Statute No. 13—Admission to Status

Repeal

Statute No. 22—Fees and Charges

Repeal and make the attached new Statute No. 22—Fees

Statute No. 11—Admissions

1. The Academic Council shall be responsible for determining: (a) policy on the academic aspects of admission of students to the University, and (b) which programmes of study shall have a quota limiting the total number of students who may be admitted. The Council may delegate this authority to a committee of the University. Every such delegation shall be revocable by the Council, and no delegation shall prevent the Council carrying out the responsibilities imposed on it by this Statute.
2. The Deputy Vice Chancellor shall be responsible for determining the levels of admission quotas and targets for the entire University, for levels of study and for parts of the University. The Deputy Vice Chancellor shall exercise this power only after consultation with the Executive Deans.
3. The Senate may make regulations authorising Committee(s) or officer(s) of the University to make decisions on the admission of individual students.

4. The Academic Council shall make Rules providing for the award of credit and exemptions for students admitted without examination to status in the University.
5. The former Statute No. 11—Admissions and Statute No. 13—Admission to Status are hereby repealed.

Statute No. 22—Fees

1. The Senate may by Regulation impose the following fees and charges—
 - (a) tuition fees;
 - (b) charges for use of services, facilities, equipment and materials;
 - (c) administrative charges;
 - (d) rental fees and deposit charges for student accommodation;
 - (e) contributions under the Higher Education Contribution Scheme, as required by the Commonwealth Higher Education Funding Act.
2. The Fee Regulations and Rules shall be made available in such a way as to make them reasonably accessible to those affected.
3. Statute No. 22—Fees and Charges is hereby repealed.

LG501**BUSH FIRES ACT 1954***Shire of Westonia***FIREBREAKS ORDER**

Notice to Owners and occupiers of land within the Shire of Westonia

Pursuant to the powers contained in Section 33 of the above mentioned Act, all owners and/or occupiers of land within the Shire, of Westonia are hereby required on or before the 1st day of November 1999 to provide a firebreak clear of all inflammable material of not less than three (3) metres wide on all rural and town site land owned and occupied by you and thereafter to maintain such firebreaks clear of all inflammable materials up to and including the 31st day of January 2000 in accordance with the following schedule:

1. Immediately inside all external boundaries of land.
2. In such other positions as is necessary to divide the land in the areas not exceeding 404 hectares.
3. Immediately surrounding any part of the land used for pasture crop.
4. Immediately surrounding all buildings, haystacks and fuel ramps situated on the land.

If for any reason it is considered impractical to comply with any provisions of this notice, written application should be made to the Council no later than the 15th day of October 1999. If permission is not granted by the Council the owner and/or occupier of the land shall comply with the requirements of the notice as specified. The penalty for failure with this notice is a fine of not less than \$40, nor more than \$400 and a person in default is also liable whether prosecuted or not, to pay the costs of performing the work directed in this notice if it is not carried out by the owner or occupier by the date required. If requirements of this notice are carried out by burning such burning must be in strict accordance with the relevant provisions of the Bush Fires Act.

Dated 13th September 1999.

By Order of the Council.

A. W. PRICE, Chief Executive Officer.

LG502**BUSH FIRES ACT 1954***City of Rockingham***NOTICE TO OWNERS/OCCUPIERS OF PROPERTY**

Under Section 33 of The Bush Fires Act 1954

Pursuant to the powers contained in Section 33 of the above Act you are hereby required on or before the 30th day of November 1999 to clear of ALL FLAMMABLE MATERIAL firebreaks not less than three metres wide on rural land owned or occupied by you, and not less than two metres wide on townsite land (ie land within a townsite or within any other area subdivided for residential purposes) owned or occupied by you and thereafter to maintain the firebreaks clear of all flammable material up to and including the 31st day of March 2000.

1. Immediately inside all external boundaries of the land.
2. Immediately surrounding all buildings, haystacks and fuel ramps situated on the land, and
3. Immediately surrounding any drum or drums, situated on the land, which are normally used for the storage of fuel whether they contain fuel or not.

If it is considered to be impracticable for any reason to clear firebreaks as required by this notice, you may apply to the Council or its duly authorised Officer not later than the 5th day of November 1999 for permission to provide firebreaks in alternative positions on the land. If the permission is not granted by the Council or its duly authorised Officer, you shall comply with the requirements of this notice.

Failure to comply with this notice will subject the offender to the penalties prescribed in the Bush Fires Act 1954 as amended, and a person in default is also liable, whether prosecuted or not, to pay the cost of performing the work directed in this notice, if it is not carried out by the owner or occupier by the date required by this notice.

The relevant provisions of the Bush Fires Act must be observed if the requirements of this notice are carried out by burning.

PLEASE NOTE:

The prohibited burning time for the City of Rockingham is 1st December to 31st March inclusive. Firebreaks constructed by mowing are not acceptable.

