HEALTH ACT 1911 (AS AMENDED).

City of Gosnells.

General Sanitary Provisions—Part I.

Mobile Rubbish Carts—By-Laws.

WHEREAS under the provision of the Health Act 1911-1979, a Local Authority may make or adopt by-laws, and may alter, amend or repeal any by-laws, so made or adopted: Now, therefore, the City of Gosnells being a local Authority within the meaning of the Act and having adopted the model By-laws described as Series "A" as reprinted pursuant to the Reprinting of Regulations Act 1954, in the *Government Gazette* on 17 July, 1963, do hereby resolve and determine that the said adopted by-laws shall be amended as follows:—

PART I—GENERAL SANITARY PROVISIONS.

1. The Model By-laws Series "A" as gazetted on 8 April 1927 and amended on 17 July 1963 and adopted by the City of Gosnells on 15 December 1966 are hereinafter referred to as "the by-laws".

2. The by-laws are amended by repealing by-laws 12 to 16 inclusive and substituting new by-laws, as follows:—

12. "Council" means the Council of the Municipality of the City of Gosnells.

"Receptacle" means a polyethylene mobile garbage bin of weatherproof construction and fitted with wheels with a hinged lid and a capacity not exceeding 240 litres or such other receptacle as may be approved from time to time by the Chief Health Surveyor of Council.

"Chief Health Surveyor" means the Chief Health Surveyor duly appointed by Council from time to time or such other officer as the Chief Health Surveyor may nominate from time to time.

13. Subject to the provisions of By-law 12 hereof Council shall provide every residential premises together with every commercial and industrial premises utilising the domestic refuse service within the Health district of Gosnells with one or more receptacles for the disposal of household refuse, grass clippings, leaves or similar vegetation. The number of receptacles to be allocated to each premises shall be determined by the Chief Health Surveyor.

14. Receptacles shall be provided to all premises referred to in By-law 13 hereof except to the extent that an area may be exempted from time to time by Council, which exemption shall be notified by a notice published in a newspaper circulating within the Municipal District of Gosnells under the hand of the Town Clerk together with a notice to that effect published on the noticeboard of Council.

15. Any receptacle provided to premises in accordance with the provisions of By-law 13 remains the property of Council and shall not be removed from those premises unless the prior approval in writing of the Town Clerk has been first had and obtained.

16. The occupier of every premises within the health district of Gosnells, where a receptacle has been provided shall:—

- (a) subject to the provisions of sub-by-law (c) (iii) hereof cause all household refuse and rubbish to be deposited in that receptacle;
- (b) cause the lid of the receptacle to be closed at all times save for the placing and removal of refuse and rubbish from the receptacle;
- (c) not deposit or permit to be deposited in a receptacle:—
 - (i) any material being or consisting of:—
 - (a) hot or burning ashes
 - (b) slops or liquid wastes
 - (c) oils, paints or solvents
 - (d) bricks, concrete, earth or heavy metal objects;
 - (ii) any material which may be injurious to either the receptacle or the refuse compaction unit;
 - (iii) more than 35 kgs of rubbish or refuse at any one time;
- (d) at all times maintain the receptacle in a clean and dry condition, free from offensive odours and material likely to promote the breeding of flies;
- (e) when so required by the Chief Health Surveyor to cleanse and disinfect the receptacle;
- (f) on the appointed day of collection of rubbish by Council:—
 - (i) prior to the advised time of collection, place the receptacle on the street verge forward of the front boundary line, but in a position that will not cause obstruction to footpaths, cycleways or any other carriageway;
 - (ii) following the emptying of the receptacle and on the same day remove the receptacle from the street verge and place the receptacle within the boundaries of the property behind the building line. Where possible, the receptacle shall be placed in a sheltered area away from direct sunlight;
- (g) notify Council in writing within 48 hours of any loss, theft or damage to the receptacle;
- (h) not mark or disfigure the receptacle in any manner other than by the placement of a street number in the manner and form approved by Council;
- (i) not use the receptacle for any purpose other than the collection of refuse and rubbish.

