## LOCAL GOVERNMENT ACT 1960

## The Municipality of the Shire of Albany

## By-laws Relating to Street Lawns and Gardens

IN pursuance of the powers conferred upon it by the aforementioned Act and of all other powers enabling it, the Council of the abovementioned Municipality hereby records having resolved on 20 December 1985 to make and submit for confirmation by the Governor the following By-laws:

1. These by-laws may be cited as the Shire of Albany by-laws (Street Lawns and Gardens) By-laws No. 24.

2. In these by-laws, unless the context otherwise requires—

“the Act” means the Local Government Act 1960 (as amended) and, except as otherwise in this by-law provided, words and expressions have the same meanings as they have in the Act;

“carriageway” means a portion of a road that is improved, designed or ordinarily used for vehicular traffic, and includes the shoulders, and areas, including embayments, at the side or centre of the road, used for the standing or parking of vehicles; but does not include a lane, right of way or driveway;

“footpath” includes that part of a road set apart or constructed for the use of pedestrians and every established footway, pavement, lane, thoroughfare or any other part of a road set apart for the use of pedestrians, and, where any part of a road is not so set apart or constructed, that portion on both sides of a road 3 metres in width measured from the property line and extending alongside such road;

“junction” includes that part of a road lying between imaginary straight lines at right angles to the road commencing from the points of transection formed by its own property lines with the property lines of a road which abuts thereon; except that where the property lines are curved at any corner, the point of transection formed by the property lines shall be determined in the same manner as is provided in the definition of “intersection”;

“property line” means the boundary between the land comprising a street and the land that abuts thereon.

3. Where, before the coming operation of these by-laws, a lawn or garden has been planted in a street, that lawn or garden shall be deemed to have been regularly planted pursuant to these by-laws.

(1) Except where the land fronting the street is zoned “Rural” in an approved gazetted Town Planning Scheme a person shall not remove any natural vegetation or plant a lawn or garden in a street within the Shire of Albany, except pursuant to a permit issued by the Council and then only in conformity with these by-laws.

(2) The Council shall not issue a permit for the clearing and removal of vegetation from or the planing of a lawn or a garden in any portion of a street, except on the application of the owner or occupier of the land that abuts on that portion of the street.

(3) A person requiring a permit to plant a garden in a street shall submit to the Council a sketch plan setting out details of the proposed garden and the positions of the proposed garden beds, in relation to the frontage of that person’s land and the carriageway.

(4) The Council may issue a permit under this by-law subject to such conditions as it sees fit to impose; and a person who clears and removes natural vegetation or who plants a lawn or garden otherwise than in compliance with those conditions commits an offence.

5. Person shall not plant a lawn or garden, in a street—

- (a) so that it extends beyond the frontage in respect of which the permit is issued;
- (b) so that it encroaches on the pavement of a carriageway, or on a made footpath;
- (c) that is not graded evenly from the frontage of the land abutting on that portion of the street to the kerb of the carriageway.

6. (1) Any water pipes laid to a lawn or garden, in a street, shall—

- (a) be laid beneath the surface of the street, at a depth of not more than 30 cm, nor less than 5 cm, and so that any fitting connected to them does not project above the surface of the lawn or garden;
- (b) if connected to a public water supply, be laid to comply with the requirements of the body constituted for, and having the control of, that supply under an Act;
- (c) if connected to a private supply, where passing under road pavement, made footpaths or crossings, be of galvanised steel, wrought iron, UPVC or copper; and
- (d) have approved valves located within the property where they are connected to the supply and fitted so as to give complete control of the flow of water from the supply.

(2) Where a person, in the course of laying pipes pursuant to this by-law, causes damage to any road pavement, footpath, or crossing, to any water, gas or sewerage pipes, to any power or telephone cables or to a fire hydrant, that damage may be made good, by the authority having the control of the thing damaged, at the expense of that person or of the person on whose behalf the pipes were laid; and the amount of that expense may be recovered in any Court of competent jurisdiction.

7. A person shall not water a street lawn or garden in such a manner as will, or may, occasion inconvenience to persons using the adjoining carriageway or footpath.

8. (1) A person planting a lawn or garden in a street may do all things reasonably necessary to maintain that lawn or garden and shall make good any damage thereby occasioned to the street and shall keep the lawn mowed to a reasonable height.

(2) Nothing in these by-laws authorises a person to place or erect any fence enclosure or other obstruction on, or about, a lawn or garden in a street.