The restricted burning period in each year (all dates inclusive) is:

1st October to 30th November; 1st April to 31st May

Permits must be obtained from the Bush Fire Control Officer, City of Rockingham, Council Administration Offices prior to burning off during the restricted burning periods.

G. G. HOLLAND, Chief Executive Officer.

LG503**BUSH FIRES ACT 1954***CITY OF GOSNELLS***FIREBREAK NOTICE****NOTICE TO ALL OWNERS AND/OR OCCUPIERS OF LAND IN THE CITY OF GOSNELLS**

Pursuant to the powers contained in Section 33 of the above Act, you are hereby required on or before the 30th day of November 1999 or within fourteen days of the date of you becoming the owner or occupier should this be after the 30th day of November 1999 and thereafter up to and including the 30th day of April 2000 to have and maintain a firebreak clear of flammable material, at least 3 metres wide and high immediately inside all external boundaries of each single lot owned or occupied by you and also immediately surrounding all buildings situated on the land or if no bushland is contained on the land, as an alternative, to maintain low fire fuels to the satisfaction of Council's Firebreak Inspector by slashing/mowing/removal or by other means.

Note: Permits to burn in residential areas are issued only where alternative means of removing fire hazards are not possible.

Council retains the right to remove any fire hazard at the owners and/or occupiers expense following the failure of an owner and/or occupier to comply with the requisitions of this notice or of a special order in writing to clear a fire hazard or firebreak in accordance with Section 33 of the Bush Fires Act 1954

VARIATIONS TO REQUIREMENTS OF THIS NOTICE

If it is considered impracticable for any reason to clear firebreaks as required by this notice, you may apply to the Council or its duly authorised officer in writing not later than the 11th day of November 1999, for permission to provide firebreaks in alternative positions on that land. If permission is not granted by the Council or its duly authorised officer, you shall comply with the requirements of this notice.

The penalty for failing to comply with this notice is a fine of not more than \$1,000 and a person in default may also receive an Infringement Notice of \$80, and be liable whether prosecuted or not, to pay the cost of performing the work directed if it is not carried out by the owner or occupier by the date required by this notice.

If the requirements of this notice are carried out by burning, such burning must be in accordance with the relevant provisions of the Bush Fires Act 1954.

City of Gosnells
2120 Albany Highway
Gosnells

LG504**BUSH FIRES ACT 1954****1999/2000 FIREBREAK NOTICE****NOTICE TO OWNERS AND OCCUPIERS OF LAND**

Pursuant to the powers contained in Section 33 of the above Act, you are hereby required on or before November 1, 1999 to install and thereafter maintain until May 1, 2000, low fuel buffers, or cleared areas, of the following dimensions and in the following positions on land owned or occupied by yourself.

Persons who fail to comply with the requirements of this order may be issued with an infringement (penalty \$80) or prosecuted with an increased penalty of up to \$1000 and additionally, Council may carry out the required work at the cost to the owner or occupier. Failure to comply may also complicate insurance claims resulting from fires spreading into or out of a property.

1. HOMESTEADS, BUILDINGS, HAYSTACKS AND HAYROLLS (in respect of all land).

Install low fuel buffers not less than twenty (20) metres wide are required around all buildings or group of buildings, haystacks and hayrolls.

Low fuel buffer may be established by parkland clearing, slashing or any other method. A cultivated garden may be acceptable as a low fuel buffer.

2. RURAL LAND

(a) Cleared Land: Boundary firebreaks are not compulsory.

(b) Uncleared Land: (exclude areas set aside for conservation purposes) Install low fuel buffers, not less than six (6) metres wide on the inside and along the external boundaries of any property. In cases where a property is only partially cleared, the boundary low fuel buffer is only required in areas where the uncleared land abuts the property boundary.

3. URBAN LAND/SPECIAL RESIDENTIAL

(Residential, Commercial and Industrial Land within a townsite or any other subdivided for residential purposes.)

(a) Where the land is 2000sqm or less clear and maintain the whole of the land in a low fuel condition.

(b) Where the land is 2000sqm or greater install and maintain a low fuel buffer not less than four (4) metres wide on the inside of all the boundaries.

4. SPECIAL RURAL ZONED LAND

(Pink Lake Estate, Keenans Road, Stearnes/Davis Roads, Quarry Road, Windabout Estate and Melijinup) Install and maintain low fuel buffers not less than four (4) metres wide on the inside of all boundaries.

5. BULK FUEL/GAS/CHEMICAL STORAGE

In respect to any land upon which there is situated any container used to store flammable liquids, chemicals or gas fuel (be they empty or not) including any ramp or support so constructed, you shall have the said land cleared of all flammable materials for a minimum of six (6) metres from the site perimeter.

