BU402**BUSH FIRES ACT 1954****SUSPENSION OF SECTION 25**

Correspondence No. S74.3.

Bush Fires Board,
Perth.

It is hereby notified that I, Bob Wiese, administering the Bush Fires Act 1954, hereby revoke all previous orders under section 25B of the said Act with relation to the Manjimup Rubbish Disposal Site situated on Nelson Loc 25706 Raltson Road and pursuant to the powers contained in section 25B of the said Act, approve the suspension of the operations of section 25 that relate to a fire to be lit, or which is lit, for the purpose of destroying garden refuse or rubbish or any like purpose during the declared Prohibited and Restricted Burning Times on land set aside for the purpose in the Municipal District of the Shire of Manjimup. This notice shall have effect until revoked and is issued subject to the following conditions—

Specified Conditions

Shire of Manjimup Rubbish Disposal Site, Nelson Loc 25706, Raltson Road, Manjimup—

1. Only dry untreated wood, timber and garden refuse may be burnt under this suspension.
2. Burning shall take place in designated areas cleared of all inflammable material, save live standing trees for a radius of 50m minimum around the tip site. The garden refuse site and domestic refuse site will be located a minimum of fifty (50) metres from the site boundary.
3. Waste material for burning shall be arranged in trenches or windrows as directed by the Local Authority. This area shall not be sited over a previously land filled site.
4. A buffer zone (distance) of five hundred (500) metres minimum will be maintained between the disposal site and any residential development or other sensitive areas eg. schools, hospitals, industrial areas.
5. A firebreak three (3) metres wide, cleared of all inflammable material to be maintained around the total perimeter of the disposal site/location throughout the Prohibited and Restricted Burning Period.
6. The disposal site shall be located downwind of any residential development or other sensitive areas. (ie. Downwind—the predominate prevailing annual wind direction.)
7. Burning should only take place between 8.00 am and 12.00 pm on any one day. The volume of waste to be burnt shall not exceed that which can be safely burnt and declared safe within that specified time.
8. All waste shall be dry before burning.
9. The fire shall be attended by at least two (2) able bodied Council personnel who have had the minimum level of Bush Fire Training as defined by the Bush Fires Board of WA until the fire is declared safe.

10. Throughout the duration of the burn a fire fighting vehicle (appliance) operated by Council staff with a minimum water carrying capacity of five hundred (500) litres, fitted with a minimum of thirty (30) metres of nineteen (19) millimetre diameter rubber hose and pump capable of delivering a minimum of two hundred and fifty (250) litres of water per minute at a minimum of seven hundred (700) KPA through an adjustable nozzle capable of projecting water in the spray and jet configurations shall be on site.
11. All garden, timber and wood refuse burns shall be regularly heaped and stoked throughout the duration of the burn to ensure as far as possible a rapid and complete burn.
12. Fires are only to be lit by Council staff specifically authorised to do so by the Local Authority and only after a local forecast for the day has been obtained from the Bureau of Meteorology and the Chief Bush Fire Control Officer or his designated deputies have been consulted and agree to the burn taking place.
13. Before any fires are lit for refuse disposal notification must be firstly given to—
 - (a) Department of Conservation and Land Management if they have land vestings within the Local Authority.
 - (b) West Australian Fire Brigades if the disposal site is located within their gazetted boundary.
14. No fires to be lit on a Sunday or Public Holiday.
15. All burns are to be declared "SAFE" by a designated Council Fire Control Officer or his designated deputies prior to fire fighting equipment and personnel being permitted to depart the area.
16. No fires are to be lit on the site subject to this suspension on a day for which the fire danger forecast issued by the Bureau of Meteorology in respect of that locality is Very High or Extreme (Total Fire Ban).
17. A sign notifying the public of the unauthorised lighting of fires shall be provided by the Local Authority and maintained in good legible order at all times.
These signs shall be worded and display "Unauthorised Lighting of Fires is Prohibited".
18. A sign directing the public the designated disposal areas shall be provided by the Local Authority and maintained in good legible order at all times.
These signs shall be worded;
"Domestic Refuse Only. Dump Here"
and/or
"Garden Refuse, Timber and Wood Waste Only. Dump Here"
Specifications—

Signs shall have letters in capitals, a minimum of five (5) centimetres in height and be black on white background. Signs will be placed at the entrance to the dump site and at the immediate proximity of the disposal sites.

