HIS Excellency, the Governor, in Executive Council has been pleased to approve under section 45A of the Land Act 1933 of Fitzroy Crossing Lot 246 having an area of 1.053 9 hectares being made available for sale for the purpose of "Motel Site" at the purchase price of One Hundred and Twenty Thousand Dollars (\$120 000.00) subject to examination of survey and the following conditions:—

The purchaser shall within six months next following the date of approval of the sale of the land commence to erect or construct or cause the erection or construction to be commenced and will thereafter diligently proceed with and complete and cause to be completed within the two years next following the date of approval of the sale the erection or construction on the said land of premises designed and constructed for the purpose of a Motel. If this condition has not been complied with in the time prescribed, the land may be absolutely forfeited together with all purchase money and fees that may have been paid.

On payment of the first instalment of purchase money a licence will be available, upon which a mortgage can be registered. A Crown Grant (freehold) will not issue until the purchaser has complied with the building requirements as defined.

A deposit of 10 per cent of the purchase price is payable on application and the balance of purchase money shall be paid within twelve months of the date of approval of application by four (4) quarterly instalments on the first days of January, April, July and October in each year. The first instalment of purchase money shall become due and payable on the first day of the quarter next following the date of approval of application, the Crown Grant fee being payable with the last instalment of purchase money. Nothing shall prevent the balance of purchase money and fees being paid at an earlier date should the purchaser so desire but a Crown Grant shall not issue until the conditions under which the lot was made available for sale have been fulfilled.

Intending applicants shall submit with their applications:—

- (a) Detailed plans of the proposed development in compliance with the Town Planning Regulations and Building By-laws as administered by the Shire of Derby-West Kimberley with particular reference to provision of parking, use of suitable building materials and landscaping proposals.

The lot will be fully serviced with roads, water, deep sewerage, drainage and power. It is anticipated that most services will be completed by late November 1985 but applicants are advised to consult with the Water Authority of WA as to the earliest date that sewerage can be connected.

Subject to agreement between the purchaser and the Minister, the foregoing development obligations and other conditions set out herein may be varied or added to from time to time.

Prior to the commencement of construction the Minister shall advise the purchaser of the extent of development that will be necessary to enable the issue of a Crown Grant (freehold).

A person in the employ of the State must apply through the Under Secretary for Lands for the Governor's permission to hold this land. Written approval of the Permanent Head concerned should accompany such application.

Applications must be lodged at the Department of Lands and Surveys, Perth on or before Wednesday 11 December 1985 accompanied by a deposit of Twelve Thousand Dollars (\$12 000.00) together with the required development details and completed Land Board Questionnaire.

3.10.5 The Council may grant its approval in principle reserving matters specified therein for further approval.

3.10.6 The grant of approval in principle does not authorise the commencement of the carrying out of development or a use nor relieve a person from the necessity to obtain approval to commence development.

4.7.3 Landscaping required to be carried out pursuant to the Scheme, including landscaping required by a condition imposed by the Council on an approval to commence development, shall be carried out at the time of the development and prior to the occupation of the site and buildings or at another time agreed in writing between the developer and the Council and shall thereafter be maintained to the satisfaction of the Council.

- (b) is or is not being used for any purpose authorised by the Scheme; or
- (c) is or is not reasonably required for the purpose for which any building is being used;

- (b) the figures 2, 3 and 4 and so on, as the case requires, in the rectangles opposite the respective names of such of the remaining candidates as the Voter may desire, so as to indicate by such numerical sequence decreasing the order of the Voter's preference for all or any such candidates.

(2) The Voting Paper shall be rejected as invalid if the Voter has not placed the figure 1 against the name of any one candidate, but the Voting Paper shall be valid notwithstanding that the Voter has not placed any other figures on the Voting Paper or figures against the names of all the candidates, and has not indicated any preference as between the remaining candidates or any one or more of them.

15. (1) An absolute majority of votes in any count means a number greater than one half of the total number of valid Voting Papers (excluding Voting Papers which are exhausted).

(2) A remaining candidate means a candidate not already elected or defeated.