6. HARDWOOD/SOFTWOOD PLANTATIONS

The minimum fire protection requirements for Hardwood/Softwood Plantations shall be in accordance with Council's adopted policy (copies are available from the Shire Office).

7. APPLICATION TO VARY THE ABOVE REQUIREMENTS

Council will consider giving approval on an annual basis a variation to the requirements presented in Clauses 1 to 6 where more suitable fire protection can be provided or where a variation is desirable for conservation purposes.

Approval for such alternatives will only be considered if submitted in writing by September 30th with the endorsement of the Bush Fire Brigade for the area concerned and will be on an annual basis.

Applications for an exemption will be considered by Council, but only if it is satisfied that adequate measures have been taken to prevent the spread of fire into or out of the particular property. When making such applications landowners will have to:

- Demonstrate how they intend protecting, by static low fuel areas, all buildings, fuel installations and haystacks situated on the land;
- Submit in conjunction with their application plans detailing a fire protection strategy they shall implement on their land and on any unmanaged vacant Crown land that may adjoin the relevant property;
- Provide an operational mobile engine powered pumping unit with not less than 450 litres of water to be available at all times and in the paddock during harvesting operations;
- Comply with any other conditions imposed by the appropriate Bushfire Brigade.

8. DEFINITIONS FOR THE PURPOSE OF THIS FIRE BREAK NOTICE

Bush—includes trees, bushes, plants, stubble, scrub and undergrowth of all kinds whatsoever alive or dead and whether standing or not standing and also a part of a tree, bush plant or undergrowth and whether severed there from or not so severed excluding plantations.

Haystack/Hayroll—means any collection of hay exceeding 10 tonnes stacked or placed together.

Flammable Material—includes bush, timber, boxes, cartons, paper and like flammable materials, rubbish and also any combustible matter, but doesn't include green standing trees or cultivated growing bushes and plants in gardens or lawns.

Low Fuel Buffer—an area where flammable material has been reduced to a height of not more than 100mm. This can be achieved through slashing, parkland clearing, grazings, spraying or other methods. Driveways, cultivated gardens and lawn may form part of a low fuel buffer.

Low Fuel Conditions—an area where flammable material has been reduced to a height of not more than 50mm. This can be achieved through slashing, parkland clearing, grazing, spraying or other methods.

Plantation—any area of planted Pines or Eucalyptus species exceeding three (3) hectares except areas planted as salt reclamation projects and areas planted as windbreaks not exceeding twenty five (25) metres in depth.

9. HARVESTING, VEHICLE AND MACHINERY MOVEMENT BANS

Definitions

The following definitions shall apply to the guidelines on the ban of vehicle and machinery movement under Regulation 38A of the Bush Fires Act.

Laneway—A laneway is defined as having a constructed, trafficable surface, a minimum of three (3) metres wide, free of all inflammable material. Overhanging vegetation has to be pruned back so as not to come into contact with parts of a vehicle.

Mobile Fire Fighting Unit—A mobile fire-fighting unit is defined as a vehicle fitted with a 450 litre tank, an operational fire fighting pump and radio communications.

Harvesting Vehicle and Machinery Movement Ban—A ban on the operation of all grain harvesting vehicles and machines and a ban on the movement of all vehicles and machinery within a Shire or part of a Shire and during a time as specified in a notice of broadcast (Reg 38A) with the exception of the movement of vehicles and machinery on made gazetted roads, laneways and yards. The following activities are permitted provided these comply with specified conditions.

Specified Condition

1. Loading and offloading of grain, fertiliser and feed is only permitted on sites which are approved and registered by Council on an annual basis and which are clear of all inflammable material save live standing trees to a radius of at least 25 metres. A mobile fire-fighting unit shall be in attendance at all times and accompany the grain carting vehicle when travelling on a laneway between the registered site and a made gazetted road.

(Please note that an owner or occupier of a site may appeal to the Chief Bush Fire Control Officer incases where approval was not granted or granted subject to additional conditions.)

2. Water carting for stock and domestic purposes provided it is accompanied by a mobile fire-fighting unit, or alternatively, the water carting vehicle acts as the mobile fire-fighting unit and meets minimum specifications (this also requires the retention of 450 litres of water at all times).

3. All necessary travel within piggeries, sheep or cattle feed lots, provided this is undertaken in a mobile fire-fighting unit.

4. All necessary carting of live stock, provided that such a vehicle is accompanied by a mobile fire-fighting unit.

5. Activities which received specific exemptions from Council or a Chief Bush Fire Control Officer.

All other activities or operations may only be undertaken during Total Vehicle and Machinery Movement Bans after approval has been granted by Council. Approval has to be sought on an individual basis. Approval may be subject to specified conditions. It should be noted that approval may not be granted.

By Order of the Council

M. S. L. ARCHER, Chief Executive Officer.
