#### HEALTH ACT 1911

Shire of Irwin

Health By-Laws—Stables

WHEREAS under the provisions of the Health Act 1911 a Local Authority may make or adopt By-Laws and may alter, amend or repeal any By-Laws so made or repeal any By-Laws so made or adopted: now therefore the Shire of Irwin, being a Local Authority within the meaning of the Act doth hereby having resolved on the 18th day of October 1988 to make the following By-Laws.

1. These By-Laws may be cited as the Shire of Irwin Stable By-Laws and shall come into operation on the publication in the *Government Gazette* and shall apply and have operation throughout the Dongara and Port Denison Townsites.

Sections 26 and 27 of the Model Health By-Laws Series "A" relating to stables, and adopted by Council are hereby repealed. Further, Section 28 of the Model Health By-Laws Series "A" is amended by deleting the word "horse" on each occasion mentioned.

2. In these by-laws, unless inconsistent with the text or subject matter—

"Act" means the Health Act 1911 (as amended)

"Council" means the Shire of Irwin

"Health Surveyor" means any Health Surveyor appointed by the Council under the Act

"Dwelling House" means a building used solely for human habitation, and also means any part of a building which is designed for use as a self-contained unit for living purposes and is solely for human habitation

"Horse" means a stallion, mare, gelding, colt, filly or foal

"Persons" and the words applying to any person or individual including a corporation

"Stables" means a building for the keeping, caring and feeding of a horse

"Stall" means a single compartment for one animal in a stable

"Associated buildings" means a feed room, gear room, shoeing room, hosing down area and a shelter

"Yard" means an area where horses are temporarily contained by a fence or rails

3. As from and after the date of this by-law coming into operation—

(1) No person shall keep or stable, any horse within the Dongara/Port Denison townsites, except in a stable registered under this By-law.

(2) No person shall keep or stable in any stable a greater number of horses than the number for which such stable is registered.

(3) Registration shall only be granted in the name of the Owner of the property on which the stables are situated.

4. (1) Every person required by these By-laws to register any premises shall make application therefor in the form prescribed for that purpose in the schedule hereto with every application for original registration there shall be lodged in respect of the premises for which registration is applied, such plans, drawings and particulars as the Council may require.

(2) Application for renewal of any registration shall be made annually during the month of December, and the Certificate of Registration then in force shall be lodged with the said application.

(3) If any person in whose name a stable is registered desires to have the same transferred to any other person, before such transfer has taken place, notify the Council on the form prescribed for the purpose in the schedule hereto.

5. Upon receipt of such application the Council shall cause such premises to be inspected by the Health Surveyor and reported upon in respect to the sufficiency of such premises. The condition thereof as to repair, cleanliness and such matters as are required by these by-laws.

6. If upon such application for registration or renewal of registration and report being submitted to Council, it shall appear to the Council that such application for registration shall be granted, it shall upon being paid the registration fee here in after prescribed, register with or without conditions, such premises as a stable.

7. Every registration or renewal of registration hereunder shall be of force until the 31st day of December next. After the making here of and there after during the period of every annual renewal and no longer, but may be sooner suspended or cancelled by the Council upon conviction for breach of any of the By-Laws, Orders, or Regulations to which the same is subjected.

8. For every registration and every renewal thereof, there shall be paid to the Council by the person from whom such registration is made the sum of five dollars (\$5) for every stall on the premises and capable of being used for the keeping of a horse, provided that the maximum sum payable in connection with any particular premises shall be twenty dollars (\$20).

