FREMANTLE PORT AUTHORITY REGULATIONS

Notice of Amended Water Ski Area and Speed Limit

Fremantle Port Authority,
Fremantle, 22 August 1986.

ACTING pursuant to the powers conferred by Regulation 367B of the Fremantle Port Authority Regulations 1971 (as amended) the Fremantle Port Authority by this notice:—

1. Defines and sets aside the following areas of the Outer Harbour of the Port of Fremantle for the purpose of water ski-ing and imposes as a condition of water ski-ing in any of the following areas of the Port that every person engaged therein shall conform with the rules of the Western Australian Water Ski Association for the time being in force.

(i) Ski-ing Areas—Definition:

Within the boundaries of an imaginary line commencing at the southeasternmost corner of CSBP Jetty berth (Latitude 32°14.68' South, Longitude 115°45.21' East) and extending in a southwesterly direction on a true bearing of 221°30' thence passing along the eastern side of Kwinana Grain Jetty berth to a point approximately 600 metres distance from the shoreline in position Latitude 32°16.23' South, Longitude 115°43.56' East, thence continuing on an easy curve to the right at a constant 600 metres distance from the shoreline and running parallel to the shoreline at 600 metres distance to a point 600 metres from the Garden Island Causeway groyne in position Latitude 32°16.29' South, Longitude 115°42.26' East, thence in a northerly direction parallel to and 600 metres distance from the eastern side of the groyne until the line intersects the "Naval Waters" limiting boundary in position Latitude 32°14.54' South, Longitude 115°42.21' East, thence along the "Naval Waters" boundary in an approximately northeasterly direction to a point on the "Naval Waters" boundary in position Latitude 32°13.95' South, Longitude 115°42.52' East. This point is on a line between Colpoys Point light beacon (Latitude 32°13.75' South, Longitude 115°41.79' East) and the southern extremity of CSBP Jetty berth (Latitude 32°14.67' South, Longitude 115°45.20' East) and its intersection with the "Naval Waters" boundary. From this point, the ski-ing area's defined boundary continues in a southeasterly direction of a true bearing of 108°00' to the southeast corner of CSBP Jetty berth (Latitude 32°14.68' South, Longitude 115°45.21' East), this being the termination point and coinciding with the point of commencement as mentioned above.

(ii) Restricted Areas:

The only exceptions to the defined ski-ing areas are:—

Within Minstrel Channel and within 200 metres distance from the shipping berths at CSBP and Kwinana Grain Jetties Berths where ski-ing is strictly forbidden.

(iii) Take-off Area:

The take-off area of 200 metres length is situated along the foreshore immediately opposite Weld Street, Rockingham, and a corridor of the same width from the shore extends westward to meet the ski area's eastern boundary on the same alignment as Weld Street of approximate bearing of 130°00' true.

The corridor will be marked by PVC-type spar buoys.

Ski-ing is permitted within the corridor whilst travelling between the take-off area and the ski-ing area but all craft must keep to the starboard side of the thoroughfare and proceed with proper lookout and caution.

(iv) Special Area:

Two special areas defined by 250-metre-sided equilateral triangles will be situated 100 metres offshore for the purpose of hire craft, who are permitted to attain speeds of up to 15 knots.

The triangles are to be clearly marked by buoys placed at each corner of the triangles respectively and will be in position in daylight hours only.

Craft other than hire craft must keep clear of the "special areas" when the buoys are in position.

The positions of these two areas are:—

- (a) 400 metres in a northerly direction from the centre of the shore end of "Kwinana Wreck" jetty (Latitude 32°14.93' South, Longitude 115°45.28' East) as shown on nautical chart AUS.117.

- (b) 500 metres in a southwesterly direction from the same point as mentioned for (a).

The centre of triangle (a) Latitude 32°14.7' South, Longitude 115°45.28' East (approx.).

The centre of triangle (b) Latitude 32°15.12' South, Longitude 115°45.05' East (approx.).

FPA hydrographic drawing 101-129 or Chart AUS.117 should be used for reference to the stated positions in these definitions.

2. Limits the speed of motor boats to that of eight knots and prohibits water ski-ing within the following areas of the Port of Fremantle:—

- (i) Within the Inner Harbour;
- (ii) Within that part of the Outer Harbour eastward of an imaginary line extending from the North Mole Lighthouse to a point where the northern boundary of the Outer Harbour meets the shore of the mainland;
- (iii) Within 0.8 kilometres radius of the Oil Refinery Jetties at Kwinana;
- (iv) In any navigational channel or within 45 metres of any buoy or beacon marking any such channel.
