HEALTH ACT 1911

HEALTH (SKIN PENETRATION) REGULATIONS 1987

MADE by the Lieutenant-Governor and Deputy of the Governor in Executive Council.

Citation

1. These regulations may be cited as the *Health (Skin Penetration) Regulations 1987*.

Interpretation

2. In these regulations, unless the context otherwise requires—

“alcohol-based solution” means a solution containing 70 per cent (v/v) ethyl alcohol, or any formulation containing any other alcohol as its principal active constituent that is approved by the Executive Director, Public Health, as being of equivalent strength;

“closed ear piercing” means a process of ear piercing carried out by means of an apparatus which does not come in contact with the skin of a customer and which is operated only by the use of sealed, pre-sterilized, disposable fittings;

“customer” means a person on whom a prescribed process is being, or is to be carried out;

“dentist” means a person registered as a dentist pursuant to the *Dental Act 1939*;

“disinfected” means subjected to one of the processes set out in regulation 5 (1) and stored or packaged in the manner set out in regulation 5 (2);

“establishment” means premises within which a prescribed process is or is intended to be carried on;

"instrument" means any appliance, implement, stud, needle or tool which may come into contact with the area of skin on which a prescribed process is being or is to be carried out;

"operator" means a person who carries out or intends to carry out a prescribed process; and

"prescribed process" means skin penetration by tattooing, ear piercing, electrolytic depilation, acupuncture or other like procedure involving the penetration of the skin of a living human being but does not include closed ear piercing.

Application

3. (1) These regulations shall have effect in every district in the State.

(2) Nothing in these regulations shall apply to or in relation to the carrying out of a prescribed process by—

- (a) a medical practitioner or a dentist, where the prescribed process is carried out in the practice of medicine or dentistry respectively;
- (b) a person acting under the direction or supervision of a medical practitioner or dentist, where the process is carried out for the purpose of the practice of medicine or dentistry, respectively;
- (c) a podiatrist registered pursuant to the *Podiatrists Registration Act 1984*; or a nurse registered pursuant to the *Nurses Act 1968* where the prescribed process is carried out in the practice of podiatry or nursing respectively.

Operator to notify local authority

4. An operator in any establishment shall notify the local authority for the district in which the establishment is, or is to be, situated, of the name and address of that establishment, or the intended name and address of any proposed establishment.

Method of disinfection

5. (1) For the purposes of these regulations an instrument or container shall be disinfected if it is subjected to thorough washing in cold water with soap or detergent and is then—

- (a) placed in an autoclave operated at 126° Celsius for 15 minutes;
- (b) placed in boiling water for 15 minutes;
- (c) immersed in a hot air oven at a temperature of 160° Celsius for 120 minutes; or
- (d) immersed in an alcohol-based solution for one hour.

(2) Where an instrument or container has been disinfected it shall be stored or packaged, until use, in such a manner as to protect it from contamination.

Instruments to be disinfected

6. An operator shall cause each instrument which is used, or which comes into contact with the skin in a prescribed process, to be disinfected before application to any other person and in the case of tattooing, the needle to be placed in a disinfectant solution before each separate dye is used.

Tattooing

7. Where the prescribed process of tattooing is carried out on any person the operator shall ensure—

- (a) that the dyes to be used on the customer have not been previously used for application;
- (b) each bowl, cup, jar or other container has been disinfected prior to the reception of dye for application;
- (c) that the dyes are stored in sealed containers;
- (d) every stencil screen used in the prescribed process is thoroughly cleaned with a swab impregnated with an alcohol-based solution after use; and
- (e) that the handpiece of the machine used to activate the needle is wiped with a swab impregnated with an alcohol-based solution after use.

Skin to be cleansed

8. Before commencing a prescribed process on a person the operator shall cleanse the whole of the area of skin to be treated, with a swab impregnated with an alcohol-based solution.

Operator to cleanse hands

9. An operator shall thoroughly cleanse his hands by washing them immediately before commencing and immediately after completing a prescribed process.