BOB WIESE, Minister for Emergency Services.

PART 1—PRELIMINARY

1.1 Citation: This Town Planning Scheme may be cited as the Shire of Koorda Town Planning Scheme No. 2 hereinafter called "the Scheme" and shall come into operation on the publication of the Scheme in the *Government Gazette*.

1.2 Responsible Authority: The Authority responsible for implementing the Scheme is the Council of the Shire of Koorda hereinafter called "the Council".

1.3 Scheme Area: The Scheme applies to the whole of the land within the Municipal District of the Shire of Koorda hereinafter called "the Scheme Area".

1.4 Revocation: The Shire of Koorda Town Planning Scheme No 1 published in the *Government Gazette* of 21 November 1969 and all amendments thereto is hereby revoked.

1.5 Contents of Scheme: The Scheme comprises—

- (a) this Scheme Text
- (b) the Scheme Map

1.6 Arrangement of Scheme Text: The Scheme Text is divided into the following parts—

- PART 1—PRELIMINARY
- PART 2—RESERVES
- PART 3—ZONES
- PART 4—NON-CONFORMING USES
- PART 5—DEVELOPMENT REQUIREMENTS
- PART 6—HERITAGE AND ITS ASSESSMENT
- PART 7—PLANNING CONSENT
- PART 8—ADMINISTRATION

1.7 Scheme Objectives: The objectives of the Scheme are—

- (a) to encourage and control orderly development in the Scheme Area in such a way that will promote and safe guard the health, safety, convenience, and economic and general welfare of its inhabitants and the amenities of the area.
- (b) to provide for possible future residential, commercial, industrial, and rural (hobby farm) development.
- (c) to identify an appropriate area in Koorda within which new residences will be required to be constructed of masonry material.
- (d) to control quality of development throughout the Shire.
- (e) to adopt a set of policies which will achieve the stated objectives.

1.8 Interpretation

1.8.1 Except as provided in Clauses 1.8.2 and 1.8.3 the words and expressions of the Scheme have their normal and common meaning.

1.8.2 In the Scheme unless the context otherwise requires, or unless it is otherwise provided herein, words and expressions have the respective meanings given to them in Schedule 1 and the Residential Planning Codes.

1.8.3 Where a word or term is defined in the Residential Planning Codes then notwithstanding anything else in the Scheme that word or term when used in respect of residential development has the meaning given to it in the Residential Planning Codes.

PART 2—RESERVES

2.1 Scheme Reserves: The land shown as Scheme Reserves on the Scheme Map, hereinafter called 'Reserves' are lands reserved under the Scheme for the purposes shown on the Scheme Map and are listed hereunder—

PUBLIC PURPOSE PARKS AND RESERVES

2.2 Matters to be Considered by the Council: Where an application for planning consent is made with respect to land within a reserve, the Council shall have regard to the ultimate purpose intended for the reserve and the Council shall, in the case of land reserved for the purposes of a public authority, confer with that authority before granting its consent.

2.3 Compensation

2.3.1 Where the Council refuses planning consent for the development of a reserve on the ground that the land is reserved for local authority purposes or for the purposes shown on the Scheme Map, or grants consent subject to conditions that are unacceptable to the applicant the owner of the land may, if the land is injuriously affected thereby, claim compensation for such injurious affection.

2.3.2 Claims for such compensation shall be lodged at the office of the Council not later than six months after the date of the decision of the Council refusing planning consent or granting it subject to conditions that are unacceptable to the applicant.

2.3.3 In lieu of paying compensation the Council may purchase the land affected by such decision of the Council at a price representing the unaffected value of the land at the time of refusal of planning consent or of the grant of consent subject to conditions that are unacceptable to the applicant.

