TOWN OF MOSMAN PARK

LOCAL LAWS RELATING TO FLOODLIGHTS AND OTHER
EXTERIOR LIGHTS

The Council of the Town of Mosman Park records having made the following local laws relating to floodlighting and other exterior lights at a meeting of the Council held on 24 March 1998.

1. In these local laws unless the context otherwise requires—

“Council” means the Council of the Local Government of the Town of Mosman Park.

“Lot” has the meaning given it in and for the purposes of the *Town Planning and Development Act 1928*.

2. A person shall not cause a nuisance by floodlighting or other bright lighting.

3. A person shall not erect or use floodlights or other exterior lights over land or buildings—

(a) If any direct light source is or would shine onto an adjoining lot;

(b) Unless all poles or posts to or on which the floodlights or exterior lights are affixed—

(i) are of a single column construction

(ii) are not more than 7 metres in height above the natural level of the ground,

(c) Unless those lights and the poles or posts to which they are affixed are located at a distance greater than 2 metres from the closest boundary of an adjoining lot; provided that the Council may in any case or cases, determine that the distance may be less;

(d) Unless all electric power lines and cables within the lot on which the floodlights or exterior lights are erected or used to which those lights are connected are underground.

4. The Council may cause a notice to be served on the owner or occupier of land on which floodlighting or other exterior lighting is re-erected requiring that the hours of use of the lighting be limited to the hours prescribed in the notice.

5. A person who commits a breach of any of these local laws or who fails to comply with the requisitions contained in a notice served pursuant to Local Law 4 of these local laws commits an offence and is liable to a maximum penalty of \$500.00 and a maximum daily penalty during the breach of \$50.00 per day.

Dated this 2nd day of April 1998.

T. J. HARKEN, Chief Executive Officer.

ADVERTISEMENT OF APPROVED TOWN PLANNING SCHEME AMENDMENT

CITY OF ROCKINGHAM

TOWN PLANNING SCHEME NO. 1—AMENDMENT NO. 293

Ref: 853/2/28/1, Pt. 293.

It is hereby notified for public information, in accordance with Section 7 of the Town Planning and Development Act, 1928 (as amended) that the Hon Minister for Planning approved the City of Rockingham Town Planning Scheme Amendment on April 1, 1998 for the purpose of—

1. Rezoning Lot 11 Mandurah Road, Baldivis from "Rural" to "Special Rural".
2. Incorporating the following table into Table IV Special Rural Zones—Provisions Relating to Specified Areas.

Amendment No. 293

Column (a) Locality	Column (b) Provisions
Lot 11 (No. 153) Mandurah Road Baldivis	<ol style="list-style-type: none"> 1. Subdivision shall generally be in accordance with the Subdivision Guide Plan certified by the Chief Executive Officer as the subdivision plan relating to the areas as described in Column (a) Locality, and shall form part of the scheme. 2. (a) The following uses are permitted "P" within the "Special Rural" Zone as described in column (a): "Dwelling" (maximum of one per lot only). (b) The following uses are not permitted within the Special Rural Zone as described in column (a), unless approval is granted by Council: "AA"—"Home Occupation", "Stables", "Rural Industry". <p>The symbols used in paragraph 3 above have the same meaning as those set out in Clause 3.4 of the Scheme Text.</p> <ol style="list-style-type: none"> 3. The Council will not recommend lot sizes less than (2) hectares, where reticulated water is not available, or one (1) hectare where reticulated water is available. 4. Where lots are not connected to a reticulated water supply, no roof or roofs forming an effective catchment area shall be less than 90m² in area. 5. All development, including the clearing of land shall be set-back a minimum of forty (40) metres from Mandurah Road, thirty (30) metres from other subdivisional roads, and ten (10) metres from all other boundaries, unless otherwise specified in the City of Rockingham Rural Land Strategy. 6. Development is to comply with the Landscape Management Guidelines for the Zone B, as specified in the City of Rockingham Rural Land Strategy. 7. With the intention of preserving the existing natural vegetation and mature trees and preventing land use practices detrimental to the amenity of the locality, the approval of the Council is required for any intensive agricultural pursuit. The Council will have regard to limits on stocking, the limited groundwater resources, tree and vegetation preservation and the effects on the environment of the locality and residences of the area when considering the application and may, should approval be granted, impose any conditions or vary such conditions to take account of seasonal variations and changes. 8. The method of on-site effluent disposal servicing development shall be determined by the Local Authority and be to its specifications and satisfaction. In the event that a nutrient fixing effluent disposal system is not required, every dwelling shall have connected an effluent disposal system that has— <ol style="list-style-type: none"> (a) a vertical separation of two (2) or more metres between the base of the leach drain or soak well and the highest recorded groundwater level; (b) at least a 100m separation to existing drains, water courses and water bodies; and (c) been approved in writing by Council. 9. Stormwater drainage shall be contained on-site to the satisfaction of the Department of Environment, the Water and Rivers Commission and Council. The developer of the estate shall obtain the approval of the Water Corporation and the Council for drainage proposals prior to commencement of site works.