9. Every stable in respect to which application is made for registration must fulfill all the following requirements—

- (1) (a) The construction of stables and its situation with respect to adjacent buildings must be in accordance with the Uniform Building by-laws and the Town Planning Scheme of the Shire, but the Council may, if it thinks fit, waive strict compliance with this requirement with respect to any stable in existence prior to the day of the By-Law coming into force.
- (b) External cladding of all stables and associated buildings shall be built of new concrete, brick, stone, wood, galvanised iron or other materials approved by the Council.
- (c) Stables with an external cladding of wood or galvanised iron shall be clad internally with concrete, stone, brick or wood to a height of 1.5 metres.
- (d) The roof shall be constructed of impervious material.
- (e) Stables shall be provided with a 75 mm minimum concrete floor raised 75 mm above the surface of the surrounding ground, except in accordance with By-law 9 (2).
- (f) Every stable shall have an area of not less than 11 square metres and walls not less than 3 metres measured either horizontally or vertically, except in accordance with by-law 9 (2).
- (g) Every stable shall be constructed with full height external walls to the requirements of the Uniform Building By-laws. A partition wall between stalls shall not be less than 1.5 metres high, except in accordance with by-laws 9 (2).
- (h) There shall be an opening of a size calculated at a minimum of 20 percent of the area of the stable floor, in the walls of the stable for ventilation purposes.
- (2) The construction of any stable with a sand floor may be permitted by Council, subject to—
  - (a) The site must be well drained with the highest known water table no closer than 1.5 metres off the ground or sand floor level.
  - (b) Whether natural or imported sand, it must be clean, coarse and free from dust.
  - (c) The stable design must allow for the access of small machinery, such as a bob cat into each individual stall to replace sand where required, and to maintain the correct floor height.
  - (d) The minimum floor area of each stall shall not be less than 28 square metres, and walls not less than 3 metres vertically or 4 metres horizontally.
  - (e) The top of the footing to each stable shall be a minimum of 450 mm below ground level.
  - (f) In all other respects by-law 9 (1) shall apply to the stable building.
- (3) A shelter may be erected in "a yard" for the protection of horses subject to the structures being approved by Council and having—
  - (a) A roof with a maximum width of 3 metres and a clear height of 2.4 metres. The shelter may be enclosed on two sides only.

10. No part of any stable, associated building, yard or shelter shall be less than 15 metres from a dwelling house on the same lot, and 30 metres from a dwelling house on any other adjacent lot of land.

11. Notwithstanding the restrictions which may prevail by any other means—

No lot of land less than 4 000 square metres shall accommodate the stabling of horses: Lots in excess of 4 000 square metres in area are to be subject to specific approval by Council to determine the number of horses which may be maintained there on.

12. Yards to be constructed of approved material—

- (1) Any yard shall have a fence or railing not exceeding 1.2 metres in height and shall be situated not less than 1.2 metres from the boundary of a lot.

13. (1) Every stable shall be provided with a mobile or free standing fly proof receptacle of a size in construction required by a Health Surveyor and into which shall be placed all wastes, inclusive of soiled bedding and manure produced on the premises. The contents of such receptacles shall be removed from the premises at a no greater interval than 7 days, and more often if required to do so by the Health Surveyor.

(2) Every stable shall have approved impervious rat-proof receptacles for the storing of horse feed, such as chaff, bran, pollard, grain or seed and the like.

14. The person in whose name the stable/s are registered, shall with respect to such stables—

- (1) Cause all manure and offensive litter there in to be carefully swept up once at least in every day and forth with placed in the manure bin.

- (2) Spray, or cause to be sprayed with an approved pesticide every manure bin, immediately after it is emptied and before it is used again.
- (3) Spray, or cause to be sprayed with an approved residual pesticide any surface of any building, stable or associated building and shelter if required by notice in writing from the Health Surveyor to do so.
- (4) Employ all means and adopt such precautions as may be necessary to keep the stables in a clean and sanitary condition, in good repair, and as far as possible, free from flies, rats, vermin and offensive odours.

15. Any person who makes a false statement in connection with any application under these By-Laws shall be guilty of an offence.

16. Any person doing any act forbidden to be done, or failing to do any act directed to be done by these By-Laws commits an offence and is liable to a penalty which is not more than \$1 000 and not less than—

- (1) in the case of a first such offence, \$100;
- (2) in the case of a second such offence, \$200; and
- (3) in the case of a third or subsequent such offence, \$500; and
- (4) if the offence is a continuing offence, a daily penalty which is not more than \$100 and not less than \$50.

#### HEALTH ACT 1911

Shire of West Arthur

#### Mobile Rubbish Bin By-Laws

WHEREAS under the provisions of the Health Act 1911 a Local Authority may alter, amend or repeal any by-laws so made or adopted: Now, therefore, the Shire of West Arthur being a Local Authority within the meaning of the Act, and having adopted the Model By-Laws described as Series "A" as reprinted in the *Government Gazette* on 17 July 1963, doth hereby resolve and determine that the said adopted by-laws shall be amended as follows.

