LOCAL GOVERNMENT ACT 1960

Municipality of the Shire of Carnarvon

Fencing By-Laws

In pursuance of the powers conferred upon it by the abovementioned Act and all other powers enabling it, the Council of the abovementioned Municipality hereby records having resolved on the 27th day of April 1994 to:

A. Repeal the By-Laws relating to Fencing as published in the *Government Gazette* on the 1st April 1927, and

B. Make and submit for confirmation by the Governor the following By-Laws:—

1. Citation

1.1 These By-Laws may be cited as the *Shire of Carnarvon Fencing By-Laws*.

2. Interpretation

2.1 In these By-Laws unless the context otherwise requires:—

"Act" means the Local Government Act 1960.

"Allotment" and "Lot" have the same meaning as the term "Lot" in the Town Planning and Development Act, 1928 (as amended).

"Approved" means approved by the Council except where used in relation to plans, drawings and specifications submitted for approval under Section 374 of the Act, in which case "approved" has a meaning consistent with the provisions of that section.

"Building Line" means the building setback distances as specified in the Shire of Carnarvon's Town Planning Scheme.

"Commercial Area" means an area which is within a Commercial Zone under the provisions of the Town Planning Scheme.

"Council" means the Council of the Municipality of the Shire of Carnarvon.

"Dangerous" in relation to any fence, means a fence which is likely to collapse or fall, or part of which is likely to collapse or fall, by reason of its faulty design, location or construction, deterioration of materials, damage by termites, decay, changes in ground levels or any other cause whatsoever.

"District" shall mean the area of the Municipality of the Shire of Carnarvon.

"Dividing Fence" means a fence that separates the lands of different owners whether the fence is on the common boundary of adjoining lands or on a line other than the common boundary.

"Fence" means a fence, wall or screen wall including a dividing fence as defined by the Dividing Fence Act 1961-1969 (as amended) erected along the perimeter or any part thereof of the setback area or erected within the setback area.

"Fibre Cement Sheet" mean fibre reinforced cement sheeting having an indented or profiled lateral cross section.

"Frontage" means the boundary line between a lot and the street upon which that lot abuts.

"Ground Level" means the level of any land prior to any building up on the land or artificial interference with the land incidental to, arising out of or in connection with the erection or intended erection of any building or structure upon the land.

"Height" in relation to a fence means:—

- (a) where the fence is erected forward of the building line, the vertical distance between the top of the fence and the level of the road kerbing immediately opposite, but where no kerbing exists, the height is the vertical distance between the top of the fence and the level of the crown of the road immediately opposite;
- (b) where the ground levels are the same on each side of the fence and where the fence is not erected forward of the building line, the vertical distance between the top of the fence and the ground level immediately below; and
- (c) where the ground levels are not the same on each side of the fence then the height shall be measured from the natural ground level which in the case of doubt shall be a level fixed by an officer of the Council as defined in these By-Laws, unless a Court of Competent Jurisdiction shall decide otherwise.

"Hotel Area" means an area zoned as such for that purpose in the Town Planning Scheme and for the purpose of these By-Laws shall be treated as a Commercial Area.

"Industrial Area" means an area which is within an Industrial Zone under the provisions of the Town Planning Scheme.

"Intensive Horticulture Area" means an area which is within an Intensive Horticulture Zone under the provisions of the Town Planning Scheme and for the purpose of these By-Laws shall be treated as a Rural Area.

"Officer" for the purpose of these By-Laws shall be a person appointed under the Act and in the first instance shall be the Building Surveyor or a person exercising the duties of the Building Surveyor.

"Residential Area" means an area of the district that is zoned Residential or which is zoned principally for a residential purpose under the provisions of the Town Planning Scheme.

"Rural Area" means an area of the district that is classified or zoned as a Rural Zone or which is zoned principally for rural purposes such as handling, treating, processing or packaging primary products grown, reared or produced in the locality, and any workshop servicing plant or equipment used for rural purposes within that district.

"Setback Area" means that portion of a lot situated between the street alignment and the building line as prescribed by the Town Planning Scheme.

"Special Use Zone" shall be as defined in the Town Planning Scheme. The principal use of the area shall be determined as one of Residential, Commercial, Industrial or Rural for the purpose of these By-Laws.

"Street Alignment" means the boundary between the land comprising the street and a lot that abuts thereon, but where a new street alignment is prescribed means the new street alignment so prescribed.

"Town Planning Scheme" means a Shire of Carnarvon Town Planning Scheme or Interim Development Orders for the time being in force under the provisions of the Town Planning and Development Act 1928 (as amended) and relating to all or part of the Municipality of the Shire of Carnarvon.

Applications of By-Law

3. These By-Laws apply to the "Townsite and Environs" of the Shire of Carnarvon as prescribed under its Town Planning Scheme;

4. Fencing requirements applicable to areas surrounding swimming pools are specified in the Building Regulations 1989;

5. Where there is a conflict between these By-Laws and a Council Town Planning Scheme, the provisions of the Scheme will prevail; and

6. Where a fence is erected on the boundary between land in different zoned areas, then the minimum requirement of fencing shall be the minimum prescribed by these By-Laws for the property having the higher land zoning. Levels of zoning are specified in descending order as follows:—

1. Residential
2. Commercial and Industrial
3. Rural

Appointment of Officers

7. The Council may, pursuant to section 157A of the Local Government Act, delegate to specified officers, the powers conferred on it by these By-Laws.

Sufficient Fences

8. Where a fence is erected on the boundary between land in different zoned areas then a "sufficient fence" for the purposes of the Dividing Fences Act 1961 shall be that prescribed as a "sufficient fence" for the property having the higher land zoning as referred to in By-law 6.

9. The fences specified as follows are hereby prescribed as sufficient fences for the purposes of the Dividing Fences Act 1961 (as amended):—

9.1 in a Residential Area, the fence described in Clause 3 (a), (d) and (f) of the First Schedule;

9.2 in a Commercial Area or Industrial Area, the fence described in Clause 1 (a), (c) to (g) of the Second Schedule; and

9.3 in a Rural Area, the fence described in Clause 1 (a) (i) to (iv) of the Third Schedule.

