MODEL TOWN PLANNING SCHEME TEXT PROVISIONS  
PART CONTROL OF ADVERTISEMENTS

#### 5.5.1. Power to Control Advertisements

- 1.1 For the purpose of this Scheme, the erection, placement and display of advertisements and the use of land or buildings for that purpose is development within the definition of the Act requiring, except as otherwise provided, the prior approval of the Council. Such an approval to commence development planning consent is required in addition to any licence pursuant to Council's Signs and Hoarding and Bill Posting By-laws.
- 1.2 Applications for Council's Planning consent pursuant to this Part shall be submitted in accordance with the provisions of Clause 5.1.1 of the Scheme and shall be accompanied by a completed Additional Information Sheet in the form set out at Schedule 1A giving details of the advertisement(s) to be erected, placed or displayed on the land.

#### 5.5.2. Existing Advertisements

Advertisements which—

- (i) were lawfully erected, placed or displayed prior to the approval of this Scheme, or
- (ii) may be erected, placed or displayed pursuant to a licence or other approval granted by the Council prior to the approval of this Scheme, hereinafter in this part referred to as 'existing advertisements', may, except as otherwise provided, continue to be displayed or be erected and displayed in accordance with the licence or approval as appropriate.

#### 5.5.3. Consideration of Applications

Without limiting the generality of the matters which may be taken into account when making a decision upon an application for Planning consent to erect, place or display an advertisement, Council shall examine each such application in the light of the objectives of the Scheme and with particular reference to the character and amenity of the locality within which it is to be displayed, including its historic or landscape significance and traffic safety, and the amenity of adjacent areas which maybe affected.

#### 5.5.4. Exemptions from the Requirement to Obtain Planning Consent

Subject to the provisions of the Main Roads (Control of Signs) Regulations 1983 and notwithstanding the provisions of Clause 1.1, the Council's prior Planning consent is not required in respect of those advertisements listed in Schedule 1 which for the purpose of this Part are referred to as 'exempted advertisements'. #### 5.5.6. Derelict or Poorly Maintained Signs

Where, in the opinion of the Council, an advertisement has been permitted to deteriorate to a point where it conflicts with the objectives of the Scheme or it ceases to be effective for the purpose for which it was erected or displayed, Council may by notice in writing require the advertiser to—

- (i) repair, repaint or otherwise restore the advertisement to a standard specified by Council in the notice, or
- (ii) remove the advertisement.

#### 5.5.7. Notices

'The advertiser' shall be interpreted as any one or any group comprised of the land owner, occupier or licensee.

Any notice served in exceptional circumstances pursuant to Clause 5 or pursuant to Clause 6 shall be served upon the advertiser and shall specify:

- (i) the advertisement(s) the subject of the notice;
- (ii) full details of the action or alternative courses of action to be taken by the advertiser to comply with the notice;
- (iii) the period, not being less than 60 days, within which the action specified shall be completed by the advertiser.

Any person upon whom a notice is served pursuant to this Part may within a period of 60 days from the date of the notice appeal to the Hon Minister for Planning or the Town Planning Appeal Tribunal in accordance with Part V of the Act, and where any such appeal is lodged the effect of the notice shall be suspended until the decision to uphold, quash or vary the notice is known and shall thereafter have effect according to that decision.

## 5.5.8. Scheme to Prevail

Where the provisions of this Part are found to be at variance with the provisions of the Council's Signs, Hoarding and Bill Posting Bylaws, the provisions of the Scheme shall prevail.