1. The principal by-laws are amended by deleting By-laws 12, 13, 14, 15 and 16 of Part 1 and substituting the following—

#### 12. Interpretation

In this by-law and in By-Laws 13 to 15 inclusive of this Part unless the context requires otherwise—

- "building line" has the meaning given to it in and for the purpose of the Local Government Act 1960;
- "Health Surveyor" means the Health Surveyor of the Local Authority;
- "collection time" means the collection time from time to time notified to the occupier of the premises by the local Authority or its contractor;
- "kerb line" means the point where the road carriageway adjoins the road verge;
- "receptacle" means a polyethylene cart fitted with wheels and a handle and with a lid and a capacity of 240 or 120 litres supplied by the Local Authority or its contractor or other type of receptacle specified or approved by the Local Authority;

#### 13. Refuse Receptacles and Collection

- (1) The occupier of every premises in the district shall—
- (a) subject to paragraph (c) hereof, cause all refuse to be deposited in a receptacle;
  - (b) at all times keep the lid of the receptacle closed except when depositing refuse in or cleaning the receptacle;
  - (c) not deposit or permit to be deposited in a receptacle—
    - (i) more than 70 kg of refuse at any one time;
    - (ii) any material being or consisting of—
      - (A) Hot or burning ashes
      - (B) Oil
      - (C) Liquid
      - (D) Paint
      - (E) Solvent
      - (F) Bricks, concrete, earth or other like substances;
    - (iii) heavy material;
    - (iv) an object which is greater in length, width or breadth than the corresponding dimensions of the receptacle or which will not allow the lid of the receptacle to be tightly closed;
    - (v) refuse which is or is likely to become offensive or a nuisance or to give off an offensive or noxious odour or to attract flies or cause fly breeding unless it is first wrapped in absorbent or impervious material or placed in a sealed impervious container;
  - (d) except for collection keep the receptacle on the premises located behind the building line, or other location approved by the Health Surveyor;
  - (e) collection of Receptacle—
    - (i) prior to the collection time, place the receptacle between the kerb line and the premises 1 to 4 metres from the kerb line and such that it does not obstruct any footpath, cycleway or other carriageway. The receptacle may otherwise be placed at a position specifically approved by the Health Surveyor, and

- (ii) after the contents of the receptacle have been removed, return the receptacle to its place of storage;
  - (f) at all times keep the receptacle clean and whenever directed by the Health Surveyor to do so, place and keep in the receptacle a deodorant material approved by the Health Surveyor;
  - (g) notify the Local Authority within seven days after the event if the receptacle is lost, stolen, damaged or becomes defective.
- (2) Any employee of Council or its contractor collecting refuse shall return receptacles to a location as close as possible to that where they were located immediately before being emptied but not so as to obstruct any footpath, cycleway, driveway, service road or other carriageway.
- (3) In the case of residential premises consisting of more than three dwellings, units or flats or premises used for commercial or industrial purposes the Local Authority may require the use of a receptacle other than a polyethylene cart fitted with wheels and a handle and the occupier of those premises shall comply with and observe the direction given by the Local Authority.
- (4) The occupier of every premises in the district who is required under Sub-by-law (3) of this by-law to use a receptacle other than a polyethylene cart fitted with wheels and a handle shall—
- (a) cause all refuse to be deposited in a receptacle in a manner which is compatible with the type of receptacle used;
  - (b) take all reasonable steps to prevent fly breeding in and the emission of offensive or noxious odour from the receptacle;
  - (c) cause the receptacle to be located on the premises in a position where—
    - (i) it is screened so as not to be visible from a street but be readily accessible for the purpose of collection of the contents thereof;
    - (ii) it does not obstruct any footpath, cycleway, driveway, service road, or other carriageway on those premises;
    - (iii) it does not cause a nuisance to the occupiers of adjoining premises;
  - (d) at all times keep the receptacle clean and whenever directed by the Health Surveyor to do so, place and keep in the receptacle a deodorant material approved by the Health Surveyor;
  - (e) where the premises are used for the manufacture, preparation or sale of foods or any putrescible refuse emanates from the premises, cause the receptacle to be cleaned with a suitable detergent and treated with a disinfectant at least once per week.
- (5) The Health Surveyor may direct that refuse of the type referred to in paragraph (e) of Sub-by-law (4) hereof or which emanates from premises referred to in that paragraph be collected and removed more often than once per week.
- (6) Where refuse emanating from premises is of a nature that the Health Surveyor considers requires to be treated before being placed in a receptacle he may give directions as to the manner in which it is to be so treated and the occupier of those premises shall comply with those directions.

