Town Planning Scheme No. 21

(Maddington)

The City of Gosnells proposes to prepare a Guided Town Planning Scheme for an area within approximately an 800 metre radius of Maddington Railway Station.

The purpose of the Scheme is to—

- Rezone land generally within an 800 metre radius of the Maddington Railway Station to accommodate medium density residential development;
- Make arrangements for the equitable sharing of infrastructure works, primarily drainage, between subdividers/developers, by applying a Scheme levy on future subdivision/residential development within the precinct.

- Establish design guidelines for the precinct in order to maintain a high standard of residential amenity.

Documentation outlining the proposal may be inspected at Council's Administration Centre at 2120 Albany Highway, Gosnells.

Any person wishing to make a submission regarding the proposal for a Guided Town Planning Scheme for the area, should write to—

Chief Executive Officer
City of Gosnells
Locked Bag No. 1
Gosnells WA 6990

All submissions should be received before 5 January 1998.

Ref: 853/2/28/1, Pt 284.

It is hereby notified for public information, in accordance with Section 7 of the Town Planning and Development Act 1928 that the Hon Minister for Planning approved the City of Rockingham Town Planning Scheme Amendment on November 15, 1997 for the purpose of:

1. Rezoning Lots 11 and 12 Eighty Road, Baldivis from "Rural" to "Special Residential" and "Local Reserve—Public Open Space";
2. Incorporating the following table into Table VIII Special Residential Zones—Provisions Relating to Specified Areas.

Column (a) Locality	Column (b) Provisions
Lots 11 and 12 Eighty Road, Baldivis	<ol style="list-style-type: none"> 1. The subdivision shall generally be in accordance with the Subdivision Guide Plan certified by the Chief Executive Officer as the subdivision plan relating to the areas as described in Column (a) and shall form part of the Scheme. 2. Council will not recommend lot sizes less than 2 000m². 3. A Single House shall be considered a "Permitted" (P) use and Home Occupation shall be considered as an "AA" use—no other uses shall be permitted. Only one dwelling and one outbuilding shall be constructed on any lot. 4. In addition to a Building License, Council's prior approval to commence development shall be required and such application shall be made on a MRS Form 1 Application for Approval to Commence Development. 5. Any residence and all other outbuildings shall only be constructed within designated building envelopes which shall be identified on each lot at the time of subdivision. The location and area of the building envelopes shall be to the satisfaction of Council and may be varied at the discretion of Council. 6. At the time of applying for planning approval, a plan of the site shall be submitted by the applicant, to the satisfaction and specification of the Council, which shall show site contours, existing trees and stands of vegetation, those trees and vegetation to be removed and retained and proposals for tree planting and maintenance. 7. All bores for the purpose of groundwater extraction shall require the prior approval of the Water & Rivers Commission. 8. For the purpose of maintaining the Wetland the following Management Provisions shall apply: <ol style="list-style-type: none"> (i) No new dams, artificial retention of water, pumping, diversion of water or modification to the natural form of the wetland shall be undertaken without the prior approval of the City of Rockingham; (ii) A no spray (pesticide/herbicide), non cultivation and non nitrogenous fertiliser application buffer of 50 metres from the foreshore of the wetland shall apply. The no spray requirement will not preclude carrying out of noxious weed control in accordance with Agricultural Protection Board Requirements or Pest Control as authorised by Council; (iii) The developer shall prepare and implement a Wetland Management Plan to the satisfaction and specification of the Department of Environmental Protection and Council at the time of subdivision. 9. The developer of the estate, the Council and property owners shall be mindful of and comply with the provisions of the Environmental Protection (Swan Coastal Plain Lakes) Policy 1992 and Statement of Planning Policy No. 2—The Peel Harvey Coastal Plain Catchment. The developer shall notify in writing any prospective purchaser of this provision. 10. The keeping of horses or livestock is not permitted.

Column (a) Locality	Column (b) Provisions
	<ol style="list-style-type: none"> 11. Perimeter fencing shall be limited to open rural type fencing of post and wire or post and rail nature, with fencing around dwellings to be to the satisfaction of Council. 12. No indigenous trees or substantial vegetation shall be removed without the prior approval of Council, except where; <ul style="list-style-type: none"> • the trees are dead, diseased or dangerous; • the establishment of a fire access track is required under regulation or bylaw; • access to an approved development site is required; • subdivision works require the removal of vegetation. 13. Within areas designated "Landscape Buffer/Planting" on the Subdivision Guide Plan, no trees or other flora shall be removed. Only the removal of trees or other vegetation to comply with the Bush Fires Act 1954 (as amended) will be permitted. 14. All public roads and public accessways within the Special Residential Zone shall be constructed to the specification and satisfaction of Council. 15. All lots within the estate shall be serviced with reticulated water and sewer to the satisfaction and specification of Council and the Water Corporation. 16. Stormwater drainage shall be contained on-site to the satisfaction and specifications of the Water Corporation and the Council. The developer of the estate shall obtain the approval of the Water Corporation and the Council for drainage proposals prior to commencement of site works. 17. The developer of the estate shall, within the Landscape Buffer/Planting Areas depicted on the Subdivision Guide Plan, plant indigenous and native trees and shrubs of a species to be determined by the Council. Tree planting shall occur and be undertaken to the satisfaction of the Council prior to the clearance of the Diagrams of Survey consistent with the staging of the estate. 18. The developer shall notify in writing any prospective purchasers of the requirement for the continued maintenance of the Landscape Buffer/Planting areas within the estate.