PART 3—ZONES

3.1 Zones

3.1.1 There are hereby created the several zones set out hereunder—

RESIDENTIAL TOWN CENTRE INDUSTRIAL SPECIAL RURAL RURAL

3.1.2 The zones are delineated and depicted in the Scheme Map according to the legend thereon.

3.1.3 Land located outside the broken black border on the Scheme Map is zoned Rural and falls under the provisions of the Rural zone in the Scheme.

3.2 Zoning Table

3.2.1 The Zoning Table indicates, subject to the provisions of the Scheme, the several uses permitted in the Scheme Area in the various zones, such uses being determined by cross reference between the list of uses on the left hand side of the Zoning Table and the list of zones at the top of the Zoning Table.

3.2.2 The symbols used in the cross reference in the Zoning Table have the following meaning—

"P" means that the use is permitted provided it complies with the relevant standards and requirements laid down in the Scheme and all conditions (if any) imposed by the Council in granting planning consent.

"AA" means that the Council may, at its discretion, permit the use.

"SA" means that the Council may, at its discretion, permit the use after notice of application has been given in accordance with Clause 7.2.

3.2.3 Where no symbol appears in the cross reference of a use against a zone in the Zoning Table that use is not permitted in that zone.

3.2.4 Where in the Zoning Table a particular use is mentioned it is deemed to be excluded from any other use which by its more general terms might otherwise include such particular use.

3.2.5 If the use of land for a particular purpose is not specifically mentioned in the Zoning Table and cannot reasonably be determined as falling within the interpretation of one of the use categories the Council may—

- (a) determine that the use is not consistent with the objectives and purposes of the particular zone and is therefore not permitted; or
- (b) determine by absolute majority that the proposed use may be consistent with the objectives and purpose of the zone and thereafter follow the advertising procedures of Clause 7.2 in considering an application for planning consent.

PART 4—NON-CONFORMING USES

4.1 Non-conforming Use Rights: No provision of the Scheme shall prevent—

- (a) the continued use of any land or building for the purpose for which it was being lawfully used at the gazettal date of the Scheme; or
- (b) the carrying out of any development thereon for which, immediately prior to that time, a permit or permits, lawfully required to authorize the development to be carried out, were duly obtained and are current.

4.2 Extension of Non-conforming Use: A person shall not alter or extend a non-conforming use or erect alter or extend a building used in conjunction with a non-conforming use without first having applied for and obtained the planning consent of the Council under the Scheme and unless in conformity with any other provisions and requirements contained in the Scheme.

4.3 Change of Non-conforming Use: Notwithstanding anything contained in the Zoning Table the Council may grant its planning consent to the change of use of any land from a non-conforming use to another use if the proposed use is, in the opinion of the Council, less detrimental to the amenity of the locality than the non-conforming use and is, in the opinion of the Council, closer to the intended uses of the zone.

4.4 Discontinuance of Non-conforming Use

4.4.1 When a non-conforming use of any land or building has been discontinued for a period of six months or more such land or building shall not thereafter be used otherwise than in conformity with the provisions of the Scheme.

4.4.2 The Council may effect the discontinuance of a non-conforming use by the purchase of the affected property, or by the payment of compensation to the owner or the occupier or to both the owner and the occupier of that property, and may enter into an agreement with the owner for that purpose.

4.5 Destruction of Buildings: If any building is, at the gazettal date, being used for a non-conforming use, and is subsequently destroyed or damaged to an extent of 75% or more of its value the land on which the building is built shall not thereafter be used otherwise than in conformity with the Scheme, and the building shall not be repaired or rebuilt altered or added to for the purpose of being used for a non-conforming use or in a manner or position not permitted by the Scheme.

PART 5—DEVELOPMENT REQUIREMENTS

5.1 Development of Land

5.1.1 Subject to Clause 5.1.2 a person shall not commence or carry out development of any land zoned under the Scheme without first having applied for and obtained the planning consent of the Council under the Scheme.

