 (3) These regulations apply, and *The Rural and Industries Bank of Western Australia Debentures and Inscribed Stock Regulations 1964*, do not apply, to and in relation to capital stock.
- Issue to public. 3. (1) For the purpose of these regulations, an invitation or offer shall not be taken to be made to the public if—

- Application. 5. (1) Where a placement of capital stock is to be effected otherwise than pursuant to an offer or invitation made to the public generally, an application shall be made and dealt with in such manner as the Bank may require or approve.
 (2) An application to invest in capital stock made pursuant to an offer or invitation made to the public generally shall be made in a form approved by the Bank, completed and signed by the applicant, and lodged in the manner specified in the offer or invitation, or, if no such manner is specified, lodged with the Bank at its principal place of business.

- (a) the Bank approves a payment by way of deposit; or
- (b) payment is made of such amount and in such manner as is required by the offer or invitation made by the Bank,

but no registration of the capital stock shall be effected until the full amount of the investment has been received by the Bank.

(4) The Bank on receipt of a deposit shall issue a document that constitutes an acknowledgement of the deposit and, as soon as may be convenient after receipt of the full amount of the investment, shall effect the registration in the Capital Stock Register by entering in that register the name and address of the applicant, and such other particulars as the Bank may consider necessary, in relation to the amount of capital stock appropriate to the investment.

(5) Where payment of the full amount of the investment is not made, the balance payable shall be paid in such manner as is required by the offer or invitation, and, unless otherwise provided in the offer or invitation, where any such payment is not received the Bank, after giving 14 days notice in writing to the applicant and without prejudice to the right of the Bank to recover unpaid amounts, may—

- (a) decline to give effect to the application;
- (b) if the application relates to a holding in respect of which part payment has been made, forfeit the right to the holding;
- (c) effect registration in favour of the applicant to the extent that the money which has been received represents capital stock for which the full amount of the investment has been received;
- (d) in any such case, apply the moneys received, and any moneys received in respect of a re-issue or re-allocation, in so far as not expended in accordance with paragraph (c) of this subregulation—
 - (i) in payment of expenses incurred in respect of the application or re-allocation; and
 - (ii) in satisfaction of any moneys due to the Bank from the applicant or former holder in respect to any matter, and repay the balance, if any, to the applicant or former holder; and
- (e) re-allocate capital stock, in respect of which the right of a person to registration has been forfeited, to any other person.

(6) An application may include a request for the transfer of stock to a Registry established otherwise than in the State.

ticulars.

9. (1) Any change in the name, address or other registered particulars of a holder shall, on the occurrence of that change, be forthwith notified in writing by or on behalf of that holder to the Registrar at the Registry at which the stock is recorded, and, subject to subregulation (2), on the notice of the change being approved by the Registrar the change shall be recorded in the Capital Stock Register.

(2) Where notice of a change in the particulars registered in relation to a holder is received by a Registry less than 14 days before a payment of the return on capital stock is due, the Registrar may decline to record the change specified in the notice until after payment of that return.

Infants.

10. (1) Capital stock may be registered in the name of an infant solely, and an infant may transfer capital stock, but if the infant has not attained the age of 14 years, effect shall not be given to the application for registration of the transfer without the consent of the infant's parent or guardian.

(3) Where capital stock is registered in the name of an infant jointly with one or more other persons, the principal and any return payable may, if the infant has attained the age of 14 years, be paid to the infant jointly with the other person or persons in whose names that stock is registered.

(4) Where the infant has not attained the age of 14 years the principal and any return payable may be paid to the infant's parent or guardian jointly with the other person or persons in whose names that stock is registered.

Executors etc.

12. Executors, administrators and trustees shall not be registered as such, but in their individual names without reference to any trusteeship.

Only persons
whose names are
recorded
recognized as
owners.

13. (1) The Bank and the Registrar shall, for all purposes, be entitled to regard the person or persons whose name or names are recorded as the holders registered in the Capital Stock Register as the true and absolute owners of the capital stock in relation to which such name or names is or are so recorded.

(2) All receipts, discharges, releases and other documents whatsoever executed by such a person or persons in relation to capital stock, or any interest therein or thereon, shall be deemed for all purposes and against all persons to be documents duly executed by the person or persons entitled to such stock, as the case may be.

