HEALTH ACT 1911

Town of Cottesloe

By-law No. 42—Relating to Eating Houses

THE Town of Cottesloe being a local authority under the provisions of the Health Act of 1911 in pursuance of the powers conferred upon it by section 162 of the Act hereby makes the following By-law:

PART 1—Preliminary

1. Arrangement

This By-law is divided into parts as follows—

Part I—Preliminary, clauses 1-2.

Part II—Registration of Eating Houses and Licensing of Proprietors, clauses 3-11.

Part III—Requirements applicable to Eating Houses, clauses 12-14.

Part IV—Penalties, clause 15.

2. Interpretation

In this By-law unless the context otherwise requires:

- “Access Area” in relation to a wash hand basin, means a rectangular area having a width of 800 mm and a depth of 600 mm, the centre of the width of which abuts the basin and is clear of any other obstruction;
- “dining room” means an eating house which is classified as a dining room under and for the purposes of the By-law;
- “restaurant” means an eating house which is classified as a restaurant under and for the purposes of this By-law;
- “take-away food premises” means an eating house which is classified as take-away food premises under and for the purposes of this By-law.

PART II—Registration of Eating Houses and
Licensing of Proprietors

3. Prescribed Date

The prescribed date for the purposes of section 162 of the Act shall be the date upon which this By-law comes into operation.

4. Classification of Eating Houses

(1) For the purposes of this By-law eating houses are classified as—

- (a) restaurants;
- (b) dining rooms;
- (c) take-away food premises.

(2) Subject to this By-law premises may be registered as an eating house as:

- (a) a restaurant, if provision is made on the premises for meals to be served to 30 or more persons at any one time;
- (b) a dining room, if provision is made on the premises for meals to be served to less than 30 persons at any one time; or
- (c) a take-away food premises, if meals are prepared and served but not eaten on the premises provided that up to 6 seats may be provided for the convenience of customers.

5. Registration of Eating Houses

An application for registration of an eating house shall be—

- (a) in or substantially in the form contained in the First Schedule;
- (b) accompanied by a plan and specification of the eating house; nominating the maximum number of people to be seated at any one time;
- (c) accompanied by the fee specified in the Third Schedule.

6. Licensing of Proprietors

An application for the issue of a licence to the proprietor of an eating house shall be—

- (a) in writing;
- (b) in or substantially in the form contained in the Second Schedule;
- (c) accompanied by the fee specified in the Third Schedule.

7. Duration of Registration and Licence

Registration of an eating house and a licence for the proprietor of an eating house shall respectively be applied for annually on or before the 1st day of July in each year and, subject to the Act and to the provisions of this By-law, have effect for one (1) year from that date.

Provided that if the registration for any year shall commence on or after the 1st day of January in any year then the applicant shall be required to pay only one-half of the prescribed fee.

8. Certificate of Registration and Licences

(1) A certificate of registration of an eating house shall be in the form of the Fourth Schedule.

(2) A licence issued to a proprietor of an eating house shall be in the form of the Fifth Schedule.

(3) The proprietor of an eating house shall display the certificate of registration and licence in a conspicuous place at the eating house.

9. (1) The proprietor of an eating house which is a restaurant or dining room will not permit to be accommodated therein at any one time more than the maximum number of patrons specified in the certificate of registration of the eating house for the time being in force issued pursuant to this By-law.

The proprietor or person in charge of an eating house which is a restaurant or dining room shall comply with the condition referred to in sub-clause (1).

(2) For the purposes of this clause the maximum number of patrons permitted to be accommodated in the premises at any one time shall be calculated as follows—

- (a) where permanently fixed seating is provided, according to the number of seats so provided but where such seating is of the bench type there shall be deemed to be one seat for each 600 mm of bench;
- (b) where moveable seating is provided at the rate of one person for each square metre of floor area of the dining area of the premises;
- (c) where no seating is provided, at the rate of one person for each one half square metre of floor area of the dining area of the premises.

