2. In these regulations the *Totalisator Agency Board (Betting) Regulations 1988** are referred to as the principal regulations.

[*Published in the *Gazette* of 25 March 1988 at pp. 935-955. For amendments to 12 April 1989 see *Gazette* of 23 March 1989.]

Commencement

3. These regulations shall come into operation on the day on which section 14 of the *Acts Amendment (Racing Industry) Act 1988* comes into operation.

Part 2A inserted

4. After regulation 19 of the principal regulations the following Part is inserted—

" PART 2A—GENERAL CONDITIONS RELATING TO
BETS RECEIVED AND TRANSMITTED BY RACING CLUB TO BOARD

Authorized racing club may transmit bets

19A. (1) The Board may authorize a racing club to transmit bets received by that racing club to a totalisator pool conducted by the Board.

(2) The Board shall not accept a bet transmitted by a racing club to a totalisator pool conducted by the Board unless that racing club has been authorized by the Board to so transmit bets and the authorization has not been withdrawn by the Board.

(3) The Board may withdraw an authorization given under subregulation (1) at any time.

Person making a bet bound by these regulations

19B. A person making a bet with or through a racing club that is transmitted to a totalisator pool conducted by the Board shall be deemed to accept and be bound by the relevant provisions of these regulations as if that bet were a bet made with or through the Board.

Only authorized betting to be accepted

19C. Bets with or through a racing club for transmission to a totalisator pool conducted by the Board shall be accepted by that racing club—

- (a) subject to these regulations as if the bets were bets made with or through the Board; and
- (b) only in respect of such race meetings or races, or such sporting events, as the Board authorizes in relation to that racing club.

Bets transmitted by racing club to be registered on Board's totalisator

19D. (1) Whenever bets received by a racing club are transmitted to the Board for registration in respect of any race on the totalisator operated by the Board, those bets that are so transmitted up to the time when in respect of that race the totalisator is officially closed shall be accepted for registration, and registered, on the totalisator.

(2) The bets registered on the totalisator under subregulation (1) shall form part of the total amount invested on the totalisator in respect of the race for which the bets were transmitted, and shall be taken into account in the calculation of the dividends to be declared payable on the result of that race.

Apportionment of profit or loss

19E. Where a racing club transmits bets to a totalisator pool conducted by the Board, the profit, or loss, from the operation of that totalisator pool shall be apportioned by the Board and paid, credited or debited to that racing club in proportion to the contribution of that racing club to the total investments in that totalisator pool. "

Regulation 39 amended

5. Regulation 39 of the principal regulations is amended by deleting "section 20" and substituting the following—

" section 3 ".

By resolution of the Board.

TOTALISATOR REGULATION ACT 1911
TOTALISATOR REGULATION REGULATIONS 1989

MADE by His Excellency the Governor in Executive Council.

Citation

1. These regulations may be cited as the *Totalisator Regulation Regulations 1989*.

Commencement

2. These regulations shall come into operation on the day on which section 26 of the *Acts Amendment (Racing Industry) Act 1988* comes into operation.

Authorization to transmit bets

3. (1) A club may authorize another club to transmit bets received by that club to a totalisator pool conducted by the first-mentioned club.

(2) A club shall not accept a bet transmitted by another club to a totalisator pool conducted by it unless the club transmitting the bet has been authorized by the first-mentioned club to so transmit bets and the authorization has not been withdrawn by that club.

(3) A club may withdraw an authorization given by it under subregulation (1) at any time.

Transmission of bets to totalisator pool

4. A bet received by a club may be transmitted by that club to—

(a) a totalisator pool operated by the Board if the Board has authorized the club to so transmit the bet and that authorization has not been withdrawn; or

(b) a totalisator pool operated by another club if that club has authorized the first-mentioned club to so transmit the bet and the authorization has not been withdrawn.

Bets registered on totalisator

5. (1) Bets transmitted under section 3 of the Act and registered on a totalisator shall form part of the total amount invested on the totalisator in respect of the race for which the bets were transmitted, and shall be taken into account in the calculation of the dividends to be declared payable on the result of that race.

(2) Notwithstanding subregulation (1), bets that are transmitted and received under section 3 of the Act form part of the gross amount of the takings of the totalisator of the club with whom the bet was initially placed and the dividends declared payable on those bets shall be payable by that club.