#### 14. Receptacle Ownership

A receptacle supplied by the Local Authority or its contractor remains the property of the Local Authority or its contractor, as the case may be.

#### 15. Removal and Disposal of Refuse

- (1) A person shall not unless he is authorised by the Local Authority to do so remove any house or trade refuse or other rubbish from any premises in the townsites of Darkan or Duranillin.
  - (2) Where Council provides approval pursuant to By-law 15 (1) hereof, such rubbish or refuse shall be disposed of at a refuse disposal site approved by the Executive Director of Public Health pursuant to the provisions of the Health Act 1911.
2. By-law 18 of Part 1 of the principal by-laws is amended by deleting "cart" in the by-law heading and in line 2 and substituting "collection vehicle".

Dated this 15th Day of September, 1988.

The Common Seal of the Shire of West Arthur was  
hereto affixed in the presence of—

#### LOCAL GOVERNMENT ACT 1960

##### Municipality of the Shire of Augusta-Margaret River

##### By-laws Relating to Management and use of Bridges and Jetties

IN pursuance of the powers conferred upon it by the abovementioned Act and of all other powers enabling it the Council of the abovementioned municipality hereby records having resolved on 13 December 1984 to make and submit for confirmation by the Governor the following by-laws.

#### 1. Interpretation

In these by-laws unless the context requires otherwise—

- “Council” means the Council of the Municipality of the Shire of Augusta-Margaret River
- “Jetty” means a jetty, pier, wharf or landing place whether in or adjacent to the sea or a river.
- “Authorised Officer” means an Officer appointed by the Council of the Shire of Augusta-Margaret River to assist in the administration of the provisions of this by-law.

#### 2. Management and Use of Bridges and Jetties

- (1) A person shall not on a bridge or jetty under the care, control or management of the Council—
- destroy, damage or deface the bridge or jetty or any part thereof;
  - throw, place or deposit an obstruction;
  - throw, place or deposit an offensive, noxious or dangerous substance;
  - break any glass, metal, earthenware or utensil;
  - light a fire;
  - throw a stone or other missile;
  - cause a nuisance;
  - behave in a disorderly manner or create or take part in a disturbance;
  - where a sign on or adjacent to the bridge or jetty prohibits fishing, use a fishing line, rod or net;
  - stamp, stencil or affix or cause to be stamped, stencilled or affixed a placard, hand bill, notice or advertisement.
- (2) A person shall not—
- berth at or tie up to a jetty under the care, control or management of the Council, a boat for periods exceeding—
    - 15 minutes on the fore-head of the jetty;
    - 24 hours on any other part of the jetty.
  - drive or ride a vehicle or animal on a jetty under the care, control or management of the Council.
  - berth or tie up a licensed fishing boat or any other boat used for commercial purposes to a jetty under the care, control or management of the Council, unless written approval of Council is obtained.

(3) (i) Should an Authorised Officer consider that a boat or boats tied to a jetty is causing congestion or is likely to render a danger to a jetty, then he may direct that any or all of the boats must be removed from the jetty.

(ii) Should a person not comply with the direction given by the Authorised Officer in sub-by-law (i) above, then the Authorised Officer may remove the offending boat or boats from the jetty.

3. A person who fails to comply with a direction given in Sub-by-law 2 commits a breach of these by-laws.

#### 4. Offences and Penalties

A person who commits a breach of these by-laws commits an offence and is liable to a maximum penalty of \$500.

Dated 9 February 1988.

- “tuberculin test” means a single intradermal caudal fold test using Bovine PPD tuberculin read at 72 hours;
- “contact sale” means an approved sale for slaughter only held in an approved saleyard;
- “quarantine sale” means an approved sale for slaughter only held in an approved quarantine area.

#### General

1. Movement prohibited.
  2. Permit in the form of Form 3 issued by an inspector.
- Movement shall be direct and any off-loading into areas or premises of lower status shall be only into approved yards or premises.

When moving stock under condition 11 the consignee shall—

- (a) notify the nearest inspector within 14 days of the date of introduction of the stock;
- (b) isolate and keep isolated from the herd, any stock introduced on to the property, unless and until otherwise directed by an inspector; and
- (c) submit any introduced stock to such tests as an inspector may direct.

