BUSH FIRES ACT 1954*Shire of Mt Marshall*

Firebreak Order 1992/93

Notice is hereby given that all owners and/or occupiers of land within the Shire of Mt Marshall must prepare firebreaks, complying with the following schedule, on or before 1 October 1992 for croplands and maintain such firebreaks in a condition unable to carry a fire until 15 March 1993.

1. Agricultural Lands

Breaks of not less than three (3) metres in width must be provided immediately within the property boundary or as close as possible. (A three [3] metre break is required for burning off in accordance with the Bush Fires Act).

2. Townsites

All townsite lots within the Shire of Mt Marshall shall be cleared of all debris of an inflammable nature and be maintained free of such material.

3. Fuel Ramps and Depots

All grass and similar inflammable material to be cleared from areas where drum ramps or bulk fuel are located and where drums, full or empty, are stored and such areas be maintained clear of grass and similar inflammable materials.

4. If it is considered to be impractical for any reason to clear firebreaks or remove inflammable material from land as required by the notice you may apply to Council or its duly authorised officer for permission to provide firebreaks in alternative positions. If permission is not granted by Council or its duly authorised officer, you shall comply with the requirements of this notice.

5. Failure to comply with this notice shall subject the offender to the penalties prescribed in the Bush Fires Act 1954.

6. If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provision of the Bush Fires Act 1954.

M. N. BROWN, Shire Clerk.

LG602

BUSH FIRES ACT 1954**FIRE BREAK NOTICE***Shire of Dardanup*

Notice to all Owners and/or Occupiers of Land in the Shire of Dardanup Pursuant to the powers contained in section 33 of the Bush Fires Act 1954-1977 you are hereby required on or before the 15th day of December 1992 and thereafter up to and including the 15th day of April 1993, on all land owned or occupied by you within the Shire of Dardanup, to remove all inflammable material, or to have firebreaks clear of all inflammable matter, in accordance with the following requirements—

1. Requirements in respect of Rural Land

On all land that is not within a Gazetted Irrigation District have firebreaks at least two (2) metres wide clear of all inflammable matter and all bush as defined in the Bush Fires Act—

(a) Land Zoned 'Small Holdings'

(i) Immediately inside and along all external boundaries of the land where the property has an area of 6 ha or less, or

(ii) Where the property has an area of more than 6 ha—immediately inside and along all external boundaries of the land, where that land abuts formed public roads.

(b) Land Zones 'General Farming'

Immediately inside and along all external boundaries of the land where that land abuts railways and formed public roads.

(c) Buildings and Haystacks

Within 20 metres of the perimeter of all buildings or haystacks, or groups thereof, in such a manner so as to completely surround the buildings or haystacks.

2. Requirements in respect of Urban and Industrial Land

On all land—

- (i) where the area of land is 2023 square metres or less and the land is not used for agriculture or grazing purposes, all inflammable materials and all bush as defined in the Bush Fires Act, except standing live trees, shall be removed from the whole of the land

or

- (ii) where the area of the land is in excess of 2023 square metres, or is used for agriculture or grazing purposes, firebreaks at least two (2) metres wide shall be cleared immediately inside all the external boundaries of the land also immediately surrounding all buildings situated on the land.

3. Requirements in respect of Plantations

(a) Definitions

- (i) A plantation is any area of planted pines or eucalyptus species exceeding 3 ha in area.
- (ii) A windbreak is a planted area a maximum of 15 metres wide but with no defined length.

(b) Boundary Firebreaks

On the horizontal plane a firebreak shall be provided 15 metres wide and immediately adjoining all external boundaries of the planted area. The outer 10 metres will be cleared of all flammable material while the inner 5 metres ie, that portion closest to the trees, may be kept in a reduced fuel state ie, by slashing or grazing grass provided that the height of the grass does not exceed 8 cm.

On the vertical plane a clear space 10 metres high will be maintained above the outer 10 metres of the firebreak.

(c) Internal Firebreaks

Plantations shall be subdivided into areas not exceeding 30 ha by firebreaks 6 metres wide which shall be cleared of all flammable material.

In the vertical plane a clearance of a minimum height of 4 metres from ground level will be maintained above the firebreak.

(d) Special Risks

(i) Public Roads and Railway Reserves

Firebreaks 15 metres wide shall be maintained where the planted area adjoins public roads and railway reserves. The specification will be as for "boundary firebreaks" on planted areas.

(ii) Powerlines

Firebreaks shall be provided along powerlines where they pass through or lie adjacent to planted areas. The specification of the width and the height of clearing shall be in accordance with State Energy Commission specifications.

4. Requirements in Respect of Fuel Storage

On all land owned or occupied by you upon which there is situated any drum or drums which are normally used for the storage of automotive fuel, or any ramp or other structure used for the purpose of storing such drums, you must have clear of all inflammable matter and all bush as defined in the Bush Fires Act, firebreaks at least 6 metres wide immediately surrounding all such drums, ramps or structures.

5. General

If for any reason it is considered by the owner or occupier of land that it is impractical to comply with the requirements of this Notice a request may be made to the Council to approve alternative fire protection measures. Such applications shall be accompanied by a sketch or drawing of the proposed variations and should be lodged at the Council Offices not later than 10th November 1992.

Where approval of a proposed variation is not granted by Council, the requirements of this Notice must be complied with.

The penalty for non-compliance with this Notice is a maximum of \$1 000 and notwithstanding prosecution, Council may enter onto the land and carry out the requisite works at the owner/occupiers expense.

6. Burning

If the requirements of this Notice are to be complied with by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act.

By Order of the Council.

C. J. SPRAGG, Shire Clerk.

Aforeword

This first edition of the Western Australian Government Directory is intended to help provide ready access to the State's Public Sector Agencies.

Government offers an enormous range of services to people in our community which enhances their lives.

Departments and agencies do not operate behind closed doors. These organisations are making every effort to be increasingly responsive to the needs of customers and citizens.

This publication consolidates valuable information about agencies of the Western Australian Government. Simple contact details are accompanied by concise descriptions of the role of agencies and the legislation they administer. Future editions will be improved and expanded taking into account the needs of users.

This directory will have many uses and individuals and organisations should find this volume most helpful.
