And Whereas the Licensees (hereinafter called "the Insured") named in the Certificate of Insurance having paid to the Office the Premium stated in the Certificate of Insurance to effect insurance with the State Government Fire Marine and General Insurance Fund.

The Office agrees:

Section 1: Professional Indemnity

To indemnify the Insured (which expression shall in this section 1 only include any person or persons in the direct employ of the Insured) against any claim or claims which may be made against the Insured during the Period of Insurance for breach of professional duty by reason of any negligent act, error or omission whenever or wherever committed or alleged to have been committed by the Insured in the conduct of the Business conducted by or on behalf of the Insured in a professional capacity.

Section 2: Fidelity

Provided that the liability of the Office shall not exceed in the aggregate in respect of each claim (including claimant's costs) the Limit of Liability stated in Memoranda 7 and in addition all costs and expenses incurred with the consent of the Office in the defence or settlement of any such claim, provided that, if a payment in excess of the said Limit of Liability is made to dispose of any such claim, the Offices' liability for any such costs and expenses so incurred shall be limited to such proportion thereof as the said Limit of Liability bears to the amount of the payment so made.

Provided further that in respect of each claim there shall be deducted from the amount of such claim, as finally determined, the amount of the Deductible stated in Memoranda 8 and the liability of the Office shall be limited to the amount, if any, in excess of such Deductible but not exceeding the Limit of Liability stated in Memoranda 7.

Exclusions Applicable to Section 2

The Office shall not be liable under this Policy in respect of or in relation to any person acting alone or in collusion with others:

4. for any loss arising from the complete or partial non-payment of, or default upon any loan, extension of credit or transaction in the nature of, or amounting to, a loan, obtained from or made by the Insured or by any of the employees whether authorised or unauthorised unless such loss results from fraud or dishonesty on the part of any of the employees;

Notwithstanding anything contained herein to the contrary, no indemnity shall be provided under this Policy in respect of any act, error or omission committed or alleged to have been committed by the Insured prior to the Commencement Date of the Certificate of Insurance and which the Insured at the Commencement Date knew or ought to have known could give rise to a claim or claims against the Insured.

11. No Refusal of Cover: The Office may not refuse any cover pursuant to this Master Policy to any Licensee.

12. Cross Liability (Applicable to Section 2 only): The word "Insured" shall be deemed to apply to each person comprising the Insured in the same manner as if a separate Policy had been issued to each of them and the act or omission of one shall not prejudice the right of any other to indemnity under this Insurance but the total liability of the Office in respect of all the individuals and entities comprising the Insured shall not exceed the Limit of Liability as stated in Memoranda 7 above.

GENERAL CONDITIONS

1. No Admission or Settlement, Conduct of Matter: The Insured shall not admit liability for or settle any claim or incur any costs or expenses in connection therewith without the written consent of the Office. The Office shall be entitled at its own expense at any time to take over and conduct in the name of the Insured the defence or settlement of any claim.

2. Notice of Claims: The Insured shall give notice to the Office in writing as soon as practicable of any circumstances giving rise or likely to give rise to a claim under this Policy and the Insured shall:

- (a) within fourteen days from the date of such notice (unless the Office has in writing agreed to extend such period) deliver to the Office a detailed statement in writing of the loss sustained;
- (b) at all reasonable times permit the Office or its agents to enquire into, investigate and examine the circumstances of the alleged loss by the Insured, and the claim in respect thereof, and the Insured shall, at his own expense upon being required so to do by the Office or its agents, produce all books, vouchers, correspondence, documents, receipts, and all other information relating to the alleged loss in his possession or control, and shall furnish copies of such of them and otherwise give all possible assistance as may be required by the Office so far as they relate to such claim or may in any way enable the Office or its agents to ascertain the correctness thereof or the liability of the Office under this Policy.
- (c) Effect of Giving Notice of Circumstances: If a notice of circumstances is given to the Office under the preceding clause either by or on behalf of the Insured or by or on behalf of his successors in business any claim subsequently made (whether before or after the expiration of the Period of Insurance) pursuant to such an intention to claim or arising from circumstances so notified shall be deemed to have been made on the date when such notice was given.

3. Other Insurance: The Office shall be liable only for that part of any loss which is in excess of the amount recoverable or recovered from any other insurance or indemnity which is available to the Insured covering such loss.

4. Fraud: If the Insured shall prefer any claim knowing the same to be false or fraudulent, as regards amount or otherwise, this Policy shall become void and all claim hereunder shall be forfeited.

Recoveries: If the Insured shall sustain any loss covered by this Policy which exceeds the Limit of Liability stated in the said Schedule, the Insured shall be entitled to all recoveries (except from suretyship, insurance, reinsurance, security or indemnity taken by or for the benefit of the Office) by whomsoever made on account of such loss under this Policy until fully reimbursed less the actual cost of effecting the same and any remainder shall be applied to the reimbursement of the Office.

6. Subrogation: If any payment is made under this Policy in respect of a claim, the Office shall be subrogated to all the Insured's rights of recovery in relation thereto.

The Office shall not however exercise any such rights against any employee of the Insured unless the claim has been brought about or contributed to by the dishonest, fraudulent, criminal or malicious act or omission of the employee.

7. Right of Office Upon Breach or Non-Compliance: Where the Insured's breach of or non-compliance with any term or condition of this insurance has resulted in substantial prejudice to the handling or settlement of any claim against the Insured in respect of which the Insured is insured hereunder the Insured shall reimburse to the Office the difference between the sum payable by the Office in respect of that claim and the sum which would have been payable in the absence of such prejudice PROVIDED ALWAYS THAT it shall be a condition precedent of the right of the Office to seek such reimbursement that they shall have fully indemnified the Insured in accordance with the terms hereof.

8. Queen's Counsel Clause: The Office agrees to pay claims which may arise under this Insurance without requiring the Insured to dispute any claim unless a Queen's Counsel (to be mutually agreed upon by the Insured, the Firm and the Office) advises that the claim could be contested with a reasonable prospect of success by the Insured and the Insured or the Firm consents to such claim being contested, but such consent is not to be unreasonably withheld. In the event of any dispute arising between the Insured, the Firm and the Office as to what constitutes an unreasonable refusal to contest a claim the Chairman for the time being of the Board shall nominate a Referee to decide this point only and the decision of such a Referee shall be binding on all parties.