Apportionment of profit or loss

6. Where a club transmits bets to a totalisator pool conducted by another club, the profit, or loss, from the operation of that totalisator pool shall be apportioned by the club to which the bet was transmitted and paid, credited or debited to the club transmitting the bets in proportion to the contribution of that club to the total investments in that totalisator pool.

Prescribed licence fee

7. The prescribed licence fee is \$2 plus \$2 for every \$2 000 or part thereof exceeding \$2 000 which has passed through the totalisator or totalisators used by the club holding the licence on the race-course specified in the licence in the year preceding the commencement of the year in which the licence is to have effect.

Form of licence

8. A totalisator licence shall be in the form of Form 1 in the Schedule.

Repeal

9. The regulations made under the Act and published in the *Gazette* of 3 May 1912 at page 1611 are repealed.

(Available for low/medium voltage supply.)

The tariff consists of a fixed charge and demand and energy charges dependent on the time of day, day of the week and subject to the undermentioned conditions.

Tariff

Fixed Charge at the rate of \$89.44 per day.

Demand charge 59.79 cents per day multiplied by—

- (a) the on peak half-hourly maximum demand; or
- (b) 30 per cent of the off peak half-hourly maximum demand,

whichever is the greater.

Energy Charge—

- (a) On peak energy charge 5.76 cents per unit.
- (b) Off peak energy charge 3.84 cents per unit.

CONDITIONS

Minimum period of Contract

Consumer to agree to take the tariff for a minimum period of 12 months and not to discontinue without giving six months' prior notice in writing to the Commission.

Power factor

Power factor is to be 80 per cent or better at the time of maximum kVA demand. The Commission reserves the right to levy a charge of 34.13 cents per day per kVAR for the kVAR necessary to improve the power factor to 80 per cent lagging in any period during which the power factor at the time of maximum demand is less than 80 per cent.

Variation of on peak period

Subject to the Commission's system operating conditions the Commission may upon receipt of a written application vary the on peak period in respect of a particular case.

TARIFF T1

High Voltage Time Based Demand and Energy Tariff

(Available to consumers supplied at 6.6kV, 11kV, 22kV or 33kV or such higher voltage as the Commission may approve.)

The tariff consists of a fixed charge and demand and energy charges dependent on the time of day, and day of the week and subject to the undermentioned conditions.

- (a) On peak energy charge 5.76 cents per unit.
- (b) Off peak energy charge 3.84 cents per unit.

CONDITIONS

Minimum period of Contract

Consumer to agree to take the tariff for a minimum period of 12 months and not to discontinue without giving 6 months' prior notice in writing to the Commission.

Ownership of high voltage equipment

This tariff applies to consumers who own all equipment except tariff metering equipment on the load side of the consumer's high voltage terminals.

Power factor

Power factor is to be 80 per cent or better at the time of maximum kVA demand. The Commission reserves the right to levy a charge of 34.13 cents per day per kVAR for the kVAR necessary to improve the power factor to 80 per cent lagging in any period during which the power factor at the time of maximum demand is less than 80 per cent.

Variation of On Peak period

Subject to the Commission's system operating conditions the Commission may upon receipt of a written application vary the On Peak period in respect of a particular case.

TARIFF U1

High Voltage Time Based Demand and Energy Tariff

(Available for consumers supplied at 66kV or 132kV and who enter a contract to provide for the establishment of suitable sub-station facilities.)

The tariff consists of a fixed charge and demand and energy charges dependent on the time of day, and day of the week and subject to the undermentioned conditions is available to consumers who are supplied at 66kV or 132kV only from the Commission's interconnected system.

Tariff

Fixed charge at the rate of \$202.13 per day.

Demand Charge of 38.48c per day multiplied by—

- (a) the on peak half-hourly maximum demand; or
- (b) 30 per cent of the off peak half-hourly maximum demand,

whichever is the greater.

Energy Charge—

- (a) On peak energy charge 5.76 cents per unit.
- (b) Off peak energy charge 3.84 cents per unit.