9.4 in a Special Use Zone a sufficient fence shall be a fence which meets the prescribed standard for the principal use of that area.

Fence Application Requirements

10. A person shall not commence to erect, proceed with the erection, rebuild, reconstruct, or alter any fence on the boundary of a lot unless and until that person has lodged with the Council two copies of the plan and specification of the proposed rebuilding of, reconstruction of, or alteration to an existing fence, and the Council has approved of the plan and specification so lodged, with or without conditions of approval.

11. In addition to the requirements of By-Law 10 of these By-Laws no person shall erect a fence or make an alteration to an existing fence within a residential zone whereby the finished height of the fence exceeds 1.65 metres without the written approval of the Council.

12. No person shall unless otherwise permitted by these By-Laws:—

12.1 erect a fence exceeding 1.65 m in height;

12.2 erect a fence which is adjacent to, or forms part of, a retaining wall with a combined height exceeding 1.0 m excepting where the natural contours of the lot are such that the implementation of the By-Law is considered unreasonable by the Council, which may accordingly vary the requirement;

12.3 erect a fence abutting a Right of Way or Pedestrian Access Way exceeding one metre in height if within 1.5 m of a street boundary;

12.4 erect a fence exceeding 1.0 m in height forward of the building line unless:—

12.4.1 it is constructed of masonry or concrete;

12.4.2 it has footings of minimum 225 mm x 150 mm concrete 15 MPA, or 300 mm x 173 mm brick laid in cement mortar situated entirely within the boundaries of the lot;

12.4.3 it be offset a minimum of 200 mm at maximum 2.7 m centres, or 225 mm x 100 mm piers are provided at maximum 2.7 m centres;

12.4.4 it be truncated a minimum 1.5 m x 1.5 m at all crossovers or driveways, including those on adjoining lots;

12.5 erect a fence having a gate which opens or is able to open outwards onto a street or right-of-way.

Prohibitions

No person shall:—

13.1 erect or affix or allow to remain on or as part of any fence on an allotment owned or occupied by him in a residential area any barbed wire or any other wire or materials with spiked or jagged projections;

13.2 erect or affix or allow to remain as part of any fence bounding an allotment in a Commercial or Industrial area any barbed wire or other wire or materials with spiked or jagged projections unless:—

13.2.1 the wire or materials referred to in this By-law is carried on the upper portion of posts which may extend vertically to their full height, or otherwise extend vertically to a height of 1.8m after which they may be directed towards the allotment at an angle of 45 degrees, and;

13.2.2 notwithstanding Sub-Bylaw 13.2.1 the bottom row of wire or other material shall be set back 150 mm from the vertical line of the fence and shall not be nearer than 1.8 m to the ground.

13.3 affix or allow to remain as part of any fence on an allotment owned or occupied by him, any broken glass;

- 13.4 erect an electric fence upon or near the boundary of any land abutting a road, way or street within the Townsite or electrify any such existing fence without the written consent of the Council which consent shall in any event only be given where a separate boundary fence exists or is to be erected and the electric fence or the fence proposed to be electrified is not less than three metres inside the boundary fence. Installation of an electric fence and warning notices shall be in accordance with A.S. 3129-1989.

Retaining Walls and Fences

14. A person who wishes to erect a retaining wall or dividing fence which is intended to act as a retaining wall shall:—

- 14.1 Apply to the Council in writing enclosing two copies of a plan and specification of the retaining wall.

- 14.2 In the case of a retaining wall which will exceed 600 mm in height, include detailed engineering calculations and other information necessary to demonstrate the soundness and safety of the design of the proposed wall.

15. Notwithstanding the above no person shall:—

- 15.1 without the consent of the Council, erect or commence to erect any retaining wall or any dividing fence which is intended to act as a retaining wall which is on or near a boundary line, or

- 15.2 fill behind a wall to any height in excess of 0.5 of a metre without the prior written permission of the Council.

16. In granting permission under By-Laws 14 and 15 hereof the Council may impose such conditions as it sees fit.

Street Alignments and Frontages

17. A person shall not erect a fence exceeding 0.75 m in height on any frontage of a lot which is situated at the intersection of two or more streets where the fence so erected is:—

- 17.1 within a distance of 10 m from the point of intersection of the lot boundaries; or

- 17.2 where a corner of the site at the junction or intersection of any streets has been truncated, within 10 m measured from a point at the intersection of the prolongations of the side and front boundaries of the site.

18. A street alignment fence may be constructed to a maximum height of 1.65 metres above natural ground level with the fence being constructed on the boundary for 80 per cent of the length on the boundary. The remaining 20 per cent shall be kept back, at least 450 mm, from the boundary, unless otherwise determined by Council.

19. Council may in its absolute discretion and if in its opinion the circumstances so warrant, grant special approval for a street alignment fence to be in excess of 1.65 metres high.

Materials

20. In relation to fencing materials no person shall:—

- 20.1 erect a fence constructed otherwise than of concrete, masonry, wroughtiron, tubular steel, link steel mesh, timber, fibre cement sheet or combinations of one or more of these materials, or such other materials as approved by Council.

- 20.2 use or cause to be used corrugated galvanised iron as a covering to any fence on land zoned for residential purposes.

- 20.3 erect a fence wholly or partly of barbed wire except—

- 20.3.1 in a rural zone if no barbed wire is used on the side of the fence facing a road;

- 20.3.2 in an industrial and commercial zone in accordance with By-law 13.2 of these By-laws.

- 20.4 use pre-used materials in the construction of any fence without the approval of Council.

Dangerous Fencing

21. No person shall erect or permit the erection of a dangerous fence and the owner or occupier of land shall not suffer or permit a dangerous fence to remain on any land within the district.

Fences Not to Impede Water Movement

22. No person shall without the consent of the council erect or commence to erect within any portion of the district a fence of impervious material in any place, position or location where it will or is likely to act as a barrier to, or restrict in any way whatsoever the normal flow of floodwaters, stormwater or other watercourse in, on or over land in the district.

