APPLICATION FOR LEASING.

Department of Lands and Surveys,
Perth, 17 January 1986.

Corres. 512/73, V2.

APPLICATIONS are invited under section 117 of the Land Act 1933 for the leasing of Exmouth Lot 1015 containing an area of 2 822 square metres for the purpose of "Light Industry" for a term of twenty-one (21) years at a rental of \$200 per annum.

Intending applicants shall submit with their applications details of intended utilisation and proposed development indicating size and type of intended structures, cost estimates, source of funds and programme for construction whether staged or not.

The Minister for Lands and Surveys, reserves the right to refuse any application on the grounds that the proposed utilisation, development and/or development programme is inadequate or unsuitable or that the applicant has failed to show adequate capacity to fund the development.

The services provided to this lot are Roads, Water and Power and the In-going Premium amounting to \$12 800 is payable in four (4) equal quarterly instalments in January, April, July and October. The first instalment is due and payable on the first day of the quarter next following the date of approval of the lease.

The survey fee amounting to \$325 is payable in cash within 30 days of acceptance of application.

Where the in-going lessee indicates that he anticipates a requirement for freehold during the currency of the lease, the Minister shall signify the extent of development (which may be additional to that required as the basis for leasing the site) that will be necessary to enable the issue of a Crown Grant.

Subject to agreement between the lessee and the Minister, the foregoing development obligations and other conditions set out herein may be varied or added to from time to time.

At any time during the currency of the lease, subject to the agreed development obligations and other conditions having been met to the satisfaction of the Hon. Minister, the lessee may surrender his lease to the intent that he may apply for purchase of the said land. In this event a purchase price of \$2 560.00 shall apply for a period of 3 years from the date of approval of the lease (following which period the price shall be subject to review) and fees associated with the issue of a Crown Grant shall be payable.

The land is made available for leasing subject to the following conditions:

- (1) The land shall not be used for any purpose other than Light Industry without the prior approval in writing of the Minister for Lands and Surveys.
- (2) The rent shall be subject to reappraisal at the end of the third year of the term of the lease and each successive three yearly period thereafter.
- (3) The lessee shall not without the previous consent in writing of the Minister assign, transfer, mortgage, sublet or part with the possession of the demised land.
- (4) The land shall be occupied and used by the lessee for the purpose specified within nine (9) months of the commencement of the lease and thereafter will be continuously so used to the satisfaction of the Minister.
- (5) The lessee shall commence construction within nine (9) months and thereafter continue construction and complete and operate the works within two (2) years from the date of the commencement of the lease.
- (6) All buildings, erections, paving, drainage and other works shall be to the approval of the Local Authority and the lessee shall perform, discharge and execute all requisitions and works unto the demised land as are or may be required by any local or public authority operating under any statute by-law and regulation.
- (7) The lessee shall, within 12 months from commencement of the lease, fence the external boundaries to the satisfaction of the Minister.
- (8) The lessee shall maintain existing and future improvements to the satisfaction of the Minister.
- (9) The lessee shall indemnify the Minister against all claims for damage to property or persons arising from the use of the land.
- (10) The Minister or his representative may enter the land for inspection at any reasonable time.

- (11) Compensation will not be payable for damage by flooding of the demised land.
- (12) Compensation shall not be payable to the lessee in respect of any improvements effected by him on the demised land and remaining thereon at the expiration or earlier determination of the lease.
- (13) It shall be lawful for the lessee at any time within the three calendar months immediately following the expiration of the term or earlier determination of the lease, to take down, remove and carry away any buildings, structures, improvements and plant the property of the lessee.
- (14) On determination of the lease, the lessee shall fill in, consolidate and level off any unevenness, excavation or hole caused by him during the term of the lease or by removal of his improvements and shall leave the demised land in a clean, neat and tidy condition to the satisfaction of the Minister and shall remove any or all waste matter as required by the Minister.

A person in the employ of the State must apply through the Under Secretary for Lands for the Governor's permission to hold this land. Written approval of the Permanent Head concerned should accompany such application.

Applications must be lodged at the Department of Lands and Surveys, Perth on or before Wednesday, 5 March 1986 accompanied by a deposit of \$142 together with the required development details and completed Land Board Questionnaire.

All applications lodged on or before that date will be treated as having been received on the closing date, and if there are more applications than one for the lot, the application to be granted will be decided by the Land Board.

(Plan Exmouth 15.11.)

Subject to Examination of Survey.

(i) A strip of land 20.12 metres wide widening at its commencement commencing at a line in prolongation northeastward of the southeastern boundary of Lot 49 of Canning Location 579 (Office of Titles Diagram 36792) and extending as surveyed northwestward along the northeastern boundaries of the said Lot 49 to terminate at a line in prolongation northeastward of the northwestern boundary of the said Lot.

(ii) (Addition). That portion of Canning Location 2151 (portion of Class "A" Reserve No. 26247) as delineated and coloured dark brown on Lands and Surveys Diagram 87067.

Class "A" Reserve No. 26247 is hereby reduced by 257 square metres.

(Public Plan Perth 1:2 000 24.20.)

IT is hereby declared that, pursuant to the resolution of the Shire of Murray passed at a meeting of the Council held on or about 11 April 1983 the undermentioned lands have been

set apart, taken, or resumed under section 17 of the Public Works Act 1902, for the purpose of a new road, that is to say:—

Murray.

654/984.

Road No. 44 (Pinjarra—Williams Road). (i) (Widening of Part). That portion of State Forest No. 14 as delineated and coloured dark brown on Original Plan 16061.

(ii) (Extention). A strip of land varying in width commencing at a northwestern terminus of the present road at a line in prolongation southwestward of the northwestern boundary of Murray Location 1349 and extending as delineated and coloured dark brown on Original Plan 16061 northwestward through State Forest No. 14 to terminate as shown on the said Original Plan.

Road No. 17423 (Pinjarra—Williams Road). A strip of land 20 metres wide commencing at the southeastern side of Road No. 44 within State Forest No. 14 and extending as surveyed and as delineated and coloured light and dark brown on Original Plans 16062 and 16060 generally southeastward through the said State Forest, Reserve No. 8756 then again through the State Forest to terminate as shown on Original Plan 16060. The portions of Road No. 44 are hereby superseded.

Reserve No. 8756 is hereby reduced by 1.524 0 hectares.

State Forest No. 14 is hereby reduced by 17.663 2 hectares.

(Public Plans Dwellingup SW, SE, Nanga NW and NE 1:25 000.)

And whereas His Excellency the Governor has declared that the said lands have been set apart, taken, or resumed for the purpose of the said roads, and that plans of the said lands might be inspected at the Department of Lands and Surveys, Perth, it is hereby notified that the lands described above are roads within the meaning of the Local Government Act 1960, subject to the provisions of the said Act.

By Order of His Excellency,

K. F. McIVER,
Minister for Lands
and Surveys.

Dated this 10th day of December, 1985.

LAND ACT 1933-1980

Regulations for the Guidance of Surveyors in the Department of Lands and Surveys.

(Regulation 150.)

I, KENNETH FINLAY McIVER Minister for Lands and Surveys acting under the provisions of Regulation 150 of the Regulations for the Guidance of Surveyors in the Department of Lands and Surveys, hereby fix the remuneration payable to surveyors for surveys carried out under those regulations as the amounts set out in the Schedule below with effect on and from 1 February 1986.

Schedule.

