Report of the Auditor

I have examined the books and accounts of the City of Belmont for the financial year ended 30 June 1985.

The accounts are in order and have been properly kept in accordance with the Local Government Act and the Accounting Directions with the following exception:

The accounts were not completed and made available for audit within the time limits imposed by section 629 of the Act.

The Balance Sheet and related financial statements for the year ended 30 June 1985 are, in my opinion, prepared in a manner which is in substantial compliance with the Minister for Local Government's Accounting Directions and reflect a true and fair view of the affairs of the City at balance date.
