Prior to granting approval under this paragraph the Director of Fisheries shall determine that the unit has not remained inactive for the preceding two years prior to the date of application. Where the fishing performance of the unit has been such that it can be established that the members of the unit did not spend the major part of their working time fishing in, and have not earned a substantial part of their income from the South Coast Estuarine Fishery in the preceding two years, the Director of Fisheries shall refuse the application.

11. The holder of an endorsed licence who relinquishes the licence or endorsement or retires from the South Coast Estuarine Fishery shall not be replaced by any other fisherman except in accordance with this notice or with the approval of the Director of Fisheries who may grant or refuse such approval after investigating the potential of the fishery.