The fees payable to surveyors for surveys carried out under the regulations shall be as follows:—

1. CADASTRAL SURVEYS RURAL:

- (a) For each survey effected under a separate instruction a basic fee of \$117.20 will be paid but is not payable for instructions paid entirely under hourly rates.
- (b) Only one basic fee will apply where two or more surveys are effected at the same time and utilise common establishment or re-establishment.
- (c) In addition to the basic fee a linear base rate of \$143.60 per kilometre will be paid for the definition of new boundaries. The cost of placing and provision of survey marks and reading of angles is inclusive in this charge.
- (d) The rate shall be the same for old lines re-established, provided they are accurately ranged and chained and that old marks are renewed where necessary.
- (e) Provided the nature and extent of such variations are clearly shown in the field notes lodged, a loading on the base rate in respect to slope and vegetation variations may be applied using the tables hereunder as a guide. These loadings may be averaged where possible.
- (f) For traverses not marked in accordance with the Regulations for the Guidance of Surveyors, deduct 33½ per cent.

2. CADASTRAL SURVEYS URBAN:

- (a) For each survey effected under a separate instruction, a basic fee of \$117.20 will be paid, but is not payable for instructions paid entirely under hourly rates.
- (b) Only one basic fee will apply where two or more surveys are effected at the same time and utilise common establishment or re-establishment.
- (c) Additional fees will be paid in accordance with the following table:

Area of Lot	Under 2 000 m	2 000 m to under 4 000	4 000 m to under 8 000 m	8 000 m to under 2 ha	2 ha to under 3 ha	3 ha to under 4 ha	4 ha to under 6 ha	6 ha to under 10 ha

Each Succeeding Lot	62.50	76.30	94.00	121.20	150.60	179.90	240.30	283.60

Where the areas of lots in a subdivision vary, the initial charge shall be in the category of the greatest number of lots.

- (d) The fees include the cost of materials, marking, pickup and control set out.
- (e) For lots of 10 hectares in area and greater, fees shall be the same as for Cadastral Surveys Rural.
- (f) For lots with irregular sides, add to the prescribed fee 25 per cent of the relevant "each succeeding lot" fee in paragraph (c) of this item, but this does not apply where the irregularity is caused by the truncation of a lot corner.
- (g) For lots with curved boundaries, add to the prescribed fee 50 per cent of the relevant "each succeeding lot" fee in paragraph (c) of this item.
- (h) For truncations at the time of subdivision add (each) \$26.40.
- (i) Where the purpose of the survey is to truncate a corner and no other survey is involved, the fee shall be the same as for one lot of under 2 000 m.
- (j) For repegging, lot fees shall be 75 per cent of the above scale.
- (k) For rough areas, or when the necessary pickup is excessive, a loading of up to 33¼ per cent may be charged subject to approval being obtained from the Surveyor General or other duly authorised officer.
- (l) Where a survey subdivides a lot, the fee to be paid is for the number of additional severances created.

3. ROAD SURVEYS RURAL:

- (a) Where the survey requires the ranging and measurement of one boundary of a road and laying off the other boundary, rates as for Cadastral Surveys Rural shall apply for both boundaries.
- (b) Where by instruction it is necessary to offset both boundaries from a traverse, payment will be made at a rate approved by the Surveyor General or other duly authorised officer.

- (c) Where the purpose of the survey is to truncate, deviate or widen existing road boundaries, the following rates may be charged:
- (i) as for Cadastral Surveys Rural as specified in Item 1, or
 - (ii) as for Cadastral Surveys Urban as specified in Item 2 paragraph (a) (b) (c) (d) (f) (g) and (k), allowing that each portion added to or subtracted from existing lots and locations will be considered a lot. Surveyed portions connected by new road alignments are considered to fall within the definitions as outlined in Item 2 paragraphs (b) and (c).

4. HOURLY RATES:

- (a) Surveyor in the field—

| Surveyor with three employees, per kilometre..... | 139.3 | 164.6 |
- (c) The provisions of this item are subject to the provisions of regulation 53 of the Regulations for the Guidance of Surveyors in the Department of Lands and Surveys.
- (d) The heavy duty rate will only be claimable when such a vehicle is specifically required to perform the survey.

6. ACCOMMODATION:

- (a) Where a surveyor or his assistants are obliged to live away from home requiring the surveyor to provide suitable accommodation, an allowance of \$16.10 per man per day shall be paid.
- (b) Where expenses are extreme, and subject to approval by the Surveyor General or other duly authorised officer, the actual accommodation cost may be paid.
- (c) In the circumstances referred to in paragraph (b) all receipts must be submitted with the claim.

7. GENERAL:

- (a) For observation for azimuth (minimum of four sets, including calculations) \$65.70 will be paid.
- (b) For observations or latitude and longitude fees shall be paid on an hourly rate basis or at a rate determined after reference to the Surveyor General or other duly authorised officer.
- (c) For obliteration of marked boundaries, hourly rate will be paid.
- (d) For observations to Geodetic Stations, hourly rate will be paid.
- (e) For other types of survey for which no rates are specified, hourly rate will be paid.
- (f) Level work will be paid for on an hourly rate basis unless specified otherwise by the Surveyor General or other duly authorised officer.
- (g) For office calculations associated with survey, hourly rate less 10 per cent will be paid.
- (h) Searches by surveyors will be paid for on an hourly rate basis as in 7 (g) above, subject to approval by the Surveyor General or other duly authorised officer.
- (i) For loss of time attributable to the Department, hourly rate will be paid.
- (j) Where survey necessitates the use of special equipment, payment for such equipment may be made at a rate approved by the Surveyor General or other duly authorised officer.

8. DISTRICT LOADING:

- (a) (i) For the purposes of district loadings the State is divided into the zones specified in the first column in the schedule below.
- (ii) The area of a zone specified in the first column in the schedule below is as specified directly opposite and corresponding to that zone in the second column of that schedule.
- (iii) A district loading specified as a percentage of the fees in the third column of the schedule below directly opposite and corresponding to a zone in the first column of that schedule is payable in respect of survey work carried out in that zone in addition to the fees payable under Items (1) to (5) inclusive, (6a) and (7).

Town Planning Scheme No. 4.

Kalbarri.

THE Shire of Northampton under and by virtue of the powers conferred upon it in that behalf of the Town Planning and Development Act 1928 (as amended) hereby makes the following Town Planning Scheme for the purposes of:

- (a) reserving land required for public purposes;
- (b) zoning the balance of the land within the Scheme area for the various purposes described in the Scheme;
- (c) providing development controls for the purpose of securing and maintaining an orderly and properly planned use and development of land within the Scheme Area;

- (d) to introduce measures by which places of natural beauty may be conserved;
- (e) to make provision for other matters authorised by the enabling Act.

PART I—Preliminary.

1.1 Citation: This Town Planning Scheme may be cited as the Shire of Northampton Town Planning Scheme No. 4 (Kalbarri) hereinafter called "the Scheme" and shall come into operation on publication in the *Government Gazette*.

1.2 Scheme Area: The Scheme shall apply to the whole of the area within the inner edge of the broken black border on the Scheme Map, which area is hereinafter call the "Scheme Area".

1.3 Revocation of Previous Scheme: The Shire of Northampton Town Planning Scheme No. 2 (Kalbarri) which was published in the *Government Gazette* on the Fifteenth day of June 1973 and subsequently amended from time to time, is hereby revoked.

1.4 Scheme Provisions: The provisions of the Scheme shall have effect notwithstanding any by-law and where there may be an inconsistency the Scheme shall prevail.

1.5 Responsible Authority: The Authority responsible for the implementation of the Scheme shall be the Council of the Shire of Northampton hereinafter referred to as "the Council".

1.6 Scheme Documents: The Scheme is comprised of the following documents:

- 1. Land Use Map.
- 2. Scheme Map.
- 3. Development Policies Map.
- 4. Residential Code Map.
- 5. Scheme Text.

1.7 Arrangement of the Scheme: The Scheme Text is divided into the following parts:

PART I—Preliminary.

PART II—Town Planning Approval.

PART III—Reserved Land.