10. Change of Address

If the proprietor of an eating house changes his place of residence he shall within seven (7) days thereafter give written notice thereof to the local authority specifying his new place of residence.

11. Notice of Sale

Where the owner of an eating house sells or transfers or agrees to sell or transfer the eating house or a share, or interest therein to another person he shall within fourteen (14) days after the date of the sale, transfer or agreement, give written notice thereof to the local authority specifying the full name, address and occupation of the purchaser or transferee.

PART III—Requirements Applicable to Eating Houses

12. Eating Houses

In addition to the requirements of the Act and of all By-laws and regulations made thereunder for the time being in force the following requirements apply to premises used or occupied as an eating house—

- (a) adequate food storage facilities and cupboards shall be provided in the eating house in order to prevent the contamination of food, crockery and utensils by dirt, dust, flies or vermin;
- (b) the following number of sanitary conveniences shall be provided in the eating house—

- (f) where provision is made in an eating house for the accommodation of less than 30 patrons at any one time the local authority may allow a lesser number of sanitary conveniences for the use of patrons than the number required by paragraph (c) hereof if, in its discretion, it thinks fit;
- (g) the requirements of paragraphs (c), (d), (e) and (f) of this By-law do not apply to a restaurant or eating house which operated prior to the coming into operation of these By-laws unless the premises are structurally altered or extended;
- (h) an adequate supply of water, soap, nail brushes and clean towels shall be provided for the use of staff using sanitary conveniences but no towel shall be provided for common use;
- (i) except in the case of an eating house established prior to the coming into operation of this By-law in which the only means of access to sanitary conveniences for patrons is through the kitchen, access to sanitary conveniences for patrons shall not be permitted through the kitchen;
- (j) partitions shall not exceed 2 m in height and shall be flush-panelled on both sides and be painted so as to maintain a smooth, hard, durable and washable surface devoid of holes, cracks and crevices;
- (k) the air space between the surface of the ground and the floor shall, except in the case of concrete or other solid floors, be efficiently ventilated to the satisfaction of the local authority;
- (l) where wood, coke or coal is used as fuel for heating or otherwise, the wood, coke or coal shall be stored or kept in a properly constructed store with brick walls and concrete floor which is separate from the remainder of the premises;
- (m) a kitchen, scullery and food store shall be provided to the satisfaction of a Health Surveyor;
- (n) a wash hand basin of not less than 4 litres capacity, connected with hot and cold water shall be provided in the food preparation area;
- (o) an "access area" shall be provided abutting the wash hand basin.

13. Restaurants and Dining Rooms

(1) In addition to the requirements of the Act of all By-laws and regulations made thereunder for the time being in force and the requirements of this By-law the kitchen in premises used or occupied as a restaurant or dining room shall not be less than 4 metres wide in its minimum dimension and have a floor area of not less than 16 square metres and where a scullery, food store, cupboard or cool room is situated in the same room as the kitchen the floor area occupied by it shall be deemed not to be part of the floor area of the kitchen.

(2) The provisions of sub-clause (1) do not apply to a restaurant or dining room which operated prior to the coming into operation of these by-laws.

14. Proprietor's Obligations

The proprietor of an eating house shall—

- (a) provide and keep on the premises thereof all furniture, fixtures, counters, bins, sinks, drainboards, grease traps, tubs, vessels, fittings, utensils, implements and things for use on the premises which a health surveyor from time to time directs are necessary for the proper conduct of the eating house;

