(a) adding the following clause to Section 1.3.2 of the Scheme Text:

(g) to secure the orderly and proper planning and the amenity of the Scheme Area through the control of advertisements by the examination and determination of applications for advertising signs in the light of:

* the potential for the rationalisation, consolidation or removal of existing advertisements where amenity is already impaired by poor, excessive or derelict advertising.

(b) adding the following clauses to the Scheme Text:

3.11 CONTROL OF ADVERTISEMENTS

3.11.1 (a) For the purpose of this Scheme, the erection, placement and display of advertisements and the use of land or buildings for that purpose is development within the definition of the Act requiring, except as otherwise provided, the prior approval of Council. Such an approval to commence planning consent is required in addition to any licence pursuant to Council's Signs and Hoarding and Bill Posting By-laws.

(b) Applications for Council's consent pursuant to this Part shall be submitted in accordance with the provisions of Clause 5.1 of the Scheme and shall be accompanied by a completed Additional Information Sheet in the form set out at Appendix X giving details of the advertisement(s) to be erected, placed or displayed on the land.

3.11.2 Advertisements which:

(a) were lawfully erected, placed or displayed prior to the approval of this Scheme, or

(b) may be erected, placed or displayed pursuant to a licence or other approval granted by Council prior to the approval of this Scheme, hereinafter in this Part referred to as 'existing advertisements', may, except as otherwise provided, continue to be displayed or be erected and displayed in accordance with the licence or approval as appropriate.

3.11.3 (a) Without limiting the generality of the matters which may be taken into account when making a decision upon an application for consent to erect, place or display an advertisement, Council shall examine each such application in the light of the objectives of the Scheme and with particular reference to the character and amenity of the locality within which it is to be displayed, including its historic or landscape significance and traffic safety, and the amenity of adjacent areas which may be affected.

(b) In granting a licence or planning consent for the erection or display of an advertising sign Council will have regard to and may attach conditions concerning the following matters: the location, position, size, shape, colour, degree of illumination and the presence or rate of flashing lights.

(c) In the case of a building which, in the opinion of Council is of heritage value, Council shall have regard to and may attach conditions concerning the historical appropriateness of the materials, style, design and lettering of the sign and whether it is affixed in such a way that it causes no permanent damage to the building and may be removed without leaving evidence of its having been affixed.

3.11.4 Subject to the provisions of the Main Roads (Control of Signs) Regulations 1983 and notwithstanding the provisions of Clause 3.11.1, the Council's prior consent is not required in respect of those advertisements listed in Appendix XI, which for the purpose of this Part are referred to as 'exempted advertisements'. The exemptions listed in Appendix XI do not apply to places or buildings which are either:

(i) listed by the National Trust;

(ii) listed on the register of the National Estate;

(iii) included in the Scheme (Appendix VI) because of their heritage or landscape value.

3.11.5 Notwithstanding the Scheme objectives and Clauses 3.11.2 and 3.11.4, where Council can demonstrate exceptional circumstances which cause an exempted or existing advertisement to seriously conflict with the objectives of this part, it may by notice in writing (giving clear reasons) require the advertiser to remove, relocate, adapt, or otherwise modify the advertisement within a period of time specified in the notice.

3.11.6 Where, in the option of Council, an advertisement has been permitted to deteriorate to a point where it conflicts with the objectives of the Scheme or it ceases to be effective for the purpose for which it was erected or displayed, Council may by notice in writing require the advertiser to:

(a) repair, repaint or otherwise restore the advertisement to a standard specified by Council in the notice, or

(b) remove the advertisement.

3.11.7 (a) 'The advertiser' shall be interpreted as any one or any group comprised of the land owner, occupier or licensee.

(i) the advertisement(s) the subject of the notice,

(ii) full details of the action or alternative courses of action to be taken by the advertiser to comply with the notice,

(iii) the period, not being less than 60 days, within which the action specified shall be completed by the advertiser.

(c) Any person upon whom a notice is served pursuant to this Part may, within a period of 60 days from the date of the notice, appeal to the Hon. Minister for Planning or the Town Planning Appeal Tribunal in accordance with Part V of the Act, and where any such appeal is lodged the effect of the notice shall be suspended until the decision to uphold, quash or vary the notice is known and shall thereafter have effect according to that decision.

3.11.8 Where the provisions of this Part are found to be at variance with the provisions of Council's Signs, Hoarding and Bill Posting By-laws, the provisions of the Scheme shall prevail.

(c) adding the following definition to Appendix VIII of the Scheme (interpretations) following that of "absolute majority":

"advertisement" means any word, letter, model, sign, placard, board, notice, device, bunting, flag or balloon or representation, whether illuminated or not, in the nature of, and employed wholly or partly for the purpose of, advertisement, announcement or direction, and includes any hoarding or similar structure used, or adapted for use, for the display of advertisements.