PART IV—Zones.

PART V—Non-Conforming Use.

PART VI—General Provisions.

PART VII—Car Parking.

PART VIII—Finance and Administration.

1.8 Interpretations: In this Scheme the terms used will have the respective interpretations set out in Appendix 1.

PART II—Town Planning Approval.

2.1 Council Consent for Development: Except as herein-after provided, no development shall be carried out on land within the Scheme Area without the prior consent of the Council. Such consent is hereinafter referred to as "Planning Approval" and is required in addition to a building licence.

2.2 Town Planning Application: Applications for planning approval pursuant to Clause 2.1 shall be in the form set out in Appendix No. 2 to this Scheme and shall be accompanied by such plans and/or other explanatory materials as the Council may require to gain a complete understanding of the proposal concerned.

2.3 Determination of Application: In determining any such application, the Council shall have regard to the objectives and provisions of the Scheme and shall take into account:

- (a) the nature of the proposed development in relation to the development either existing or proposed on adjoining land;
- (b) the size, shape and character of the lot upon which the development is to be carried out and the influence which these may have on the siting and nature of any new building;
- (c) the views from any new building and the views which that building may interrupt;
- (d) the design and external appearance (including the exterior cladding) of any new building and its effect upon the amenity of existing buildings and the area generally;
- (e) the representations of any Statutory Bodies or other interested parties with whom it may confer;
- (f) the existing and likely future amenity of the locality within which the development is to take place in particular and the Scheme Area in general;

- (g) the nature and condition of roads servicing the sites under consideration, and the need for car parking, loading and vehicle turning space within the site to adequately serve anticipated development;
- (h) any other matters relevant to town and regional planning, and public interest in general and the locality surrounding the proposed development in particular.

2.4 Advertising of Applications.

2.4.1. Where an application is made for planning consent to commence or carry out development which involves an "SA" use the Council shall not grant consent to that application unless notice of the application is first given in accordance with the provisions of this clause.

2.4.2 Where an application is made for planning consent to commence or carry out development which involves an "AA" use, or for any other development which requires the planning consent of the Council, the Council may give notice of the application in accordance with the provisions of this clause.

2.4.3 Where the Council is required or decides to give notice of an application for planning consent the Council shall cause one or more of the following to be carried out:—

- (a) notice of the proposed development to be served on owner or owners and occupiers of land with an area determined by the Council is likely to be affected by the granting of planning consent stating that submissions may be made to the Council within twenty-one days of the service of such notice;
- (b) notice of the proposed development to be published in a newspaper circulating in the Scheme Area stating that submissions may be made to the Council within twenty-one days from the publication thereof;
- (c) a sign displaying notice of the proposed development to be erected in a conspicuous position on the land for a period of twenty-one days from the date of publication of the notice referred to in paragraph (b) of this clause.

2.4.4 After expiration of twenty-one days from the serving of notice of the proposed development, the publication of notice or the erection of a sign or signs, whichever is the later, the Council shall consider and determine the application.

2.5 Council Approval or Refusal: The Council having considered an application for planning approval may either:

- (a) refuse to grant its approval giving its reasons; or
- (b) grant approval; or
- (c) grant approval subject to such conditions and requirements as it seems fit.

Without limiting the foregoing, the Council may, where it deems appropriate, limit the period of validity of any approval granted.

2.6 Conveyance of Council Decision: The Council shall convey its decision on any such application for planning approval to the applicant in the form set out in Appendix 3 to this Scheme within 60 days of the date upon which it was received at the Council's offices unless the Council shall have first obtained the applicant's approval in writing for an extension of that period and in the event that a decision has not been made within that period or extended period as the case may be the application shall be deemed to have been refused.

2.7 Classes of Development: The following classes of development may be undertaken without the approval of the Council and are referred to as permitted development:

- (a) the maintenance and repair of any building provided that no works of structural nature are undertaken and no material change in the external appearance of the building is involved;
- (b) subject to the zoning provisions of the Scheme, change in the uses of land and buildings which in the opinion of Council;
 - (i) is consistent with the orderly and proper planning of the locality and the preservation of the amenities of the locality,
 - (ii) does not give rise to the need, according to the provisions of this Scheme for additional car parking accommodation, loading and unloading accommodation, landscaping or other special site treatments,
 - (iii) will not detrimentally affect the amenity of the locality by reason of increased traffic generation, provision of additional public services and utilities of any kind.

PART III—Reserved Land.

3.1 Types of Reserves: Under the Scheme there are five types of Reserves set out hereunder:

- National Park.
- Park and Recreation.
- Public Purposes (as marked on Scheme Map).
- Civic and Cultural.
- Major Road.

Land set aside under the scheme for the purpose of a reservation is deemed to be reserved for the purpose indicated on the Scheme Map.

3.2 Development Controls:

- (a) Except as otherwise provided in this Part a person shall not carry out any development on land reserved under the Scheme, other than the erection of a boundary fence, without first applying for and obtaining the written approval of the Council.
- (b) In giving its approval the Council shall have regard to the ultimate purpose intended for the reserve and shall in the case of land reserved for the purposes of a public authority confer with that authority before giving its approval.
- (c) No provision of this Part shall prevent the continued use of land for the use for which it was being lawfully used immediately prior to the Scheme having the force of law, or the repair and maintenance, for which the prior consent in writing of the Council has been obtained, of buildings or works lawfully existing on the land.
- (d) Where a Council refuses approval for the development of land reserved under the Scheme on the ground that the land is reserved for public purposes, or grants approval subject to conditions that are unacceptable to the applicant the owner of the land may, if the land is injuriously affected thereby, claim compensation for such injurious affection.
- (e) claims for such compensation shall be lodged at the office of the Council not later than six months after the date of the decision of the Council refusing approval or granting it subject to conditions that are unacceptable to the applicant.
- (f) In lieu of paying compensation the Council may purchase the land affected by such decision of the Council at a price not exceeding the value of the land at the time of refusal or approval or of the grant of approval subject to conditions that are unacceptable to the applicant.

PART IV—Zones.

4.1 Zones: The Scheme Area is divided into 10 zones as set out hereunder:

- Residential.
- Residential Development.
- Commercial.
- Places of Public Assembly.
- Service Industry.
- Light Industry.
- General Industry.
- Composite Light Industry.
- Rural.
- Special Rural.
- Special Site (as marked on Scheme Map).
- Tourist Accommodation.

4.2 Use Class Table: Table No. 1 appended to Clause 4.4 of this Part indicates the several uses permitted by the Scheme in the various zones, such uses being determined by cross reference between the list of "Use Classes" on the left-hand side of the Table and the list of "Zones" on the top of that Table.

4.3 Symbols: The symbols used in the cross reference in Table No. 1 appended to this clause have the following meanings:—

"P" means that the use is permitted provided it complies with the relevant standards and requirements laid down in the Scheme and all conditions (if any) imposed by the Council in granting planning consent.

"AA" means that the Council may, at its discretion, permit the use in accordance with Clause 2.4.3;

"SA" means that the Council may, at its discretion, permit the use after notice of application has been given in accordance with Clause 2.4.3;

"IP" a use that is not permitted unless such use is incidental to the predominant use as decided approved by the Council.

4.4 Where no symbols appear in the cross reference of a use class against a Zone in the Zoning Table a use of that class is not permitted in that Zone.

4.5 Uses not specifically mentioned: If a use of land for a particular purpose is not specifically mentioned in the Zoning Table and cannot reasonably be determined as fall-

ing within the interpretation of one of the use categories the Council may:

- determine that the use is not consistent with the objectives of the particular zone and is therefore not permitted; or
- determine by absolute majority that the proposed use is consistent with the objectives of the zone and therefore follow the "SA" procedures of Clause 4.3.