- (b) construct and arrange or cause to be constructed and arranged all furniture, fixtures, counters, bins, sinks, drainboards, tubs, vessels, fittings, utensils, implements and things in every kitchen, serving room, scullery and fish cleaning room on the premises so that the floor therein is maintained as far as practical in a clean and sanitary condition;
- (c) not use or keep on the premises any floor covering that is absorbent or in a condition which allows the lodgement of dirt under it in any area used for the preparation of food;
- (d) provide and properly maintain in good order and condition at all times suitable effective means of keeping, and at all times keep, every room and compartment in the premises free from dust and dirt;
- (e) when required by the Local Authority, provide and properly maintain in good order and condition at all times over every cooking apparatus in the premises an exhaust hood which complies with the requirements of the Act and any by-law or regulations made thereunder for the time being in force and effectively arrest all steam, effluvia, fumes, odours and smoke from cooking or boiling;
- (f) at all times place and keep all receptacles for food scraps and trade waste in a properly constructed room which has a concrete floor, which is inaccessible to flies, rats and other vermin and which is properly ventilated or in other places approved or directed by a Health Surveyor;
- (g) keep all receptacles for food scraps and trade waste in good repair and condition and replace any which are damaged beyond repair, lost or destroyed;
- (h) not permit any table napkin which has been used as such or for any other purpose to be placed for use by or to be used by any other person unless it has first been thoroughly washed and cleansed;
- (i) ensure that whenever a hermetically sealed container (not being one made wholly of glass or stoneware) has been opened the entire contents thereof are removed immediately thereafter and not permit the contents to be kept therein;
- (j) remove and cause to be removed any food which has been served to a person or placed on a table occupied by a patron and which has not been consumed or removed by him immediately after that person has finished his refreshment and not permit any food so removed to be served again to any other person on the premises but to cause it immediately to be deposited in a receptacle for food scraps and trade waste, but this paragraph does not apply to—
 - (i) any of the following substances—sugar, pepper, salt, mustard, vinegar, sauces, spices or condiments which are contained in receptacles or containers so that the contents cannot be handled;
 - (ii) bread which is placed in a glass receptacle or container of a design which ensures that the contents are handled only when required;
- (k) remove or cause to be removed the contents of every receptacle for food scraps and trade waste from the premises at least once every 24 hours;
- (l) not allow any animal or bird to be killed or poultry, pigeons or game to be plucked on the premises;
- (m) not keep or permit to be kept any hamper, basket, box, trunk, case, crate or barrel which has contained wet fish or other perishable food and which has not after the last occasion of its use been cleansed and rendered inoffensive in or upon any portion of the premises for a period longer than twenty four (24) hours or in a manner that it may become or be likely to be or become offensive or a nuisance;
- (n) not make or permit to be made any structural alteration in or addition to the premises without the prior written permission of the local authority or of a Health Surveyor;
- (o) not increase the number of patrons able to be accommodated in the premises at any one time above the number specified in the certificate of registration of the eating house without the prior written permission of the local authority;
- (p) not use, keep or store or permit to be used, kept or stored in the kitchen any petrol, kerosene, benzene, naphtha, alcohol, mineralised or methylated spirits or any volatile liquid (not being an article of food);
- (q) not permit any drainpipe for carrying faecal matter or sewage to have an opening or any gully trap to be within a roofed enclosure on the premises other than a water closet or urinal;
- (r) nor permit a spittoon or article or thing for like use to be placed or kept on the premises;
- (s) maintain all stores and storage places for the keeping and storage of foods so as to exclude flies and rodents and other vermin therefrom;
- (t) keep all portions of the premises thereof free from any unwholesome or offensive odour emanating from the premises or the operations carried on thereon and prevent the escape from the premises of any such odour;
- (u) provide and maintain an efficient chimney flue to every wood, coal or coke cooking stove or fireplace so that no smoke nuisance in or outside the premises is caused;

FREMANTLE PORT AUTHORITY REGULATIONS 1971

Notice of Amended Water Ski Area and Speed Limit

Fremantle Port Authority,
Fremantle, 22 January 1988.

ACTING pursuant to the powers conferred by Regulation 367B of the Fremantle Port Authority Regulations 1971 (as amended) the Fremantle Port Authority by this notice—

1. Repeals the notice relating to Water Ski Area and Speed Limit published in the *Government Gazette* of 22 August, 1986.
2. Defines and sets aside the following area of the Outer Harbour of the Port of Fremantle for the purpose of water ski-ing and imposes as a condition of water ski-ing in any of the following areas of the Port that every person engaged therein shall conform with the rules of the Western Australian Water Ski Association for the time being in force.

