(Please read the following information and Supplementary Notes before making any enquiries with the relevant contacts).

In accordance with the Unclaimed Money Act 1990 (the Act) this publication of the Government Gazette contains information on unclaimed moneys for which notification or payment was received by the Treasury Department of WA for the period 1 February 1996 to 31 January 1997. Please note that Treasury is unable to provide any further information other than that published.

Pages 2683-2741: Section 2. Lists moneys less than \$100 which the holders have paid or may pay voluntarily to the Treasurer under the Act.

Should your name appear in this Gazette use the Holder Reference to identify the appropriate organisation to which claims are to be directed. Holder details are listed in pages i-ix of this Gazette. \* After 31 July 1998 all claims should be directed to the Treasury address shown at the conclusion of these notes.

Persons wishing to establish proof of their claim of ownership to any unclaimed money should apply in writing to the contact specified in relation to that money. This should be supported with originals of any documentary evidence relative to the claim.

Where original documentation is not available, the application should be in the form of a Statutory Declaration.

**COMPLETING A STATUTORY DECLARATION**

Statutory declaration forms can generally be obtained from stationery stores and newsagents. Forms may also be available at police stations and post offices.

The declaration must be prepared and signed by all parties to the claim (ie joint payees).

The declaration must state the claimant(s) current name and address. Where this information differs from that gazetted the claimant(s) must provide explanatory documentation (eg copy of Marriage Certificate).

Executors of deceased estates must provide copies of the Death Certificate, Will and Probate Certificate.

The claimant(s) must make a statement explaining their relationship to the provider of the money, the basis of their claim, details of the amount as published in the Gazette and any other relevant information.

The declaration must be witnessed by a duly authorised person (eg Justice of the Peace, Commissioner of Declarations) who will need to sight proof of a claimant's identity (eg Birth Certificate, Driver's Licence, Passport).

**Important Note: A person who knowingly makes a false statement or declaration may be guilty of a misdemeanour under the Western Australian Criminal Code and may face a fine or penalty of imprisonment.**