(3) In relation to any capital stock, the Bank, the Registrar, and the Government of the State shall not be bound to recognize any equitable or other claim or interest on the part of any person other than a person whose name is registered in the Capital Stock Register as the holder.

Power of attorney.

14. (1) A person may by power of attorney in a form approved by the Registrar appoint some other person to be his attorney for any purpose in relation to his interest in any capital stock, but if the power purports to confer authority to deal on behalf of persons holding jointly it must be executed by all the holders.

(2) If the Registrar is satisfied that a power of attorney has been properly executed and attested and that the signatures thereto are genuine, and is of the opinion that it contains a power appropriate to the purpose, the Registrar may act upon the authority contained therein for the purpose of these regulations.

(3) The Registrar may require a power of attorney to be left at the Registry at least 2 clear days before it is to be acted upon.

(4) Particulars of every power of attorney left at the Registry for notation shall be entered by the Registrar in a register.

(5) A power of attorney shall be valid and effectual for all purposes therein mentioned until notice of its revocation or of the death, bankruptcy, insolvency, or unsoundness of mind of the donor of the power has been received by the Registrar.

Inspection of the Register.

15. (1) A certified copy or extract from the Capital Stock Register relating to his holding may be obtained by the holder, or his attorney or agent duly authorized to the satisfaction of the Registrar, upon payment on request to the Registrar of a fee not exceeding \$1 for each page or part of a page.

(2) A holder or joint holder of capital stock shall be at liberty, at all reasonable times and on reasonable application, to inspect his account in the Capital Stock Register.

Correction of the Capital Stock Register.

16. Upon receipt of a request, in writing, from a holder so to do, the Registrar may amend the Capital Stock Register if he is satisfied that any information relating to capital stock has been recorded incorrectly owing to a mistake in any document or for any other reason, but if the Registrar so requires the holder shall furnish a statutory declaration, or other evidence satisfactory to the Registrar, as to the circumstances to support the request to amend the mistake.

Verification and audit.

17. (1) All practicable precautions shall be taken by the Registrar to guard against fraud or improper transactions, and every entry in the Capital Stock Register shall be verified or approved by the Registrar, or such officer or agent as the Bank may from time to time appoint, and shall be audited by an officer approved for that purpose by the Auditor General.

(2) No person, other than the officer or officers approved by the Auditor General to audit transactions and the Registrar and officers or agents of the Bank immediately engaged on business relating to capital stock and approved by the Registrar, shall have access to any books, forms or other records except in so far as may be authorized pursuant to these regulations.

(3) Officers or agents so appointed or approved for the purpose of these regulations shall not divulge any information coming to their knowledge by reason of or in the course of their duties, except as may be necessary for the conduct of their duties or as required by law.

Registerable amounts.

18. (1) Capital stock shall be registered or remain registered only in the multiples stipulated in the terms and conditions applicable to the offer or invitation pursuant to which the application for the investment represented by that capital stock was received.

(2) Capital Stock Certificates shall be issued and dealt with accordingly, and, except with the consent of the Registrar, capital stock having a value that is not an integer multiple so stipulated or which is less than the multiple so stipulated shall not be transferable.

Certificates.

19. (1) Subject to subregulation (2), after the name of a person has been recorded in the Capital Stock Register as a holder of capital stock the Bank shall issue and forthwith deliver to that person free of charge a Certificate, in a form substantially complying with the form in the Schedule and affixed with the common seal of the Commissioners of the Bank, setting out the amount of stock registered in the name of that person on the date specified in the Certificate.

(2) For the purposes of subregulation (1), where capital stock is held jointly by a number of holders, it shall only be necessary for the Bank to deliver a Certificate to any one of that number referred to in the Certificate.

(3) Subject to subregulation (2), a Certificate shall be delivered by the Registrar only to a person whose name is registered as the holder of the capital stock in respect of which the Certificate is to be issued, or to his attorney, or to a member of a recognized Stock Exchange who represents that holder, or to a person authorized in writing by the holder to take delivery of the Certificate.

(4) The want of a Certificate shall not prevent the holder of capital stock from disposing of his holding, but the Registrar may decline to recognize an instrument of transfer or mandate for transmission in relation to any capital stock unless—

- (i) it is accompanied by the relevant Certificate; or
- (ii) he is otherwise satisfied that it is a proper transaction.

