A person shall not use or attempt to use gear in the waters described in Schedule 1 other than in accordance with a licence.”.

**Clause 6—deleted**

9. Clause 6 of the Principal Plan is deleted.

**Clause 7—deleted and substituted**

10. Clause 7 of the Principal Plan is deleted and the following substituted—

**“6. Licences**

(1) Managed Fishery Licence—

- (a) a Managed Fishery Licence issued pursuant to this Plan, expires on 31 May of the year following the year in which it was last renewed;
- (b) a Managed Fishery Licence upon issue or renewal shall be endorsed to show—
  - (i) the name and fishing boat number of the authorised boat nominated as the boat from which the licence is to be operated;
  - (ii) the licence number;
  - (iii) the period for which the licence is valid;
  - (iv) the type of gear permitted to be used;
  - (v) the mesh size of net which may be used;
  - (vi) the gear unit entitlement of the licence
  - (vii) the allocation of units by gear months; and
  - (viii) the Zone or Zones in which the licence may be operated;

(2) Fishing Boat Licence—Supplementary Access

- (a) Where the Executive Director has granted an application by the holder of the fishing boat licence for supplementary access in accordance with the Principal Plan, the licence upon renewal from time-to-time shall be endorsed with the following—
  - (i) the time gear allocation that may be used by means of that boat;
  - (ii) the Zone in which the boat may operate;
  - (iii) the type of gear permitted to be used;
  - (iv) the total time gear allocation;
  - (v) the minimum mesh size of net which may be used;
  - (vi) the maximum depth in meshes of the net which may be used; and
  - (vii) any conditions imposed on the fishing boat licence in respect to access to the fishery.
- (b) It shall be grounds for the Executive Director to refuse to transfer time gear allocation granted as described in this sub-clause if, in the opinion of the Executive Director,
  - (i) such restriction on transfer is necessary to contain effective fishing effort;
  - (ii) the entitlement the subject of the proposed transfer does not form part of the total allocation of fishing entitlements attached to the fishing boat licence; or
  - (iii) the time gear allocation subject to the transfer does not form an integral part of the proposed transferee's boat's fishing operations and the allocation is not to be transferred in conjunction with all other licences on which the boat is nominated.
- (3) For the purpose of this clause a “time gear unit” shall mean 600 metres of gillnet used for one month or 200 hooks on a length of longline used for one month.
- (4) An application by a holder of a licence listed in Schedule 2 (Historical 20-Mesh Users) to transfer the licence or time gear allocation attached to that licence, to a person other than the holder of a licence listed in Schedule 2, shall be taken, at the relevant time, to be subject to a reduction penalty of time gear allocation equivalent to the difference between the net length per unit for ‘historical users of 20-mesh’ and the net length per unit for ‘other users of 20-mesh’ as set out in the Zones 1 and 3 Table to Schedule 3.

**Clause 8—deleted and substituted**

11. Clause 8 of the Principal Plan is deleted and the following clause substituted—

**“7. Permitted means of operating in the Fishery**

- (1) Subject to subclause (2) a person shall not take or attempt to take fish by the use of gear in the Fishery unless—
  - (a) the person is the holder of a managed fishery licence issued pursuant to this Plan; or
  - (b) the person is the holder of a fishing boat licence, endorsed pursuant to this Plan, (an endorsed licence) to permit the taking of fish by means of—
    - (i) gillnet;
    - (ii) longline; or
    - (iii) gillnet and longline,and has nominated in a form approved by the Executive Director and at a time specified by the Executive Director, the gear units to be used in a relevant gear month.
- (2) A person shall not use a gillnet and a longline at the same time.
- (3) Unless otherwise authorised in writing by the Executive Director a person shall not carry on board a boat or use from a boat in the Fishery any gear that is in excess of the gear entitlement for that boat in any given month.

- (4) For the purposes of this Clause a gillnet which—
  - (a) may be used by a person authorised to operate in Zone 1 or Zone 3 of the Fishery shall be of mesh size not less than 175 millimetres; and
  - (b) may be used by a person authorised to operate in Zone 2 or Zone 4 of the fishery shall have a mesh size not less than 162.5 millimetres;
  - (c) have attached surface floats which —
    - (i) have a diameter of not less than 200 millimetres; and
    - (ii) are branded or stamped with the licensed fishing boat number of the boat (without the letters “LFB”) in legible characters not less than 60 millimetres high and 10 millimetres wide;
  - (d) be removed from the water at least once each day.
- (5) For the purposes of this Clause a longline which may be used in the Fishery shall—
  - (a) have attached surface floats which —
    - (i) have a diameter of not less than 200 millimetres; and
    - (ii) are branded or stamped with the licensed fishing boat number of the boat (without the letters “LFB”) in legible characters not less than 60 millimetres high and 10 millimetres wide;
  - (b) be removed from the water at least once each day.
- (6) (a) Where a gillnet is stored on a reel that reel shall —
  - (i) have provision for a lock and seal to hold the bar in place; and
  - (ii) have the lock and seal fixed at all times when the boat is not permitted to take fish by means of a gillnet or [longline]???
- (b) The seal referred to in sub-clause (a) shall be provided by Fisheries WA and shall be affixed to the reel as directed by an Inspector.
- (7) The master of the boat shall not remove or permit any other person to remove any lock or seal fitted to a reel at any time during the period the boat is not permitted to operate in the Fishery or a Zone of the Fishery.”.