Operator to be clean

10. An operator shall immediately prior to and during a prescribed process keep his clothing, fingernails and body clean.

Establishment to be maintained

11. An operator shall ensure that the establishment in which he carries on a prescribed process is clean and in good repair and condition and floors, floor coverings, walls, ceiling, shelves, benches, tables, sanitary conveniences, washbasins, chairs and any covering materials are maintained in that condition.

Towels and covers

12. An operator shall not use a towel, sheeting, cloth or any other protective garment or cover on, or immediately under or over, a customer unless—

- (a) it has not been previously used; or
- (b) it has been laundered since last having been used.

Waste receptacles

13. (1) An operator shall provide—

- (a) sufficient waste receptacles constructed of smooth, impervious material with tight fitting lids for the reception of all soiled linen, towels, clothes and all other trade waste in every establishment;
- (b) the waste receptacles referred to in paragraph (a) that are intended for trade waste, with impervious bag liners and shall effectively seal in the contents of the bag prior to disposal.

(2) An operator shall place discarded needles in an impenetrable, leak-proof container, shall not at any time retrieve the contents and shall dispose of the container in a waste receptacle.

(3) An operator shall ensure that waste receptacle contents at an establishment are efficiently disposed of, daily.

Washbasin

14. An operator shall not carry out a prescribed process unless there is a wash handbasin together with soap and a nail brush in close proximity to the place where the operator carries out the prescribed process, or an alternative effective means of disinfecting the hands.

Smoking and preparing food

15. (1) An operator shall not smoke whilst conducting a prescribed process.

(2) A person shall not prepare or consume food in the same room as that in which a prescribed process is carried out.

Animals

16. A person shall not—

(a) bring an animal into; or

(b) allow an animal to be present in,

an establishment.

Infectious diseases

17. A person who knows or suspects that he is suffering from an infectious diseases or infectious skin rash shall not enter an establishment.

- (b) to qualify for a "B" class licence—
 - (i) the boat shall have been used in the taking of snapper in any 2 of the years 1982, 1983, 1984 and up to 30 April 1985 and shall have continued to operate in the Shark Bay snapper fishery after 30 April 1985;
 - (ii) subject to paragraph (c) during the 2 years referred to in subparagraph (i) a minimum average combined catch of 8 tonnes of snapper, other reef fish and mackerel shall have been taken of which at least 4 tonnes shall have been snapper; and
 - (iii) the owner of a boat complying with subparagraphs (i) and (ii) on 24 January 1986 was the owner of the boat on 17 April 1985;
- (c) the minimum average combined catch referred to in paragraph (b) (ii) shall be calculated on a pro rata basis in respect to the period to 30 April 1985.

Application for a licence

8. (1) The owner of a boat which fulfils the criteria in clause 7 (a) or (b) may apply in accordance with subclause (2) for the appropriate licence authorizing the boat to operate in the Fishery.

(2) An application under subclause (1) shall be—

- (a) in the approved form;
- (b) lodged in accordance with the instructions, if any; and
- (c) accompanied by the fee prescribed by regulation.

Details to be endorsed on licence

9. Where the Director grants or renews a licence authorizing a boat to operate in the Fishery that licence shall state—

- (a) the licence number;
- (b) the day of issue;
- (c) the period for which the licence is valid;
- (d) the class of licence; and
- (e) any other conditions that the Director may specify.

Access to zones limited to specified boats at certain times

10. (1) Subject to subclauses (2) and (3) a person who operates a boat with an "A" or a "B" class licence may take snapper in zones 1, 2 and 3.

(2) Subject to subclause (3) a person who operates a boat with a "B" class licence shall not take snapper in zone 1 during the months of May, June, July and August in any year without the written approval of the Director.

(3) A person shall not take or attempt to take snapper—

- (a) in zone 1 between 16 April and 15 May in any year; and
- (b) in zones 1, 2 or 3 in the month of July in any year,

without the written approval of the Director.