A determination made by Council pursuant to the provisions of Clause 4.4 shall, for the purposes of this Scheme be regarded as the exercise of a discretionary power with the result that appeals may be lodged with the Minister against such determinations.

PART V—Non-conforming Use.

5.1 Scheme Provisions: No provision of the Scheme shall prevent—

- the continued use of any land or building for the purpose for which it was being lawfully used at the time of the coming into force of the Scheme; or
- the carrying out of any development thereon for which, immediately prior to that time, a permit or permits required under the Town Planning and Development Act 1928 (as amended), and any other law authorising the development to be carried out have been duly obtained and are current.

5.2 Reserved Land:

- Where in respect of land reserved under Part III of the Scheme a non-conforming use exists or was authorised as mentioned in Clause 5.1 of this Part

on that land all or any erections, alterations or extensions of the buildings thereon or use thereof shall not be carried out unless the approval of the Council has been obtained in writing;

- Where in respect of land zoned under Part IV of the Scheme a non-conforming use exists or was authorised as mentioned in Clause 5.1 of this Part on that land, and provided the prior consent in writing of the Council has been obtained, buildings may be extended to the limits prescribed by the Uniform Building By-laws made under the Local Government Act 1960-1981 (as amended), or by any other by-laws made under that Act for the purpose of limiting the size, location and distance from boundaries and any other matter required by law for that class of use within the boundary of the lot or lots on which the use was carried on immediately prior to the coming into force of the Scheme.

5.3 Change of Non-Conforming Use: The Council may permit the use of any land to be changed from one non-conforming use to another non-conforming use, provided the proposed use is, in the opinion of the Council, less detrimental to the amenity of the neighbourhood than the existing use, or is in the opinion of the Council closer to the intended uses of the zone.

5.4 Discontinuance of Non-Conforming Use.

5.4.1 When a non-conforming use of any land or building has been discontinued for a period of six months or more such land or building shall not thereafter be used otherwise than in conformity with the provisions of the scheme.

5.4.2 The Council may effect the discontinuance of a non-conforming use by the purchase of the affected property or by the payment of compensation to the owner or the occupier or to both the owner and the occupier of that property, and may enter into an agreement with the owner for that purpose.

5.4.3 Destruction of Buildings: If any building is, at the gazettal date, being used for a non-conforming use, and is subsequently destroyed or damaged to an extent of 75% or more of its value, the land on which the building is built shall not thereafter be used otherwise than in conformity with the scheme, and the buildings shall not be repaired or rebuilt, altered or added to for the purpose of being used for a non-conforming use or in a manner or position not permitted by the scheme.

PART VI—GENERAL PROVISIONS.

6.1 Broad Objectives and Policies.

6.1.1 This Part provides the policies and development standards by which the objectives of the Scheme may be achieved. The overall objectives are:

- (a) to encourage a family lifestyle within Kalbarri.
- (b) in accordance with (a) above, to consolidate single residential areas and to improve their amenity.
- (c) to respect demands for higher density living in accordance with changing population requirements.
- (d) in accordance with (c) above, to provide a broad mix of housing types but no building to be greater than two storeys.
- (e) to consolidate existing tourist accommodation and improve their amenities in accordance with demand.
- (f) to avoid through traffic in residential areas and to consolidate through traffic onto major roads.
- (g) to respect the demands on recreation facilities within Kalbarri.
- (h) to establish a balanced hierarchy of retail and community facilities in accordance with the needs of Kalbarri residents and tourists to the area.
- (i) to manage the open space reserves to provide for a range of recreational uses as well as conserving areas of natural beauty and/or environmental significance.

6.1.2 Basis of Policy Statements and Provisions: The Policy Statements are based upon detailed consideration of existing conditions contained in the Scheme Report. The policy statements summarise existing conditions to provide brief background information to policies and provisions.

Rezoning therefore must be consistent with the policy statement for that area and, where it is not, then Council shall either not proceed with the rezoning or amend the policy statement after a review of the whole environmental area concerned.

6.1.3 Development Standards: Without limiting the powers of Council to determine a Town Planning Application pursuant to Part II and subject to hereinafter provided, no development shall be carried out unless the relevant requirements and standards of this Part are complied with to the satisfaction of the Council.

6.2 Residential Zone.

6.2.1 Objectives and Policies: The Residential Zone together with its pattern and allocation throughout the Scheme Area is designed to provide for the development of the Scheme Area in such a way as will:—

- (i) provide sufficient land in appropriate locations for residential development to meet the needs of the Scheme Area's anticipated growth and population without unduly restricting the choice of sites;
- (ii) promote and safeguard health, safety, convenience, the general welfare and the amenities of residential areas and their inhabitants.

Notwithstanding that a proposed development conforms in all other respects with the requirements of the scheme, Council may at its discretion refuse to grant approval if in its opinion such development would by its siting design or construction result in a significant deterioration of the amenity or landscape quality of the town.

6.2.2 Residential Development: Residential Planning Codes:

- (i) For the purpose of this Scheme "Residential Planning Codes" means the Residential Planning Codes set out in Appendix 3 to the statement of Planning Policy No. 1, together with any Amendments thereto.
- (ii) A copy of the Residential Planning Codes, as amended, shall be kept and made available for public inspection at the offices of the Council.
- (iii) Unless otherwise provided for in the Scheme the development of land for any of the residential purposes dealt with by the Residential Planning Codes shall conform to the provisions of those codes.

6.2.3 Precinct—Code Relationship: In the various precincts as outlined on the Development Precincts and Residential Codes Map the Council shall encourage the following residential densities:

Precincts	Residential Code
2b	R 50
2d	R 50
4	R 50
5a	R 15
5b	Predominantly R 15 Selected R 30 and R 50
5c	R 10 and R 50
5d	R 10

6.2.4 Height Limit: Development within the Residential zone shall be restricted to 2 storeys in height however, Council may permit a relaxation of the height requirements if it is satisfied that the proposed development will not have an adverse effect on the amenity, density and character of the area and be generally consistent with the objectives of the zone.

6.2.5 Landscaping: Applications for development of any attached, grouped or multiple dwellings shall be accompanied by a plan showing the proposed landscaping of the site.

The landscaping plan shall show:

- (i) the location and general nature of planted areas;
- (ii) the location and nature of materials to be used on non-planted areas;
- (iii) the location and size of any outbuildings or other minor structure proposed.

All car parking areas shall be located and/or screened such that they are not visible from the street.

6.3 Residential Development Zone: Council's Objective is to ensure that the Zone develops as a precinct for residential and associated compatible uses in a manner which secures a maximum level of residential amenity.

Policies: Council policy for the Residential Development Zone will be:

- (i) adopt a Structure Plan which provides for the economic servicing of the area, an appropriate system of traffic circulations and pedestrians' open space and any other facility the Council considers is required;
- (ii) prior to the adoption of a Structure Plan Council shall forward the proposal to the Town Planning Board for comment;
- (iii) upon the adoption of the Structure Plan by the Council and endorsement of the plan by the Town Planning Board, the Council shall initiate an amendment to zone and code the land appropriately.

6.4 Commercial Zone.

6.4.1 The Council's Objectives for controlling commercial development are:

- (1) to maintain a balance of retail services for the convenience of the public;
- (2) to contain the majority of commercial development to the Town Centre Precinct 1;

- (3) to limit other commercial development in other precincts to that which already exists;
- (4) to permit limited commercial development only to Precinct 5b, when adequate residential development occurs and when it will not detract from the viability of the Town Centre Precinct developments.

6.4.2 Town Centre—Precinct 1: For Precinct 1, Council will have prepared a development control and guide plan which will take into account the appropriate disposition of commercial, offices, car parking and other compatible uses including the application of economic servicing and proper standards of civic design.