Column (a) Locality

Column (b) Provisions

10. No indigenous vegetation and trees shall be destroyed or cleared except, but subject to the developer of the estate obtaining the prior consent in writing of the Council where such vegetation and trees are dead, diseased or where the clearing is required for the purpose of a firebreak, dwelling, outbuilding, fence and/or driveway(s).

11. The developer of the estate shall within the Strategic Revegetation Area depicted on the Subdivision Guide Plan, plant trees and shrubs of a species and density and distribution to be determined by the Council. Tree planting shall occur and be undertaken to the satisfaction of the Council prior to clearance of the Diagram of Survey.

12. The developer of the estate shall maintain the trees and shrubs planted within the Strategic Revegetation Area and vegetation to be retained on each lot to the satisfaction of the Council until the land as a whole or in lots is sold.

Thereafter the new landowner(s) shall be responsible for the maintenance and the replacement (if and where necessary) of those trees and shrubs planted by the developer and vegetation retained on each lot to the satisfaction of the Council.

13. The developer shall notify in writing any prospective purchaser of the requirement for the continued maintenance of strategic revegetation areas within the estate.

14. The keeping of horses, sheep, goats and other grazing animals shall be subject to the prior approval of Council. Approval to keep animals shall not exceed the stocking rates recommended by the Agriculture Department of Western Australia for the applicable pasture types.

Council may approve the grazing of animals provided the Council is satisfied that nutrient input to the land can be controlled and that such will not result in the removal or damage of the vegetation and trees or result in soil erosion and dust pollution. As a condition of approval Council may require the animals to be stabled or corralled.

Where in the opinion of Council the continued presence of animals is likely to contribute, or is contributing to dust pollution and soil erosion, notice may be served on the owner of the land, requiring immediate removal of the animals specified in the notice for a period specified in the notice.

15. At the time of building application for each allotment, a plan of the site shall be submitted by the applicant to the satisfaction and specification of the Council which shall show site contours, existing trees and stands of vegetation, those trees and vegetation to be removed and retained and proposals for tree planting and maintenance.

16. Firebreaks shall be constructed and maintained to the satisfaction of the Bush Fire Board of Western Australia and the Council.

17. The subdivider shall make arrangements satisfactory to Council to ensure that prospective purchasers of lots created will be advised of those provisions of the Local Authority District Zoning Scheme and Statements of Planning Policy which relate to the use and management of the land.

18. No development, clearing, filling, excavating, fertilising, tilling of land, grazing or any other use is permitted in the area designated on the Subdivision Guide Plan "Opwin Swamp" or the 50m no development buffer without specific approval of Council.

19. For the purposes of maintaining "Opwin Swamp", the following Management Provisions shall apply.

I. No new dams, artificial retention of water, pumping, diversion of water or modification of Opwin Swamp's natural form shall be undertaken without the prior approval of the City of Rockingham.

II. The activities of stock on the land immediately surrounding Opwin Swamp shall be controlled such that problems of erosion, pollution and vegetation degradation do not occur.

Column (a) Locality

Column (b) Provisions

III. A no spray (pesticide/herbicide), non cultivation and non nitrogenous fertiliser application buffer of 50m from the Opwin Swamp shall apply. The no spray requirement will not preclude carrying out of noxious weed of noxious weed control in accordance with Agricultural Protection Board Requirements or Pest Control as authorised by the Council.

**Twelfth Report
1996**

Competition Policy

In January 1996 the Standing Committee on Uniform Legislation and Intergovernmental Agreements reported on the implications for State law of the controversial Hilmer reforms, and said it would be unacceptable if the privatisation of former government business agencies left customers worse off.

This report is now available. The report calls for a comprehensive set of consumer safeguards to be introduced to privatised and corporatised governments agencies providing basic services to customers.
