## BUSH FIRES ACT 1954

Important information relating to your responsibility as a landholder in the Shire of Busselton

WITH reference to section 33 of the Bush Fires Act 1954, you are required to carry out fire prevention work on land owned or occupied by you in accordance with the provisions of this order.

This work must be carried out by 22 December 1986 and kept maintained throughout the summer months until the close of the Restricted Burning Period, 1987.

An inspection of firebreaks and hazard removal will be carried out in all areas of the Shire by an Authorised Officer on or after 22 December 1986.

Persons who fail to comply with the requirements of this order may be issued with an infringement notice (penalty \$40) or prosecuted with an increased penalty, and additionally, council may carry out the required work at cost to the owner or occupier.

If permission is not granted by the Council or its duly authorised officer, you shall comply with the requirements of this notice.