17. No person shall carry out or undertake the collection, removal or disposal of household, trade or other refuse from any premises within the Municipal District of Gosnells without the prior written approval of Council to that effect.

18. Where Council provides approval pursuant to the provisions of By-law 17 hereof, such rubbish or refuse shall be disposed of at a refuse disposal site approved by the Executive Director of Public Health pursuant to the provisions of the Health Act 1911 (as amended).

19. The Council may make an annual levy upon the owner or occupier of every premises supplied with a receptacle which levy shall be of such amount as will meet the capital repayment costs for the provision of the receptacle together with all associated equipment for the collection and removal of rubbish from premises. The annual levy shall be incorporated in the annual domestic charge levied by Council upon the owners or occupiers of premises.

20. Where a receptacle is stolen or wilfully damaged or mis-used, the person or persons responsible for such theft or damage shall be liable to Council for the replacement costs of the receptacle.

Passed at the Ordinary Council meeting of the City of Gosnells on 26 February 1985.
The Common Seal of City of Gosnells was hereunto
affixed in the presence of:—

LOCAL GOVERNMENT ACT 1960.

The Municipality of the Shire of Augusta-Margaret River.

By-laws Relating to Stalls.

IN pursuance of the powers conferred by the abovementioned Act and of all other powers enabling it the Council of the abovementioned municipality hereby records having resolved on 10 January 1985, to submit for confirmation by the Lieutenant-Governor and Deputy of the Governor the following By-laws Relating to Stalls.

1. In these by-laws unless the context otherwise requires, the following expressions shall have the meanings set out against them hereunder respectively:

“Council” means the municipal district of the Shire of Augusta-Margaret River.

“District” means the municipal district of the Shire of Augusta-Margaret River.

“Clerk” means the Shire Clerk or the person acting for the time being in that capacity.

“Licence” means a stallholder’s licence issued pursuant to these by-laws.

“Licensee” means a person to whom a licence is granted under these by-laws.

“Permitted Place” means the site specified by the Council where a stall may only be set up for the purposes of trading pursuant to this by-law.

“Stall” means a moveable or temporarily fixed structure including a stand, table, barrow, caravan in, or on, or from which goods, foods, wares, merchandise or services are sold or offered for sale.

“Stallholder” means a person in charge of a stall.

“Voluntary organisation” means a charitable, benevolent, religious, literary, cultural, recreational, sporting or other voluntary institution, association, club, society or body whether incorporated or not whose members are not entitled nor permitted to receive any pecuniary interest or profit from the transactions thereof.

2. A person shall not set up or conduct a stall in, on or near any street, way, or car park within the District unless he is the holder of a current licence issued to him by the Council in accordance with these by-laws.

3. A person who desires to obtain a licence to set up and conduct business at a stall shall make application in writing to Council in the form of Form I as set out in the First Schedule to these by-laws.

4. A licence shall:

- (a) state the type of goods or services which are authorised to be sold at the stall;
- (b) specify the size of the stall;
- (c) specify the date and times the stall may be set up;
- (d) specify the permitted place in which the stall may be set up;
- (e) specify the conditions (if any) on which the licence is issued;
- (f) be in the form of Form II as set out in the Second Schedule to these by-laws.

5. Unless otherwise specified, a licence by the Council shall remain valid until 30 June next after the issue thereof unless previously revoked.

6. A licence shall not be transferable.

7. A stall licence fee shall be as prescribed in the Second Schedule to these by-laws and shall be paid by the licensee prior to the issue to him of a licence.

8. The Council may revoke a licence on any of the following grounds:

- (a) That the stallholder has committed a breach of these by-laws;
- (b) That the stallholder has committed a breach of any condition on which the licence held by him was issued;
- (c) That the stallholder has engaged in dishonest practices in respect of the sale of goods at the stall;
- (d) That the stallholder is not conducting his business in a respectable or sober manner;
- (e) That the stallholder has transferred the licence issued to him or does not himself carry on the business.