Supplementary access may be granted to specified boats

11. (1) A boat not licensed to operate in the Fishery may, with the approval of the Minister, be used to take snapper in the Fishery and shall in that case have endorsed on the fishing boat licence—

- (a) the means by which the snapper may be taken;
- (b) the total catch weight not to be exceeded in a calendar year; and
- (c) the area of the Fishery in which the snapper may be taken.

(2) A boat granted access in accordance with subclause (1) may have that access withdrawn by the Minister at any time.

Transfers

12. (1) With the written approval of the Director and subject to this clause the holder of an "A" class licence shall only transfer that licence to the holder of a "B" class licence.

(2) A person who does not hold a licence under this notice may operate a boat in accordance with a "B" class licence by obtaining 2 "B" class licences.

(3) When a person obtains an "A" class licence in accordance with subclause (1) the "B" class licence referred to in subclause (1) shall be cancelled.

(4) When a person obtains 2 "B" class licences in accordance with subclause (2) one "B" class licence shall be cancelled.

(5) Where a licence is transferred in accordance with subclause (1) or (2) and the previous licensee was permitted to take snapper by use of traps the continued use of traps shall not be permitted without the approval of the Minister.

(6) Where a licence to operate in the Fishery is transferred in accordance with this clause the licence shall—

- (a) be in the approved form; and
- (b) state the relevant class of licence.

(7) A person may apply to the Director to have the rights granted by an endorsement under clause 11 (1) transferred subject to any conditions approved by the Director.

Cancellation and suspension of licence

13. The Minister may renew, remove, suspend, transfer or cancel, with or without conditions, any licence or endorsement issued under this notice.

Permitted means of taking snapper

14. A boat authorized to operate in the Fishery may only be used to take snapper by means of—

- (a) hand lines where—
 - (i) not more than 5 lines are used; and
 - (ii) no other means are used for taking or attempting to take snapper at any one time; or
- (b) drop lines where—
 - (i) not more than 5 lines are used; and
 - (ii) no other means are used for taking or attempting to take snapper at any one time; or
- (c) traps, with the written approval of the Director, during the months of June, July and August in any year, subject to the following conditions—
 - (i) traps shall not be used in the following areas of the Fishery—

Area 1

all waters within Shark Bay bounded by the high water mark of the mainland and a line drawn in a southwesterly direction from Quobba Point on the mainland to a point 3 miles due north of Koks Island; thence south to Koks Island; thence along the eastern and southern shores of Koks Island to its southernmost point; thence in a southerly direction to Cape Ronsard on Bernier Island; thence along the eastern shore of Bernier island to Cape Couture; thence in a southerly direction to Cape Boullanger on Dorre Island; thence along the eastern shore of Dorre Island to Cape St Cricq; thence in a southwesterly direction to Cape Inscription on Dirk Hartog Island; thence along the northern, eastern and southern shores of Dirk Hartog Island to Surf Point; thence in a southwesterly direction to Steep Point on the mainland;

Area 2

all the waters within 3 nautical miles of Koks, Bernier, Dorre and Dirk Hartog Islands and within 3 nautical miles of the mainland from Steep Point south to the parallel of 26°30' south latitude;

- (ii) a trap is not left in the water for any period exceeding 30 minutes other than in accordance with clause 17;
- (iii) a boat shall not be used to set or pull traps in any waters of the Fishery, other than those traps which are marked for use by that boat as described in subparagraph (v);
- (iv) a trap shall be attached to a surface float which shall measure not less than 150 millimetres in diameter;
- (v) a float to which a trap is attached is branded or stamped with the registered number of the fishing boat that is used to set or lift the trap, and the brand or stamp shall be legible and measure not less than 60 millimetres high and 10 millimetres wide;
- (vi) not more than 5 traps shall be used to take or attempt to take snapper at any one time and no other means shall be used at that time;
- (vii) a trap shall not have an internal volume, including that of any object enclosed within the external frame of the trap, which is greater than 2.0 cubic metres calculated in accordance with the following formulae—
 - A. $3.14 \times \text{height} \times \left[\frac{\text{greatest diameter}}{2} \right]^2$
for circular traps,
 - B. $\text{height} \times \text{greatest length} \times \text{greatest width}$ for other traps;
- (viii) a trap shall only have one entrance; and
- (ix) a trap shall not have any form of chamber, partition or obstruction within the trap which may impede the escape of fish.

