PUBLIC SECTOR MANAGEMENT**PS401****PUBLIC SECTOR MANAGEMENT ACT 1994****CHIEF EXECUTIVE OFFICER APPOINTMENTS**

The Government of Western Australia is keen to ensure that chief executive officers of all public service departments and agencies are the most suitable for the position. I have therefore decided that it is generally preferable to advertise chief executive officer positions at the expiry of existing appointments to ensure that competitive and merit-based appointments are made. This approach should not, however, be seen as a reflection upon the capacity of current chief executive officers whose terms of appointment have expired. I expect that present occupants will, in most cases, wish to apply for appointment to advertise positions.

Having received and considered relevant advice in respect of the chief executive officer listed below, I Richard Fairfax Court, Minister for Public Sector Management, notify that I have not recommended the reappointment of—

Agency	Title	Name of Current Occupant
Department of Conservation and Land Management	Executive Director	Dr Syd Shea

I shall soon be requesting the Commissioner for Public Sector Standards to act to enable the filling of this vacancy.

RICHARD COURT, Premier and Minister for Public Sector Management.

ZZ402**MEDICAL ACT 1894**

In the matter of the Medical Act 1894 and amendments and in the matter of an inquiry with reference to the conduct of Dr Craig Stephen White.

The Medical Board of Western Australia held an Inquiry on the 28th February 1996 into an allegation that Dr Craig Stephen White may be—

- (a) guilty of infamous or improper conduct pursuant to Section 13 (1) (a) of the Medical 1894 as amended, and
- (b) affected by a dependence on or addiction to deleterious drug(s) pursuant to Section 13 (1) (b) of the Medical Act 1894 as amended.

The charges related to allegations that Dr Craig Stephen White—

- (1) In the period from October to November 1994, forged prescription forms in the name of another practitioner, prescribing Proladone to himself which he self-administered without lawful cause or authority, and
- (2) In or about June 1995 he presented at a pharmacy with a charge card in the name of another practitioner and attempted to obtain a drug of addiction, namely pethidine, at time when his prescribing rights conferred by the Poisons Act were revoked.

Dr White pleaded guilty to the charges and the Board heard Ms Carmel McLure, Counsel for the Board and Ms P. M. Malcolm, Counsel for Dr White and found as follows—

- (A) Dr Craig Stephen White was guilty of infamous conduct and suspended from the Register of Medical Practitioners for three (3) months.
- (B) At the expiry of the three (3) month suspension, Dr White should only be permitted to practise upon giving an undertaking to be of good behaviour for a period of two (2) years and then on the following conditions—
 - (1) Within seven (7) days from 28th February 1996, Dr White gives an undertaking to the Board to be of good behaviour for a period of two (2) years and three (3) months (“the period”)
 - (2) Upon the expiration of the three (3) month suspension and thereafter for the next two (2) years, Dr White shall not within “the period”—
 - (i) prescribe or otherwise provide any person any drug listed in the 8th Schedule of the Poisons Act 1964 Schedule 8 drugs;
 - (ii) seek, request or obtain access to Schedule 8 drugs;
 - (iii) provided that (ii) above shall not restrict an independent registered medical practitioner from administering to Dr White a Schedule 8 drug for a diagnosed medical condition or in an emergency situation.
 - (3) If Dr White practises medicine within “the period”—
 - (i) He shall only work in such practice or situation as may be approved in writing by the Board in advance;
 - (ii) He shall inform the Board in writing from time to time of the name and addresses of his employer or employers or associate or associates;
 - (iii) He shall advise employer, employers, associate or associates in writing of the conditions (1) and (2) hereof.
 - (4) Dr White shall not within “the period” engage in the practise of medicine as a sole medical practitioner.

- (5) In order to enable the Board to be satisfied that Dr White has complied with conditions (1) and (2) hereof, he shall within the period—
- (a) attend regularly upon a registered medical practitioner approved in writing by the Board, who will, at 3 monthly intervals, provide a report in writing to Dr White's general physical wellbeing. Dr White shall provide written permission for the medical practitioner to provide reports to the Board.
 - (b) attend on a medical officer nominated by the Board 3 times per week or as otherwise directed by the Board to provide a urine sample under supervision. Dr White shall provide written permission for the nominated medical officer to provide the reports referred to in (4) hereof. The medical officer shall be responsible for—
 - (i) organising urine scans on a frequency determined by the Board, utilising the procedures adopted by the Western Australian Alcohol and Drug Authority;
 - (ii) arranging for the State Health Laboratory or some other nominated institution to conduct a full drug screen of the sample;
 - (iii) receiving the result of the screening; and
 - (iv) providing a written report to the Board every 3 months on the results to the screening program.
 - (c) Attend upon the psychiatrist Dr Malcolm Roberts or some other psychiatrist approved by the Board for treatment and/or counselling, who will, at 3 monthly intervals, provide a written report to the Board as to Dr White's condition and progress. Dr White shall provide written permission for the psychiatrist to provide the reports.
- (6) Dr White shall forthwith formally acknowledge in writing that a breach of any one or more of the abovementioned conditions or any parts thereof may result in further action being taken against him pursuant to Section 13 of the Medical Act 1894.
- (7) Dr White was ordered to pay the costs of the Inquiry.

By Order of the Medical Board of Western Australia.