9. No person shall set up or conduct a business at a stall except at the place and times specified in the licence issued to him.

10. A stallholder shall not:

- (a) deposit any box, basket or receptacle (except a receptacle for litter) outside his stall;
- (b) call his wares or make any noise or disturbance to the annoyance of neighbouring residents or passers by;
- (c) obstruct the free passage of pedestrians or vehicles on any footpath or roadway;
- (d) act in an offensive manner.

11. A stallholder shall carry his licence with him and produce it upon demand to an officer or employee of the Council.

12. A person who commits a breach of these by-laws commits an offence and is liable to a maximum penalty of \$200.00 and to a maximum penalty during the breach of \$20.00 per day.

Case where permit not required for keeping of category A6 declared animals.

AGRICULTURE AND RELATED RESOURCES PROTECTION ACT 1976.

AGRICULTURE AND RELATED RESOURCES PROTECTION (DECLARED ANIMALS) REGULATIONS 1985.

MADE by His Excellency the Governor in Executive Council.

PART I—PRELIMINARY.

- Citation. 1. These regulations may be cited as the Agriculture and Related Resources Protection (Declared Animals) Regulations 1985.
- Interpretation. 2. In these regulations, unless the contrary intention appears, "permit" means a permit issued under the Part wherein the term is used.
- Scientific name. 3. Where by these regulations the description of any animal is required to be given, the description shall, whether or not it includes any common or other name, include the proper scientific classification of that animal.

PART II—INTRODUCTION OF CATEGORY A4 DECLARED ANIMALS.

- Permit. 4. (1) A person may—
- (a) bring into the State from elsewhere an animal that is a declared animal of category A4 in respect of the whole of the State; or
 - (b) bring into a part of the State from another part of the State, or from elsewhere, an animal that is a declared animal of category A4 in respect of the first-mentioned part of the State,
- pursuant to and in accordance with a permit issued for that purpose by the Protection Board.
- (2) A permit—
- (a) shall be in the form of Form 1;
 - (b) shall relate only to animals that are to be brought into the State, or part of the State, as the case may be, by the same person, at the same time, and in the same consignment;
 - (c) shall specify—
 - (i) the name of the person to whom it is issued;
 - (ii) the date of issue;
 - (iii) the description of, and quantity of, animals to which it applies;
 - (iv) the manner of enclosure, and such other precautions for the purposes of the Act, as the Protection Board sees fit to require in relation to the animals while they are being dealt with under the authority of the permit;
 - (v) the date upon which, the place to which, and the means of transport by which, the animals are to be brought in under the authority of the permit;
 - (vi) a place to which the animals shall be taken for inspection before delivery;
 - (vii) the consignee into whose control the animals are to be finally delivered;
 - (d) is not transferable, and relates only to the person to whom it is issued.
- (3) Where a person brings into the State, or into a part of the State, birds that are declared animals of category A4 under and in accordance with a dealer's licence under regulation 13 of the Wildlife Conservation Regulations*, those birds shall be deemed to be brought in pursuant to and in accordance with a current permit issued for that purpose by the Protection Board and that person shall, not more than 1 month after so bringing those birds into the State or part of the State, as the case may be, submit to the Protection Board a return in the form of Form 6 duly completed to show such of the details indicated on that form as are capable of applying in relation to those birds.
- Application for permit. 5. An application for the issue of a permit may be made in the form of Form 2 duly completed and lodged with the Protection Board at least 7 days before it is proposed to bring in animals under that permit.
- Evidence of security. 6. The Protection Board may, before granting a permit under this Part, require the production of evidence to its satisfaction that the applicant is able to provide adequate enclosures and other safeguards to ensure the security at all times of the animals in respect of which that permit is required.

*Reprinted in the *Government Gazette* on 8 March 1982.

