Amendment

Shire of Augusta-Margaret River Town Planning Scheme No.
11—Amendment No. 8

SPC: 853-6-3-8, Pt 8.

IT is hereby notified for public information that the notice under the above Amendment No. 8 published at page 1729 of the *Government Gazette* No. 56 dated 23 May 1986 contained an error which is now corrected as follows, by the addition of the following paragraphs (c), (d) and (e)—

- (c) Inserting into the Scheme Text under Clause 4.7.5: Subdivision Requirements General, point (b), after the word "hectares", a new sentence as follows—

The minimum lot size may be reduced to 2.0 hectares with an average of 3.0 hectares where the Commission in consultation with the Council

is satisfied that smaller lots are proposed because of planning constraints such as topography, provision of land for open space, foreshore reserves and existing road patterns and where the total number of lots has not been increased and where the creation of smaller lots will be consistent with the visual and amenity controls in the "Special Rural" Zone.

- (d) Inserting into the Scheme Text in Appendix No. 3: Interpretations after "Rural Industry" the following new Interpretation—

"Rural Multiple Occupancy" means a form of development in which a group of people live on one common property at a density higher than that normally associated with traditional rural living. Farming is not necessarily intended to be the main source of income. The type of housing may vary from dispersed or clustered groups of self-contained, single family dwellings to expanded houses comprising separate dwelling units which share common facilities such as a bathroom or kitchen.

- (e) By amending the Scheme Maps to change the zoning in the Scheme Maps of the following locations from "Rural Policy Area B" to "Special Rural"—

- (i) Sussex Location 306, Kevill Road;
- (ii) Portion Sussex Location 1238, Kevill Road;

I have examined the books of account of the Town of Bassendean for the year ended 30 June 1986.

The Annual Accounts required by section 630 (3) of the Local Government Act were submitted to me for audit and have been found to be a correct extract from the books of account.

The accounts have been prepared in the form required by the Local Government Act Accounting Directions, but were not completed within the statutory period required by the Local Government Act.

I am unable to form an opinion as to the compliance with the Local Government Act and the Minister's Accounting Directions because of a conflict of accounting principles between the Act and the Accounting Directions and also, the possible effect of section 43 (1) of the Interpretation Act 1984.

Dated this 6th day of April, 1987.

Auditor.