Such strategy which should be considered in conjunction with this Scheme, will be a guide for the future development of the Town Centre zone and may be elaborated, amended or passed by an absolute majority of the Council provided:

- (i) in the opinion of the Council, the alteration would be consistent with the orderly and proper planning of the locality and the presentation of the amenities of the locality;
- (ii) notice of Council's intention to consider altering the Town Centre Strategy is published in a newspaper circulating in the Scheme area stating that submissions may be made to the Council within 35 days from the publication thereof.

Development Standards:

- (a) Plot Ratio: Council shall permit a building in the Town Centre Precinct to have a plot ratio of 1.0 and may permit an increase of 50 per cent providing that Council is satisfied on matters relating to access, car parking, servicing, loading and unloading and any other matter the Council by its absolute majority may take into consideration.
- (b) Car Parking: Where car parking spaces are to be provided they shall be provided, designed, constructed and maintained in accordance with the provisions of Part VI of the Scheme and the approved plan relating thereto.
- (c) Loading and Unloading: Where areas for the loading and unloading of vehicles carrying goods or commodities to or from premises are to be provided the same shall be provided and maintained in accordance with the approved plan relating thereto.
- (d) Upper Floors: Where the ground floor of a multi-storey building is used for the purposes of shops or offices, the upper floors of such buildings may be used for the purposes of shops, offices or residential accommodation providing that:
 - (i) the residential use is confined to the upper floor;
 - (ii) the residential unit is used only by the owner/occupier of the shop or office within the same building.

6.4.3 Commercial Uses in Other Precincts: For individual commercial development on a single lot the following standards shall apply:

- (a) Front setback—10 metres
- (b) Site Cover—50 per cent
- (c) Car Parking, Loading and Unloading as for 6.4.2(b), 6.4.2(c).

6.5 Industrial Zones.

6.5.1 The Council's Objectives are to consolidate industrial activity into the defined industrial area and to encourage relocation of existing industries from the residential and commercial zoned land.

6.5.2 Policies: The overriding policy is to encourage the industrial activities of Kalbarri into an area, Precinct 6, and to provide:

- (i) efficient and pleasant industrial facilities;
- (ii) safe movement of vehicular and pedestrian traffic;
- (iii) adequate room for expansion without detrimental effects to adjoining land uses.
- (iv) include a special industrial/residential section, Precinct 6, whereby service and light industrial development may encourage small industries to develop.

6.5.3 Development Standards:

- (a) In the Industrial Zone and Composite Light Industry Zone development shall be in accordance with the following provisions:

TABLE 2.
Industrial Development—Site Requirements.

Industry Type	Min Lot Size	Effective Frontage	Building Setback			Site Coverage
			Front	Rear	Side	
Composite Light Industry	1 500 m ²	25 m	9 m	9 m	5 m	60%
Service Industry	800	22	7.5	6.0	5	70%
Light Industry	1 000	25	7.5	7.5	5	70%
General Industry	1 000	25	9	7.5	5	50%

- (b) Composite Light Industry Zone Development: Council may permit the development of a Single house on a lot zoned Composite Light Industry providing that:
 - (i) the lot frontage is not less than 25 metres;
 - (ii) the depth of the part of the lot for residential use is not less than 35 metres;
 - (iii) the residential development shall be in accordance with the R15 Code as adopted by the Scheme;
 - (iv) that no industrial activity is conducted within that part of the lot set aside for residential use.
- (c) Factoryettes: Council may permit factoryettes and/or factory tenement buildings within the Light and General Industrial Zoned lots.
Council may permit the construction of any factoryette to one side boundary providing that:
 - (i) all buildings comply to the Uniform Building By-laws;
 - (ii) Council is satisfied that vehicle access to both the front and rear of each unit is adequate.
- (d) Landscaping: An area of not less than 10 per cent of the land between the front building line and the street frontage shall be set aside for landscaping, and such landscaping shall be established and maintained in accordance with an approved plan relating thereto.
- (e) Storage of Materials: No dumping, storage of waste or materials, or construction servicing or maintenance shall be permitted between the front building line and the street frontage.
This shall not prohibit the display of finished goods or goods for sale between the front building line and the street frontage as an open air display.
- (f) Car Parking: Car Parking spaces shall be provided, designed, constructed and maintained in accordance with Part VI of the Scheme and with Council's approval of the development in accordance with Part II of the Scheme.

6.6 Place of Public Assembly Zone.

6.6.1 Objectives: The Council's Objective is to permit development or establishment of uses to satisfy the general cultural, religious, education, health and recreation and needs of the community.

6.6.2 Policies: Before approving the establishment of such uses the Council shall be satisfied that:

- (i) the amenity to adjacent land uses, by way of noise, heavy traffic or other detrimental effects, will not be adversely affected;
- (ii) a high standard of development appropriate to the specific use will occur.

6.6.3 Development Standards:

- (a) Lot Sizes: The lot size and effective frontage shall be at the discretion of the Council taking into consideration the intended purpose of the site.
- (b) Plot Ratio and Site Coverage: In this zone the plot ratio shall not exceed 0.5 and the site coverage shall not exceed 50 per cent.
- (c) Car Parking: Car Parking spaces shall be provided, designed, constructed and maintained in accordance with the provisions of Part VII of the Scheme.
- (d) Setback: Within this zone the building line setback from a road shall be a minimum of 10 metres. Side and rear setbacks shall be at the discretion of the Council.

6.7 Rural Zone.

6.7.1 Objectives: The main objective of Council is to maintain the rural character of the land so zoned and to prevent the use of the land for any use which may adversely influence the future expansion of the urban area.

6.7.2 Policy: Council shall prevent the development of any land zoned Rural for any use other than rural activities or for essential public amenity. Rural development is confined to Precinct 9.

6.7.3 Development Standards: The following building setbacks shall apply.

TABLE 3—Rural Zone—Building Setbacks.

Front	20 m	minimum
Rear	30 m	minimum
Side	20 m	minimum

6.8 Special Rural Zone.

6.8.1 Objectives: Council's Objectives for this zone is to encourage the development of intensive agriculture and other rural pursuits requiring specific development controls.

6.8.2 Policies: The policies are to limit this type of development to existing created lots until such time as a demand is proven and when then existing allotments are completely developed.

In accordance with Part II of the Scheme, Council:

- (i) may approve the construction of a single house;
- (ii) shall not approve of any Attached House or Grouped Dwelling construction;
- (iii) may approve a shed or other form of shelter for the specific purpose of the use permitted on the lot but for no other uses in accordance with Appendix 4.
- (iv) building setbacks shall be in accordance with Table 3.

6.8.3 (a) The provisions for controlling subdivision, land use and development relating to specific Special Rural Zones will be as laid down in Schedule 4 to the Scheme and future subdivision shall accord with the Plan of Subdivision for the specified area referred to in Schedule 4 and such Plan of Subdivision shall form part of this Scheme.

(b) Before making provision for a Special Rural Zone the Council shall prepare, or require the owner or owners of the land to prepare a submission supporting the creation of the Special Rural Zone and such submission shall include:

- (i) a statement as to the purpose or intent for which the zone is being created;
- (ii) the reasons for selecting the particular area the subject of the proposed zone with particular reference as to the manner in which the zone relates to the Council's rural planning strategy;
- (iii) a plan or plans showing contours at such intervals as to adequately depict the land form of the area and physical features such as existing buildings, rock outcrops, trees or groups of trees, lakes, rivers, creeks, swamps, orchards, wells and significant improvements;
- (iv) information regarding the method whereby it is proposed to provide a potable water supply to each lot; and
- (v) the proposed staging of the subdivision and development and the criteria to be met before successive stages are implemented.