Incidental catch of snapper

15. A boat entitled to fish within the—

- (a) Shark Bay Prawn Fishery; or
- (b) Shark Bay Scallop Fishery,

shall take not more than 1 tonne of snapper in any calendar year.

Records to be kept

16. (1) Where a boat is licensed, granted access or permitted to take snapper within the Fishery, or a zone within the Fishery, and a total catch weight has been determined by the Director for that boat, the owner or person in charge of the boat shall keep an accurate record of the date, location and total weight of snapper taken.

(2) The owner or person in charge of the boat shall produce the record referred to in subclause (1) to an Inspector on demand.

Trap holding area

17. (1) Traps may be placed in those areas of the Fishery being the waters within Shark Bay adjacent to—

- (a) Bernier Island within a radius of 1 nautical mile of Cleft Rock; and
- (b) Dorre Island within 500 metres of the foreshore on the eastern side of the island between Cape Boullanger and Smith Point.

(2) Traps when placed in the areas described in subclause (1) shall—

- (a) not be baited; and
- (b) have their doors tied open.

Fees

18. The fees prescribed by the regulations shall be calculated in relation to the access granted to each zone or part of a zone.

APPLICATION FOR LEASING

Department of Land Administration,
Perth, 20 March 1987.

Corres. 3615/70V2.

APPLICATIONS are invited under section 117 of the Land Act 1933 for the leasing of Kalbarri Lots shown in the Schedule hereunder for the purpose of "Light Industry" for a term of twenty-one (21) years at the annual rentals shown in the said Schedule.

Intending applicants shall submit with their applications details of intended utilisation and proposed development indicating size and type of intended structures, cost estimates, source of funds and programme for construction whether staged or not.

The Minister for Lands reserves the right to refuse any application on the grounds that the proposed utilisation, development and/or development programme is inadequate or unsuitable or that the applicant has failed to show adequate capacity to fund the development.

The services provided to the lots are Roads, Water and Power. The service premium shown in the Schedule is payable within 30 days of acceptance of application.

Where the in-going lessee indicates that he anticipates a requirement for freehold during the currency of the lease, the Hon. Minister shall signify the extent of development (which may be additional to that required as the basis for leasing the site) that will be necessary to enable the issue of a Crown Grant.

Subject to agreement between the lessee and the Minister, the foregoing development obligations and other conditions set out herein may be varied or added to from time to time.

At any time during the currency of the lease, subject to the development obligations and other conditions having been met to the satisfaction of the Hon. Minister, the lessee may surrender his lease to the intent that he may apply for purchase of the said land. In this event a purchase price in accordance with the Schedule shall apply for a period of three years from the date of approval of the lease (following which period the price shall be subject to review) and fees associated with the issue of a Crown Grant shall be payable.

The land is made available for leasing subject to the following conditions:—

- (1) The land shall not be used for any purpose other than "Light Industry" without the prior approval in writing of the Minister for Lands.
- (2) The rent shall be subject to reappraisal at the end of the third year of the term of the lease and each successive three yearly period thereafter.
- (3) The lessee shall not without the previous consent in writing of the Minister assign, transfer, mortgage sublet or part with the possession of the demised land.
- (4) The lessee shall commence construction within nine (9) months and thereafter continue construction and complete and operate the works within two (2) years from the date of the commencement of the lease.

(5) All buildings, erections, paving, drainage and other works shall be to the approval of the Local Authority and the lessee shall perform, discharge and execute all requisitions and works unto the demised land as are or may be required by any local or public authority operating under any statute by-law or regulation.

(6) The lessee shall, within 12 months from commencement of the lease, fence the external boundaries to the satisfaction of the Minister.

