NATURE OF ACT: The compulsory taking of the land to grant estates, interests and rights under written law for the purpose specified in the Schedule (and ancillary purposes).

COMMENCEMENT OF ACT: The taking of the land is subject to the procedural requirements of Part 2, Division 3, Subdivision B of the *Native Title Act 1993* (Commonwealth) and section 17(2) of the *Land Acquisition and Public Works Act*. The taking of the land will proceed if:

- (1) there is no "native title party" (as defined by the *Native Title Act*) in relation to the taking of the land or, if there is a native title party, the taking may validly proceed under the *Native Title Act*; and
- (2) the Minister for Works decides to proceed with the taking upon completion of the procedures provided by section 17 (2) of the *Land Acquisition and Public Works Act*.

Native title parties—Any person who is a native title party in relation to the taking of the land or who becomes a native title party within two months of when notice of intention to take the land is given, is entitled to the negotiation and procedural rights provided in Part 2, Division 3, Subdivision B of the *Native Title Act*.

The two months within which persons must become a native title party will close on 17 March 1997.

The expression "native title party" is defined in sections 29, 30 and 253 of the *Native Title Act*. Enquiries regarding becoming a native title party should be directed to the National Native Title Tribunal, 1 Victoria Avenue, Perth, or GPO Box 9973, Perth WA 6001, telephone (09) 268 7272.

Other interest holders—Persons having or claiming other interests in any of the land may under section 17(2) of the *Land Acquisition and Public Works Act*, lodge an objection in writing to the proposed taking with the Department of Land Administration, PO Box 2222, Midland, no later than 17 March 1997. Objections must be in the Form of Objection, copies of which are available from the Department of Land Administration telephone (09) 273 7089 or (09) 273 7293.

TIME DURING WHICH THE ACT WILL CONTINUE TO BE DONE—Following the taking of the land estates or interests to accommodate the use/purpose (as more particularly described in the schedule) will be granted in relation to the land either by public auction, invitation of applications or tenders, private treaty or some other process.

KIND OF DISTURBANCE TO LAND—Disturbance to the land may thereafter be caused by the use and/or construction on the land consistent with the purpose(s) specified in the Schedule by the persons receiving the grants.

Enquiries relating to the proposed taking of the land may be directed to the Native Title Unit, Department of Land Administration, PO Box 2222, Midland 6056 (telephone (09) 273 7089 or (09) 273 7217).

Dated this 18th day of December 1996.

GRAHAM KIERATH, Minister for Lands.

Shire of Moora

SEWERAGE SCHEME EXTENSIONS

Moora Townsite
Seaforth Street

Notice of Intention

The Shire of Moora proposes to construct an extension to the existing townsite sewerage scheme for the purpose of draining waste water and sewerage from dwellings within the area delineated on Fraser Consultants Drawings No. 031/07072-S-2 and 031/07072-S-1 and to treat the waste water and sewerage in the treatment works already constructed. It is estimated that the capital cost of the extension will cost \$20 000, it is proposed to finance the work from Municipal Funds provided on Council's Budget.

The estimated capital cost of the properties to be served by the proposed extension is \$700 000.

Water supply for the Sewerage Scheme comes from the existing country areas water supply for Moora Townsite.

A general plan and description of the proposed extension has been deposited with the Executive Director, Public Health and copies may be inspected at the Council Office, objections will be received until 21 January 1997.

J. N. WARNE, Chief Executive Officer.

2. Amending the Scheme Map in accordance with the Scheme Amendment Map.
3. Amending the Scheme Text by inserting in Appendix 4B Special Provisions relating to the Rural Living B Zone, the following—

(A) Specified Area of Locality

1. Lots 1 and 182 Kargotich Road, Oakford

(B) Special Provisions to refer to (A)

1. Within the Rural Living Zone the following landuses are permitted or are permitted at the discretion of the Council.

Use classes permitted (P)—

Single Dwelling
Public Recreation
Public Utility

Discretionary Uses (AA)—

Ancillary Accommodation
Home Occupation
Rural Use/Intensive Agriculture

All other use classes are prohibited.

In exercising its discretion in respect to AA uses, the Council having regard to the Planning Guidelines for Nutrient Management shall only permit such uses when it is satisfied following consultation with Government Agencies that the land use does not involve excessive nutrient application or the clearing of the land.

2. No dwelling shall be approved by the Council unless it is connected to an alternative domestic wastewater treatment system as approved by the Health Department of WA with an adequate phosphorus retention capacity, as determined by the Department of Environmental Protection, and with the base of the system or the modified irrigation area being the required distance above the highest known water table.

3. Notwithstanding the controls specified by Provision 1, development and use of the land is subject to the provisions of the Water Authority of Western Australia By-laws applying to underground water supply and pollution control.
4. Drainage specifications, including downstream of the subdivision to Thomas Road new drain be resolved to the satisfaction of the Local Authority and nominated on the Plan of Subdivision. Those easements required by the Council shall be provided to the Council free of cost at the time of subdivision to provide for the ongoing maintenance of the drains and sumps.
5. No indigenous vegetation or trees shall be destroyed or cleared except, but subject to the developer of the estate/landowner obtaining the prior consent in writing of the Council, where such vegetation is dead, diseased or where the clearing is required for the purpose of a firebreak, dwelling, outbuilding, fence, drainage systems and/or driveways, to accommodate a "Rural Use" or "Intensive Agriculture".
6. At the time of the building application for each lot, a plan of the site shall be submitted by the applicant to the satisfaction and specifications of the Council which shall show site contours, existing trees and stands of vegetation, those trees and vegetation to be removed and retained and proposals for tree planting and maintenance.
7. The subdivider shall, in accordance with the Subdivision Guide Plan and the Schedule of Landscaping for this estate, plant indigenous trees and shrubs of a species and at a density and distribution to the satisfaction of the Council prior to the transfer of lots to a new owner.
8. The subdivider shall either maintain the trees and shrubs planted until the land is sold, or shall plant sufficient numbers of trees and shrubs to allow for natural loss. Thereafter, the owners of the subdivided lots shall be responsible for the maintenance and replacement (if and where necessary) of those trees and shrubs planted by the subdivider to the satisfaction of the local authority.
9. The subdivider shall prepare and implement a Fire Management Plan prior to commencement of subdivision, that identifies the need for and the construction requirements related to strategic firebreaks, water supplies and equipment and any other fire management requirements that may be deemed necessary, to the specifications and satisfaction of the local authority and the Bush Fires Board of WA.