5.1.2 The planning consent of the Council is not required for the following development of land—

- (a) the use of land in a reserve, where such land is held by the Council or vested in a public authority;
 - (i) for the purpose for which the land is reserved under the Scheme; or
 - (ii) in the case of land vested in a public authority, for any purpose for which such land may be lawfully used by that authority;
- (b) the erection of a boundary fence except as otherwise required by the Scheme;
- (c) the erection on a lot of a single house, including ancillary outbuildings, in a zone where the proposed use is designated with symbol "P" in the cross-reference to that zone in the zoning table, except—
 - (i) in the Special Rural zone; or
 - (ii) where the lot on which the single house is proposed does not have frontage to a constructed road in a dedicated road reserve;in either of which cases an application for planning consent is required.
- (d) the carrying out of any works on, in, over or under a street or road by a public authority acting pursuant to the provisions of any Act;
- (e) the carrying out of works for the maintenance, improvement or other alteration of any building, being works which affect only the interior of the building or which do not materially affect the external appearance of the building; or
- (f) the carrying out of works urgently necessary for public safety or for the safety or security of plant or equipment or for the maintenance of essential services.

5.2 Discretion to Modify Development Standards: If a development, other than a residential development or development of a lot fronting an unconstructed road, and which is the subject of an application for planning consent does not comply with a standard or requirement prescribed by the Scheme with respect to that development the Council may, notwithstanding that non-compliance, approve the application unconditionally or subject to such conditions as the Council thinks fit. The power conferred by this Clause may only be exercised if the Council is satisfied that—

- (a) approval of the proposed development would be consistent with the orderly and proper planning of the locality and the preservation of the amenities of the locality;
- (b) the non-compliance will not have any adverse effect upon the occupiers or users of the development or the inhabitants of the locality or upon the likely future development of the locality; and
- (c) the spirit and purpose of the requirement or standard will not be unreasonably departed from thereby.

5.3 Residential Development: Residential Planning Codes

5.3.1 For the purpose of the Scheme "Residential Planning Codes" means the Residential Planning Codes set out in Appendix 2 to the Statement of Planning Policy No. 1, together with any amendments thereto (hereinafter called the "R Codes").

5.3.2 A copy of the R Codes, as amended, shall be kept and made available for public inspections at the offices of the Council.

5.3.3 Unless otherwise provided for in the Scheme the development of land for any of the residential purposes dealt with by the R Codes shall conform to the provisions of those Codes.

5.3.4 The R Code density applicable to land within the residential zone shall be R15. Any variation from this density coding will be shown on the Scheme Map.

5.4 Special Application of Residential Planning Codes

Notwithstanding anything elsewhere appearing in the Scheme, in areas coded R15 the development of grouped dwellings in accordance with the provisions of the R30 Code may be permitted at the Council's discretion subject to the procedures set out at Clause 7.2 of this Scheme.

5.5 Development of Lots Abutting Unconstructed Roads

Notwithstanding anything elsewhere appearing in the Scheme where an application for planning consent is made in respect of land abutting an unconstructed road or a lot which does not have frontage to a constructed road the Council shall either—

- (a) refuse the application until the road has been constructed or access by means of a constructed road is provided as the case may be; or

- (b) grant the application subject to a condition requiring the applicant to pay a sum of money in or towards payment of the cost or estimated cost of construction of the road or part thereof and any other conditions it thinks fit to impose; or
- (c) require such other arrangements are made for permanent access as shall be to the satisfaction of the Council.

5.6 Home Occupation

5.6.1 The Council shall not grant planning consent to a home occupation unless it is satisfied that the use—

- (a) will not prejudicially affect the amenity of the neighbourhood by way of emissions of any nature;
- (b) will not occupy an area greater than 20 square metres;
- (c) does not require the provision of any essential service main of a greater capacity than normally required in the zone in which it is located;
- (d) does not entail the sale of any goods not produced on the site;
- (e) is compatible with the principal uses to which the land in the zone it is located may be put and will not in the opinion of the Council generate a volume of traffic that would prejudice the amenity of the area; and
- (f) does not display a sign exceeding 0.2 sq. metres in area.

