Shire of Mount Magnet
Audit Report

A. Financial Statements—

- (i) I have with the assistance of my staff, audited the accompanying accounts of the Shire of Mount Magnet for the year ended 30 June 1988 in accordance with the requirements of the Local Government Audit Directions and the Australian Auditing Standards.

Sundry Creditors of \$3 179 and accrued interest on debenture loans of \$17 480 were not taken up in the financial statement at 30 June 1988. In our opinion this doesn't comply with the Local Government Accounting Directions which requires the Shire to prepare its financial statements on an Income and Expenditure basis and therefore creditors and interest due but not paid at balance date should be brought in at year end.

- (ii) Subject to the above in my opinion the accompanying accounts are drawn up in accordance with the books of the council and fairly present the requirement of the Local Government Act and the Local Government Accounting Directions which are to be dealt with in preparing the accounts.

B. Statutory Compliance—Subject to our management report I did not during the course of the audit become aware of any other instances where the council did not comply with the statutory requirements of the Local Government Act and the Local Government Accounting Directions.