(3) A person shall not plant any tree or shrub that is grown, or is of a variety likely to grow, to a height exceeding 0.75 metres, in a lawn or garden in a street, so that it is within 12 metres of a junction or intersection.

9. The Council may at any time, by notice in writing to the owner or occupier of land that abuts upon that part of a street wherein a lawn or garden is planted, require that owner or occupier to remove any tree, shrub or water piping or fitting and may, where the owner or occupier does not comply with the notice, remove the tree, shrub, piping or fitting at the expense of the owner or occupier, and any expense incurred by the Council pursuant to this by-law may be recovered in any Court of competent jurisdiction.

10. (1) The Council or any other authority empowered by law to dig up a street may, without being liable to compensate any person therefore, dig up all or any part of a lawn or garden in a street, for the purpose of carrying out any authorised works.

(2) A person employed by the Council or other authority acting pursuant to this by-law shall not disturb a lawn or garden or damage any pipes laid under it or them to any greater extent than is reasonably necessary for the purpose of carrying out any authorised works and shall, upon the completion of the works, reinstate the lawn or garden, as far as is reasonably practicable.

11. (1) Where the Council or any other authority authorised by law to dig up a street for the purpose of carrying out authorised works is of the opinion that the carrying out of those works may be impeded by the existence of piping, under a lawn or garden in a street, it may give notice to the owner or occupier of the land abutting on the lawn or garden to remove the piping, until the completion of the works; and may, where the owner or occupier does not comply with the notice, remove the piping at the expense of the owner or occupier; and any expense incurred by the Council or authority pursuant to this by-law may be recovered in any Court of competent jurisdiction.

(2) The Council or other authority is not liable for damage to piping under a lawn or garden in a street occasioned either in the course of the removal of the piping under the provisions of sub-by-law (1) of this by-law or in carrying out authorised works.

12. (1) A person, not being the owner or occupier of the land abutting on a lawn or garden, shall not, without the consent of that owner or occupier, drive or stand a vehicle or animal upon a lawn or garden planted in a street pursuant to these by-laws.

(2) Where a complaint brought under this by-law is in respect of the driving of a vehicle upon a lawn or garden, if the pavement of the carriageway adjoining the lawn or garden does not exceed 5.5 metres in width, it is a sufficient defence to the complaint to show that—

(a) the wheels of one side only of the vehicle passed over the lawn or garden; and

(b) it was necessary to drive upon the lawn or garden, in order to pass another vehicle then being driven or standing on the pavement of the carriageway.

(3) A notice served under subsection (2) of section 669C of the Act in respect of an offence against this by-law shall be in or to the effect of Form 1 in the Schedule to these by-laws.

(4) Subject to sub-by-law (5) of this by-law an infringement notice served under section 669D of the Act in respect of an offence against this by-law shall be in or to the effect of Form 2 in the Schedule to these by-laws.

(5) An infringement notice served under subsection (2) of section 669D of the Act in respect of an offence against this by-law shall be in or to the effect of Form 3 in the Schedule to these by-laws.

(6) A notice sent under subsection (5) of section 669D of the Act withdrawing an infringement notice served under that section in respect of an offence against this by-law shall be in or to the effect of Form 4 in the Schedule to these by-laws.

13. Except as provided by these by-laws, every person who wilfully damages a lawn or garden in a street or who removes from any such garden any flower, plant or shrub commits an offence.

14. The Council is not liable for any damage sustained by a person by reason of, or arising out of, the planting, or existence, of a lawn or garden in a street.

15. The modified penalty for an offence against By-law 12 of these by-laws, is dealt with under section 669D of the Act, is Thirty Dollars.

16. Every person who commits an offence against these by-laws is liable upon conviction to a penalty of Two Hundred Dollars.

Provided that in the case of sub-section (b), if numerals in arithmetical sequence are placed opposite the names of all the candidates but one, the next following numeral shall be deemed to be placed opposite the name of the remaining candidate.

#### 12. Scrutineers

- (a) Each candidate at an election and the College shall be entitled to appoint, in writing, one scrutineer each to be present at each of any polling places during the hours of polling, and one scrutineer each to be present during the scrutiny of votes cast under section 10 (c) of this Statute.

  - (v) if no mark is indicated on it.
- (b) A ballot paper shall not be informal for any reason other than the reasons stated in sub-section (a) but shall be given effect according to the elector's intention so far as the elector's intention is clear, and, in particular when there are only two candidates, a ballot paper shall not be informal by reason only of the elector having indicated a vote or first preference by a cross instead of the numeral 1.
