We have audited the books and records of the Shire of Mandurah in accordance with Australian Auditing Standards and the Local Government Audit Directions issued by the Minister for Local Government.

Included in the balance sheet is a deferred asset \$277 394 in respect of the East Mandurah Town Planning Scheme. The recovery of this amount either in full or in part is dependent upon the outcome of negotiations currently in progress between Council and the relevant land owners.

In our opinion subject to the effect, if any, on the financial statements of the ultimate resolution of the matter referred to in the preceding paragraph, the annual accounts have been prepared on a basis consistent with the Local Government Act 1960 and the Local Government Accounting Directions, and so as to give a true and fair view of:—

- (1) the state of affairs of the Shire of Mandurah as at 30 June 1985 and
- (2) the cash transactions of the Shire of Mandurah for the year ended 30 June 1985,

and are in accordance with the books and records of the Shire.