(7) The lessee shall indemnify the Minister against all claims for damage to property or persons arising from the use of the land.

(8) The Minister or his representative may enter the land for inspection at any reasonable time.

(9) Compensation shall not be payable to the lessee in respect of any improvements effected by him on the demised land and remaining thereon at the expiration or earlier determination of the lease.

(10) It shall be lawful for the lessee at any time within the three calendar months immediately following the expiration of the term or earlier determination of the lease, to take down, remove and carry away any buildings, structures, improvements and plant the property of the lessee.

(11) On determination of the lease, the lessee shall fill in, consolidate and level off any unevenness, excavation or hole caused by him during the term of the lease or by removal of his improvements and shall leave the demised land in a clean, neat and tidy condition to the satisfaction of the Minister and shall remove any or all waste matter as required by the Minister.

A person in the employ of the State must apply through the Executive Director, Department of Land Administration for the Governor's permission to hold this land. Written approval of the Permanent Head concerned should accompany such application.

Applications must be lodged at the Department of Land Administration Perth on or before Wednesday 6 May, 1987 accompanied by a deposit shown in the Schedule with the required development details and completed Land Board Questionnaire.

All applications lodged on or before that date will be treated as having been received on the closing date, and if there are more applications than one for any lot, the application to be granted will be decided by the Land Board.

LAND ACT 1933

Land Release

Department of Land Administration,
Perth, 20 March 1987.

Corres 1717/75V2.

HIS Excellency the Governor in Executive Council has been pleased to approve under section 45A of the Land Act 1933 of Norseman Lot 1775 having an area of 4.076 0 hectares being made available for sale for the purpose of "Tourist Accommodation" at the purchase price of twenty five thousand dollars (\$25 000) and subject to the following conditions:—

- (i) The purchaser shall within the six months next following the date of approval of sale of the land commence to construct or cause the construction to be commenced and thereafter diligently proceed with and complete a programme of development to a stage of completion not less than that agreed under clause (ii). If this requirement has not been finalised within two years from the date of approval of the application the land may be absolutely forfeited together with all purchase money and fees that may have been paid.
 - (ii) At the time of approval for site development to proceed the Minister for Lands shall advise the purchaser of the extent of development that will be necessary to enable the issue of a Crown Grant (freehold).
 - (iii) The purchaser shall within 30 days of allocation of the land pay an ingoing premium of \$9 650 to the Department. This amount represents the costs of relocation of the water main under the original right of way. The original right of way is shown hachured on the attached sketch.
 - (iv) A deposit of 10 per cent of the purchase price is payable on application and the balance of purchase money, plus interest shall be paid within 24 months from the date of approval of application by eight quarterly instalments on the first days of January, April, July and October in each year. The first instalment of purchase money and interest shall become due and payable on the first day of the quarter next following the date of approval of application, the Crown Grant fee being payable with the last instalment.
- Interest at 13.6 per cent will be payable on the outstanding balance after thirty (30) days from the date of allocation. Nothing shall prevent the balance of purchase money, interest and fees being paid at an earlier date should the purchaser so desire but a Crown Grant shall not issue until the conditions under which the lot was made available for sale have been fulfilled.
- (v) On payment of the first instalment a licence will be available upon which a mortgage can be registered.
- Intending applicants shall submit with their applications:
- (a) Detailed plans of proposed development, including an indication of development stages where proposed.
 - (b) Details of the timing of proposed development programme as from date of allocation of the site.

- (c) Details of cost estimates, related to stages of development.
- (d) Details of sources of funds.
- (e) Details of any previous experience in the development and/or management of similar projects.

Subject to agreement between the purchaser and the Minister, the development requirements set out in clause (v) may be varied or added to from time to time.

The Minister for Lands reserves the right to refuse any application on the grounds that the proposed development or development programme is inadequate or unsuitable or that the applicant has failed to show adequate capacity to fund the development.

