## Report of the Auditor.

The accounts of the Town of Kalgoorlie are prepared on the basis of historical cost. In preparing its balance sheet it is not the policy of the Council to recognise all liabilities which exist at balance date.

This policy complies with the requirements of the Local Government Act and the Accounting Directions, although it is not in accordance with generally accepted accounting standards.

I have, with the assistance of my staff, audited the books of the Town of Kalgoorlie for the year ended 30 June 1984. In my opinion, the balance sheet, statement of receipts and payments, adjustment account and municipal accumulation account are prepared on a basis consistent with the Local Government Act Accounting Directions, and are in agreement with the books and records of the Council.
