5. The pound keeper shall be in attendance at the pound for the release of dogs at such time and on such days of the week as shall from time to time be determined by the Council.
6. Any person applying for the release of a dog seized or impounded shall prove to the satisfaction of the pound keeper or other person authorized by the Council the ownership of the dog and his authority to take delivery of it. The pound keeper or officer may accept such proof as he considers satisfactory and no person shall have any right of action against him or the Council in respect of the delivery of a dog in good faith.
7. If a dog is not claimed and the said fees paid within 72 hours of its being detained or if a dog having a collar around its neck with a registration tag affixed thereto shall not be claimed and the said fees paid within 72 hours of the service of a notice upon the registered owner, the pound keeper or other person authorized by the Council may sell or otherwise dispose of such dog.