#### Brucellosis

4. A brucellosis test of breeding cattle shall be carried out not earlier than 30 days prior to movement, with negative results. Cattle shall be held in isolation during that period.
5. Breeding cattle shall have been resident on the property of origin for not less than 90 days prior to testing for movement.
6. Pregnant females shall be isolated on the property of introduction. Animals shall be held in isolation until a brucellosis test is conducted on them with negative results not earlier than 15 days and not later than 45 days after calving.

7. Bulls only are permitted to move and the bulls must be held in isolation and tested on two occasions with an interval of 60-90 days between each test with negative results, with the last test within 14 days of movement. Each bull must be examined clinically and show no evidence of disease.

#### Tuberculosis

8. Cattle may only be moved into the area for contact sale, quarantine sale or to an abattoir and where it is for—

- (a) contact sale, conditions 2, 10 and 14 apply; and
- (b) quarantine sale or abattoir, conditions 2 and 14 apply.

9. Cattle shall carry an approved paint mark along the backline.

10. Every animal in the group to be moved shall be subject to a tuberculin test with negative results.

11. (1) Every animal in the group to be moved shall be subjected to two tuberculin tests not less than 60 days apart with negative results. Animals shall be held in isolation from the time of commencement of the first test. In the case of animals moving to properties in the Southern Pastoral Area both tests must be done on the property of origin while for animals moving to a property in a Kimberley Tuberculosis Eradication Area or to the Southern Agricultural Area the second test may be done on an approved property of destination.

(2) A check test 6 to 12 months later, on the approved property of destination is also required.

12. Cattle to be identified with an approved, unique, numbered ear tag.

13. Where the second tuberculin test is completed on the property of destination cattle may move if identified with red tail tags.

14. Cattle to be identified with red tail tags.

15. (1) Every animal in the group intended to be moved shall be subject to a tuberculin test.

(2) Any animal which reacts to the tuberculin test is prohibited from being moved.

16. Cattle shall be marked with an approved ear mark.

17. For cattle being moved to an approved feedlot—

- (a) conditions 9, 14 and 16 apply; and
- (b) condition 10 does not apply.

18. For cattle being moved to an approved feedlot—

- (a) conditions 9, 14, 15 and 16 apply; and
- (b) condition 10 does not apply.

#### Cattle Tick

19. Cattle—

(a) shall be—

- (i) subjected to an approved regime of treatment; or
- (ii) consigned directly from a property on which the cattle have been depastured for at least 6 months and on which cattle tick is not known or suspected to exist; and

(b) shall be presented free of tick, and—

- (i) shall be treated with an approved veterinary preparation lethal to cattle tick and treated with an approved veterinary preparation lethal to buffalo fly, under the supervision of an inspector;
- (ii) shall be moved out of the infected area within 72 hours of being treated, by clean road transport, sea vessel or aircraft.

20. Cattle consigned directly for slaughter—

(a) shall be—

- (i) subjected to an approved regime of treatment; or
- (ii) consigned directly from a property on which the cattle have been depastured for at least 6 months and on which cattle tick is not known or suspected to exist;

and

(b) shall be presented free of tick, and—

- (i) shall be treated with an approved veterinary preparation lethal to cattle tick and treated with an approved veterinary preparation lethal to buffalo fly, under the supervision of an inspector;
- (ii) shall be moved out of the infected area within 72 hours of being treated; and
- (iii) shall not be unloaded anywhere *en route* to the destination endorsed on the permit, without the permission of an inspector.

21. Where the stock consists of a horse, mule, donkey, camel or deer, every animal to be moved shall be treated with an approved veterinary preparation under the supervision of an inspector at a place that has been approved and within 24 hours prior to movement.

#### Lice and Keds

22. The owner of sheep located within an area declared to be an infected area shall not travel those sheep or any of them to any other property within that infected area without the prior consent of an inspector.

23. (1) Subject to sub-condition (2) the owner of sheep located within an area declared to be an infected area shall not travel those sheep or any of them to any property within an area declared to be a protected area unless—

- (a) he sends or delivers to an inspector a notice in the form of Form 13 stating that the sheep are, to the best of his knowledge and belief free from lice or keds, or both, as the case requires; and
- (b) he obtains from an inspector a permit in the form of Form 3.

(2) Notwithstanding the provisions of sub-condition (1) an inspector may authorize the movement of sheep from an infected area to a protected area where—

- (a) the sheep are affected by drought and the property to which they are travelling is placed under quarantine in accordance with these regulations; or  
 (b) the sheep are consigned to an abattoir for immediate slaughter. ”.