CONDITIONS

This tariff shall apply at the discretion of the Commission to the supply of electricity taken at 66kV or 132kV from the Commission's interconnected system, to consumers who have entered into a contract with the Commission which provides *inter alia* for the establishment of a sub-station jointly owned by the consumer and the Commission or for the payment by the consumer, of a capital contribution, as determined by the Commission towards the cost of providing a sub-station to be fully owned by the Commission.

Consumers seeking supply under this tariff may also be required to contribute towards the cost, as determined by the Commission, of any other distribution works necessary to effect the supply to the consumer.

Power factor

Power factor is to be 80 per cent or better at the time of maximum kVA demand. The Commission reserves the right to levy a charge of 34.13 cents per day per kVAR for the kVAR necessary to improve the power factor to 80 per cent lagging in any period during which the power factor at the time of maximum demand is less than 80 per cent.

Variation of on peak period

Subject to the Commission's system operating conditions the Commission may upon receipt of a written application vary the on peak period in respect of a particular case.

Standby Tariff for consumers on Tariffs L1 and S1 payable in addition to charges under those tariffs

- (a) In the case of Tariff L1.

Standby charge—5.98 cents per day per kW.

Based on the difference between—

Total half-hourly maximum demand and normal half-hourly maximum demand.

- (b) In the case of Tariff S1.

Standby charge—5.98 cents per day per kW.

Based on the difference between—

Total half-hourly maximum demand and normal half-hourly maximum demand; or

Total half-hourly maximum demand and registered half-hourly maximum demand, whichever is less.

CONDITIONS

The consumer to pay for the cost of all additional mains and equipment necessary to provide the standby service. The standby service agreement will be for a minimum period of 12 months. Thereafter the consumer will be required to give six months' notice in writing to the Commission of intention to terminate the agreement. The "Normal Half-Hourly Maximum Demand" will be assessed by the Commission and will be based on loading normally supplied from the Commission's supply. Notwithstanding the Commission's assessment, in any accounting period the normal half-hourly maximum demand shall be taken to be not less than—

kWh registered for the accounting period

$24 \times (\text{number of days in the accounting period}) \times 0.4$

The "total half-hourly maximum demand" will be assessed by the Commission as the expected half-hourly maximum demand on the Commission's system without the consumer's generation equipment in operation.

The difference between total half-hourly maximum demand and normal half-hourly maximum demand will not exceed—

- (a) the capacity of the consumer's generation equipment; or
- (b) the expected maximum loading of such generation equipment, as assessed by the Commission.

Standby Tariff for consumers on Tariffs M1 and T1 payable in addition to charges under those tariffs

- (a) In the case of Tariff M1.

Standby charge—5.41 cents per day per kW.

Based on the difference between—

Total half-hourly maximum demand and normal half-hourly maximum demand.

- (b) In the case of Tariff T1.

Standby charge—5.41 cents per day per kW.

Based on the difference between—

Total half-hourly maximum demand and normal half-hourly maximum demand; or

Total half-hourly maximum demand and registered half-hourly maximum demand,

whichever is less.

CONDITIONS

The consumer to pay for the cost of all additional mains and equipment necessary to provide the standby service. The standby service agreement will be for a minimum period of 12 months. Thereafter the consumer will be required to give six months' notice in writing to the Commission of intention to terminate the agreement.

The "normal half-hourly maximum demand" will be assessed by the Commission and will be based on loading normally supplied from the Commission's supply.

Notwithstanding the Commission's assessment, in any accounting period the normal half-hourly maximum demand shall be taken to be not less than—

kWh registered for the accounting period

$24 \times (\text{number of days in accounting period}) \times 0.4$

The "total half-hourly maximum demand" will be assessed by the Commission as the expected half-hourly maximum demand on the Commission's system without the consumer's generation equipment in operation.

The difference between total half-hourly maximum demand and normal half-hourly maximum demand will not exceed—

- (a) the capacity of the consumer's generation equipment; or
- (b) the expected maximum loading of such generation equipment, as assessed by the Commission.

Standby Tariff for consumers on Tariff U1 payable in addition to charges under that tariff

Standby charge—3.84 cents per day per kW.

Based on the difference between the consumer's contract maximum demand and the on peak half-hourly maximum demand registered in any accounting period.

Or—

In the event that the consumer's contract for supply with the Commission does not contain provision for a contract maximum demand, the standby charge shall be based on the difference between the total half-hourly maximum demand and the on peak half-hourly maximum demand registered in any accounting period. The total half-hourly maximum demand will be assessed by the Commission as the expected half-hourly maximum demand on the Commission's system without the consumer's generation equipment in operation.