(c) Before making provision for a Special Rural Zone the Council will also prepare, or require the owner or owners of the land to prepare a Plan of Subdivision showing:

- (i) the proposed ultimate subdivision including approximate lot sizes and dimensions;
- (ii) areas to be set aside for such public open space, pedestrian access ways, horse trails and community facilities as may be considered appropriate by the Council;
- (iii) such physical features it is intended to conserve; and
- (iv) the proposed staging of the subdivision.

(d) With respect to any proposed Special Rural Zone the Council may also specify:

- (i) The services and other facilities (if any), whether relating to water supply, drainage, waste disposal or otherwise as the Council shall think fit, that shall be provided by any purchaser of any lot;
- (ii) Such matters relating to the use and development of the land as will ensure the maintenance of the rural environment and the general amenity of the area; and
- (iii) Such other matters which are appropriate to secure the purpose for which the Special Rural Zone has been created as the Council shall think fit.

(e) No person shall commence to develop any land within a Special Rural Zone (including the erection of a private dwelling house) without first having obtained from the Council planning consent to commence development and without also having obtained a building licence.

(f) Notwithstanding the provisions of By-Law 11.2 (4) of the Uniform Building By-Laws, not more than one private dwelling house per lot shall be erected in any Special Rural Zone.

(g) The Council may, by notice served upon individual landowners or upon a subdivider of land within a Special Rural Zone require the preservation of specified groups of trees, and thereafter no landowner or subdivider shall cut, remove or otherwise destroy any group of trees so specified unless the Council rescinds the notice or order.

(h) No dwelling shall be constructed within a Special Rural Zone unless it is connected to an adequate water supply of potable water incorporating a minimum storage capacity of 92 000 litres or is connected to a reticulated water supply.

(i) Notwithstanding anything contained in the Scheme and anything that may be shown on the Plan of Subdivision specified in Schedule D the Town Planning Board may approve minor variations to the subdivisional design for any Special Rural Zone but shall not approve any further breakdown of any lot forming part of the said Plan of Subdivision.

6.9 Tourist Accommodation Zone.

6.9.1 Objectives: Council's objectives are to control the development of all forms of tourist accommodation in specified sites where advantage by means of location and accessibility may eventuate and where adjoining land areas will not be adversely affected. The Council is to also encourage a high standard of development commensurate to the existing development and appropriate to the natural setting of the town.

6.9.2 Policies: Council in this zone shall encourage the diversification of tourist accommodation to meet the requirements of the tourist population and ensure that development proposals provide for the protection of children and adults from traffic routes by walkways and also areas for recreation, management and servicing within the site.

6.9.3 Development Standards:

- (a) For uses within the definitions of Tourist Accommodation, Caravan Parks, Camping Grounds and Chalet Development, Council shall have regard for the Local Government Model by-laws relating to Caravan Park, Camping Ground and Holiday Accommodation, 1978, and the Health Act (Caravan Parks and Camping Grounds) Regulations, 1974.

(b) Site Requirements

TABLE 4—Site Requirements.

T.A.B.	1 for every 10 m ² floor area.

- (b) Where an application is made for development and the purpose for which the land or building is to be used is not specified in Table No. 7 the Council shall determine the number of car parking spaces to be provided on the land having regard to the nature of the proposed development, the number of employees likely to be on the site, the prevention or the obstruction of roads and streets, and the orderly and proper planning of the locality and the preservation of its amenities.

7.2 Conditions of Approval: When considering any application the Council shall have regard to and may impose conditions on the required car parking spaces. In particular the Council shall take into account and may impose conditions concerning:

- the proportion of car parking spaces to be roofed or covered;
- the proportion of car parking spaces to be below natural ground level;
- the means of access to each car parking space and the adequacy of any vehicular manoeuvring area;
- the location of the car parking spaces on the site and their effect on the amenity of adjoining development, including the potential effect if those spaces should later be roofed or covered;
- the extent to which car parking spaces are located within required building setback areas;
- the location of proposed public footpaths, vehicular crossings, of private footpaths within the lot, and the effect of both pedestrian and vehicular traffic movement and safety.

7.3 Off-Street Parking: Where public off-street parking facilities are or are to be located in the near vicinity of land or a building the subject of an application for development the Council may approve an application notwithstanding that the required number of car parking spaces is not to be provided subject to:

- The Council being satisfied that off-street parking facilities are sufficient to cater for the requirements of the land or building;
- the applicant entering into an agreement with Council to pay the cost of providing and maintaining the required number of car parking spaces as determined by Council.

7.4 Shared or Combined Parking: Where the number of car parking spaces proposed to be provided on land or in a building the subject of an application for development is less than the number required to be provided pursuant to the Scheme, the Council may approve the application if the applicant demonstrates that off street parking facilities in the near vicinity are available to cater for the parking requirements of the land and that arrangements to the satisfaction of the Council have been made to enable those facilities to be used for that purpose.

7.5 Standards: The dimensions of car parking spaces, parking angle, driveway widths and landscaping detail specified in Figure 1 shall be used by the Council in determining the layout of car parking areas.

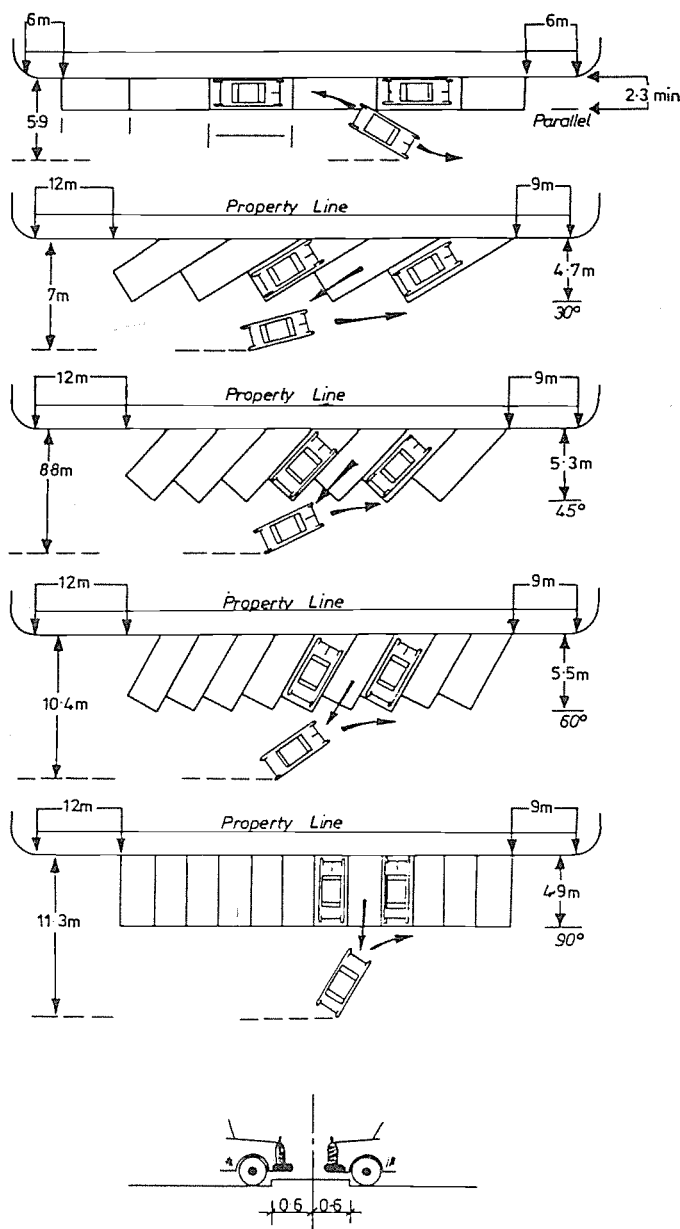

Council may vary the dimensions specified by up to 10 per cent where obstructions, site dimensions or topography result in the loss of a car parking space in any run of car parking spaces. This provision shall be used in order to obtain one additional space in a run of spaces and shall not be used to modify landscaping, shade tree or driveway access requirements.

7.6 Landscaping Construction and Maintenance: The owner and occupier of premises on which car parking spaces are provided shall ensure that:

- The car parking area is landscaped with shade trees, laid out, constructed, drained and maintained in accordance with the approved plan relating thereto;
- the car parking spaces are clearly marked out at all times to the satisfaction of the Council.

7.7 Parking on Private Land: The Council may with the consent of the owner or occupier of land, whether the subject of an application for development approval or not, arrange for the marking out, signing and policing of car parking spaces in accordance with an approved plan relating thereto.

7.8 Interpretations: For the purposes of this Part the interpretations of Figure 1 shall be in accordance with Appendix 1.

PART VIII—Finance and Administration.

8.1 Powers and Authorities of Council: In carrying out the provisions of the Scheme the Council shall have the following powers and authorities:

- to enter and inspect at all reasonable times, any land within the Scheme Area by its officers, agents or servants to ascertain any matter relative to the outworking of the scheme or to the observance of the provisions of the scheme;
- to enter into agreement with the owners or occupiers or prospective owners or occupiers of any land within the Scheme Area;
- to co-operate with the Crown and any Department of the State with reference to the carrying out of any of the objectives of this scheme as per section 23 First Schedule of the Act;

- to purchase land within the Scheme Area and for that purpose to enter into contracts and agreements with owners and thereafter to deal with the land in any way to give effect to the objectives of the scheme;
- to resume any land for any purpose necessary for effective implementation of the scheme;
- to deal with, dispose of, transfer or sell any land which it owns or which it has acquired pursuant to this scheme in accordance with the provisions of the scheme.

8.2 Compensation: Claims for compensation pursuant to this Scheme and to section 11 of the Town Planning and Development Act 1928 (as amended) shall be made not later than six months from the date on which notice of approval of the scheme is published in the *Government Gazette* except in the case of reserved land where the provisions of Part III shall apply.

8.3 Enforcement of Provisions:

- (a) If any person contravenes or fails or neglects to comply with any of the provisions of the scheme, the Council may by notice in the manner set out in Clause 8.4 hereof, order such person to discontinue forthwith any such contravention, and within 30 clear days after the service of such notice, pull down, take up, alter or otherwise make good any work which contravenes the scheme which are not being complied with and at the same time it may, pursuant to sub-section 1 of section 10 of the Act advise such person that in the event of him failing to comply with the provisions thereof in the time limited for compliance then the Council by its agents will enter such person's property and cause to be done such works and things as shall be specified in such notice.
- (b) Any expense incurred by the Council in doing any works pursuant to any default under paragraph (a) hereof may be recovered from the person in default by action for a civil debt recoverable summarily in any court having jurisdiction in respect of the amount involved.

8.4 Notices: Any notice under the provisions of the Scheme:

- (a) shall be addressed to the owner, occupier or lessee of the land in question;
- (b) shall describe in general terms the matter requiring attention, the remedial action required and shall specify the period (not being less than 28 days), within which the work shall be carried out;
- (c) shall where necessary, advise the person to whom it is addressed that in default of his compliance with such notice, the Council will enter such land and carry out the requirements of such notice itself at the expense of that person;
- (d) any notice required to be given hereunder may be served personally or by pre-paid letter addressed to the person to be served at his address as shown in the rate book of the Council if he shall be a ratepayer or at his last known address (whether he is a ratepayer or not) and such notice shall be deemed to be served on the day following the date of posting.

8.5 Entry to Premises: The Council may by an authorised officer enter at all reasonable times any building or land for the purpose of ascertaining whether the provisions of the scheme are being observed.

8.6 Penalties: Any person who fails to comply with any of the provisions of the scheme is guilty of an offence and without prejudice to any other remedy given herein is liable to such penalties as are prescribed by the Act.

8.7 Appeals: Any applicant who is aggrieved by any decision made or deemed to have been made by the Council exercising any of the discretionary powers available to it under this scheme may appeal, in accordance with Part V of the Act, to the Hon. Minister for Planning or the Town Planning Appeals Tribunal in accordance with Part V of the Act.

Adopted by resolution of the Council of the Shire of Northampton at the Ordinary Meeting of the Council held on 16 August 1985 and the seal of the Municipality was pursuant to that resolution hereunto affixed in the presence of—

LOCAL GOVERNMENT ACT 1960.

The Municipality of the Shire of Busselton.

By-law Relating to Reserves and Foreshores.

IN pursuance of the powers conferred upon it by the abovementioned Act, and of all other powers enabling it, the Council of the abovementioned Municipality hereby records having resolved on 28 August 1985 to make and submit for confirmation by the Governor the following by-law:—

1. In this by-law unless the context otherwise requires:—

"Act" means the Local Government Act 1960 (as amended or re-enacted);

"Authorised Officer" means an Officer of the Council who is authorised by the Council to serve notices under sections 669C and 669D of the Local Government Act 1960 (as amended);

"Council" means the Council of the Municipality of the Shire of Busselton;

"Foreshore" means all the land in the Shire of Busselton which lies between the low water mark and the high water mark of the Indian Ocean;

"Owner" in relation to a vehicle means the person who is the holder of the requisite vehicle licence under the Road Traffic Act 1974 in respect of that vehicle or, if the vehicle is not licensed under that Act, the person who owns the vehicle or is entitled to its possession;

"Reserve" means parklands, squares, reserves, beaches and other lands, included in the Shire of Busselton and set apart for the use and enjoyment of the inhabitants of the Shire and includes parks and other lands acquired for public purposes, and vested in or under the control, or management of the Shire of Busselton;

"Vehicle" has the same meaning as is given to that word in the Road Traffic Act as amended from time to time, but includes trail bikes, beach buggies and other recreational vehicles licensed or unlicensed.

