the subscriber may return the receipted ticket—

 - (b) division 2, if any 5 of the 6 winning numbers and either one of the 2 supplementary numbers are selected in the one lotto game;
 - (c) division 3, if any 5 of the 6 winning numbers are selected in the one lotto game;
 - (d) division 4 if any 4 of the 6 winning numbers are selected in the one lotto game; and
 - (e) division 5 if any 3 of the 6 winning numbers and either one of the 2 supplementary numbers are selected in the one lotto game.
- (2) An entry in which 6 numbers have been selected per game does not entitle the holder of the receipted ticket to claim to have won in more than 1 division per game.
- (3) An entry in which 4 to 20 numbers (other than 6 numbers) have been selected may entitle the holder of the receipted ticket to claim to have won in more than 1 division per game, as set out in Schedule 2.

Division of lotto prize pool

15. The Commission shall distribute the total prize pool for a lotto draw as follows—
- (a) division 1—approximately 26.5% of the total prize pool and any jackpot or guaranteed amount;
 - (b) division 2—7.5% of the total prize pool;
 - (c) division 3—13.5% of the total prize pool;
 - (d) division 4—23.5% of the total prize pool; and
 - (e) division 5—29.0% of the total prize pool;

which shall be divided among the holders of the receipted tickets who are entitled to a prize under the appropriate division, according to the number of winning games.

Rounding off

16. (1) The Commission may round off the individual entitlement for a prize in any division (other than division 1) to the nearest sum containing a 5 cent multiple.
- (2) Where a rounding off process takes place under subrule (1), the Commission may adjust the total prize money for division 1 to ensure that the total prize pool is distributed.

Variation of division 1 lotto prize pool

17. (1) Where less than 60% of the subscription money received for a lotto draw is allocated to the total prize pool for that draw, the Commission may add part or all of the undistributed balance of that 60% to a division 1 prize pool in an ensuing lotto draw (called a "Bonus" lotto draw).
- (2) The Commission may from time to time fix a minimum guaranteed prize pool for division 1 in a "Bonus" lotto draw.
- (3) Where a "Bonus" lotto draw is fixed under subrule (2), and a jackpot division 1 lotto prize coincides with that draw, the Commission may elect to reduce the undistributed balance set out in subrule (1) by the amount of the division 1 jackpot amount for that draw, and retain that part of the undistributed balance for a future "Bonus" lotto draw.

Jackpot—lotto draw

18. (1) Subject to subrules (2) and (3) and rule 17, if there is no division 1 winner in a lotto draw, the Commission shall add the amount in a total prize pool allocated to division 1 in that draw, to the division 1 prize pool in the next draw.

(2) An undistributed midweek division 1 prize pool shall be added to a subsequent midweek division 1 prize pool, and an undistributed weekend division 1 prize pool shall be added to a subsequent weekend division 1 prize pool.

(3) Where there is no division 1 winner for 5 consecutive midweek, or 5 consecutive weekend, lotto draws, the Commission shall allocate the accumulated division 1 prize pool in the fifth draw to the prize pool for the division 2 winners in that draw.

Presentation of receipted ticket—lotto draw

19. Subject to rule 32, the Commission may refuse to pay any division 1 or division 2 prize entitlement to the holder of a receipted ticket which has won a division 1 or a division 2 prize in a lotto draw if the receipted ticket has not been presented at the Commissioner's head office within the relevant claim period under these rules.

Payment of division 1 or 2 prizes

20. Subject to these rules, the Commission shall pay any division 1 or division 2 lotto prizes—

- (a) after the relevant claim period under these rules has passed; and
- (b) by cheque.

Payment of division 3, 4 and 5 prizes

21. (1) Subject to these rules, division 3, 4 or 5 lotto prizes may be collected in cash at any selling point upon presentation of the winning receipted ticket.

(2) Where any holder of a receipted ticket wins either a division 1 or division 2 prize and another division prize on the one ticket, the Commission shall not pay any of those prizes until the relevant claim period under these rules has passed.