Responsibilities for Maintenance

23. The owner and occupier of land in the district shall maintain all fences erected thereon in good condition and so as to prevent them from falling into disrepair or becoming dilapidated, neglected, ruinous or dangerous to inhabitants of the property in, or adjacent to the land or the neighbourhood.

24. Where a fence is a dividing fence, each of the owners, of the adjoining lands is liable to maintain it as required under By-law 23.

Notice to Owners or Occupiers

25. Council may give notice in writing to the owner or occupier of any land upon which:—

25.1 a fence is being constructed contrary to the requirements of these By-laws;

25.2 a fence has been constructed contrary to the requirements of these By-laws;

25.3 a fence has not been maintained in accordance with the requirements of these by-laws; or

25.4 a fence is, in the opinion of Council's Building Surveyor, considered dangerous.

26. Notice given under By-law 25 shall specify the manner in which the fence does not comply with the By-laws and require the owner or occupier to remedy the breach complained of in such a manner as the Council or its delegated officer specifies within a period of up to but not exceeding 35 days from the date of notice.

27. If a person fails to comply with a notice given pursuant to these By-laws, the Council may, in addition to prosecuting the owner, lawfully enter upon the land on which the fence, the subject of the notice is erected and carry out the requisitions contained in the notice and recover all expenses incurred thereby from the owner or occupier in a Court of Competent Jurisdiction.

Offences and Penalties

28. A person who fails to comply with or does anything in contravention of any of the provisions of these By-laws, or who fails to carry out any duty or requirement imposed upon that person by these by-laws commits an offence and is liable on conviction to a maximum penalty of \$500 with a daily penalty during the breach of \$50 per day.

First Schedule**Fences in Residential Areas**

The following are the minimum standards and specifications for fences in residential areas:

1. Rough sawn Timber Fences:

- (a) corner posts 125 mm x 125 mm x 2400 mm;
- (b) intermediate posts of 125 mm x 75 mm x 2400 mm spaced maximum 2.7 m apart;
- (c) all posts shall have tops not less than 38 mm weather struck and shall be sunk at least 750 mm into the ground;
- (d) rails shall be 75 mm x 50 mm, each rail spanning two bays of fencing with joints staggered; top and bottom rails shall be at least 1.20 m apart;
- (e) the fence shall be clad with:—
 - (i) 75 mm x 18 mm x 1.65 m sawn pickets double-nailed to each rail; or
 - (ii) 100 mm x 13 mm x 1.65 m sawn palings, overlapping 20 mm and double nail to each rail; or
 - (iii) corrugated or contoured fibre reinforced cement sheets which are 1.65 m in height

2. Ranch Style Timber Fences:

- (a) posts of minimum 100 mm x 100 mm x 2400 mm set at least 750 mm in the ground and spaced maximum 2.1 m apart and having weather struck tops;
- (b) the fence should be clad to a height of 1.65 m with horizontal boarding which shall be 150 mm x 25 mm double-nailed with joints staggered. Boarding shall cover at least two spans.

3. Corrugated Fibro Cement Sheet Fencing:

- (a) out of ground fence height minimum freestanding 1500 mm but for a sufficient fence the height shall be 1500 mm.
- (b) out of ground maximum fence height freestanding 1650 mm.
- (c) out of ground maximum fence height wind braced 1800 mm.
- (d) sheets of fences of less than 1.65 m in height to be trenched to 450 mm in soil.

- (e) sheets of fences of between 1.65 m and 1.8 m in height to be trenched 600 mm in soil.
- (f) sheets to be lapped and capped with fibro cement moulded or metal capping.
- 4. Masonry or Concrete Fences:
 - (a) Construction to be in accordance with the requirements of AS 1640-1974.
- 5. Painted Galvanised Steel or Aluminium Sheeting Fence:
 - (a) Subject to the written approval of an authorised officer.
 - (b) May be used behind building line subject to the written approval of authorised officer.
 - (c) Maximum height 1.8 m when supported by post and rails to the satisfaction of Council.
- 6. Dividing Fence Along Side Boundary
 - (a) Where erected forward of the approved building line shall comprise:—
 - (i) a masonry or concrete wall of a height of not more than 1.0 m above the ground;
 - (ii) galvanised steel link mesh extending to a height of not more than 1.0 m above ground level;
 - (iii) fibro cement sheeting extending to a height of not more than 1.0 m above ground level; or
 - (iv) corral type to a height of not more than 1.0 m above the ground.

Second Schedule

Commercial & Industrial Areas

The following are the minimum standards and specifications for fences in Commercial and Industrial areas:

1. Steel Wire Mesh Fence:

- (a) The height of the fence is to be 1.8 m.
- (b) Where topped with strand or barbed wire then the height, inclusive of posts shall be not more than 2.1 m,
- (c) Corner posts shall be placed at all changes in direction and are to be galvanised steel with minimum 50 mm nominal bore x 3.5 mm; footings 225 mm diameter x 900 mm;
- (d) Intermediate posts to be galvanised steel with minimum 38 mm nominal bore x 3.5 mm spaced maximum 3.5 m apart; footings 225 mm diameter x 600 mm;
- (e) Bracing to be galvanised steel with minimum 32 mm nominal bore x 3.15 mm, fitted at each gate and two at each corner post;
- (f) Cables shall be affixed to the top, centre and bottom of all posts and shall consist of two or more 3.15 mm galvanised steel wires twisted together;
- (g) Galvanised steel link mesh wire shall be not less than 1.8 m in height and constructed of 50 mm mesh 2.5 mm galvanised steel wire and shall be strained, neatly secured and laced to the posts and affixed to cables.

Vehicle entry gates shall provide an opening of not less than 3.6 m and shall be constructed of 25 mm tubular steel framework with one horizontal and one vertical stay and shall be covered with 50 mm x 2.5 mm galvanised steel link mesh strained to framework. Gates shall be fixed with a drop bolt locking attachment;
- (h) Any barbed wire to be installed in accordance with by-laws 13 and 20 of the By-laws.