(3) Wherein any count the Voting Papers counted to a candidate already elected or defeated have to be distributed amongst the remaining candidates and any such Voting Paper does not indicate the Voter's next succeeding preference of a remaining candidate, such Voting Paper shall be deemed to be exhausted.

(4) Where there is any repetition of a figure or any break in the consecutive numbering of the preferences marked by a Voter on his or her Voting paper, only the preference or preferences preceding such repetition or break shall be taken into account.

16. Immediately after the election the Returning Officer shall
- (a) open the envelopes containing the Postal Voting Papers;
  - (b) open all sealed and locked ballot boxes;
  - (c) decide whether any Voting Paper shall be rejected as invalid;
  - (d) arrange into parcels all valid Voting Papers on which a first preference is indicated for the same candidate; and
  - (e) count all first preference votes given for each candidate.
17. At an election where only one Member of the Senate is to be elected, and there are only two candidates, the result of the election shall be ascertained as follows:—
- (a) the candidate who has received the greater number of first preference votes, if that number constitutes an absolute majority of the votes cast, shall be duly elected; or
  - (b) if the two candidates have received an equal number of votes, the candidate to be elected shall be determined by the Returning Officer by lot.
18. At an election where only one Member of the Senate is to be elected, and there are more than two candidates, the result of the election shall be ascertained as follows:—
- (a) the candidate who has received the greatest number of first preference votes, if that number constitutes an absolute majority of the votes cast, shall be duly elected;
  - (b) if no candidate has an absolute majority of the votes cast, the Returning Officer shall—
    - (i) declare the candidate who has received the lowest number of first preference votes, a defeated candidate;
    - (ii) distribute the Voting Papers counted to such defeated candidate among the remaining candidates next in order of the Voters' preference;
    - (iii) after such distribution, again ascertain the total number of votes given to each remaining candidate,
  - (c) the candidate who has then received the greatest number of votes, if such number constitutes an absolute majority of the votes cast, shall be duly elected.
  - (d) if no candidate then has an absolute majority of votes, the process of declaring the candidate who has the lowest number of votes as a defeated candidate and distributing the Voting Papers counted to such candidate amongst the remaining candidates next in order of the Voters' preference shall be repeated, and the votes shall be re-counted after every such re-distribution until one candidate has received an absolute majority of votes, and such candidate shall be duly elected;
  - (e) whenever two or more candidates have an equal number of votes, and one of them has to be a defeated candidate, that candidate shall be determined by the Returning Officer by lot.
19. At an election where two or more Members of the Senate are to be elected, the result of the poll shall be ascertained as follows:—
- (a) the first vacancy shall be filled in the manner provided by section 18;
  - (b) the second vacancy shall be filled in the following manner—
    - (i) the Returning Officer shall re-arrange all the Voting Papers (other than the Voting Papers which are exhausted) under the names of the other candidates in accordance with the first preference indicated thereon, except that each Voting Paper on which a first preference for the already elected candidate is indicated shall be placed in the parcel of the candidate next in order of the Voter's preference, and ascertain the total number of votes given to each candidate;
    - (ii) the candidate who has received the greatest number of votes if that number constitutes an absolute majority of the votes cast shall be duly elected;
    - (iii) if no candidate has an absolute majority of the votes cast, the Returning Officer shall apply the same procedure as provided in section 18, paragraphs (b) to (e) inclusive (with necessary alterations);
  - (c) a third or subsequent vacancy shall be filled in the manner provided in paragraph (b) of this section for filling the second vacancy (with necessary alterations).
20. The Returning Officer may appoint one or more scrutineers and each candidate may appoint one scrutineer by written notice to the Returning Officer, all scrutineers being persons who are Electors, but not candidates.
21. Each scrutineer may be present at the counting of votes.
22. After the completion of the counting of votes, the Returning Officer shall declare the result of the election.
23. An election to fill a casual vacancy under section 16(2) of the Act shall be held at such time as shall be decided by the Senate. If a casual vacancy occurs, and the unexpired portion of the term of office left vacant is less than six months, the Senate shall decide whether it is necessary that an election should be held to fill the casual vacancy.