(5) If a Certificate is lost or defaced the Bank may cancel the original and cause a new Certificate (annotated as having been issued in lieu of the original) to be issued in lieu thereof, which new Certificate shall have the same currency and be in all respects subject to the same provisions and refer to the same number, date and amount as the cancelled Certificate, and may deliver the new Certificate to the claimant upon the claimant—

- (a) giving sufficient security to the Bank to indemnify the Bank against any double payment; and
- (b) undertaking to return to the Bank any Certificate that was lost and is found after the issue of a new Certificate in lieu.

(6) Where a new Certificate is issued, all reasonable expenses thereby incurred by the Bank shall on demand by the Bank be paid—

- (a) by the holder referred to in that Certificate; or
- (b) in the case of capital stock held jointly by a number of persons, by any one of that number.

Holder may transfer.

20. (1) The person whose name is registered in the Capital Stock Register as the holder may dispose of and transfer capital stock in a manner provided by these regulations, and not otherwise, by means of an instrument of transfer and acceptance in a form substantially complying with the form approved by the Bank, copies of which may be obtained from the Registrar, and registered in accordance with these regulations.

(2) A transfer relating to a change of ownership of capital stock shall not have effect unless—

- (a) the instrument of transfer and acceptance is duly executed by each of the parties to the transaction, whether making or accepting the transfer, in person or by the attorney of that person and the signatures to the instrument have been verified in a manner approved by the Registrar;
- (b) it is accompanied by such fee, if any, not exceeding \$10.00, as the Bank requires;
- (c) such information as the Registrar may require to ascertain the right of the transferor to make the transfer is furnished to the Bank; and
- (d) effect is given to the instrument by the Registrar.

(3) The Registrar shall give effect to an instrument of transfer and acceptance duly executed by—

- (a) cancelling the registration recorded in the Capital Stock Register in the name of the transferor; and
- (b) registering the capital stock in the Capital Stock Register, or where it is to be transferred to another Registry notifying the Registrar at the other Registry and requesting him to register the capital stock at that other Registry, in the name of the transferee.

(4) The Registrar may decline to give effect to a transfer of capital stock where the capital stock to be transferred is less than an amount determined by the Bank from time to time.

(5) Except as regards the first payment of return on the investment where under the conditions of the issue the Bank has provided that payment shall be made to the person in whose name the capital stock was registered originally, every transfer shall pass the right to all returns becoming due and payable after the date of registration thereof, so that the Bank shall not be under any necessity to apportion any such return as between the transferor and the transferee.

(6) Every transfer shall be lodged on a transfer day.

(7) The transfer days are Monday to Friday inclusive in each week, save where the relevant Registry is closed on a public holiday under the law of a State or of the Commonwealth.

(8) The Bank may suspend the registration of transfers of capital stock at such times and for such periods as the Bank from time to time determines not exceeding in aggregate 30 days in any calendar year.

Marking of transfers.

21. (1) Subject to the provisions of subregulation (2), the owner of any capital stock, or his attorney or agent duly authorized, may, by means of a form approved by the Registrar and lodged at the Registry at which the capital stock is recorded, request the Registrar to mark a transfer which has been properly executed by the holder as transferor with the words "Stock Held Against this Transfer for \$ (insert amount) for a period of (insert period, not being longer than 3 months) from and including (insert date)" (or words substantially similar thereto), and where a transfer is so marked the Registrar may refuse to give effect to any dealing to which the transfer relates during the period so marked, from and including the date of marking, in respect of the amount represented by the capital stock so marked, except in completion of the marked transfer.

(2) Nothing in subregulation (1) prevents the holder from surrendering to the Registrar a transfer so marked for cancellation within the period so marked where that form of transfer has not been executed by a transferee.

(3) Notwithstanding that a transfer marked in accordance with this regulation has been executed by a transferee, the transfer and that marking may be cancelled by the Registrar with the consent of both the transferor and the transferee and the Registrar may thereupon give effect to any other dealing to which the marked transfer related.

Time for registration of transfers.

22. (1) A transfer may be registered at any time within 3 calendar months after the time the Registrar has marked it notwithstanding that the transferor after executing the transfer has died, become bankrupt or insolvent.

