BUSH FIRES ACT 1954
(Section 33)

Shire of Menzies

Notice to all Owners and Occupiers of Land in the District of the Shire of Menzies

Pursuant to the powers contained in section 33 of the Bush Fires Act 1954, you are hereby required on or before the 31st day of October 1992, or within fourteen days of your becoming owner or occupier of land should this be after the 31st day of October 1992, to clear firebreaks and remove inflammable material from the land owned or occupied by you as specified hereunder, and to have the specified land and firebreaks clear of all inflammable material from the 31st day of October 1992, up to and including the 1st day of May 1992.

1. Land outside townsites

1.1 All buildings on land which is outside townsites shall be surrounded by two firebreaks not less than two metres wide cleared of all inflammable material, the inner firebreak to be not more than twenty metres from the perimeter of the building or group of buildings, and the outer firebreak not less than 100 metres from the inner firebreak.

1.2 To remove inflammable material from the whole of the land between the firebreaks required in paragraph 1.1 above.

2. Land in townsites

2.1 Where the area of the land is 2 000 square metres (approximately 1/2 acre) or less, all inflammable material shall be removed from the whole of the land.

2.2 Where the area of the land exceeds 2 000 square metres, firebreaks at least three metres in width shall be cleared of all inflammable material immediately inside and along the boundaries of the land and where there are buildings on the land, additional firebreaks 3 metres in width shall be cleared immediately surrounding each building.

If it is considered for any reason to be impractical to clear firebreaks or remove inflammable material as required by this notice, you may apply to the Council or its duly authorised officer not later than the 15th day of October 1992 for permission to provide firebreaks in alternative positions or take alternative action to remove or abate fire hazards. If permission is not granted by the Council or its duly authorised officer, you shall comply with the requirements of this notice.

If the requirements of this notice are carried out by burning, such burning shall comply with the relevant provisions of the Bush Fires Act. "Inflammable material" does not include green growing trees or green growing plants in gardens.

By Order of the Council.

P. J. RODGERS, Shire Clerk.

LG502

BUSH FIRES ACT 1954

Shire of Boddington

Firebreak Order

PLEASE BE ADVISED THIS NOTICE SUPERSEDES THE PREVIOUS NOTICE

Important information relating to your responsibility as a landholder in the Boddington Shire With reference to section 33 of the Bush Fires Act 1954, you are required to carry out fire prevention work on land owned or occupied by you in accordance with the provision of this Order.

An inspection of firebreaks will be carried out in all areas of the Shire by an authorised officer.

Persons who fail to comply with the requirements of this order may be issued with an infringement notice (penalty \$40) or prosecuted. Additionally, Council may carry out the required work at cost to the owner or occupier.

If it is considered for any reason to be impractical to clear firebreaks or remove flammable materials as required by this notice, or if natural features render firebreaks unnecessary, you may apply to the Council in writing not later than the first day of October 1992 for permission to provide firebreaks in alternative positions or to take alternative action to abate fire hazards on the land. If permission is not granted by the Council, you shall comply with the requirements of this notice.

Rural Lands

- (a) This work must be carried out by 15 November 1992 and kept maintained throughout the summer months until 15 April 1993.
- (b) A firebreak not less than 2.5 metres wide must be constructed along and within 100 metres of the external boundary of each property (i.e. cleared or part cleared land) and where the boundary is adjacent to or adjoins a used gazetted road.
- (c) In the interest of protection from soil erosion, firebreaks may be constructed on the land contours but only with prior approval of the Council or its duly authorised officer.
- (d) An area 10 metres wide cleared of all flammable material shall be established immediately around the perimeter of all homesteads, buildings, haystacks and fuel storage areas.

- (e) In such positions as is necessary to divide land in excess of 200 ha into areas not exceeding 200 ha each completely surrounded by a firebreak.
- (f) A fire fighting unit with a minimum capacity of 450 litres is to be kept available at or adjacent to harvesting operations.
- (g) Where there is agreement between adjoining land owners for one or the other to provide a firebreak on their boundary, this firebreak will be deemed the boundary of the adjoining property, subject to insurance company approval. Please contact your fire control officer if any uncertainty exists.

Pine and Eucalyptus Plantations

Any pines or eucalyptus planted for commercial purposes constitutes a pine or eucalyptus plantation and you are hereby required to clear of all flammable materials firebreaks not less than 10 metres wide around the perimeter of each plantation, and any plantation exceeding 29 hectares will also require a subdivisional firebreak 6 metres in width for each 30 hectares, and bush surrounding planted areas is to be kept in a low fuel condition.

Small Lot Holders or Hobby Farms 20 ha or less

- (a) On or before 1 October 1992 a firebreak no less than 2.5 metres wide must be constructed along and within 100 metres of the external boundary of each property (i.e. cleared or part-cleared land) and where the boundary is adjacent to or adjoins a used gazetted road.
- (b) An area 10 metres wide cleared of all flammable material shall be established immediately around the perimeter of all homesteads, buildings, haystacks and fuel storage areas.

Townsites of Boddington and Ranford

On or before 1st October 1992 all town lots under 4 000 square metres in area and all fuel depots within the shire are required to be cleared of all debris and flammable material. Lots 4 000 square metres and over are to have a minimum 2.5 metre firebreak installed immediately inside all external boundaries.

Special Note to Land Owners and Occupiers

The Council forwards a copy of this firebreak order each year. The notice is also published in *The Narrogin Observer* and additional copies are obtainable at the Shire Office.

The requirements of this order are considered to be the minimum standard of fire prevention work to protect not only individual properties but the district generally.

In addition to the requirements of this Order, Council may issue separate special orders on owners or occupiers if hazard removal is considered necessary in specific areas.

By Order of the Council.

J. M. BARNES, Shire Clerk.