- Issue of Permit. 7. The Protection Board may, upon receipt of an application made under regulation 5—
- (a) issue in duplicate a permit in accordance with the application;
 - (b) issue in duplicate a permit in respect of a lesser number of animals, or in respect only of specified animals;
 - (c) endorse on any permit issued such conditions as to it seem appropriate;
 - (d) before determining the application request the applicant to provide further information relevant to the application.
- Animals to be accompanied by copy of a permit. 8. A person to whom a permit is issued shall cause a copy of the permit to accompany the animals to which it relates when they are being brought into the State or part of the State pursuant to the permit.
- Penalty: \$200.
- Notice of arrival. 9. (1) Where a person proposes to bring in any animals pursuant to a permit he shall first give the Protection Board not less than 24 hours' notice of the time at which, and means of transportation by which, it is proposed that those animals will arrive at the place at which they are to be inspected.
- (2) A person shall not bring in any animals pursuant to a permit unless he has first obtained the approval of the Protection Board to the proposed time of arrival of those animals at the place at which they are to be inspected.
- Penalty: \$100.
- (3) The Protection Board shall, when giving its approval of a time proposed under subregulation (1), specify the position to which the animals shall be taken upon their arrival.
- (4) A person to whom approval has been given for the purposes of this regulation shall, upon the arrival of the animals to which the approval relates at the place at which they are to be inspected, take them to the position specified under subregulation (3) and keep them there until they are inspected by the Protection Board and—
- (a) a clearance certificate is issued by the Protection Board pursuant to regulation 10 (1) in relation to those animals; or
 - (b) the permit relating to those animals is amended by the Protection Board pursuant to regulation 10 (2) to impose further conditions.
- Penalty: \$100.
- Clearance certificate or further conditions. 10. (1) Where, upon inspection, the Protection Board finds that declared animals are brought in in accordance with these regulations and a permit, it shall issue a clearance certificate to that effect to accompany the animals to which it relates.
- (2) Where, upon inspection, the Protection Board finds that declared animals are brought in in some respect contrary to or not in accordance with these regulations or a permit, and it considers that the irregularity is such as may be conveniently rectified by the imposition of further conditions, it may amend the permit to include such further conditions including a condition as to further inspection and thereafter the permit shall be deemed to have been issued as so amended.
- Production of permit, clearance certificate. 11. (1) A person to whom a permit is issued under this Part shall, upon demand, produce that permit to an inspector or authorized person.
- Penalty: \$100.
- (2) A person who is in charge of animals being brought in pursuant to a permit shall, upon demand, produce a copy of the permit and any clearance certificate relating to the animals to an inspector or authorized person.
- Penalty: \$100.
- Escape of declared animals. 12. If any animal in respect of which a permit is issued is liberated or becomes at large in any part of the State in respect of which it is a declared animal, the person who was in charge of the animal immediately before it was liberated or became at large shall, unless otherwise required by the Protection Board, immediately take all reasonable steps to recapture or destroy the animal, and he and the person to whom the permit was issued shall each notify the Protection Board forthwith.
- Penalty: \$500.

PART III—KEEPING OF CATEGORY A6 DECLARED ANIMALS.

- Permit. 13. (1) A person may keep, in any part of the State, an animal that is a declared animal of category A6 in respect of that part of the State—
- (a) pursuant to and in accordance with a current permit issued for that purpose by the Protection Board; or
 - (b) in the case set out in column 1 of Schedule 2, in accordance with any conditions or restrictions specified in relation thereto in column 2 of that schedule.