(i) Ski-ing Area—Definition:

Within the boundaries of an imaginary line commencing at approx. 140 metres South of the Southern end of CSBP Jetty Berth (Lat. 32°14.74' South—Long. 115°45.12' East) and extending in a southwesterly direction on a true bearing of 221°30' thence passing along the eastern side of Kwinana Grain Jetty berth to a point approximately 600 metres distance from the shoreline in position Latitude 32°16.23' South, Longitude 115°43.56' East, thence continuing on an easy curve to the right at a constant 600 metres distance from the shoreline and running parallel to the shoreline at 600 metres distance to a point 600 metres from the Garden Island Causeway groyne in position Latitude 32°16.29' South, Longitude 115°42.26' East, thence in a northerly direction parallel to and 600 metres distance from the eastern side of the groyne until the line intersects the "Naval Waters" limiting boundary in position Latitude 32°14.54' South, Longitude 115°42.21' East, thence along the "Naval Waters" boundary in an approximately northeasterly direction to a point on the "Naval Waters" boundary in position Latitude 32°13.97' South, Longitude 115°42.53' East from this point the ski-ing area's defined boundary continues in a southeasterly direction of a true bearing of 109° to a position of Latitude 32°14.74' South, Longitude 115°45.12' East this being the termination point and coinciding with the point of commencement as mentioned above.

(ii) Restricted Areas:

The only exceptions to the defined ski-ing area are:

Within Minstrel Channel and within 140 metres distance from the shipping berth at CSBP Jetty and 200 metres distance from the shipping berth at Kwinana Grain Jetty where ski-ing is strictly forbidden.

(iii) Take-off Area:

The take-off area of 200 metres length is situated along the foreshore immediately opposite Weld Street, Rockingham, and a corridor of the same width from the shore extends westward to meet the ski area's eastern boundary on the same alignment as Weld Street of approximate bearing of 130°00' true.

The corridor will be marked by PVC-type spar buoys.

Ski-ing is permitted within the corridor whilst travelling between the take-off area and the ski-ing area but all craft must keep to the starboard side of the thoroughfare and proceed with proper lookout and caution.

(iv) Special Area:

A special area defined by a 250-metre-sided equilateral triangle will be situated 100 metres offshore for the purpose of hire craft, who are permitted to attain speeds of up to 15 knots.

The triangle is to be clearly marked by buoys placed at each corner of the triangle and will be in position in daylight hours only.

Craft other than hire craft must keep clear of the "special area" when the buoys are in position.

The position of the area is:—

500 metres in a southwesterly direction from the centre of the shore end of "Kwinana Wreck" Jetty (Latitude 32°14.93' South, Longitude 115°45.28' East) as shown on nautical chart AUS 117.

The centre of the triangle is Latitude 32°15.12' South, Longitude 115°45.05' East (approx.).

Chart AUS 117 should be used for reference to the stated positions in these definitions.

3. Limits the speed of motor boats to that of eight knots within the following areas of the Port of Fremantle—

- (i) Within the Inner Harbour;
- (ii) Within that part of the Outer Harbour eastward of an imaginary line extending from the North Mole Lighthouse to a point where the northern boundary of the Outer harbour meets the shore of the mainland;
- (iii) Within a radius of 1 740 metres or thereabouts from position Latitude 32°14.05' South approximately, Longitude 115°45.78' East approximately, intersecting the shoreline North of James Point and continuing in a southerly direction to terminate at position Latitude 32°14.695' South, Longitude 115°44.96' East, thence in an easterly direction on a true bearing of 109°00' to the shoreline.
- (iv) In any navigational channel or within 45 metres of any buoy or beacon marking any such channel.

R. SIMPSON,
Secretary.

(Public Plans—Kununurra 24.15 and 24.16.)

