PD501***METROPOLITAN REGION TOWN PLANNING SCHEME ACT 1959**NOTICE OF PROPOSED AMENDMENT (SECTION 33) TO THE
METROPOLITAN REGION SCHEME

Metropolitan Region Scheme Amendment No. 992/33
Clarkson-Butler

CALL FOR PUBLIC SUBMISSIONS

The Western Australian Planning Commission intends to amend the Metropolitan Region Scheme (MRS) for land in the Cities of Joondalup and Wanneroo and is seeking public comment.

Purpose

The proposed Clarkson-Butler amendment is intended to facilitate the implementation of important elements of the Commission's *North West Corridor Structure Plan (1992)* in relation to the Parks and Recreation, Public Purposes, Railways, Primary Regional Roads and Other Regional Roads reservations and the Rural, Urban and Urban Deferred zones.

The inclusion of the necessary zones and reservations in the MRS will formalise long term planning within the North West Corridor. These include the alignments for the future extension of the Northern Suburbs Passenger Railway and the Mitchell Freeway.

Environmental Review (Amendment No. 1139)

The Environmental Protection Authority (EPA) required an Environmental Review for six of the eleven proposals in the Amendment. These proposals relate to the rezoning of part lot 2 Burns Beach and the northern portion of lot 17; the reservation of two east-west roads and the Mitchell Freeway Transportation Corridor including a railcar depot; and the rationalisation of Wanneroo Road.

Separate Environmental Review reports have been prepared for each of the six proposals assessed by the EPA, along with an *Environmental Review Summary Report*. These examine the potential environmental impacts associated with the implementation of the amendment, and put forward proposed environmental management measures.

The *Environmental Review Summary Report* and associated separate reports are being advertised concurrently with the Metropolitan Region Scheme amendment so that environmental matters related to the Amendment can be commented on.

In addition to the official display centres shown below, the environmental review documents along with the Commission's *Amendment Report* can be examined at the public libraries of Joondalup, Wanneroo, Duncraig, Girrawheen, Whitford, Woodvale Yanchep/Two Rocks, and the Library Information Centre of the Department of Environmental Protection, 8th floor, Westralia Square, 141 St Georges Terrace, Perth.

Copies of each Environmental Review can be purchased from the Ministry for Planning.

Procedure

The procedure for amending the Scheme, as set out in section 33 of the Metropolitan Region Town Planning Scheme Act, is to be used to advertise this proposal. Public submissions are invited and the amendment will eventually be put to Parliament for final approval.

Copies of the amending and detail plans showing the proposed changes to the zones and reservations of the Scheme, the Commission's *Amendment Report*, and the environmental review documents will be available for public inspection from Tuesday 28 September 1999 to Friday, 31 December 1999, at each of the following places—