5.6.2 A planning consent to conduct a home occupation is issued to a specific occupier of a particular parcel of land, it shall not be transferred or assigned to any other person, and shall not be transferred from the land in respect of which it was granted. Should there be a change of the occupier of the land in respect of which planning consent for a home occupation is issued the planning consent is cancelled.

5.6.3 If, in the opinion of the Council, a home occupation is causing a nuisance or annoyance to owners or occupiers of land in the locality the Council may rescind the planning consent.

5.7 Special Rural Zone

Policy Statement: It is the intention of the Council to consider only those proposals for Special Rural development for land within a 10 kilometre radius of the Koorda townsite.

Each application for a Special Rural Zone is to be accompanied by a Limited Rural Strategy prepared in accordance with Policy adopted by the Commission at the proponents' cost.

5.7.1 General Provisions: The provisions for controlling subdivision and development in a Special Rural Zone shall comply with the requirements of Schedule 2 and with the following—

- (a) subdivision shall generally accord with the plan of subdivision for the specified area referred to in Schedule 2 and such plan of subdivision shall show the minimum lot size for subdivision.
- (b) in addition to a building licence, the Council's prior planning consent is required for all development including a single house and such application shall be made in accordance with the provisions of the Scheme.
- (c) not more than one dwelling per lot shall be erected; the Council may approve ancillary accommodation in accordance with the R Codes.
- (d) in order to conserve the rural environment or features of natural beauty all trees shall be retained unless their removal is authorized by the Council.
- (e) in order to enhance the rural amenity of the land in areas the Council considers deficient in tree cover it may require as a condition of any planning approval the planting of such trees and/or groups of trees and species as specified by the Council.
- (f) any person who keeps an animal or animals or who uses any land for the exercise or training of an animal or animals shall be responsible for appropriate measures to prevent noise, odour, or dust pollution or soil erosion to the satisfaction of the Council. Where in the opinion of the Council the continued presence of animals is likely to contribute or is contributing to noise, odour, or dust pollution or soil erosion, notice may be served on the owner of the land requiring the removal within the period specified in the notice of those animals specified in the notice for a period specified in the notice.

5.8 Untidy Sites

Where the Council determines a lot is not being maintained in a clean and tidy condition and that the appearance of the lot has a deleterious effect on the amenity of the locality, the Council shall require the owner/occupier to improve the condition of the lot to the Council's satisfaction, in a manner determined by the Council.

5.9 Relocated Dwelling or Building

- (a) within the Scheme area a building may not be placed on a lot and occupied as a dwelling following transportation as a whole or as parts of a building.
- (b) notwithstanding the above the Council may permit a transported building to be placed on a lot and used as a dwelling if, in the opinion of the Council, such building is in a satisfactory condition and will not detrimentally affect the amenity of the area, or if such a building has been specifically constructed as a transportable dwelling.

- (c) an applicant for a building licence for a transported building may be required by the Council to enter into a contract and provide a bond to reinstate the building to an acceptable standard of presentation within a period of twelve months from the issue of a building licence for such a dwelling.

PART 6—HERITAGE AND ITS ASSESSMENT

6.1 Preservation of Heritage Places

6.1.1 If the Council resolves that, in its opinion, a building, object, or place is of historical or architectural interest or of outstanding natural beauty then it shall be described and listed in the Register of Heritage Places as a "heritage place". The Register of Heritage Places shall be held with the Scheme but does not form part of the Scheme.

6.1.2 The Council may resolve its intention to declare any place to be a place of heritage value but it shall not be included in the Register of Heritage Places until the Council has given written notification of its intentions to all of the owners and occupiers in that place, advertised its intention for a period of 30 days calling for submissions, and considered any submissions received.

6.1.3 The Council may at any time resolve that a heritage place should no longer be protected, or that it should be extended or otherwise amended. But the listing of the heritage place in the Register of Heritage Places shall not be amended until after the Council has notified all owners and occupiers in the area of its intentions in writing, advertised its intention for a period of 30 days calling for submissions, and considered any submissions.

