IN pursuance of the powers conferred upon it by the above mentioned Act, and of all other powers enabling it, the Council of the above mentioned municipality hereby records having resolved on 15 October 1986 to make and submit for confirmation by the Governor the following by-laws.

The by-laws published in the *Government Gazette* of 14 March 1947 at page 433 relating to the establishment etc. of Bush Fire Brigades are hereby repealed and replaced by the following:

Establishment of Brigade

1. (a) By resolution, the Council may establish, maintain and equip a bush fire brigade under the provisions of the Bush Fires Act 1954 and regulations thereunder, the brigade shall be formed in accordance with these by-laws; and a name shall be given to the brigade. Details of the brigade and its officers shall be entered in the register of Bush Fire Brigades held by the Council.

(b) A bush fire brigade may be established for the whole of the Shire or for any specified area thereof.

Appointment of Officers

2. The Council shall appoint a captain, a first lieutenant, a second lieutenant and such additional lieutenants as it shall deem necessary to act as officers of the brigade.

3. Members of the Brigade shall elect a person to act as Secretary to the Brigade and shall inform the Council accordingly.

4. The Council may appoint an equipment officer who shall be responsible for the custody and maintenance in good order and condition of all equipment and appliances acquired by the Council for the purposes of the brigade.

Such officer may station such equipment at a depot approved by the captain.

POWERS AND DUTIES OF OFFICERS

5. The powers and duties of all officers appointed under these by-laws shall be as laid down in the provisions of the Bush Fires Act 1954 and each officer so appointed shall be supplied with a copy of the Act and regulations.

Membership of Brigade

6. (1) The membership of a bush fire brigade may consist of the following:

- (a) subscribing members; and
- (b) firefighting members;

(2) Subscribing members shall be those persons, who being interested in forwarding the objects of the brigade, pay an annual subscription to the funds of the brigade at the following rates:

- (i) owner or occupier of land within the brigade area—minimum subscription of \$6.00
- (ii) other persons—minimum subscription of \$3.00

(3) Fire fighting members shall be those persons, being able bodied persons over 15 years who are willing to render service at any bush fire when called upon; and who sign an undertaking in the form contained in the First Schedule to these by-laws.

(4) No fees or subscriptions shall be payable by firefighting members and the enrolment of persons as such members shall in every case be subject to the approval of the Council.

(5) A subscribing member shall be eligible for enrolment as a firefighting member.

Finance

7. The expenditure incurred by the Council in the purchase of equipment payment for services and generally for the purpose of this Act, shall be a charge on the ordinary revenue of the Council and records of such expenditure shall be maintained in accordance with Municipal audit requirements.

Meetings of Brigades

8. Meetings will be held as necessary.

IT is hereby notified for public information, in accordance with section 7 of the Town Planning and Development Act 1928 (as amended) that the Hon Minister for Planning approved the Town of Kwinana Town Planning Scheme Amendment on 17 December 1986 for the purpose of amending the above Town Planning Scheme by:—

- (a) Rezoning Lot 115 at the corner of Lyon and Hope Valley Road from Rural to Special Rural.

- (b) Inserting within the second schedule of the scheme text the following:—

Second Schedule

Column (a)

2. Special Rural Zone No. 13, Lot 115, Lyon Road.

Column (b)