The lots are sold subject to the following conditions:—

The purchaser shall erect on the lot purchased a residence to comply with the Local Government by-laws within two years from the due date of the first instalment. If this condition has not been complied with in the time prescribed, the land may be absolutely forfeited together with all purchase money and fees that may have been paid. However, freehold title to the land may be applied for when a residence has been erected to "top plate height" stage, and is not less than 50 per cent completed to the satisfaction of the Minister for Lands.

On payment of an instalment equal to 10 per cent of the purchase money, a Licence will be available, upon which a mortgage can be registered. A Crown Grant (freehold) will not issue until the purchaser has complied with the building condition. A holder of a Licence may apply to the Minister for permission to transfer a licence.

Terms of Sale

Ten per cent of the purchase price is payable on application.

Balance payable over 12 months in four equal quarterly instalments (amounts paid during 30 days immediately following the day of sale shall be interest free. Thereafter interest at a rate of 13.6 per cent will be charged).

A Crown Grant fee of fifty-five dollars, plus an additional Assurance Fund fee, calculated at .002 of the purchase price is payable with the final instalment.

Should the purchaser fail to pay the moneys as prescribed, the land may be absolutely forfeited together with all purchase moneys and fees that may have been paid.

Applications, accompanied by a 10 per cent deposit, are to be forwarded to, or lodged at the Department of Land Administration, Cathedral Avenue, Perth.

Should two or more applications for any lot be lodged on the same day, the Minister for Lands will nominate the method of determining the successful applicant.

Approved Town Planning Scheme Amendment
Shire of Busselton Town Planning Scheme
No. 5—Amendment No. 75

SPC: 853/6/6/6, Pt. 75.

IT is hereby notified for public information, in accordance with section 7 of the Town Planning and Development Act 1928 (as amended) that the Hon Minister for Planning approved the Shire of Busselton Town Planning Scheme Amendment on 14 January, 1988 for the purpose of amending the above Town Planning Scheme by:—

1. The renumbering of paragraphs "3.3.4 Additional Use Zones" and "3.3.5 Restricted Use Zones" of the Scheme Text respectively to paragraphs "3.3.5 Additional Use Zones" and "3.3.6 Restricted Use Zones".

2. The insertion of a new paragraph 3.3.4 as follows:
"3.3.4 Motor Vehicle Wrecking and/or Storage.

3.3.4.1 No person shall occupy or use or permit to be occupied or used land in any Light Industry, General Industry or Noxious/Hazardous Industry Zone for the purpose of wrecking and/or storage of motor vehicles except in accordance with the provisions of this Scheme and the following standards:

- (a) the area of land actually used for the purpose of wrecking and/or storage of motor vehicles shall not exceed one (1) hectare;
- (b) where motor vehicles have been reduced in size to a volume of two (2) cubic metres or less, no more than 1500 such vehicles per hectare shall be stored on the land;
- (c) where motor vehicles have not been so reduced in size, no more than 200 vehicles per hectare shall be stored on the land;
- (d) motor vehicles, whether reduced in size or not, shall be stored in neat rows on the land;
- (e) motor vehicles shall not be stored on the land in any manner greater than two (2) metres in height.

3.3.4.2 Notwithstanding clause 3.3.4.1 or any other provision of this Scheme, the Council shall not consent to the use and development of land in a Light Industry Zone for the purposes of the wrecking and/or storage of motor vehicles unless it is first satisfied that the proposed use and development will not adversely affect the amenity of the locality.