6.2 Development Application

6.2.1 A person shall not without the special approval of the Council at, or on a heritage place, carry out any development including, but without limiting the generality of the foregoing—

- (a) the erection, demolition or alteration of any building or structure;
- (b) clearing of land or removal of trees associated with a heritage place;
- (c) the erection of advertising signs; or
- (d) clearing of land.

6.2.2 The Council may give its special approval to development at or on a heritage place if the development—

- (a) complies with the land use requirements of the zone in which the development is proposed; and
- (b) complies with the requirements of any policy or code in respect of a heritage place.

6.2.3 The Council may give its special approval to the restoration of a heritage place notwithstanding that the work involved does not comply with the Building Code of Australia, Residential Planning Codes, or with the provisions of the Scheme for the zone or reserve in which the heritage place exists.

6.3 Compensation: A person whose land or property is injuriously affected by a decision of the Council refusing an application for its consent to do any of the things mentioned in Clause 6.2.1, or granting its consent subject to the conditions not acceptable to the applicant, may, if the refusal or conditions relate to the preservation of the place and if the claim is made within six months of the decision of the Council, claim compensation from the Council.

PART 7—PLANNING CONSENT

7.1 Application for Planning Consent: Every application for planning consent shall be made in the form prescribed by the Council and in accordance with the directions thereon.

7.2 Advertising of Applications

7.2.1 Where an application is made for planning consent to commence or carry out development which involves an "AA" use, or for any other development which requires the planning consent of the Council, the Council may give notice of the application in accordance with the provisions of this Clause.

7.2.2 Where an application is made for planning consent to commence or carry out development which involves an "SA" use the Council shall not grant consent to that application unless notice of the application is first given in accordance with the provisions of this Clause.

7.2.3 Where the Council is required or decides to give notice of an application for planning consent the Council shall cause one or more of the following to be carried out—

- (a) notice of the proposed development to be served on the owners and occupiers of land within an area determined by the Council as likely to be affected by the granting of planning consent stating that submissions may be made to the Council within twenty-one days of the service of such notice;
- (b) notice of the proposed development to be published in a newspaper circulating in the Scheme Area stating that submissions may be made to the Council within twenty-one days from the publication thereof;
- (c) a sign or signs displaying notice of the proposed development to be erected in a conspicuous position on the land for a period of twenty-one days from the date of publication of the notice referred to in paragraph (b) of this Clause.

7.2.4 After expiration of twenty-one days from the serving of notice of the proposed development, the publication of notice or the erection of a sign or signs, whichever is the later, the Council shall consider and determine the application.

7.3 Determination of Application

7.3.1 In determining an application for planning consent the Council may consult with any authority which, in the circumstances, it thinks appropriate.

7.3.2 The Council having regard to any matter which it is required by the Scheme to consider, to the purpose for which the land is reserved, zoned or approved for the use under the Scheme, to the purpose for which land in the locality is used, and to the orderly and proper planning of the locality and the preservation of the amenities of the locality, may refuse to approve any application for planning consent or may grant its approval unconditionally or subject to such conditions as it thinks fit.

7.3.3 Where the Council approves an application for planning consent under the Scheme the Council may limit the time for which that consent remains valid.

7.4 Deemed Refusal

7.4.1 Where the Council has not within sixty days of the receipt by it of an application for planning consent either conveyed its decision to the applicant or given notice of the application in accordance with Clause 7.2 the application may be deemed to have been refused.

7.4.2 Where the Council has given notice of an application for planning consent in accordance with Clause 7.2 and where the Council has not within ninety days of receipt by it of the application conveyed its decision to the applicant, the application may be deemed to have been refused.

7.4.3 Notwithstanding that an application for planning consent may be deemed to have been refused under Clauses 7.4.1 or 7.4.2 the Council may issue a decision in respect of the application at any time after the expiry of the sixty day or ninety day period specified in those Clauses, as the case may be.

