LG601**BUSH FIRES ACT 1954**

City of Mandurah

Notice to All Owners and/or Occupiers of Land**Rural and Semi Rural Firebreaks**

Pursuant to the powers contained in Section 33 of the Bush Fires Act 1954, you are hereby required to clear of inflammable material firebreaks not less than 4 metres in width and a vertical height clearance of 4.2 metres over the fire break, in the following positions on all land owned or occupied by you and situated within the City of Mandurah as described in 1 and 2 below.

1. Immediately inside all external boundaries of the said land.
2. Immediately surrounding all out buildings erected on the said land.

Such firebreaks may be constructed by one or more of the following methods—

Ploughing, cultivating, scarifying, burning, chemical spraying or other approved method.

and are to be cleared to the satisfaction of Council's Ranger Services. In addition you may be required to carry out further works which may be deemed necessary by Council's Ranger Services and specified by way of a separate written notice forwarded to the address as shown on the City of Mandurah rate records for the land.

In some instances naturally occurring features such as rocky outcrops, natural water courses or landscaping such as reticulated gardens, lawns or driveways may be an acceptable substitute for cleared firebreaks. This option must first be discussed with and approved by Council's Ranger Services.

All firebreaks as designated above must be prepared on or before the 1st day of December 1996 or within 14 days of becoming the owner or occupier should this be after that date) and maintaining clear of inflammable material up to and including the 31st May 1997.

Residential Vacant Lot Clearing

A 4 metre fire break does not apply in this case as the area of the land is 2023m² (approximately 1/2 acre) or less remove inflammable material on the land except living standing trees, from the whole of the land by December 1st, 1996, by one of the above mentioned methods and with all other associated conditions mentioned above to apply.

Take notice that pursuant to Clause 33 (4) of the Bush Fires Act, where the owner or occupier of land who has received notice fails or neglects to comply with the requisitions of the notice within the time specified, the City of Mandurah may, by its officers and with such servants, workmen and contractors vehicles and machinery as the officers deem fit enter upon the land and carry out the requisitions of the Notice which have not been complied with and pursuant to Clause 33 (5) of the Bush Fires Act the amount of any costs and expenses incurred may be recovered from you as the owner occupier of the land.

Application to vary the above requirements

If it is considered to be impracticable for any reason whatsoever to clear firebreaks as required by this notice, you may apply to the Council of the City of Mandurah or its duly authorised officers not later than the 16th day of November, 1996, for permission to provide firebreaks in alternative positions on the land. If permission is not granted by the Council or its duly authorised officers, you must comply with the requirements of this notice.

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act.

The penalty for failing to comply with this notice is a fine not exceeding \$1 000 and a person in default is also liable whether prosecuted or not to pay the costs of performing the work directed in this notice if it is not carried out by the owner and/or occupier by the date required by this notice.

By order of the Council.

MARK NEWMAN, Acting Chief Executive Officer.