- (2) A permit—
- (a) shall be in the form of Form 3;
 - (b) shall relate only to animals kept by the one person and at the one place;
 - (c) shall specify—
 - (i) the full name and address of the person to whom it is issued;
 - (ii) the date of issue and the date of expiry;
 - (iii) the full name and address of the owner of any animal to which it applies;
 - (iv) the description of, and quantity of animals to which it applies;
 - (v) the place at which the animals shall be kept;
 - (vi) such precautions for the purposes of the Act, as the Protection Board sees fit to require in relation to the animals while they are being kept under the authority of the permit; and
 - (vii) where the permit relates to animals not already kept by the applicant, the full name and address of the person from whom, and the place from which, the animals are to be acquired, and the proposed date of acquisition;
 - (d) applies in respect of natural increases in the numbers of the animals to which it relates within such limits as may be set out in the permit, but does not apply in respect of animals acquired other than as and when specified in the permit notwithstanding that animals to which the permit relates may have died or been disposed of;
 - (e) is not transferable, and relates only to the person to whom it is issued.

(3) A permit relating to the keeping of birds other than commercial pheasants shall expire 12 months after the date on which it was issued or at such earlier time as is specified by the Protection Board in the permit.

(4) Where a person keeps birds that are declared animals of category A6 under and in accordance with a dealer's licence under regulation 13 of the Wildlife Conservation Regulations*, those birds shall be deemed to be kept pursuant to and in accordance with a current permit issued for that purpose by the Protection Board and that person shall, at least once in each month during which such birds are so kept by that person, submit to the Protection Board a return in the form of Form 6 duly completed to show such of the details indicated on that form as are capable of applying in relation to birds so kept.

Application for permit.

14. An application for the issue of a permit in respect of animals proposed to be acquired may be made in the form of Form 4 duly completed and lodged with the Protection Board at least 7 days before it is proposed to acquire those animals.

Security requirements.

15. (1) The Protection Board may, before granting a permit under this Part, require the production of evidence to its satisfaction that the applicant is able to provide adequate enclosures and other safeguards to ensure the security at all times of the animals in respect of which the permit is to be issued.

(2) Where, for the purpose of determining whether, or the conditions and restrictions subject to which, a permit should be issued, the Protection Board causes the place where an applicant proposes to keep animals under a permit to be inspected, the applicant is liable to pay to the Protection Board in respect of each such inspection a fee of \$15 which may be recovered from the applicant in a court of competent jurisdiction as a debt due to the Crown.

Issue of permit.

16. (1) The Protection Board may, upon receipt of an application made in accordance with regulation 14 and upon payment of the appropriate fee determined under subregulation (2) or (3)—

- (a) issue in duplicate a permit in accordance with the application;
- (b) issue in duplicate a permit in respect of a lesser number of animals, or in respect only of specified animals;
- (c) endorse on any permit issued such conditions as to it seem appropriate;
- (d) in any permit issued by it, limit the number of animals, or of specified animals, that may be kept pursuant to that permit;
- (e) request the applicant to provide further information relevant to the application.

(2) The fee required to be paid for the issue of a permit is, subject to subregulation (3), \$15.

(3) The fee required to be paid for the issue of a permit relating to the keeping of birds other than commercial pheasants is—

- (a) where the permit is to be issued for a period of 12 months, \$4; or
- (b) where the permit is to be issued for less than 12 months, an amount that bears to the fee prescribed in paragraph (a) the same ratio as the period for which the permit is issued, expressed in quarters, bears to a period of 12 months, but so that the amount is not less than that payable in respect of one quarter.

(4) Where the period for which a permit is issued is not a whole number of quarters, a fraction that exceeds one half of a quarterly period shall be taken into account as if it were a full quarter.

Production of permit.

17. (1) A person to whom a permit is issued under regulation 16 shall give to the person from whom he acquires the animals pursuant to that permit, before he acquires them, a copy of the permit.

(2) A person to whom a permit is issued under regulation 16 shall, upon demand, produce that permit to an inspector or authorized person.

Penalty: \$100.

(3) A person to whom a copy of a permit is by subregulation (1) required to be given shall, upon demand made within 12 months of the issue of the permit, produce that copy to an inspector or authorized person.

Penalty: \$100.

Notice of death or disposal.

