If this requirement has not been finalised within two years from the date of approval of the application, the land may be absolutely forfeited together with all purchase money and fees that may have been paid.

## Terms of Sale

An instalment equal to 10 per cent of the purchase price is payable on application and the balance is payable within 12 months from the date of approval of application by four equal quarterly instalments on the first day of January, April, July and October. The first of these instalments shall become due and payable on the first day of the quarter next following the date of approval of application.

On payment of the above instalment a licence will be issued, upon which a mortgage may be registered.

The amount outstanding during the 30 days immediately following the date of allocation shall be interest free, but all moneys outstanding after that period shall be subject to interest at the rate of 13.6 per cent per annum, calculated at quarterly rests on the balance outstanding at the end of the previous quarter. Such interest shall be due and payable with the prescribed instalments.

However, nothing shall prevent the balance of purchase money being paid at an earlier date should the purchaser so desire, but a Crown Grant (freehold) will not issue until the conditions under which the land was released have been complied with.

A Crown Grant fee of \$55 plus an additional Assurance Fund fee of \$2 is payable with the final instalment.