2. Corrugated Fibro Cement Sheeting Fence:

- (a) The specifications are those detailed in Clause 3 of the first Schedule.

3. Painted Galvanised Steel or Aluminium Sheeting Fence

- (a) May be used behind the building line subject to the written approval of the authorised officer.
- (b) Maximum height of 2.1 m when supported on post and rails.

4. Timber, Ranch Style, Masonry or Concrete Fencing:

- (a) The specifications are those detailed in the first Schedule.

Third Schedule
Rural Areas

The following are the minimum standards and specifications for fences in Rural Areas:

1. Post and Wire Fences:

- (a) (i) Wire shall be high tensile steel wire not less than 2.5 mm diameter. a minimum of five wires shall be used, these to be spaced and threaded through holes in posts to all fences;
- (ii) Strainer posts shall be of timber not less than 2.25 m long and 150 mm diameter. These shall be set minimum 900 mm in the ground, spaced maximum 200 m apart and positioned at all changes in direction;
- (iii) Intermediate posts of timber shall be not less than 1.8 m long x 100 mm diameter if round or 125 mm x 60 mm if split or sawn. Posts to be set a minimum 600 mm in the ground and spaced a maximum five metres apart;
- (iv) Bracing to be a minimum 100 mm in diameter if round or 125 mm x 60 mm if split or sawn, fitted at each gate post and two at either side of each strainer post.
- (b) Concrete posts constructed to Australian Standard N36-1964, with not less than five suitably spaced high tensile galvanised steel wires of not less than 2.5 mm in diameter, may be used in lieu of timber posts.
- (c) Steel posts to such specifications as may be from time to time approved by the Council, provided that such specifications shall provide for a standard of fencing compatible in the area.

2. Timber Post and Rail Fences

- (a) Posts to be of preservative treated pine not less than 100 mm diameter being not less than 750 mm in the ground and 1.2 m above ground. The posts are to be installed vertically and well consolidated in positions not exceeding 2.70 m apart;
- (b) Corner posts and posts at changes of direction of fence alignment to be braced to the satisfaction of the Building Surveyor.
- (c) Top rails—preservative treated pine not less than 100 mm diameter installed horizontally with the top edge approximately level with the top of the posts 1.2 m above ground level;
- (d) Wires—to be 2.5 mm high tensile galvanised (or PVC plastic coated equivalent to the satisfaction of the Building Surveyor. The top wire to be installed by running through holes bored in posts being 75 mm below the under side of the top rails. The middle wire to be installed by running through holes bored in posts being 300 mm below the top wire, the lower wire to be installed by running through holes bored in posts being 300 mm below the middle wire. All wires to be strained.

3. Painted Galvanised Steel or Aluminium Sheeting Fence

- (a) The specifications are those detailed in Clause 5 of the first Schedule.

4. Corrugated Fibro Cement Sheeting, Timber, Ranch Style, Masonry or Concrete Fencing. The specifications detailed in the First Schedule.

5. Within a rural area a fence which is parallel to and within 7.5 metres of a street may be constructed to a height of not more than 1.5 metres unless otherwise approved by Council.

LOCAL GOVERNMENT ACT 1960

Municipality of the Town of Albany

By-law Relating to Street Trading/Entertaining—No. 16

In pursuance of the powers conferred by the above Act, and all other powers enabling it, Council hereby records having resolved on 26 July 1994 to revoke the By-laws relating to Street Trading as published in the *Government Gazette* dated 21 January 1994 and amended from time to time to make and submit for confirmation by the Governor the following By-law Relating to Street Trading/Entertainment (No. 16).

1. In this By-law unless the context otherwise requires:

“Area A”—refers to those areas defined as “Central Area” and “Local Shopping” under the Town of Albany, Town Planning Scheme 1A.

“Area B”—refers to the area not defined as “Central Area” and “Local Shopping” under the Town of Albany, Town Planning Scheme 1A.

“authorised officer” means an officer of the Council authorised by the Council to administer this By-law.

“community association” means an institution, association, club, society or body, whether incorporated or not, the objects of which are of a charitable, benevolent, religious, cultural, educational, recreational, sporting or other like nature and the members of which are not entitled or permitted to receive any pecuniary profit from the transaction thereof.

“entertaining” means playing a musical instrument, singing, miming, juggling, dancing or giving an acrobatic display.

“licence” means a licence issued under this By-law.

“operating areas” means areas A, and B being the only areas in the Town of Albany Municipality where licence holders may operate.

“street” includes a highway and thoroughfare which the public are allowed to use and includes every part of the highway or thoroughfare, and other things including bridges and culverts appurtenant to it.

“trading” means selling or hiring of goods, wares, merchandise or services, or offering goods, wares, merchandise or services for sale or hire, in a street or other public place and includes displaying goods, wares or merchandise for the purpose of offering them for sale or hire, inviting offers for sale or hire, soliciting orders or carrying out any other transaction therein.

2. This By-law shall not apply to the selling or offering for sale of newspapers.

3. No person shall carry on trading or entertaining in any street or public place unless that person:

(a) is the holder of a current licence or is an assistant specified in a current licence; and

(b) is acting in compliance with the requirements, terms and conditions of a current licence for which all fees and charges have been paid.

4. An application for a licence shall be in writing and shall:

(a) include the full name and address of the applicant;

(b) specify the proposed number and the names and addresses of assistants;

(c) specify the location for which the licence is sought;

(d) be accompanied by an accurate plan and description of any proposed stand, table, structure or vehicle which may be used for trading or entertaining;

(e) specify the proposed days and hours of trading or entertaining;

(f) specify the proposed goods, wares, merchandise or services in respect of which trading or entertaining will be carried on.

5. The Council may refuse to issue a licence if:

(a) the applicant has committed a breach of clauses 3, 8, 9 or 10 of this By-law;

(b) the proposed activity or place of trading or entertaining is in the opinion of Council undesirable;

(c) the proposed stand, table, structure or vehicle is in the opinion of Council unsuitable in any respect of the location for which the licence is sought;

(d) the needs of the district or the portion thereof for which the licence is sought are in the opinion of Council adequately catered for.

