Audit Report.

We have audited the books and records of the East Pilbara Shire Council in accordance with Australian Auditing Standards.

The Council has not complied with paragraph 19 of the Accounting Directions, 1960, which requires the checking and certification of payments. Consequently we are unable to obtain reasonable assurance that all payments for goods and services made by council during the year are valid.

We have been unable to obtain evidence that bank reconciliations for the municipal and trust funds are correctly prepared at 30 June or during the year. Consequently we are unable to obtain assurance that all receipts have been correctly banked into the municipal and trust accounts.

We have not been given adequate details of the following balance sheet items:

- (i) sundry debtors;
- (ii) sundry creditors;
- (iii) stock on hand;

and consequently it has not been possible for us to satisfy ourselves as to the validity of these items.

As a result of the matters referred to in the previous paragraphs, in our opinion proper accounting records have not been kept in accordance with the provisions of the Local Government Act 1960, and the Local Government Accounting Directions.

Accordingly we are unable to report as to whether the annual accounts give a true and fair view of:

- (i) the state of affairs of East Pilbara Shire Council as at 30 June 1985, and
- (ii) the cash transactions of East Pilbara Shire Council for the year ended 30 June 1985;

or are in accordance with the books and records of the Shire.