18. A person to whom a permit is issued shall forthwith notify the Protection Board in writing of—

(a) the death of any animal to which the permit relates, where notification of death is a condition of the permit; and

(b) the disposal of any animal to which the permit relates, and particulars of the person and place to which the animals were disposed of,

and produce such evidence of the death or disposal so notified as the Protection Board may reasonably require.

Penalty: \$100.

Variation of permit.

19. (1) A person to whom a current permit is issued under regulation 16 may apply to the Protection Board for variation of the permit, to keep additional declared animals.

(2) The application under subregulation (1) shall be in the form of Form 5.

(3) The Protection Board on receipt of an application under this regulation may—

(a) grant the application and issue in duplicate a variation of permit;

(b) issue in duplicate a variation of permit in respect of a lesser number of animals;

(c) request the applicant to provide further information relevant to the application;

(d) require the applicant to provide security and other safety requirements applicable to the species of animal prior to granting the variation of permit.

PART IV—SCIENTIFIC OR EDUCATIONAL PURPOSES.

Application for permission.

20. An application for permission to bring in or keep declared animals under section 77(2) or section 80(2) of the Act, may be made in writing and before determining the application the Protection Board may request the applicant to provide such further information as the Protection Board considers relevant to the application.

Records and returns.

21. A person who has brought in or kept any declared animal pursuant to permission as referred to in regulation 20—

(a) since the last preceding 30 June, shall—

(i) maintain a register recording every declared animal of category A1 or category A3 in respect of which he has been granted such permission, and showing in respect of each of them the date on which permission was granted;

(ii) produce such register, upon demand, to an inspector or authorized person;

(b) within the last preceding 3 months, shall, on the first day of each January, April, July and October, submit to the Protection Board a quarterly return verified by statutory declaration showing, in respect of each description of declared animals of category A1 or A3, and any eggs of such animals—

(i) the numbers on hand at the commencement of the quarter;

(ii) the numbers brought in or otherwise acquired during the quarter;

(iii) variations in numbers through death, destruction, hatching or natural increase during the quarter;

(iv) the use, if any, to which those animals or eggs were put during the quarter;

(v) the numbers on hand at the end of the quarter.

Penalty: \$200.

Repeal.

22. The following regulations are hereby repealed—

(a) Vermin (Declared Birds) Regulations 1975 published in the *Government Gazette* on 27 June 1975;

(b) regulations 94A to 94J of the Vermin Act Regulations 1919, published in the *Government Gazette* on 28 September 1961;

EXPLOSIVES AND DANGEROUS GOODS
ACT 1961.

Notice of Exemption From Driver Licensing.

IT is hereby notified for public information that I, Ken Price, being the person who is for the time being discharging the duties of the Chief Inspector of Explosives and Dangerous Goods under the Explosives and Dangerous Goods Act 1961, acting under section 62(5) of that Act, have exempted from the provisions of Part VIII of the Dangerous Goods (Road Transport) Regulations 1983, entitled "Licensing of Drivers", a person who, in this State, drives a vehicle on which dangerous goods are carried in a bulk container if—

- (a) that person—
- (i) holds a driver's authorization under regulation 56 of the Dangerous Goods Regulations 1985 of the Northern Territory that relates to the class or type of dangerous goods carried and every condition, if any, to which the authorization is subject is complied with; and
 - (ii) is otherwise lawfully authorized to drive that vehicle while so carrying those dangerous goods in the Northern Territory;
- (b) that person—
- (i) is registered under clause 15A of the Dangerous Goods Regulation 1978 of New South Wales as a driver of a vehicle used to carry dangerous goods of the class or type carried; and
 - (ii) is otherwise lawfully authorized to drive that vehicle while so carrying those dangerous goods in New South Wales; or
- (c) that person—
- (i) holds a certificate of authorization under regulation 16 of the Carriage of Dangerous Goods by Road Regulations 1985 of Queensland that relates to the type and class of dangerous goods carried; and
 - (ii) is otherwise lawfully authorized to drive that vehicle while so carrying those dangerous goods in Queensland,

upon the condition that a person claiming the benefit of the exemption produces, upon being requested to do so by an inspector, a member of the Police force, or a person acting in the execution of a power or duty conferred by or under the Transport Act 1966, satisfactory evidence of the matters referred to in paragraph (a), (b) (c), as the case may be.