6. A licence shall be in a form determined by Council and shall specify:

(a) the full names and addresses of the licensee;

(b) the dates of issue and expiration of the licence;

(c) the place to which the licence applies;

(d) a letter of consent be obtained from the occupier of the premises abutting the place to which the licence applies;

- (e) the number, type form and construction as the case may be of any stand, table, structure or vehicle which may be used for trading or entertaining;
 - (f) the particular types of the goods, wares, merchandise or services in respect of which trading may be carried on or a full description of the nature of the entertainment;
 - (g) the number of and full names and addresses of assistants (if any) who may be engaged at any one time in trading or entertaining pursuant to the licence;
 - (h) the days and hours when trading or entertaining may be carried on;
 - (i) any other requirements, terms or conditions that the Council may see fit to impose.
7. (1) The fee payable for the issue of a trading licence is \$20.00.
- (2) In addition to the licence fee payable by a trader under sub-clause (1) of this clause a licensee shall before the issue of a licence pay the Council the additional charge specified in the First Schedule hereto.
8. No licensee or assistant specified in a licence shall:
- (a) engage in or permit any trading or entertaining in any goods, wares, merchandise or services other than those specified in the licence;
 - (b) cause, permit or suffer any nuisance to exist, arise or continue on or from the place specified in the licence;
 - (c) no licence holder shall place, install, erect, play or use any musical instrument attached to a loud speaker or amplifier in any part of a street;
 - (d) deposit, place or store any goods, wares or merchandise on any street or other public area other than on the place to which the licence applies;
 - (e) create any noise or disturbance to the reasonable annoyance of nearby occupants or passers-by;
 - (f) obstruct the free passage of pedestrians on any footpath or roadway.
9. A licensee shall not:
- (a) in trading or entertaining use or employ or permit to be used or employed at any one time more than the maximum number of assistants specified in the licence; or
 - (b) transfer, assign or otherwise dispose of his licence.
10. A licensee shall:
- (a) unless otherwise approved by the Council personally attend at the place specified in the licence at all times when trading or entertaining is conducted on or from that place;
 - (b) keep the place and any stand, table, structure or vehicle specified in the licence in a clean and safe condition and in good repair;
 - (c) keep the place and any stand, table, structure or vehicle specified in the licence free from trade refuse and other refuse and rubbish;
 - (d) on demand produce the licence to any authorised officer or any police officer;
 - (e) unless with written approval of the Council to the contrary, remove any stand, table, structure or vehicle and all goods, wares, merchandise and signs from the place to which the licence applies and leave that place clean and vacant in all aspects:
 - (i) at the conclusion of the permitted hours of operation specified in the licence; and
 - (ii) whenever not trading or entertaining on the place to which the licence applies.
11. A licence is valid for the period between the date of issue and the 30th day of June next or until its revocation pursuant to this By-law whichever is the earlier.
12. The Council may revoke a licence if:
- (a) the licensee or assistant specified in a licence commits an offence against clauses 3, 8, 9 or 10 of this By-law; or
 - (b) the Council or a Crown agency, or instrumentality requires access to the place to which a licence applies for the purpose of carrying out works, over or under that place.
13. Where a licence is revoked the Council shall if requested provide the licensee with written reasons for the revocation.
14. (1) Where a licence is revoked under clause 12 (a) of this By-law the licensee shall not be entitled to any refund of any fee or charge paid to the Council in respect thereof.
- (2) Where a licence is revoked under clause 12 (b) of this By-law the Council shall refund the additional charge referred to in clause 7 (2) paid in respect thereof having first deducted the charge applicable to the period from the date of issue of the licence to the date of revocation.

15. Any person who contravenes or fails to comply with any provisions of clauses 3, 8, 9 or 10 of this By-law commits an offence and is liable on conviction to:

- (a) a maximum penalty of one thousand dollars (\$1 000.00) or imprisonment for six (6) months;
- (b) a maximum daily penalty during the breach of fifty dollars (\$50.00) per day.

16. Regardless of the provisions of clauses 3 and 7 a licence may be validly issued to a community association that is exempt from the payment of appropriate fees and additional charges. A community association may validly carry on trading or entertaining under a current licence issued under this By-law without having paid all fees and charges for that licence provided that the trading or entertaining carried on by the community association is for the purpose of that community association and for no other purpose. In the event that the trading or entertaining is not for those purposes then the community association shall be liable to pay all additional charges and fees which it would have otherwise been liable to pay under this By-law.

LOCAL GOVERNMENT ACT 1960

The Municipality of the City of Rockingham Caravan Parks and Camping Grounds By-Laws

In pursuance with the powers conferred by the above mentioned Act and of all other powers enabling it, the Council of the City of Rockingham hereby records have resolved on the 26 April, 1994 to amend the By-laws relating to Caravan Parks and Camping Grounds published in the *Government Gazette* on 24 December, 1976 as follows.

1. In By-law 2, the definition of the word "caravan" be amended by adding after the word 'purposes' "and for the purpose of the Second Schedule of these By-laws a caravan may include an abode consisting of one or two compatible vehicles each conforming with the first part of this definition designed and constructed to form a single unit".

2. After the words "Municipality of" in the last line of By-law 2, delete the words "Shire of Rockingham" and substitute the words "City of Rockingham".

3. By introducing immediately following By-law 6 a new By-law 6A in the following terms:

"6A. Notwithstanding the provisions of By-law 6 of these By-laws a person may:

- (a) cause or permit any caravan to be parked or remain in a caravan park, or
- (b) may occupy a caravan in the same caravan park;

for a period in excess of six months provided that the caravan concerned complies with the matters set out in the Second Schedule hereto".

4. By deleting all words and figures after the word "fee" in line 6 of By-law 12 of Part III and substituting the following in lieu thereof:

"which shall be calculated at a rate of six dollars (\$6.00) for each site for which the caravan park is registered or the sum of two hundred and fifty dollars (\$250.00), whichever shall be the greater".

