11. Marking of Ballot Paper

- (a) When there are not more than two candidates for one position, the elector shall mark his or her vote on the ballot paper by placing the numeral 1 opposite the name of the candidate for whom the elector votes.
- (b) When there are more than two candidates for one position, the elector shall mark his or her vote on the ballot paper by placing the numeral 1 opposite the name of the candidate for whom the elector votes as first preference, and shall give contingent votes for all the remaining candidates by placing the numerals 2, 3 and so on (as the case requires) opposite their names, so as to indicate by such numerical sequence the order of the elector's preference. Provided that numerals in arithmetical sequence are placed opposite the names of all the candidates but one, the next following numeral shall be deemed to be placed opposite the name of the remaining candidate.

12. Scrutineers

- (a) Each candidate at an election and the University shall be entitled to appoint, by written notice, signed by the candidate giving the names of the scrutineers, to the Returning Officer and Presiding Officer, one scrutineer each to be present at each of any polling places during the hours of polling, and one scrutineer each to be present during the scrutiny of votes cast under section 10 (c) of this Statute.
- (b) Every scrutineer shall, before acting as scrutineer, make and sign, before the Returning Officer or Presiding Officer, a declaration in accordance with Form No. 7 in the Appendix to this Statute.
- (c) Any candidate may attend and be present at the counting of the votes.

13. The Scrutiny

As soon as practicable after the close of the poll, the Returning Officer, in the presence of any approved scrutineer, shall proceed with the scrutiny and count the votes.

14. Method of Count

The Returning Officer shall declare elected the candidate (if any) who has an absolute majority of votes. If no candidate has an absolute majority on the first count, the Returning Officer shall eliminate the candidate with the lowest number of votes and shall distribute the votes of such eliminated candidate amongst the remaining candidates according to the next preferences expressed on the relevant ballot paper. This procedure shall be repeated until one candidate has an absolute majority, whereupon that candidate shall be declared elected.

15. Informality of Ballot Paper

(a) A ballot paper shall be informal—

- (i) if it is not initialled by the Returning Officer or the other officer authorised in that behalf;
- (ii) if, subject to sub-section (b), it is marked in any manner other than prescribed in section 11 of this Statute;
- (iii) if it has upon it any mark or writing not authorised by this Statute which in the opinion of the Returning Officer will enable any person to identify the elector who cast that vote;
- (iv) if it does not indicate the elector's vote; or
- (v) if no mark is indicated on it.

(b) A ballot paper shall not be informal for any reason other than the reasons stated in sub-section (a) but shall be given effect according to the elector's intention in so far as the electors intention is clear; and, in particular when there are only two candidates, a ballot paper shall not be informal by reason only of the elector having indicated a vote or first preference by a cross instead of the numeral 1.

(c) The Returning Officer shall be the sole and final judge as to whether a ballot paper is informal.

16. Declaration of Poll

When the Returning Officer has completed the counting of the votes the Returning Officer shall declare the result of the election in the presence of the scrutineers appointed to be present during the counting of votes cast and of any candidates who may be present at the time.

17. Preservation of Papers

On completion of the scrutiny and count of votes, the Returning Officer shall—

- (a) Enclose in one packet all the used and counted ballot papers.
- (b) Seal up the packet and endorse on the packet a description and the number of the contents, the date of the election and sign the endorsement;
- (c) Retain the sealed packet.

18. Certification of Result

When the result of an election has been ascertained and declared the Returning Officer shall forthwith furnish to the Chairperson a certificate of the result and state therein the names of the candidates who have been elected, and such a certificate, when received by the Chairperson shall be final and conclusive evidence of the election of those candidates as members of the Board, subject however to a determination of any appeal under section 20 of this Statute.

19. Destruction of Papers

Upon the expiry of three months after the date of the certification to the Chairperson of the result of an election, the Returning Officer may authorise the destruction of the packets referred to in section 17 of this Statute.

20. Right of Appeal

A candidate shall have a right of appeal to the Chairperson within seven days of the declaration of the poll. Such an appeal should be in writing, addressed to the Chairperson and shall specify the reasons for the making of the appeal.

Upon receipt of an appeal aforesaid, the Chairperson shall make such enquiry into the manner as is necessary and shall, in conducting the enquiry, provide the candidate who has lodged the appeal together with all other candidates in that election with an opportunity to make submissions upon the matters raised in the appeal. After enquiry, the Chairperson may confirm the election or annul the election and direct that a fresh election be held.

7. Impervious membranes shall NOT be placed beneath, within or over the treatment material.
8. The applicant must ensure that the treated area is kept in a neat, tidy and safe condition at all times.
9. The applicant must agree to remove any or all of the material placed, if so directed by Council, at any time in the future.

10. Where a Council street tree has been planted, a circular or square area shall be left free of treatment for a distance of 500 mm from the trunk.

Where a street tree has not been planted, prior to the application, a site will be nominated by Council to be kept clear for future planting and a tree will be provided by Council at no cost to the applicant at the appropriate time.