(2) After the expiry of the period of 3 calendar months the Registrar shall refuse to register the transfer if he has had notice of the death, bankruptcy or insolvency of the transferor.

Transfer from
one Registry to
another without
change of own-
ership.

23. (1) Capital stock registered at a Registry in the name of a holder may be transferred to and registered at another Registry in the name of that holder, on an application being lodged, at the Registry where the capital stock is then recorded, by that holder in accordance with a form approved by that Registrar.

(2) On an application being approved, the Registrar at the Registry where the capital stock is then recorded—

- (a) shall notify the Registrar at the other Registry and request him to give effect to the transfer; and
- (b) on being informed that effect has been given to the transfer, cancel the registration of the capital stock in his Registry and notify the applicant that the transfer is effected.

Transfer from
one Registry to
another with
change of own-
ership

24. (1) Capital stock registered at a Registry in the name of a holder may be transferred to and registered at another Registry in the name of a person as transferee on an application to transfer the registration executed by each of the parties to the transaction and in accordance with a form approved by that Registrar, being lodged, at the Registry where the capital stock is then recorded, by that holder together with a duly executed instrument of transfer and acceptance of the capital stock and compliance with the requirements of regulation 20.

(2) On an application being approved, the Registrar at the Registry where the capital stock is then recorded—

- (a) shall notify the Registrar at the other Registry and request him to give effect to the transfer by registering the capital stock in the name of the transferee; and
- (b) on being informed that effect has been given to the transfer, cancel the registration of the capital stock in his Registry.

(3) An application under this regulation may not be withdrawn without the consent of the Registrar of the Registry to which it was made.

Transmission.

25. (1) A person to whom capital stock is transmitted may apply to the Registrar at the Registry where the capital stock is recorded to be registered as the holder, but the Registrar may require that the application be made by way of a mandate for transmission in a form approved by the Bank.

(2) The Registrar shall, if he is satisfied that the requirements of these regulations have been complied with, register the transmission by entering a record of it in the Capital Stock Register and entering therein the name of the person to whom the capital stock has been transmitted as the holder.

(3) No person shall have any claim against the Registrar or the Bank in respect of any transmission effected pursuant to these regulations, but nothing in this regulation relieves a person to whom capital stock is transmitted from any liability to account for or deal with that capital stock in accordance with law.

(4) A statutory declaration produced to and accepted by a Registrar pursuant to these regulations is a valid discharge to him and to the Bank against the claims of any other person whomsoever in relation to a transmission the recording of which was thereby effected.

Transmission
on death.

26. (1) The executor, administrator or trustee of the estate of a deceased holder (not being one of several joint holders) shall be the only person recognized by the Bank as having any title to capital stock registered in the name of the deceased holder.

(2) When one of the holders in a joint account relating to capital stock dies the survivor or survivors in the joint account shall be the only person or persons recognized by the Bank as having any title to or interest in capital stock to which the account relates.

(3) On the furnishing of satisfactory proof of a death of a joint holder in a joint account relating to capital stock, and on receipt by the Registrar of an application in writing from the survivor or survivors in that joint account, the capital stock shall be registered in the name of the survivor or survivors.

(4) A person is not required to reseal in the State any probate of a will or letters of administration of an estate in order that a transmission may be registered under these regulations if, in respect of capital stock to which that estate relates, probate of a will or letters of administration of the estate is or are produced to the Registrar together with such further information as he may require.

(5) Unless the Registrar otherwise requires, in the case of a transmission consequent on death where neither the probate of the will nor the letters of administration are produced to the Registrar, then—

- (a) in the case of transmission to a survivor or the survivors of a joint owner; or
- (b) in a case where the aggregate sum to be transmitted does not exceed the prescribed limit referred to in section 139 of the *Administration Act 1903*,

a certificate of death of the person who has died, accompanied by a statutory declaration or other evidence satisfactory to the Registrar identifying the person named in the death certificate with the person who is shown as the registered holder, setting out the reasons why probate or letters of administration are not produced and declaring that the sum transmitted will be dealt with according to law, may be produced to and accepted by the Registrar instead of the probate of the will or the letters of administration.

Transmission
other than by
transfer.