5. Delete sub By-law 3 of By-law 15.

6. By deleting By-law 18(c) and substituting in lieu thereof:

"(c) annexes conforming with the matters set for in the Third Schedule hereto and erected by, or for, a person parking a caravan on the land for use during his occupancy and removal on his departure".

7. By deleting the word 'and' in paragraph (f) of By-law 18 and then adding the following after paragraph (g):

"(h) carports provided that there shall be a minimum distance between any carport and any other caravan or carport of not less than 4.5 metres. A carport must not be constructed of pre-used materials;

(i) sheds and barbecues:

(a) Sheds—will be permitted provided the size thereof does not exceed 2m x 2m x 2m. External cladding of sheds to be of materials approved by the Council.

(b) Barbecues—gas barbecues will be permitted. Solid fuel barbecues will only be permitted in designated common or recreational areas or as otherwise approved by the Environmental Health Officer of the Council; and

(j) a common storage area approved by the Council."

8. By introducing a Second Schedule in the following terms:

"Second Schedule
(By-law 6A)

1. Siting:

1.1 A caravan parked on a site shall be set back a minimum of 2.5m from the side and rear boundaries of the caravan site;

1.2 Towball and any other part of the caravan to be set back at least 500mm from the inside edge of the interior of the road edge or kerbing;

1.3 The towbar to face the access road for the caravan site;

2. Underside: The space beneath the outside edge of the caravan may be covered in by either:

2.1 moveable sliding flat fibro cement panels or similar approved material; or

2.2 canvas, welded plastic or vinyl fitted to the caravan and to an aluminium strip on the pad;
but not otherwise.

3. Annexe floors:

The floor of any annexe shall be:

3.1 constructed of concrete which shall comply with Building Code of Australia, 75mm concrete laid on waterproof membrane; slab height to be 75mm above ground or if;

3.2 constructed of timber.

3.2.1 set at the same height as the caravan floor and supported on metal jacks to the specification set out in Item 6 of the Third Schedule hereto.

4. Fire Fighting Equipment: An owner of a caravan parked on a caravan site shall provide a 1.5 kilogram BCF extinguisher in the caravan.

5. Drainage: Kitchen sinks shall be connected in a manner approved by the Council.

6. Connection of Water Closets:

(a) Connection to deep sewer or an approved reticulated on-site effluent disposal system may be approved by the Council when the sanitary facility comprises a part of the caravan.

- (b) The water closet compartment shall have a minimum room area of 1.1 square metres and a minimum access area of 750mm width and 600mm depth. The floor shall be constructed of impervious material approved by the Health Department of Western Australia and evenly graded to an approved floor waste outlet;
 - (c) An exhaust fan shall be provided and flumed directly to the outside air. The electrical connection of the exhaust fan shall be connected to the light switch so that the light and fan work simultaneously;
 - (d) The door to the water closet compartment shall not open directly into the kitchen or dining areas of the caravan, and shall either open outwards or be readily removed from the outside. The water closet compartment shall be fully enclosed;
 - (e) All plumbing installations shall be to the requirement of the Water Authority of Western Australia By-laws and Health Act (Treatment of Sewage and Disposal of Effluent and Liquid Waste Regulations) and approved by an Environmental Health Officer of the Council;
7. Use of chemical toilets:
- (a) Chemical toilets in caravans may be used provided the wastes discharge to a holding tank. The holding tank shall be emptied periodically by connecting a flexible hose pipe approved by the Council from the tank to a soil waste dump point approved by the Council;
 - (b) The flexible hose referred to in (a) above shall be disconnected, cleansed and stored above ground beneath the caravan after the tank is emptied. Permanent connections to the dump point are not permitted. "
9. By introducing a Third Schedule in the following terms:
- "Third Schedule
By-law 18(2)
- 1. Annexes shall be of light construction, capable of being easily dismantled and moved by one or two persons.
 - 2. Type of construction allowable:
 - (a) Walls of lightweight easy to erect rigid modular panels, maximum width of 1.3m. Panels are to be clad in caravan type pre-painted aluminium sheeting or vinyl inserts, framed and supported by extruded aluminium section channelled T-bar or angle configuration, secured by metal thread type screws or gutter bolts.
 - (b) Roof—either:
 - (i) welded plastic sheeting over horizontal metal supports or frame; or
 - (ii) self supporting lightweight rigid modular panels maximum width of 1.3m. Panels are to be clad in caravan type pre-painted aluminium sheeting or vinyl inserts and framed and supported by extruded aluminium section channelled T-bar or angle configuration, secured by metal thread type screws or gutter bolts.
 - 3. Annexes shall have a maximum width of 3.2m: The annexe shall not project beyond the roof and alignment of the caravan.
 - 4. Annexes shall be restricted to one per caravan, except that caravans consisting of two compatible vehicles designed and constructed to form a single unit shall not have any annexal structure.
 - 5. Metal jacks supporting timber framed floors shall be heavy duty adjustable steel jack legs, purpose designed to adequately support the floor, which shall be independent of the caravan."
10. By deleting By-law 22 and substituting in lieu thereof:
- "22. A person who contravenes any provision of these By-laws or who uses land as a caravan park, which is not registered, commits an offence and is liable to a penalty not exceeding \$500.00 and to a daily penalty of \$50.00 for every day that the offence continues after conviction".

The common seal of the City of Rockingham was hereto affixed on the 30th day of June, 1994 in the presence of:

F. W. GARDINER, Mayor.
G. G. HOLLAND, Town Clerk.

Recommended:

PAUL OMODEI, Minister for Local Government.

Approved by His Excellency the Governor in Executive Council on the 13th day of September 1994.

D. G. BLIGHT, Clerk of the Council.

BUSH FIRES ACT 1954*Shire of Augusta-Margaret River***Bush Fire Notice and Requirements**

Notice to all owners and/or occupiers of land in the Shire of Augusta-Margaret River

In accordance with section 33 of the Bush Fires Act 1954, you are required to carry out fire prevention work on land owned or occupied by you in accordance with the provisions of this order. The penalty for non-compliance with this notice is a maximum fine of \$1 000, and notwithstanding prosecution, council may enter upon the land and carry out required works at the owner/occupier's expense.