2. DOMESTIC TARIFFS

TARIFF A1.

A fixed charge at the rate of 20.48 cents per day plus all metered consumption at the rate of 11.17 cents per unit. SOIL AND LAND CONSERVATION (CUE LAND CONSERVATION DISTRICT)
ORDER 1989

MADE by His Excellency the Governor in Executive Council under sections 22 and 23 of the *Soil and Land Conservation Act 1945* and on the recommendation of the Minister for Agriculture.

Citation

1. This order may be cited as the *Soil and Land Conservation (Cue Land Conservation District) Order 1989*.

Interpretation

2. In this order—

- “appointed member” means a person appointed under clause 5 (1) (b), (c), (d) or (e) to be a member of the committee;
- “committee” means the Land Conservation District Committee for the Cue Land Conservation District;
- “member” means a member of the committee;
- “producer organizations” means bodies known respectively as the Western Australian Farmers Federation (Inc.) and the Pastoralists and Graziers Association of Western Australia;
- “the district” means the Cue Land Conservation District constituted by clause 3 of and the Schedule to this order.

Cue Land Conservation District

3. All that portion of land described in the Schedule to this order, is hereby constituted the Cue Land Conservation District.

Establishment of the committee

4. Pursuant to section 23 (2) of the *Soil and Land Conservation Act 1945* there is hereby established for the district a land conservation district committee to be known as the Land Conservation District Committee for the Cue Land Conservation District.

Constitution of the committee

5. (1) It is hereby determined, on the recommendation of the Minister, after consultation with the Cue Shire Council and producer organizations, that the committee shall comprise 10 members of whom—

- (a) one shall be the Commissioner for Soil Conservation or his nominee;
- (b) one shall be appointed by the Minister on the nomination of the Cue Shire Council;
- (c) 2 shall be appointed in accordance with subclause (2);
- (d) one shall be appointed in accordance with subclause (3); and
- (e) 5 shall be appointed by the Minister and shall be actively engaged in, or affected by or associated with, land use in the district.

(2) The Pastoralists and Graziers Association of Western Australia shall submit to the Minister a panel containing the names of persons willing to be appointed as members of the committee and, where such a panel is submitted in accordance with this order, 2 persons whose names appear on the panel submitted by the Pastoralists and Graziers Association of Western Australia shall be appointed by the Minister.

(3) The Western Australian Farmers Federation (Inc.) shall submit to the Minister a panel containing the names of persons willing to be appointed as members of the committee and, where such a panel is submitted in accordance with this order, one person whose name appears on the panel submitted by the Western Australian Farmers Federation (Inc.) shall be appointed by the Minister.

(4) Subject to this clause, each appointed member shall hold office for such period not exceeding 3 years as is specified in the instrument of his appointment and is eligible for reappointment.

(5) The Minister may grant leave of absence to an appointed member on such terms and conditions as the Minister determines.

(6) The Minister may terminate the appointment of an appointed member for inability, inefficiency or misbehaviour.

(7) If an appointed member—

- (a) is or becomes an undischarged bankrupt or person whose property is subject to an order or arrangement under the laws relating to bankruptcy;
- (b) has his appointment terminated by the Minister, pursuant to subclause (6);
- (c) is absent, except on leave duly granted by the Minister, from 3 consecutive meetings of the committee of which he has had notice; or
- (d) resigns his office by written notice addressed to the Minister,

the office of that appointed member becomes vacant.

Proceedings of the committee

6. (1) The committee shall hold its meetings at such place on such days and at such intervals as the committee shall from time to time determine.

(2) At any meeting of the committee—

- (a) a majority of the members constitute a quorum;
- (b) the Chairman shall preside and where he is absent from the meeting the members may appoint one of their number to preside at that meeting;
- (c) each member present is entitled to a deliberative vote; and
- (d) where the votes cast on any question are equally divided the Chairman, or the presiding member in terms of paragraph (b), shall have a casting vote.

(3) The committee shall cause accurate minutes to be kept of the proceedings at its meetings.

(4) To the extent that it is not prescribed, the committee may determine its own procedure.