3.3.4.3 Should the Council consent to the use and development of land pursuant to clause 3.3.4.2, such consent shall be subject to the following conditions:

- (a) a condition specifying the maximum number of motor vehicles which may be wrecked on the land at any one time;
- (b) all motor vehicle bodies and excess scrap from the wrecking process shall be removed immediately after wrecking and disposed of in a manner satisfactory to the Council;
- (c) all motor vehicle parts or materials or components from wrecked motor vehicles shall be stored in buildings and yard areas;
- (d) all buildings and yard areas on the land shall be kept in a good state of repair, and clean and tidy at all times to the satisfaction of the Council;
- (e) all yard areas on the land shall be enclosed by a screened fence of a design to the satisfaction of the Council and of not less than 1.8 metres in height;

- (f) no motor vehicle or part, component or other portion of a motor vehicle shall be destroyed or otherwise disposed of on the land by fire or any other means of combustion;
- (g) all practicable means shall be employed in the conduct of car wrecking and/or storage on the land to minimise the escape of odour from the land to adjoining lots;
- (h) the consent to the use and development of the land for the purpose of wrecking and/or storage of motor vehicles shall be for a period of twelve (12) months from the date of the issue of the consent".

3. The addition of the symbol "PS" to the Use Class 4.15 wrecking and/or storage of motor vehicles in the Light Industry Zone in Appendix 1—Zoning Table.

TOWN PLANNING AND DEVELOPMENT ACT 1928 (AS AMENDED)

Approved Town Planning Scheme Amendment

Shire of Murray West Murray Town Planning Scheme Amendment No. 59

SPC: 853/6/16/3, Pt. 59.

IT is hereby notified for public information, in accordance with section 7 of the Town Planning and Development Act 1928 (as amended) that the Hon. Minister for Planning approved the Shire of Murray Town Planning Scheme Amendment on 14 January 1988 for the purpose of amending the above Town Planning Scheme by:—

1. Rezoning Part Lot 96 Stock Road, being portion of Cockburn Sound Location 16 from Rural Zone to "Special Rural" and "Conservation and Recreation" zones and "Proposed Major Highway" in accordance with the Scheme amendment Map.

2. Including Appendix B at the rear of the Scheme Text to regulate the subdivision and development of the specified land in column (a) in accordance with the special provisions specified in column (b) of the Appendix.

Appendix B

(A) Specified Land	(B) Special Provisions Relating to (A)
	(i) Within the Special Rural Zone the intent is to create a rural-residential retreat area with the emphasis on the merging of development with landscape.
	(ii) Subject to the approval of the State Planning Commission, subdivision of the land within this Special Rural Zone shall be generally in accordance with the layout of the Guide Plan Subdivision adopted by the Council.
	(iii) No lot shall be less than 2 ha in area.
	(iv) Not more than one dwelling house shall be permitted on any lot. All other uses are prohibited.
	(v) With the intention of preventing overstocking or other practices detrimental to the amenity of the zone, the breeding or keeping of animals shall not be permitted without the approval in writing of Council. In considering any applications for breeding or keeping of stock, Council will be guided by advice from the Department of Agriculture, notwithstanding the above, in cases where approval has been given but where environmental problems develop, Council, after consultation with the Department of Agriculture, may take appropriate action to ban the stocking of animals.
	(vi) Areas of uncleared bushland shall be preserved except that the Council may permit sufficient clearing for the development of a dwelling house, access and the establishment of a garden and uses associated with a dwelling, but this shall not preclude the clearing of adequate firebreaks.
	(vii) Each dwelling house shall be provided with a supply of potable water from either an underground bore or a rainwater storage system with a minimum capacity of 90 000 litres to the satisfaction of the Council.
	(viii) Each dwelling shall provide on-site effluent disposal by the construction of a septic tank to the approval of the Public Health Department.
	(ix) All fencing shall be open post and rail or post and wire but may include steel posts on boundaries. Fences on all boundaries between freehold land and Public Open Space shall be constructed and maintained to the satisfaction of the Council.
	(x) The Council will facilitate discussions between landowners and the Bushfires Board with a view to locating firebreaks where they will prevent the spread of fire without adverse effects upon the landscape of the area.
	(xi) All household rubbish and refuse shall be transported to, and deposited in, a disposal site gazetted under the Health Act.
	(xii) No dwelling, outbuilding or structure shall be permitted outside the building envelopes specified for those lots as shown on the Subdivision Plan.

D. McLEAN, President.
D. A. McCLEMENTS, Shire Clerk.