1. Subdivision of Special Rural No. 13, Lot 115, Lyon Road, is to be in accordance with plan of subdivision No. 1 endorsed by the Town Clerk.
2. The minimum lot size shall be two hectares.
3. Crash barrier fences shall be constructed between the heads of the cul-de-sacs for fire fighting and escape purposes, and the lot owners shall maintain them in a manner such that they serve this purpose.
4. In the land which is outside the building envelope indigenous trees or scrub or other substantial vegetation may not be felled except as hereunder:
 - (a) Trees which are dead diseased or dangerous.
 - (b) For the purpose of a firebreak required by a regulation or by-law except that in order to preserve the amenity of the area Council may at its discretion vary the position of any required firebreak to avoid destruction of vegetation or due to the physical features of the subject land.
 - (c) For the purpose of any access driveway for a residential dwelling as approved by Council.
5. No habitable dwelling's floor level shall be less two metres above the highest known water level.
6. (a) The following uses are permitted "P" Dwelling, House, Stables.
(b) The following uses are not permitted unless the Council gives its approval in writing "AA":
Home Occupation
Public Utility
(c) All other uses not mentioned under (a) and (b) above are not permitted "X".
7. The minimum standard of front boundary fencing shall be: Posts—tantalithe treated pine not less than 100-150 mm diameter being not less than 750 mm in the ground and 1 200 mm above ground. The posts are to be installed vertically and well consolidated in positions not exceeding 2 750 mm apart. Corner posts and posts at changes of direction of fence alignment to be struttred to the satisfaction of the Town Engineer. Top Rails—tantalithe treated pine not less than 100-150 mm diameter installed horizontally with the top edge approximately level with the top of the posts 1 200 mm above ground level. Wires—Ten S.W.G. high tensile galvanised (or bonded plastic equivalent to the satisfaction of the Town Engineer). The top wire to be installed by running through holes bored in posts being 75 mm below the under side of the top rails. The middle wire to be installed by running through holes bored in posts being 300 mm below the top wire, the lower wire to be installed by running through holes bored in posts being 300 mm below the middle wire. All wires to be strained to the satisfaction of the Town Engineer. The subdividing owner shall construct these fences prior to subdivision.
8. Minimum dwelling size;
 - (a) Floor—no dwelling house shall be constructed within the area specified in column (a) with an overall floor area (including walls) of less than 90 m².
 - (b) Roof—no roof forming effective water catchment area connected to the storage tank shall be less than 90 m² projected plan area.

9. All public roads and public access ways within the Special Rural Zone shall be constructed to Council's specifications and satisfaction.

10. Prior to the subdivision of this Special Rural Zone it shall be drained to the satisfaction of the Council. Any drainage shall be limited to that required to comply with conditions of s. 5 of these provisions.

11. Water supply provisions;

(a) The subdividing owner of the land shall make arrangements satisfactory to the Council to the effect that prospective purchasers of the lot are advised that no reticulated water supply can be provided by the Western Australian Water Authority.

(b) The land is subject to the provisions of the Western Australian Water Authority By-laws applicable to underground water supply and pollution control. The subdividing owner shall inform all prospective purchasers in writing of the Western Australian Water Authority's requirements mentioned in (c) and (d) below.

(c) A well licence must be obtained prior to construction a well or bore to draw groundwater. Groundwater may be drawn from each of the lots to supplement household water supply needs and to supply water for irrigated development of an area of up to 0.1 hectares. The maximum amount of groundwater permitted to be drawn shall be 1 500 cubic metres annually.

(d) Activities carried out on this land shall not contravene the Western Australian Water Authority By-laws applicable to underground water pollution control.

12. The land is to be managed in such a manner as to avoid the land being laid bare of vegetation resulting in loose, wind erodable conditions. For the said vegetation that has to be removed to make way for housing, fences, firebreaks, outbuildings and access ways construction, the Council's approval shall be deemed as Council's written consent to remove vegetation.

13. The Council may require the land owner to undertake a tree planting programme on lots nominated by Council as being deficient in vegetation cover.

14. The Council may specify that groups or clumps of trees are required to retain the rural character of the locality. No person shall remove without the prior written consent of Council any of those groups or clumps of trees.

15. All buildings shall be constructed within the building envelope as defined on the plan of subdivision No. 1. The Council may vary the position and size of a building envelope at its discretion.

16. In excess of two horses per lot will not be permitted unless the applicant can demonstrate to Council that the animals are correctly yarded and lot will be managed in a manner to ensure that the soil and vegetation are not denuded.

17. Prior to subdivision the subdividing owner shall erect a sign in a prominent place to inform future owners of the special conditions imposed on the land under Special Rural Zone 13, and that they must consult with Council before commencing any development.
