion, the balance sheet, statement of receipts and payments, adjustment account and municipal accumulation account are prepared on a basis consistent with the Local Government Act Accounting Directions, and are in agreement with the books and records of the Shire.

(a) Renewal with option.

When a property is let for a term with an option to extend and that option is exercised the maximum fee payable in respect of the "new term" shall be calculated on the basis that the lease was for that period i.e. if the lease was for 1 year and a 3 year option is exercised the maximum fee for the 2nd, 3rd and 4th years shall be calculated as if the lease was a 4 year lease.

Note to paragraph (a): If the landlord requires the tenant to pay any letting fee the amount paid to the agent shall be deducted from the amount payable by the landlord to the agent.

(b) Renewal without option i.e. where the term of tenancy expires and there is no option to renew, but a new lease or tenancy agreement is arranged by the agent with the existing tenant and for his existing space. The maximum fee payable is one half of the letting fee as set out in Item 4 (2).

Note to paragraph (b): If the landlord requires the tenant to pay any letting fee the amount paid to the agent shall be deducted from the amount payable by the landlord to the agent.

(c) Right of Purchase: A selling fee is only payable upon the exercise of an option of purchase contained in a lease negotiated by an agent who was initially instructed by the owner to sell the property the subject of the lease. The maximum fee payable shall be in accordance with Item 1 of the scale of fees less the amount paid to the agent by way of leasing fees.

(d) Assignment of a tenancy on behalf of a landlord. The maximum fee for acting on behalf of a landlord for matters incidental to the assignment of a lease or tenancy is half the maximum fee which would be chargeable for arranging an initial letting with a term equal to the unexpired term of the lease or tenancy agreement being assigned.

(e) Arranging an assignment or a sub-tenancy on behalf of a tenant i.e. where an agent introduces a sub-tenant or assignee on behalf of a tenant. The maximum fee shall be calculated on the unexpired term of the lease or agreement for tenancy and is payable by the outgoing tenant as set out in Item 4 (2).

(f) When a new lease or assignment is granted as the result of a sale of a business. The maximum fee to be paid to the landlord's agent (or if there is no landlord, to the vendor's agent) is half the maximum leasing or letting fee for a similar period as set out in Item 4 (2) or, in the case of an assignment, half the maximum letting or leasing fee for the unexpired term as set out in Item 4 (2).

(g) When a premium is negotiated by an agent as a condition of tenancy. The premium charged shall be averaged over the term of the lease and the maximum fee payable to the agent shall be calculated upon that average in accordance with Item 4 (2).

(h) Negotiated rent review.

Where a lease contains provision for a review of rental during the term and an agent is instructed by the landlord to negotiate a new rent, the maximum fee payable to the agent by the landlord shall be that set out in Item 4 (2) calculated with respect to the difference between the old and the new rent in average annual gross rent obtained for the unexpired portion of the lease.

6. FEES FOR ACTING ON BEHALF OF A PURCHASER.

(1) Where agent instructed to buy specific property. The maximum fee payable by the purchaser shall not exceed half the fee set out in Item 1 or 2 as may be appropriate.

(2) Where agent instructed to buy an unspecified property to meet purchaser's requirements. The maximum fee payable by the purchaser shall not exceed the maximum fee set out in Item 1 or Item 2 as may be appropriate.

7. FEES FOR NEGOTIATING AN OPTION TO PURCHASE.

(1) Where an agent is instructed to negotiate an option to purchase a specific property. The maximum fee payable by the purchaser shall not exceed one half of the maximum fee set out in Item 1.

(2) Where an agent is instructed to negotiate an option to purchase an unspecified property. The maximum fee payable by the purchaser shall not exceed the maximum fee set out in Item 1.

8. COMPILATION, PREPARATION AND CHECKING OF INVENTORIES AND INSPECTION REPORTS.

The maximum fee shall be calculated on a time basis at the rate of—

- (a) \$60 per hour for senior personnel; and
- (b) \$40 per hour for others.

9. NEGOTIATION OF SALE OF LAND ON WHICH BUILDING IS TO BE CONSTRUCTED BY VENDOR.

The maximum fee shall be as provided in Item 1 and shall be calculated as if the cost of the building were included in the cost of the land.

10. COURT ATTENDANCES AND WORK FOR COUNSEL.

The maximum fee shall be calculated on a time basis at the rate of—

- (a) \$60 per hour for senior personnel; and
- (b) \$40 per hour for others.

11. TITLES OFFICE: ATTENDANCE AND PRODUCTION OF TITLES.