(3) The Commission may specify a limit in the amount of cash lotto prize which may be collected at any specified selling point.

PART 4—DIVISION OF PRIZES—SUPER 66 DRAW

Method of drawing super 66 numbers

22. (1) For every super 66 draw, there shall be 6 digits selected, each between 0 and 9, using an equally random method of selection for each digit, at a location and on weekends determined by the Commission.

(2) The 6 digits drawn under subrule (1) make up the winning super 66 number for that draw.

Criteria for super 66 prizes

23. (1) In a super 66 draw the holder of a receipted ticket wins—

- (a) division 1, if 6 digits in one super 66 game match the value, position and order of the 6 digits drawn;
- (b) division 2, if 5 digits in one super 66 game match the value, position and order of—
 - (i) the first, second, third, fourth and fifth digits; or
 - (ii) the second, third, fourth, fifth and sixth digits, of the 6 digits drawn;
- (c) division 3, if 4 digits in the one super 66 game match the value, position and order of—
 - (i) the first, second, third and fourth digits; or
 - (ii) the third, fourth, fifth and sixth digits, of the 6 digits drawn;

- (d) division 4, if 3 digits in the one super 66 game match the value, position and order of—
 - (i) the first, second and third digits;
 - or
 - (ii) the fourth, fifth and sixth digits, of the 6 digits drawn;
- (e) division 5, if 2 digits in the one super 66 game match the value position and order of—
 - (i) the first and second digits; or
 - (ii) the fifth and sixth digits, of the 6 digits drawn.

(2) A maximum of one prize per super 66 game entered will be paid to the receipted ticket holder by the Commission and, where the criteria for more than one division or prize is satisfied in one super 66 game, the highest prize only will be paid.

Distribution of super 66 prize pool

24. (1) Subject to subrule (3) and rule 25, the Commission shall distribute the total prize pool for each super 66 draw as follows—

- (a) division 1—the balance of the total prize pool after payment of prizes referred to in paragraphs (b), (c), (d) and (e);
- (b) division 2—\$6 666.00 per winning super 66 game in that division;
- (c) division 3—\$666.00 per winning super 66 game in that division;
- (d) division 4—\$66.00 per winning super 66 game in that division; and
- (e) division 5—\$6.60 per winning super 66 game in that division.

(2) For the purposes of determining the distribution of prizes in division 1, 2 and 3 under this rule, division 4 and division 5 prizes shall be calculated before division 1, 2, and 3.

(3) Where after calculating the amount remaining after distribution of division 4 and division 5 prize amounts, the Commission finds that the amount remaining to be distributed to division 1, 2 and 3 prize winners is insufficient to pay—

- (a) \$16 666.00 for each super 66 game entitled to a division 1 prize;
- (b) \$6 666.00 for each super 66 game entitled to a division 2 prize; and
- (c) \$666.00 for each super 66 game entitled to a division 3 prize,

the remaining amount of the total prize pool shall be distributed by the Commission so that the amounts of a division 1, division 2 and division 3 prize are in the ratio of 16 666: 6 666: 666.

Variation of division 1 super 66 pool

25. (1) The Commission may allocate a percentage of the subscription money normally included in the total prize pool for a super 66 draw to a division 1 prize pool in an ensuing super 66 draw (called a "Bonus" super 66 draw) and the total prize pool for that initial week shall be reduced accordingly.

(2) The Commission may from time to time fix a minimum guaranteed prize pool for division 1 in a "Bonus" super 66 draw.

(3) Where a "Bonus" super 66 draw is fixed under subrule (2) and a jackpot division 1 super 66 prize coincides with that draw, the Commission may elect to reduce the total of funds allocated in accordance with subrule (1) by the amount of the division 1 jackpot amount for that draw, and retain that part of the total of funds allocated, for a future "Bonus" super 66 draw.

Jackpot—super 66 draw

26. (1) Subject to rule 25, where, in any super 66 draw, no super 66 entry matches all 6 digits, the Commission shall add the amount remaining after the distribution of division 2, 3, 4 and 5 prizes to the total division 1 prize amount in the next super 66 draw.