27. (1) Where capital stock is to be transferred by transmission in consequence of the death or bankruptcy or insolvency of the registered holder or for any other lawful reason, otherwise than by a transfer, the person to whom the capital stock is to be transmitted, or his attorney or duly authorized agent, may, in writing, apply to the Registrar at the Registry at which the capital stock is recorded to be registered as the holder.

(2) An application for transmission shall, if the Registrar so requires, be supported by a statutory declaration or other evidence satisfactory to the Registrar verifying the contents of the application.

(3) The Registrar may require the signature of a person who claims a transmission by virtue of his appointment as executor, administrator or trustee, to be verified to the satisfaction of the Registrar.

(4) The probate of the will, letters of administration of the estate or an office copy of the adjudication or order of sequestration or vesting order, as the case may be, or any other document that authorizes the transmission under this regulation shall be produced to the Registrar, if he so requires.

(5) The Registrar may require any document produced pursuant to this regulation to be left at the Registry at least two clear days before the transaction to which it relates is to be dealt with under these regulations, and shall enter or cause to be entered particulars of such documents in a register.

(6) Where the Registrar is satisfied that capital stock is registered in the name of a person whose property is required by law to be placed in the hands of the Public Trustee, or of an officer holding a corresponding position in any other State of the Commonwealth or of any other officer charged with the duty of administering estates of deceased persons or missing persons or persons under disability (other than bankruptcy or insolvency), the Registrar may authorize transmission to the name of the Public Trustee, the officer holding a corresponding position or other officer, but before doing so the Bank may require a sufficient indemnity from the Public Trustee, the officer holding a corresponding position or other officer.

Books to be
closed, and bal-
ances struck and
carried forward.

28. (1) A dealing relating to capital stock shall not, without the consent of the Bank, be registered or dealt with within 14 days prior to 31 March in each year, and the Capital Stock Register shall be deemed to be closed during that period.

(2) During the period for which the Capital Stock Register is deemed to be closed the Bank shall cause the amounts paid or credited as paid on capital stock respectively standing to the credit of the registered holders to be ascertained and the balances to be struck and carried forward in the appropriate registers, and each of the persons who on the day the registers are so closed is registered as a holder of capital stock shall be entitled to receive the return next payable on the amount paid or credited as paid on that holding of capital stock.

Receipt for re-
turn on invest-
ment to be suf-
ficient dis-
charge.

29. (1) The receipt of the person in whose name capital stock stands in the Capital Stock Register, or if it stands in the names of more persons than one the receipt of one of the persons named in the Capital Stock Register, or the receipt of the attorney of such a person or an agent duly authorized, shall be a sufficient discharge of the Bank for any return payable in respect of that capital stock or any document relating to that capital stock, notwithstanding any trusts to which the capital stock may then be subject and whether or not the Bank has had notice of the trusts, and the Bank shall not be bound to see to the application of the money paid upon such receipt.

(2) If capital stock is held in joint names and one or more of the registered holders dies, becomes bankrupt, insolvent or otherwise legally incapable, the receipt of anyone of the other joint owners or survivors, or of his attorney or an agent duly authorized, shall be a sufficient discharge of the Bank for any return payable in respect of that capital stock or any document relating to that capital stock, notwithstanding that a transmission has not been registered.

Return on in-
vestment.

30. (1) The Bank shall pay a return on an investment in capital stock in the manner provided for in this regulation.

(2) A return on the capital stock held by a person shall be paid to that person in every financial year—

- (a) on or before a date specified in the offer or invitation pursuant to which the investment in that capital stock was received by the Bank;
- (b) on the amounts paid or credited as paid to that person as holder of that capital stock as at the end of the preceding financial year;
- (c) in respect of the period comprising the preceding financial year, except that where an amount was paid or credited as paid on that capital stock in the course of that preceding financial year, the return on that amount shall be payable only in respect of the period comprising the portion of that preceding financial year that remained after the amount was so paid or credited as paid.