An inspection of firebreaks and hazard removal will be carried out in all areas of the Shire by an authorised officer (Townsites after December 1, 1994; Rural after December 22, 1994).

Rural and Special Rural Areas

This work must be carried out by December 22, 1994, and kept maintained throughout the summer months until April 12, 1995.

A. Rural Land:

1. A firebreak not less than 2 metres wide must be constructed inside and within 100 metres of the boundary of each property where the boundary is adjacent to or adjoins a constructed or used surveyed road. (Firebreaks constructed on road verges do not constitute a legal firebreak under the Bush Fires Act, and Council approval is required prior to construction of additional firebreaks on roadside verges.)
2. A firebreak not less than 2 metres wide must be constructed within a perimeter of 20 metres of all homesteads, buildings, haystacks and fuel storage areas on the land.
3. Where uncleared land abuts a boundary, a firebreak not less than 2 metres wide must be constructed inside and within 100 metres of such boundaries.

B. Special Rural Land:

1. The owners of all existing small rural holdings zoned 'Special Rural' as Special Rural in Town Planning Schemes must construct a firebreak not less than 2 metres wide, immediately inside all boundaries.

2. An area of 30 metres around the house must be cleared of hazardous material to create a fuel-free zone. This zone is defined as an area devoid of understorey, leaves, rubbish and dead timber. Trees within the fuel-free zone are acceptable, provided they are not heavily barked and do not overhang the house.
3. Pasture land shall be grazed, slashed, or the fire hazard reduced by some other means, to the satisfaction of a duly appointed officer.

Townsites

This work must be carried out by December 1, 1994, and kept maintained throughout the summer months until April 12, 1995.

C. Townsites—Gracetown and Prevelly Park

In respect of land owned or occupied within these townsites or any area subdivided for other purposes, you shall:

1. Remove all flammable material (including ground fuel build-up) on the whole of the land except living standing trees, or
2. Construct a firebreak not less than 1.5 metres wide, immediately inside both side and rear boundaries, together with a firebreak not less than 3 metres in width around all buildings on the land. All fuel residue material from firebreak construction to be removed from the block.

D. All other townsites (including Molloy Island)

In respect of land owned or occupied by you within any townsite or any area subdivided for other purposes, you shall:

1. Where the area of land is up to and including 4 000 sqm, remove all flammable material on the land except living standing trees, from the whole of the land, and
2. Where the area of land exceeds 4 000 sqm, clear of flammable materials, firebreaks at least 2 metres wide, immediately inside all external boundaries of land, and also immediately surrounding all buildings situated on the land.

E. Private Hardwood/Softwood Plantations

Any area planted with pines or eucalyptus species exceeding five (5) hectares but not exceeding fifteen (15) hectares:

1. Firebreaks not less than two (2) metres wide around the perimeter on land on which plantation is established.
2. Firebreaks not less than ten (1) metres wide, two (2) metres of which must be cleared of all flammable materials, on the boundary. The remaining eight (8) metres must be maintained in a low fuel condition, that is, short grass may be considered 'low fuel', where the plantation is adjacent to or adjoins a constructed, used surveyed road or enjoys a common boundary. Plantations exceeding fifteen (15) hectares to comply with the Bush Fires Board recommendation.

F. Fuel and/or Gas Depots

In respect of land owned or occupied by you on which is situated any container normally used to contain liquid or gas fuel, including the land on which any ramp or support is constructed, you shall have the land clear of all flammable materials.

Special Notice to Land Owners & Occupiers

The Council forwards a copy of this Firebreak Order each year. The Notice is also published in the *Augusta-Margaret River Mail* and copies are available at the office counter.

If it is considered impractical for any reason to clear firebreaks or remove flammable materials from the land as required by the Notice, you may make written application to the Council not later than the 15th day of November, 1994, for permission to provide firebreaks in alternative positions or to take alternative action to abate fire hazards on the land. This application must be countersigned by the Bush Fire Control Officer for the area in which the land is situated to signify his agreement to the variation. If permission is not granted by the Council or its duly authorised officer, you shall comply with the requirements of this notice.

Bush Fire Precautions Prohibited Burning Times

The prohibited burning times which apply within the Shire are: December 22, 1994 to February 28, 1995.

Restricted Burning Times

The restricted burning times are: November 9, 1994 to December 21, 1994 and March 1, 1995 to April 12, 1995.

These dates are subject to slight variation according to seasonal conditions, but any alterations will be advertised locally.

By order of the Council.

L. J. CALNEGGIA, Shire Clerk.

LG603

BUSH FIRES ACT 1954

(Section 33)

Shire of Wandering

Notice to Owners and Occupiers of land within the Shire of Wandering

Pursuant to the powers contained in section 33 of the above Act, you are hereby required on or before the 31st day of October 1994, or before such later date as the Council may, according to local conditions decide, to plough, cultivate, scarify or otherwise clear of all inflammable materials and thereafter maintain the firebreaks clear of all inflammable materials, up to and including the 15th day of April 1995.

1. Clear firebreaks, not less than 2 metres (6'6") wide, inside and within 20.1 metres (1 chain) of the entire boundary of all rural holdings with an area of 10 hectares or less.
2. For all rural holdings of area greater than 10 hectares satisfy at least one of the following conditions:

- (i) Have on standby an operational fire fighting unit of minimum 450 litre capacity. In cases of more than one such holding a minimum of one unit is required for the total land holding.
- (ii) Clear firebreaks of not less than 2 metres (6'6") wide, inside and within 20.1 metres (1 chain) of the boundary of all rural land held.

3. Clear firebreaks not less than 2 metres (6'6") within 100 metres (5 chain) of the perimeter of all buildings on the land.

4. Clear firebreaks, not less than 20 metres wide, around the perimeter of any bush exceeding 10 hectares in area prior to carrying out a clearing burn.