(2) Where, after 5 consecutive super 66 draws, there has been no division 1 winner in any of those 5 super 66 draws, and where the total division 1 prize amount in that fifth super 66 draw, other than the amount accrued under subrule (1)—

- (a) is sufficient to pay \$6 666.00 per winning super 66 game in division 2 and \$666.00 per winning super 66 game in division 3, then the amount accrued under subrule (1) shall be divided amongst the super 66 games entitled to a division 2 prize in that fifth super 66 draw;
- (b) is not sufficient to pay \$6 666 per winning super 66 game in division 2, and \$666 per winning super 66 game in division 3, then the amount accrued under subrule (1) shall be applied towards payment of prizes in division 2 and 3 until—
 - (i) completely distributed without making up the shortfall; or
 - (ii) the shortfall is made up, after which the remaining amount shall be divided amongst the super 66 games entitled to a division 2 prize, in that fifth super 66 draw.

Presentation of receipted ticket—super 66 draw

27. (1) Each holder of a receipted ticket with a winning super 66 game in division 1 or division 2 must present that receipted ticket to the Commission's head office during the relevant claim period for the prize to be paid.

(2) Subject to subrule (1), the Commission shall pay—

- (a) each super 66 division 1 prize by cheque, after the relevant claim period under these rules has passed; and
- (b) each super 66 division 2 prize by cheque.

(3) Subject to this rule and rules 21 (2), 28, 29, and 32, a receipted ticket with a winning super 66 game in division 3, 4, or 5, may be exchanged for the relevant prize, in cash, at any selling point.

PART 5—MISCELLANEOUS

Identification of receipted ticket holder

28. (1) The Commission may refuse to pay any division 1 or division 2 lotto or super 66 prize in relation to a receipted ticket which is presented at a selling point until the name and address of at least one person is sufficiently set out to identify a prize winner, in the space provided on the receipted ticket.

30. The Commission shall publish—

- (a) the winning and supplementary numbers;
- (b) the prize pool for each division;
- (c) the amount allocated per winning entry in each division; and
- (d) the claim period under these rules,

for each lotto draw and each super 66 draw in a daily newspaper, after the draw.

Publication of names and addresses of prize winners

31. The Commission may publish the name and address of any prize recipient except where the back of the winning receipted ticket is marked to indicate that the name and address on the ticket is not for publication.

32. (1) A subscriber may, at any selling point, request a "Player Registration Service" (PRS) number, which may be used to identify a receipted ticket as being held by the subscriber.

(2) The Commission shall issue the PRS number upon receipt of the subscriber's name and address, and the requisite fee of \$2.50, and the PRS number shall be valid for 2 years from the date of issue.

(3) notwithstanding these rules, where a receipted ticket is endorsed with a PRS number, and the holder of that receipted ticket has won a lotto prize or super 66 prize, the Commission shall—

- (a) pay that prize upon presentation of the ticket in the manner set out in these rules, for the allowed period after the relevant draw; or
- (b) forward the prize to the subscriber's address in the form of a cheque, if the prize is not claimed under paragraph (a), following the allowed period.

(4) For the purposes of subrule (3), the "allowed period"—

- (a) in relation to a draw prior to 24 February 1991, is 13 weeks; or
- (b) in relation to a draw on or after 24 February 1991, is 5 weeks.

(5) The payment by the Commission of any prize payable in respect of a receipted ticket bearing a PRS number to the subscriber whose name corresponds to that PRS number, discharges the Commission from any further obligation in relation to that prize, notwithstanding any conflicting information that the Commission may have received in relation to that prize.

Instructions

33. (1) The subscriber and any other person claiming a prize in respect of a receipted ticket should follow the instructions on any entry coupon used, and on the back of the receipted ticket.

(2) In the event of any inconsistency arising between the instructions on an entry coupon or receipted ticket and these rules, these rules prevail to the extent of the inconsistency.

Rules to be made available

34. (1) A copy of these rules shall be kept at every selling point and shall be made available for public inspection upon request.