A person in the employ of the State must apply through the Executive Director, Department of Land Administration for the Governor's permission to hold this land. Written approval of the Permanent Head concerned should accompany such application.

Applications must be lodged at the Department of Land Administration, Perth on or before Wednesday, 22 April 1987 accompanied by a deposit of \$2 500 together with the required development details and completed Land Board Questionnaire.

All applications lodged on or before that date will be treated as having been received on the closing date, and if there are more applications than one for the lot, the application to be granted will be decided by the Land Board.

BENGER SWAMP NATURE RESERVE—DRAFT MANAGEMENT PLAN

Extension of Public Submission Period

THE public submission period for the draft management plan for Benger Swamp Nature Reserve has been extended by one month, the closing date now being 7 April 1987.

Benger Swamp is situated 25 km northeast of Bunbury, and covers an area of 580 ha. Benger Swamp Nature Reserve, which is set aside for the conservation of flora and fauna, occupies 19 per cent of the Swamp. The Nature Reserve is vested in the National Parks and Nature Conservation Authority, with the Department of Conservation and Land Management being responsible for its management.

The draft management plan identifies the biological and physical resources, existing uses and conservation values of the Nature Reserve, and details management objectives and strategies.

Once the public submission period has closed the draft will be reviewed in the light of comments received, and an amended draft and summary of public submissions produced. Once the amended draft has been approved by the Minister for Conservation and Land Management, it is published as the management plan.

Copies of the draft may be purchased from the Department of Conservation and Land Management's State Operations Headquarters (address given below) or Harvey District Office. Copies may be inspected at State Operations Headquarters, the Conservation Council Library, Harvey Shire Office and Library and the Benger Post Office.

Submissions should be directed to: The Executive Director, Department of Conservation and Land Management, 50 Hayman Road, Como 6152.

LOCAL GOVERNMENT ACT 1960
The Municipality of the Town of Northam

By-laws Relating to the Erection of Verandahs and Awnings

IN pursuance of the powers conferred upon it by the abovementioned Act, and all other powers enabling it, the Council of the abovementioned Municipality hereby records having resolved on 27 November 1985 to make and submit for confirmation by the Lieutenant-Governor and Deputy of the Governor the following by-laws:—

1. All previous By-laws Relating to Verandahs (Erection Thereof) and (Removal Thereof) as were published in the *Government Gazette* of 3 December 1963, and 29 August 1963, are hereby repealed.

2. In this by-law unless the context otherwise requires—

“Municipality” means the Municipality of the Town of Northam;

“Building Surveyor” means the Building Surveyor of the Municipality and includes any acting Surveyor;

“awning” includes any shelter or other structure suspended over a street or public place;

“street” includes footway or roadway;

“verandah” means a verandah or balcony protruding into or above a street, way, footpath or other public place;

“Public Place” includes a street, way and place which the public are allowed to use, whether the street, way or place is or is not private property.

3. No person shall erect any verandah or awning over any public place within the limits of the district of the Municipality without having first obtained the consent of the Council of the Municipality, and consent may be refused by Council if the verandah or awning would, in its opinion, be injurious to the amenity or architectural design of the building.

4. Any person desiring to obtain the consent of the Council to the erection of such verandah or awning shall deposit with the Building Surveyor of the Council a plan, elevation, section and specification in triplicate showing in detail the proposed construction of such verandah or awning and the manner in which it is proposed to secure it to the building to which it is proposed to be attached.

5. No such verandah or awning shall hereafter be erected unless it conforms to the plans and specifications approved by the Council and deposited in the office of the Building Surveyor. Provided that the strength of the materials used in the construction of any such verandah or awning and the design thereof may, subject to the approval of the Council, be varied according to circumstances.

6. No paper bill or calico sign shall be placed or exhibited on any verandah or awning unless the consent in writing of the Council shall have been first obtained.

7. The owner or occupier for the time being of any building against or in front of which there is any verandah or awning whether constructed before or after the passing of the by-law shall keep the verandah or awning clean, painted and in good repair and it shall be lawful for the Council to give notice to the owner or occupier of the said building to clean, paint or repair such verandah or awning whenever in its opinion such cleaning, painting or repainting is required.