EXPLOSIVES AND DANGEROUS GOODS ACT 1961.

DANGEROUS GOODS (ROAD TRANSPORT) AMENDMENT REGULATIONS 1985.

MADE by Lieutenant-Governor, and Deputy of the Governor in Executive Council.

- Citation and principal regulations. 1. (1) These regulations may be cited as the Dangerous Goods (Road Transport) Amendment Regulations 1985.
(2) In these regulations the Dangerous Goods (Road Transport) Regulations 1983 *are referred to as the principal regulations.
- Commencement. 2. Subject to regulation 5, these regulations shall come into operation on the day that is 90 days after these regulations are published in the *Government Gazette*.
- Regulation 601 amended. 3. Regulation 601 of the principal regulations is amended in subregulation (2) by inserting before the semicolon at the end of paragraph (a) the following—
“ and driven by a person licensed under these regulations ”
- Part VIII inserted. 4. After Part VII of the principal regulations the following Part is inserted—
“

PART VIII—LICENSING OF DRIVERS.

- Drivers to be licensed. 801. (1) A person who is not currently licensed under this Part to do so shall not drive a vehicle on which dangerous goods are carried in a bulk container.
(2) Where an inspector or a member of the Police Force or a fire brigade drives a vehicle on which dangerous goods are carried in a bulk container, subsection (1) does not apply to the driving of the vehicle by that person to the extent that it is necessary as a result of emergent circumstances.
- Application for licence. 802. Application for a licence under this Part may be made to the Chief Inspector in writing signed by the applicant and shall be accompanied by—
(a) a statement in writing as to the maturity and responsibility of the applicant signed by the person making the statement; and
(b) a certificate of a legally qualified medical practitioner to the effect that the applicant has undergone a physical examination, including an examination of cardiac condition, hearing and eyesight, and is, in the opinion of the medical practitioner giving the certificate, physically fit to drive a vehicle.
- Issue of licence. 803. (1) Where upon an application made under regulation 802, the Chief Inspector is satisfied—
(a) that the applicant has attained the age of 21 years and is the holder of a driver's licence under the Road Traffic Act 1974 that—
(i) is appropriate to the type of vehicle on which dangerous goods are to be carried; and
(ii) is, or is deemed to be, an unrestricted licence within the meaning of section 45 of that Act;
(b) that the applicant has undergone an approved course of training and attained a certificate or other evidence of proficiency recognized by the Chief Inspector; and
(c) as to the matters referred to in paragraphs (a) and (b) of regulation 802,
he may issue to the applicant a licence upon payment of a fee of \$6.00.
(2) A licence may be issued under subregulation (1) subject to such terms and conditions as the Chief Inspector sees fit, in the interests of public safety, to specify in the licence.
- Duration of licence. 804. (1) Subject to subregulation (2) and the Act a licence under this Part has effect for a period of three years from the date on which it was issued or last renewed.
(2) Where the holder of a licence under this Part has attained the age of 50 years, the licence has effect, subject to the Act, for a period of one year from—
(a) the date on which the licence was issued or last renewed; or
(b) the date on which the holder attained the age of 50 years,
whichever is the later, but so that in any case the licence does not have effect for more than the period applicable under subregulation (1).
- Renewal of licence. 805. (1) Upon application made within one month before a licence under this Part is due to expire, the Chief Inspector may, upon payment of a renewal fee of \$6.00, renew the licence.
(2) An application under subregulation (1) shall be accompanied by a certificate of the kind referred to in regulation 802(b).

