Report of the Auditor

I have examined the books of account of the City of Belmont for the year ended 30 June 1986.

The Annual Accounts required by section 630 (3) of the Local Government Act were submitted to me for audit and have been found to be a correct extract from the books of account.

The accounts have been prepared in the form required by Local Government Act Accounting Directions.

I am unable to form an opinion as to the compliance with the Local Government Act and the Minister's Accounting Directions because of a conflict of accounting principles between the Act and the Accounting Directions.

Local Government Auditor.