(3) The rate of return payable in respect of each financial year shall be calculated in accordance with the following formula—

$$\frac{[(A+B+C-D)]}{E} \times \frac{100}{1} = \text{Percentage rate of return upon amounts paid or credited as paid on capital stock}$$

Where A is the amount of the net profit of the Bank for the preceding financial year as certified by the Auditor General, which net profit shall not include either—

- (a) any profit of the Homes and Land Department; or
- (b) any unrealised capital profits specified in an instrument of the Treasurer referred to in section 96A(1a) of the Act;

- B is the amount of interest payable by the Bank pursuant to section 29 of the Act in respect of the preceding financial year;
- C is the amount paid by the Bank in respect of the preceding financial year by way of return on capital stock;
- D is the amount obtained when the sum of A + B + C is multiplied by a retention factor, being a percentage determined by the Bank as appropriate for calculating the required reserves;
- E is the average of the amount of capital employed by the Bank, calculated in accordance with subregulation (4), during the financial year to which the return of investment relates.

(4) For the purposes of subregulation (3), the capital employed by the Bank shall be taken to be the aggregate of—

- (a) the moneys comprised in The General Loan Fund and appropriated by Parliament pursuant to section 26(3) of the Act;
- (b) the amount comprising reserves as provided for in the Balance Sheet of the Bank for the financial year to which the return of investment relates; and
- (c) the moneys received in respect of investment in capital stock during the year to which the return of investment relates, multiplied by a factor representing the ratio of the number of days of the financial year remaining unexpired at the date of issue to the number of days in the full financial year.

(5) Where in any financial year the Bank is unable to pay a return on capital stock at the rate determined by reference to the formula referred to in subregulation (3) from the amount of the net profit of the Bank for the preceding financial year remaining before deducting any moneys to be paid to the Treasurer under section 96A of the Act, because the amount so remaining is not sufficient to enable the Bank to pay such a return, the Bank shall pay from the net profit so remaining a return on that capital stock at such a rate as the Commissioners of the Bank determine may be afforded.

(6) Notwithstanding subsection (1), the Bank shall not pay a return on capital stock in any financial year where the rate of return on that capital stock in that financial year is calculated, using the formula referred to in subregulation (3), to be not in excess of 0.5 per cent per annum.

Manner in
which returns
shall be paid.

31. (1) Except as is otherwise provided in this regulation, a return on capital stock shall be paid in the manner agreed in respect of the placement or set out in the offer or invitation pursuant to which the capital stock was issued, or by a cheque payable to the order of the holder and crossed "Not negotiable" sent by ordinary prepaid letter through the post, addressed to the holder, or the holder whose name in a joint account is first recorded in the Capital Stock Register, as the case may be, at his address as last notified to the Registrar before the relevant register closed.

(2) At the risk of the holder, payment of a return may be made into an account in the Bank, whether that account is in the name of the holder or of some other person or body, under the following conditions—

- (a) a holder who desires a return on any capital stock held by him to be paid to the credit of such a bank account shall make application in a manner approved by the Registrar; and
- (b) applications for payment into such a bank account shall be lodged at the Registry at least 14 days before the payment of the return is due and the instructions therein shall remain in force although the capital stock to which the return relates may have been added to or partly transferred.

(3) During any period for which the Capital Stock Register is deemed to be closed the Registrar shall cause the amount represented by the capital stock respectively standing to the credit of the several registered holders thereof to be ascertained and the balances to be struck and carried forward in the appropriate registers, and the persons who on the day the registers are so closed are recorded as holders shall be entitled to receive the return next payable thereon.

(4) Interest may be paid in a manner approved by the Registrar not otherwise provided for in these regulations, or to some person therein nominated by the holder, on an application being made by the holder in a manner approved by the Registrar.

(5) Interest on any capital stock held in the name of an infant or a person of unsound mind, jointly with others not under legal disability, may be paid as directed by the holders other than those under a disability, and without the concurrence of the infant or person of unsound mind, upon sufficient proof of legal disability being lodged with the Registrar.

(6) Where, under the conditions of the issue the Bank has provided that the first payment of return on capital stock shall be made to the person in whose name the capital stock was registered originally then that person shall for the purpose of the first payment of interest be deemed to be the holder under this regulation.

Bank may sell or
purchase stock.

32. The Bank may purchase capital stock that has been issued and may re-sell it.

Brokerage etc.

33. The Bank may pay moneys by way of commission, brokerage or otherwise for the making, procuring, negotiating, obtaining, or raising of any money received by the Bank pursuant to these regulations, or in respect of any placement or dealings relating thereto.