5. PINE PLANTATIONS

- (a) Clear firebreaks not less than 10 metres (1/2 chain) wide immediately inside all external boundaries of the land.

- (b) Clear internal firebreaks not less than 10 metres (1/2 chain) wide surrounding compartments of maximum area of 100 hectares (250 acres).

6. MOBILE FIREFIGHTING UNITS

Throughout the above mentioned period during the conduct of the harvest of grain and seed an operational mobile firefighting unit of minimum 450 litre capacity must be in close proximity to the harvest activities at all times.

If it is impracticable for any reason to clear firebreaks in the position required by this notice, the approval of the Council must be obtained to provide them in an alternative place.

Note: Ploughing of roadsides in the Shire of Wandering is prohibited.

If for any reason it is found impracticable to construct firebreaks in accordance with the provisions of this notice by the date set, which is the 31st day of October 1994, you are requested to notify the District Chief Fire Control Officer or the Shire Clerk of the circumstances.

Dated this 21st day of April 1994.

By Order of the Council,

D. J. DAWSON, Shire Clerk.

LG602

BUSH FIRES ACT 1954*Shire of Moora*

1994/95 Fire Break Notice Reproduced for General Information

1. Fire Breaks

Pursuant to the powers contained in Section 33 of the above Act, you are hereby required, on or before the 22nd day of October, 1994 to plough, scarify, cultivate or otherwise clear and thereafter maintain free of all inflammable material until the 25th day of March, 1995 in the following positions and of the following dimensions on the land owned or occupied by you.

2. Rural Land

Firebreaks must be provided not less than two metres in width inside and along the whole of the external boundaries of the properties owned or occupied by you. Where this is not practicable the firebreaks must be provided as near as possible to, and within, such boundaries with the exception that firebreaks can be modified or not required if after consultation with the Brigade Captain and neighbours it is decided that a natural barrier or man-made structure will act as a firebreak.

3. Farm Buildings and Unattended Electric Motors and Haystacks

Firebreaks at least three metres in width completely surrounding and not more than twenty metres from the perimeter of any building, group of buildings or haystacks. All inflammable material must be removed from an area two metres in width immediately surrounding the building. All inflammable material must be removed from an area three metres in width immediately surrounding an unattended electric motor site.

4. Unattended Fuel Operated Motors

All inflammable material must be removed from an area three metres in width immediately surrounding an unattended fuel operated motor whether the motor is intended to be used or not.

5. Townsites

On or before the 22nd October, 1994 all town lots within the townsites of Moora, Miling, Watheroo, Bindi Bindi and Coomberdale are required to be treated as follows—

- (a) Where the area of land is less than 3 000 square metres remove all inflammable material from the whole of the land.
- (b) Where the area of land is 3 000 square metres or more a firebreak must be provided not less than two metres in width inside and along the whole of the external boundaries of the properties owned or occupied by you and all inflammable material must be cleared two metres distance from all buildings and/or haystacks situated on the land and maintained free of such material until 25th March, 1995.

6. Fuel Pumps (Fuel Depots)

On or before the 22nd day of October, 1994 all grass and similar material is to be cleared from such areas where drum ramps are located and where drums, full or empty, are stored and such areas are to be maintained cleared of grass and similar inflammable material until the 25th day of March, 1995.

7. Incinerators.

Residents of townsites throughout the Shire are reminded that incinerators for the burning of waste material should be of an approved type and be in good condition. Open drums etc. are not acceptable.

8. Penalty

The penalty for failing to comply with this notice is a fine of up to \$1 000.00 and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work in this notice, if it is not carried out by the Owner or Occupier by the date required by this notice.

Note: Attention of landowners is drawn to the fact that this order allows for provision of firebreaks in situations other than immediately within property boundaries subject to approval. The Appointed Fire Control Officers have been authorised to act for Council in this matter.

INFRINGEMENT NOTICES WILL BE ISSUED TO OWNERS OR OCCUPIERS WHERE NO OR INSUFFICIENT FIREBREAKS ARE PROVIDED.

REMEMBER FIREBREAKS TO BE IN PLACE BY 22ND OCTOBER, 1994.

J. N. WARNE, Shire Clerk.

BUSH FIRES ACT 1954

(Section 33)

Shire of Yalgoo

Notice to all owners and occupiers of land in the district of the Shire of Yalgoo

Pursuant to the powers contained in section 33 of the Bush Fires Act 1954, you are hereby required on or before 1 November 1994 or within fourteen days of you becoming owner or occupier of land should this be after 1 November 1994 to clear firebreaks and remove inflammable material from the land owned or occupied by you as specified hereunder and to have the specified land and firebreaks clear of all inflammable material from 1 November 1994 up to and including 14 February 1995.

1. Land Outside of Townsites

- 1.1 All buildings on land which is outside townsites shall be surrounded by two firebreaks not less than two metres wide cleared of all inflammable material, the inner firebreak to be not more than twenty metres from the perimeter of the building or group of buildings and the outer firebreak not less than 200 metres from the inner firebreak.
- 1.2 To remove all inflammable material from the whole of the land between the firebreaks required in paragraph 1.1 above.

2. Land in Townsites

- 2.1 All land in the townsite shall have firebreaks at least three metres in width cleared of all inflammable material immediately outside and along the boundaries of the land and where there are buildings on the land additional firebreaks three metres in width shall be cleared immediately surrounding each building.

If it is considered for any reason to be impractical to clear firebreaks or remove inflammable material as required by this notice, you may apply to the Council or its duly authorised officer not later than 30 October 1994 for permission to provide firebreaks in alternative positions or take alternative action to remove or abate any fire hazard. If permission is not granted by this Council or its duly authorised officer you shall comply with the requirements of this notice.

By order of the Council.

A. J. GERTENBACH, Shire Clerk.

If the requirements of this notice are carried out by burning such burning shall comply with the relevant provisions of the Bush Fires Act. "Inflammable material" does not include green growing trees or green growing plants in gardens.