PART 8—ADMINISTRATION

8.1 Powers of the Scheme: In implementing the Scheme the Council has, in addition to all other powers vested in it, the following powers—

- (a) the Council may enter into any agreement with any owner, occupier or other person having an interest in land affected by the provisions of the Scheme in respect of any matters pertaining to the Scheme.
- (b) the Council may acquire any land or buildings pursuant to the provisions of the Scheme or the Act.
- (c) the Council may deal with or dispose of any land which it has acquired pursuant to the Scheme or the Act in accordance with law and for such purpose may make such agreements with other owners as it considers fit.
- (d) an officer of the Council, authorized by the Council for the purpose, may at all reasonable times enter any building or land for the purpose of ascertaining whether the provisions of the Scheme are being observed.

8.2 Offences

8.2.1 A person shall not erect, alter or add to or commence to erect, alter or add to a building or use or change the use of any land, building or part of a building for any purpose—

- (a) otherwise than in accordance with the provisions of the Scheme;
- (b) unless all consents required by the Scheme have been granted and issued;
- (c) unless all conditions imposed upon the grant and issue of any consent required by the Scheme have been and continue to be complied with; and
- (d) unless all standards laid down and all requirements prescribed by the Scheme or determined by the Council pursuant to the Scheme with respect to that building or that use of that part have been and continue to be complied with.

8.2.2 A person who fails to comply with any of the provisions of the Scheme is guilty of an offence and without prejudice to any other remedy given herein is liable to the penalties prescribed by the Act.

8.3 Act—Removal of Certain Buildings etc.

8.3.1 Twenty eight (28) days written notice is hereby prescribed as the notice to be given pursuant to Section 10 of the Act.

8.3.2 The Council may recover expenses under Section 10 (2) of the Act in a Court of competent jurisdiction.

8.4 Claims for Compensation: Except where otherwise provided in the Scheme, the time limit for the making of claims for compensation pursuant to Section 11 (1) of the Act is six (6) months after the gazettal date.

8.5 Appeals: An applicant aggrieved by a decision of the Council in respect of the exercise of a discretionary power under the Scheme may appeal in accordance with the rules and regulations made pursuant to the Act.

8.6 Power to Make Policies

8.6.1 In order to achieve the objectives of the Scheme, the Council may make Town Planning Scheme Policies relating to parts or all of the Scheme Area and relating to one or more of the aspects of the control of development.

8.6.2 A Town Planning Scheme Policy shall become operative only after the following procedures have been completed—

- (a) the Council having prepared and having resolved to adopt a draft Town Planning Scheme Policy, shall advertise a summary of the draft Policy once a week for two consecutive weeks in a newspaper circulating in the Scheme Area giving details of where the draft Policy may be inspected and where, in what form, and during what period (being not less than twenty-one days) representations may be made to the Council.
- (b) the Council shall review its draft Town Planning Scheme Policy in the light of any representations made and shall then decide to finally adopt the draft Policy with or without amendment, or to not proceed with the draft Policy.
- (c) following final adoption of a Town Planning Scheme Policy, details thereof shall be advertised publicly and a copy kept with the Scheme for inspection during normal office hours.

8.6.3 A Town Planning Scheme Policy may only be altered or rescinded by—

- (a) preparation and final adoption of a new Policy pursuant to this Clause, specifically worded to supersede an existing Policy.
- (b) publication of a formal notice of rescission by the Council twice in a newspaper circulating in the Scheme Area.

8.6.4 A Town Planning Scheme Policy shall not bind the Council in respect of any application for planning consent but before making its decision the Council shall take into account the provisions of the Policy and objectives which the Policy was designed to achieve.

of Government Gazette 1995

An attractively presented set of 4 Bound Volumes of Government Gazette

For Government Departments and private firms who presently arrange binding for their copies of Government Gazettes, the State Print is now offering a subscription covering 4 Quarterly Volumes at a cost of \$808.00.

The Gazettes will be bound in black cloth with gold foil lettering on the spine and personalised by the addition of the client's name in gold lettering on the front cover.

PLEASE NOTE

On the rare occasion where extra gazettes are published in one quarter, a fifth volume may be required. In this instance an invoice will be issued to recoup the binding costs only of \$105.00 over and above the subscription.
