UNCLAIMED MONEY ACT 1990

REGISTER OF UNCLAIMED MONEYS

THIS SPECIAL EDITION IS TO BE MADE AVAILABLE FOR GENERAL
PUBLIC INFORMATION BY POLICE STATIONS, LOCAL AUTHORITIES AND
GOVERNMENT OFFICES UNDER s. 11 (4) OF THE ACT.

REGISTER OF UNCLAIMED MONEYS

In accordance with the provisions of the Unclaimed Money Act 1990 (the Act) this edition of the Government Gazette contains information on notifications of unclaimed moneys received by the Treasurer during the period 1 February 1994 to 31 January 1995. The Register is comprised of three sections as follows:

Pages 1-56 : Notification to Treasurer of Unclaimed Money or Prescribed Retained Money Held;
(moneys in excess of \$100 retained by the holder and required to be paid to the Treasurer by 14 August 1996 if still unclaimed) ;

Pages 57-80 : Notification to Treasurer of Unclaimed Money or Prescribed Retained Money Held - Unclaimed Money Prepaid
(moneys in excess of \$100 already paid to the Treasurer by the holder) ;

Pages 81-147 : Payment to Treasury Under Section 13.
(moneys less than \$100 which the holder proposes to pay to the Treasury in due course).

Copies of previous Registers, the Act and the Unclaimed Money Regulations may be purchased from the State Law Publisher at 10 William Street, Perth.

Previous Registers were published on 3 June 1993 (Gazette No. 78), 23 June 1994 (Gazette No. 86) and 1 May 1995 (Gazette No. 54)

Prior to this, the holders of unclaimed moneys were required to advertise their holdings in the Government Gazette before making payment to the Treasurer.

The Act does not generally apply to unclaimed moneys held by banks, life insurance companies, bankrupt estates and public companies. Persons seeking to claim moneys from these institutions should approach the appropriate institution in the first instance.

Claimants have until 31 July 1996 to approach the specified "holder" as shown in this Register:

Persons wishing to establish proof of their claim of ownership to any unclaimed money should apply in writing to the holder specified in relation to that money. This should be supported with originals of any documentary evidence relative to the claim.

Where original documentation is not available, the application should be in the form of a Statutory Declaration and witnessed by either a Justice of the Peace or a Commissioner of Declarations. The declaration should specify the name of the claimant, the basis for the claim, details of the amount claimed as published in the Register and any other relevant information.

After which all claims (as per the above requirements) relating to this Register should be directed to:
