Audit Report.

I have audited the Municipality's accounts set out on pages 1 to 92 in accordance with the Local Government Act 1960 and Australian Auditing Standards.

I make the following reservations in expressing my opinion:—

- (1) As this is the first year of my appointment, I am unable to express an opinion on the opening balances of the Municipality's accounts.
- (2) As indicated in the accounting methods:—
 - (i) The accrual basis of accounting has only been partially adopted;
 - (ii) The buildings and library books have not been depreciated.

These methods are not in accordance with generally accepted Accounting Standards.

Except for the above matters, in my opinion the Accounts present fairly the financial position of the City of Canning at the 30 June 1984 and the statement of accounts for the year then ended, and have been prepared in accordance with the Local Government Act 1960, Accounting Directions and Australian Accounting Standards.

(2) Upon a division being called for, the Mayor may, if he thinks fit, order that the division bell be rung, and after the lapse of one half of a minute from the bell ceasing to ring, a Councillor shall not be permitted to enter or leave the chamber, until after the division has been taken.

(3) Where a division is taken, the procedure laid down in subsection (11) and (12) of Section 173 of the Act shall be observed.

Such questions should be submitted to the Town Clerk, in writing, not later than 10.00 a.m. on the last working day preceding the meeting (the Clerk shall make copies of such questions available to members) but questions may be submitted without notice. Questions to the Mayor may be disallowed or referred to a Committee Chairman, Councillor or Officer in attendance, or noted and passed to the appropriate Head of Section to be answered by correspondence from the Town Clerk as soon as practicable.