- Production of licence. 806. A licence shall be issued in such form as the Chief Inspector sees fit and shall be produced by the holder upon request to—
- (a) an inspector;
 - (b) a member of the Police force; or
 - (c) a person acting in the execution of a power or duty conferred on him by or under the Transport Act 1966. ”.
- Transitional. Notwithstanding regulation 2, any application for a licence under the Part inserted by regulation 4 may be made and dealt with, and the provisions of that Part apply in relation to such application, as if that Part had effect from the day of the publication of these regulations in the *Government Gazette*.

By His Excellency's Command,
G. PEARCE,
Clerk of the Council.

* Siding closed for the loading of wool. Rates provided include a "Farm Pick-up" charge and the rate for less than 25 bales where shown is subject to a minimum charge as for 10 bales per consignment.

T Consolidation of less than 25 bale consignments to achieve the relevant minimum may be allowed.

O Open for wagonloads only unless negotiated specially.

5. ORES AND MINERALS—RATES

(a) The following rates have application to wagonloads with a minimum of 10 tonnes per consignment. Loading and unloading will be the responsibility of the sender and consignee respectively and transport will be under Owner's risk conditions.

(b) Should rates, other than those published, be required at any time, Marketing Branch should be contacted on PABX Extn 2736.

Effective from 1 July 1985.

6. PETROLEUM PRODUCTS (BULK) IN TANK CARS—RATES

(a) Freight charges for such commodities are to be raised at nett mass of product when transported in the small steel narrow gauge tankers (List A) or at the alternative "high capacity" tanker rating (List B) for the gross mass (load plus tare) on both the forward and return journeys for high capacity tanker movements on either gauge. The effective rate per tonne of actual product charged for high capacity tanker movements should not exceed the rate per nett tonne of List A.

(b) Rates effective from 1 July 1985 are:—

NOISE ABATEMENT ACT 1972.

NOISE ABATEMENT (NOISE LABELLING OF EQUIPMENT) REGULATIONS (No. 2)
1985.

MADE by the Lieutenant-Governor, and Deputy of the Governor in Executive Council.

- Citation. 1. These regulations may be cited as the Noise Abatement (Noise Labelling of Equipment) Regulations (No. 2) 1985.
- Interpretation. 2. In these regulations unless the contrary intention appears—
“acoustic output descriptor” means the quantity obtained when the test procedure specified in paragraph (b) of the appropriate item in Schedule 3 is used;
“equipment” means an item of equipment described in Schedule 1.
- Equipment to be labelled. 3. A person shall not sell, supply or offer for sale, equipment—
(a) the manufacture of which is completed; or
(b) which is imported into the State for the purpose of sale, on or after a date specified in Schedule 2 for that equipment and which has not been sold or which has been sold but only for the purpose of resale, unless there is securely affixed to it in a conspicuous position, a durable label which—
(c) accords with the label description;
(d) displays the required acoustic output descriptor level which will not be exceeded by the unit when tested in accordance with paragraph (b), of the item relating to that equipment in Schedule 3.
- Label to be correct. 4. A person shall not attach a label to any equipment in accordance with these regulations, unless the information on that label is correct in relation to that piece of equipment.
- Equipment not to be altered. 5. A person shall not alter a piece of equipment which has affixed to it a label in accordance with these regulations, so that the sound level of the equipment exceeds the labelled level of the appropriate acoustic output descriptor.
- Inspection of equipment 6. Where an inspector requests to inspect a piece of equipment, or to be supplied with information relating to a piece of equipment, or both, a person shall produce the equipment for inspection, forthwith, and supply any relevant information, in writing, within 14 days of the request.
- Repeal. 7. The Noise Abatement (Noise Labelling of Equipment) Regulations 1985* are repealed.

Schedule 1.

EQUIPMENT.

1. “Mobile Air Compressor”—any air compressor not permanently fixed in a certain location and capable of being registered under the Road Traffic Act 1974 as a trailer or vehicle for movement on public roads.