**Clause 9—deleted and substituted**

12. Clause 9 of the Principal Plan is deleted and the following substituted—

**“8. Entitlement in Time Gear Units**

- (1) The entitlements conferred by a licence to fish by means of gear in the Fishery are divided into time-gear units.
- (2) The extent of a time-gear unit entitlement within a specified licensing period is determined by reference to the extent of the gillnet and longline units in the fishing seasons specified in Schedule 3.
- (3) Prior to the expiration of a licensing period specified in Schedule 3, and subject to the nomination referred to in clause 7, the Executive Director, by notice in writing to licence holders, shall determine the extent of gillnet and longline units for the subsequent fishing season by reference to the Table in that Schedule.”.

**Clause 10—deleted and substituted**

13. Clause 10 of the Principal Plan is deleted and the following is substituted—

**“9. Gear conversion**

The holder of a licence may at any time apply to the Executive Director to vary the entitlement under a licence by substituting—

- (a) a longline unit for a gillnet unit; or
- (b) a gillnet unit for a longline unit.

**Clause 11—deleted and substituted**

14. Clause 11 of the Principal Plan is deleted and the following substituted—

**“10. Temporary transfer of Entitlements**

- (1) Where the holder of a managed fishery licence—
  - (a) applies to the Executive Director to transfer specified gear units to another licence for a limited period;
  - (b) gives notice that a nomination of fishing time previously made under Clause 13 in respect of the specified units (‘the transferred units’) the subject of the application should cease to have effect andthe Executive Director, subject to sub-clause (2), may transfer those units for a specified period within the current licensing period.
- (2) An application under sub-clause (1) shall be made in respect of a whole number of the units.
- (3) It shall be grounds for refusing an application under this clause that the application did not meet the requirements of administrative facility in that it failed to specify a whole number of units to be transferred.

**Clause 12—deleted and substituted**

15. Clause 12 of the Principal Plan is deleted and the following substituted—

**“11. Nomination of fishing time**

- (1) Before the commencement of a licensing period and at a time specified by the Executive Director, a licence holder shall nominate in writing in a form approved by the Executive Director, the months in which the licence-holder proposes to use gear in the Fishery in the following licensing period.
- (2) The Executive Director may refuse to approve the gear months nominated in accordance with sub-clause (1), if the licence holder has nominated a number of time gear units which correspond to a total entitlement in any one month in excess of either 8,240 metres of gillnet or 2,800 hooks.
- (3) A licence holder may apply to the Executive Director to re-nominate in accordance with sub-clause (1) and the Executive Director may permit a re-nomination if he believes that in the circumstances it is in the best interests of the fishery that the licence holder do so and at the time the application is received by the Executive Director, the renomination relates to gear units which were to be fished in a previously nominated future month within the current licensing period.

**Clause 12—deleted and substituted**

16. Clause 13 of the Principal Plan is deleted and the following substituted—

**“12. Offences and major provisions**

A person who contravenes a provision of—

- (a) clauses 5, 7; or

**GAMING COMMISSION ACT 1987**  
SECTION 104  
PERMIT FOR CONDUCT OF  
TRADE PROMOTION LOTTERIES

A Trade Promotion Lottery is a lottery conducted to promote the sale of goods or the use of services, in which every participant takes part—

- (a) without cost to him; or
- (b) by reason of the purchase of goods or the use of services, the cost of which is no more than the cost would be without the opportunity to take part in the lottery.

The GAMING COMMISSION of WESTERN AUSTRALIA hereby authorises the conduct of Trade Promotion Lotteries, which are deemed to be permitted lotteries provided that the following conditions are complied with in respect of the conduct of the Trade Promotion Lotteries—

1. There shall be no cost to enter the lottery
2. If the entry is via a telephone call or other electronic medium, the cost of the call shall not exceed 50 cents.

3. The lottery may be conducted for a maximum of twelve months.
4. The draw must be conducted within one month of the closure of the lottery.
5. The value and/or description of the prize/s must be printed on the entry coupon or clearly stated in any other advertising material.
6. Conditions of the entry must be printed on the entry coupon or clearly stated in any other advertising material.
7. Where the promotion is conducted by audio, visual or other media, the value and/or description of the prizes and conditions of entry shall be clearly stated or otherwise made clear.
8. The method for determining the winner shall be clearly stated or otherwise made clear.
9. Records relating to the lottery shall be maintained for a period of twelve months and shall be made available to an authorised officer of the Gaming Commission upon request.
10. Where practicable members of the public must be afforded the opportunity to witness the draw. Where not practicable audit records confirming the prize draw must be made available to an authorised officer of the Gaming Commission upon request.

## New Publication - Now Available!

# The Western Australian Parliamentary Handbook 1998

This volume has been available through 19 editions for over three-quarters of a century and the effective reworking of its contents and presentation which was achieved in the centenary edition has now been greatly enhanced by the addition of a number of "user friendly" aspects. Use of colour coding and the addition of a comprehensive index make the information much more accessible than in the past.

Clear and logical presentation of information which covers not only biographical details of current Members and Officers of Parliament, but also a comprehensive historical record presented chronologically of Members of the Legislative Assembly from 1832 until the present day helps us all.

In addition to that general information, there are a number of small but extremely useful sections which deal with questions often asked about the Parliament, such as the youngest and oldest members ever to occupy various offices, statistics relating to women members of the Western Australian Parliament, slightly quirky information related to Members of Parliament who have been close relations, as well as concise and valuable information relating to changes of total membership and new membership following general elections and information on referendums

This volume is recommended as an invaluable reference tool for schools, researchers, private business organisations, government departments and authorities and local community libraries.