8. Roof stormwater shall be disposed of to the satisfaction of the Building Surveyor and where in the opinion of the Building Surveyor such stormwater should be discharged and carried away under the footpath all such work relating to the alteration of the footpath shall be carried out by Council and the Council may charge for same.

9. Where anything by these by-laws is directed to be done or forbidden to be done or where authority is given to the Council to direct anything to be done or to forbid anything to be done and such act so directed to be done remains undone or such act forbidden to be done is done in every such case the person making such default as to such direction and prohibition respectively shall be deemed guilty of a breach by these by-laws.

Any or every person guilty of a breach of this by-law shall be liable for every such offence besides any costs which may be incurred in the taking of proceedings against such person guilty of such offence as well as any costs or expenses which may be incurred in the execution of the work directed to be so executed and not so executed to a penalty not exceeding \$500 for every breach of any such by-law and to a penalty not exceeding \$50 for each day during which such breach shall be committed or continued.

By-law Relating to Trading in Public Places

IN pursuance of the powers conferred upon it by the abovementioned Act and of all other powers enabling it, the Council of the abovementioned Municipality records having resolved on 17 October 1986 to make and submit for confirmation by the Lieutenant-Governor and Deputy of the Governor the following by-law.

1. In this by-law, unless the context otherwise requires:
 - “public place” includes a street, way, park, reserve and place which the public are allowed to use, whether or not it is private property;
 - “trading” means selling goods, wares, merchandise or services, or offering goods, wares, merchandise or services for sale, in a street or other public place and includes displaying goods, wares or merchandise for the purpose of offering them for sale, soliciting orders or carrying out any other transaction herein.
2. This by-law shall not apply to:
 - (a) the selling or offering for sale of newspapers or magazines; or
 - (b) the selling or offering for sale of vegetable produce from a stall on the property on which that produce is grown.
3. No person shall carry on trading in any public place unless that person is acting within the specifications of a current licence issued under this by-law and for which all fees and charges have been paid.
4. An application for a licence shall be in writing and shall contain such information as the Council may require.
5. In considering an application for a licence the Council shall have regard for any relevant policy statements, and for the desirability of the proposed activity and its location and for the circumstances of the case, and may refuse to issue a licence, in which case it shall provide the applicant with reasons in writing.
6. The Council may issue a licence specifying such requirements, terms and conditions as the Council sees fit, including:
 - (a) the place to which the licence applies;
 - (b) the days and hours when trading may be carried on;
 - (c) the number, type, form and construction, as the case may be, of any stand, table, structure or vehicle which may be used for trading;
 - (d) the particulars of the goods or services or transaction in respect of which trading may be carried on;
 - (e) the number of persons and the names of persons permitted to carry on trading, and any requirements concerning personal attendance at the place of trading and the nomination of assistants, nominees or substitutes;
 - (f) whether and under what terms the licence is transferable;
 - (g) any prohibitions or restrictions concerning the causing of any nuisance, the use of signs, the making of noise and the use of amplifiers, sound equipment, sound instruments and lighting apparatus;
 - (h) any requirements concerning the display of the licence holders name and other details of the licence, the care, maintenance and cleansing of the place of trading and the vacating of the place when trading is not taking place;
 - (i) any requirements regarding the acquisition by the licence holder of public risk insurance;
 - (j) the period, not exceeding twelve months, during which the licence is valid.
7. The amount of the charges and fees shall be calculated and payable in accordance with the Schedules hereto.
8. The Council may at any time revoke a licence.
9. Where a licence is revoked the Council shall, if requested, provide the licence holder with reasons in writing and shall refund the charge having first deducted the charge applicable to the period from the issuing of the licence to its revocation.
10. Any person who contravenes or fails to comply with any provision of the by-law commits an offence and is liable on conviction to a penalty for each offence of not more than \$1 000 or 6 months imprisonment.