2. On a Reserve or Foreshore a person shall:—
 - (a) commit or cause a nuisance;
 - (b) be in a state of intoxication;
 - (c) behave in a disorderly manner, create or take part in a disturbance, use foul or indecent language or commit any act of indecency;
 - (d) Undertake any activity deemed illegal by any other statute.
3. On a Reserve or a Foreshore a person other than a Shire employee executing his normal duties, shall not:—
 - (a) throw or discharge any stone, arrow, bullet or other missile;
 - (b) climb over or upon a fence or gate;
 - (c) unlock or fasten a gate, unless authorised by the Council to do so;
 - (d) enter any dressing or training room, or use any locker therein unless authorised by the Council to do so;
 - (e) destroy, damage, injure or cause harm to any bird or animal;
 - (f) damage or injure any plant, lawn, flower, shrub or tree;
 - (g) cut or damage any soil or turf;
 - (h) climb any tree;
 - (i) deposit or leave any rubbish, refuse, offal, paper, bottles, broken glass, china or litter of any kind whatsoever except in a receptacle provided for the purpose.
4. A person other than an employee of the Council executing his normal duties shall not without the consent of the Council:—
 - (a) drive or ride or bring any vehicle onto a reserve or foreshore or permit any person to drive or ride or bring any vehicle onto a reserve or foreshore except on or over such parts of the reserve or foreshore as are set aside as roads or driveways or vehicle parking areas;
 - (b) park or stand any vehicle on a reserve except in an area set aside for that purpose;
 - (c) park or stand a vehicle on a foreshore except in the course of launching or recovering a boat on a boat ramp set aside by the Council for the launching or recovering of boats.
5. On a foreshore a person shall not:—
 - (a) Sell, expose for sale or invite any offer to buy any goods, wares, food, refreshments, fruit or other merchandise or things (whether of the like kind as the foregoing or not) except in an area set apart for the purpose by the Council and then only with the prior consent of the Council;
 - (b) Hire, expose for hire or invite any offer to take on hire any vehicle, boat or other vessel or thing (whether of the like kind as the foregoing or not) except in an area set apart for the purpose by the Council and then only with the prior consent of the Council.
6. On a reserve a person shall not without the consent of the Council:—
 - (a) sell, expose for sale or invite any offer to buy any goods, wares, food, refreshments, fruit or other merchandise or things;
 - (b) play or practice at golf or strike a golf ball except on an area set aside for that purpose;
 - (c) take part in a procession or demonstration;
 - (d) organise, address or participate in a political meeting or rally;
 - (e) use or install a loud speaker or amplifier;
 - (f) distribute or exhibit any printed or written pamphlet, hand bill, placard or notice in any manner whatsoever;
 - (g) stamp, pencil, affix, construct or erect or cause to be stamped, stencilled, affixed, constructed or erected any signboard, hoarding, placard, hand bill, notice, advertisement or document whatsoever.
 - (h) light a fire other than in a fire place provided for the purpose;
 - (i) camp, lodge or tarry overnight, or frequent for the purpose of camping, lodging or tarrying overnight;
 - (j) erect a tent or any other temporary cover for the purpose of entertainment or for the display of any merchandise.
7. On a reserve a person shall not practice or play in or at any game in such a way as to cause inconvenience or annoyance to any other person.
8. (a) In this clause reference to an "animal" does not include a dog.
(b) The Council may set aside a reserve or foreshore or portion of a reserve or foreshore as an area upon which a person may ride or drive an animal or into which a person may bring an animal.
(c) A person shall not ride or drive or bring an animal onto any reserve or foreshore or any part thereof that has not been set aside for that purpose pursuant to subclause (b) of this clause.
(d) A person shall not ride, drive, exercise, train or race any animal on any part of a reserve or foreshore set aside under subclause (b) of this clause in a manner so as to create or become a nuisance.

9. (a) The Council may set aside a reserve or portion of a reserve as an area on which persons may fly mechanically operated model aeroplanes and the Council may define or limit the hours and days during which such model aeroplanes may be flown.

(b) A person shall not fly a mechanically operated model aeroplane on a reserve or portion of a reserve that has not been set aside pursuant to subclause (a) of this clause or at a time or on a day defined or limited by the Council under subclause (a) of this clause.

10. (a) The Council may set aside a reserve or portion of a reserve as a children's playground.

(b) The Council may limit the ages of persons who are permitted to use a playground set aside under subclauses (a) of this clause and may erect a notice to that effect on the playground.

(c) A person over the age specified in a notice erected on a playground set aside under subclause (a) of this clause, other than a person having the charge of a child or children in that playground, shall not enter or use that playground, or interfere with the use of it by a child or children.

11. A person found in a state of intoxication on a reserve or behaving in a disorderly manner, or creating or taking part in a disturbance, or using foul or indecent language, or committing an act of indecency thereon may be forthwith removed from the reserve by a member of the Police Force.

12. A person found undertaking in any activity deemed illegal by any other statute within a reserve, may be forthwith removed from the reserve by any member of the Police Force.

13. A person who does not do a thing which by or under these by-laws he is required or directed to do and a person who does a thing which by or under this by-law is prohibited from doing, commits an offence.

14. A person who commits an offence against this by-law is liable on conviction, to a maximum penalty of \$500.

15. The modified penalty for an offence against Clause 4 (a) of this by-law for an offence against Clause 4 (b) and for an offence against Clause 4 (c) of this by-law if dealt with under section 669D of the Act, is \$50.

16. (a) A notice served under subsection (2) of the section 669C of the Act in respect of an offence against this by-law shall be in or to effect of Form 1 of the Schedule of this by-law.

(b) An infringement notice served under section 669D of the Act in respect of an offence against this by-law shall be in or to the effect of Form 2 of the Schedule to this by-law.

(c) A notice sent under subsection (5) of section 669D of the Act withdrawing an infringement notice served under that section in respect of an offence against this by-law shall be in or to the effect of Form 3 of the Schedule of the by-law.

SOIL AND LAND CONSERVATION ACT 1945.

SOIL AND LAND CONSERVATION (EAST BALLIDU SOIL CONSERVATION DISTRICT) ORDER 1986.

MADE by His Excellency the Governor in Executive Council under sections 22 and 23 of the Soil and Land Conservation Act 1945 and on the recommendation of the Minister for Agriculture.

- Citation. 1. This Order may be cited as the Soil and Land Conservation (East Ballidu Soil Conservation District) Order 1986.
- Commence-
ment. 2. This Order shall come into operation on the day that this Order is published in the *Government Gazette*.
- Interpretation. 3. In this Order—
“appointed member” means a person appointed under Clause 6 (1) (b), (c) or (d) to be a member of the committee;
“committee” means the District Advisory Committee for the East Ballidu Soil Conservation District;
“member” means a member of the committee;
“the district” means the East Ballidu Soil Conservation District constituted by Clause 4 of and the Schedule to this Order.
- East Ballidu
Soil Conser-
vation District.
Establishment
of District Ad-
visory Com-
mittee. 4. All that portion of land as described in the Schedule to this Order, is hereby constituted the East Ballidu Soil Conservation District.
5. Pursuant to section 23 (2) of the Soil and Land Conservation Act 1945 there is hereby established for the district a district advisory committee to be known as the District Advisory Committee for the East Ballidu Soil Conservation District.

Constitution of
Committee.

6. (1) It is hereby determined, on the recommendation of the Minister, after consultation with the Shire of Wongan-Ballidu, that the committee shall comprise 11 members of whom—

- (a) one shall be the Commissioner for Soil Conservation or his nominee;
- (b) one shall be appointed by the Governor on the nomination of the Shire of Wongan-Ballidu;
- (c) 3 shall be appointed by the Governor, on the nomination of the Minister, to represent the Primary Industry Association; and
- (d) 6 shall be appointed by the Governor, on the nomination of the Minister, and shall be persons actively engaged in land use in the district.

(2) The Primary Industry Association of Western Australia shall submit to the Minister a panel containing the names of persons willing to be appointed as members of the Committee and where such a panel is submitted in accordance with this Order 3 persons whose names appear on the panel submitted by that Association shall be nominated for appointment.

(3) Subject to this clause each appointed member shall hold office for such period not exceeding 3 years as is specified in the instrument of his appointment and is eligible for reappointment.

(4) The Minister may grant leave of absence to an appointed member on such terms and conditions as the Minister determines.

(5) The Governor may terminate the appointment of an appointed member for inability, inefficiency or misbehaviour.

(6) If an appointed member—

- (a) is or becomes an undischarged bankrupt or person whose property is subject to an order or arrangement under the laws relating to bankruptcy;
 - (b) has his appointment terminated by the Governor, pursuant to subclause (5);
 - (c) is absent, except on leave duly granted by the Minister, from 3 consecutive meetings of the committee of which he has had notice; or
 - (d) resigns his office by written notice addressed to the Minister,
- the office of that appointed member becomes vacant.

Proceedings of
the committee.

7. (1) The committee shall hold its meetings at such place on such days and at such intervals as the committee shall from time to time determine.

(2) At any meeting of the committee—

- (a) a majority of the members constitute a quorum;
- (b) the Chairman shall preside and where he is absent from the meeting the members may appoint one of their number to preside at that meeting;
- (c) each member present is entitled to a deliberative vote; and
- (d) where the votes cast on any question are equally divided the Chairman or the presiding member in terms of paragraph (b), shall have a casting vote.

(3) The committee shall cause accurate minutes to be kept of the proceedings at its meetings.

(4) To the extent that it is not prescribed, the committee may determine its own procedure.
