ADVERTISEMENT OF APPROVED TOWN PLANNING SCHEME AMENDMENT

SHIRE OF SERPENTINE-JARRAHDAL

TOWN PLANNING SCHEME No. 2—AMENDMENT No. 93

Ref: 853/2/29/3 Pt 93

It is hereby notified for public information, in accordance with Section 7 of the Town Planning and Development Act, 1928 (as amended) that the Acting Hon Minister for Planning approved

the Shire of Serpentine-Jarrahdale Town Planning Scheme Amendment on 16 January, 2000 for the purpose of—

1. Including Lot 181 Kargotich Road, Byford, in Appendix 2—Special Use Zones, (Conservation Living) and including the appropriate details in appendix 2 of the Scheme as follows—

DESCRIPTION OF LAND

Lot 181 Kargotich Road,
Mundijong

PERMITTED USE

Permitted Uses Include—

- (a) Dwelling; and
- (b) Home Occupation

and the following land uses at Council's discretion—

- (a) Stables;
- (b) All other uses are not permitted unless Council determines that for land within the Priority Habitat Conservation Area identified on the Subdivision Guide Plan, a particular land use is consistent with the conservation objectives of the zone.

1. Subdivision and development shall be generally in accordance with the Subdivision Guide Plan for this location, as endorsed by Council.
2. In exercising its discretion in respect to AA uses, the Council having regard to the Planning Guidelines for Nutrient Management contained in the Shire of Serpentine-Jarrahdale Rural Strategy shall only permit such uses when it is satisfied following consultation with Government Agencies that the use does not involve excessive nutrient application or clearing of land.
3. Dwelling houses on each lot within the subdivision shall be provided with a water supply of minimum capacity of 92 000 litres which may be supplied from underground supplies or rainwater storage system to the satisfaction of Council.
4. No development other than fencing, shall be permitted outside the area defined as the "building envelope" on the Subdivision Guide Plan.
5. Within the Priority Habitat Conservation Area depicted on the approved Subdivision Guide Plan, the planting of non indigenous vegetation and removal of any vegetation including the understorey, from any area outside of the identified building envelope shall be prohibited, unless written approval is obtained from Council.
6. The keeping of horses, sheep, goats or other grazing animals shall be prohibited on the lots identified in the Priority Habitat Conservation area as depicted on the Subdivision Guide Plan. The keeping of animals on the land not identified in the Priority Habitat Conservation Area shall not exceed the stocking rates recommended by the Department of Agriculture for the applicable pasture types.
7. Keeping of cats shall be prohibited.
8. Keeping of dogs shall be prohibited except where the building envelope is appropriately fenced to contain the dog(s).
9. The subdivider shall, in accordance with the Subdivision Guide Plan and the Schedule of Landscaping for this estate plant indigenous trees and shrubs of a species and at a density and distribution to the satisfaction of the Council prior to the transfer of a lot(s) to a new owner.
10. The subdivider shall either maintain the trees and shrubs planted until the land is sold, or shall plant sufficient numbers of trees and shrubs to allow for natural loss. Thereafter, the owners of the subdivided lots shall be responsible for the maintenance and replacement (if and where necessary) of those trees and shrubs planted by the subdivider to the satisfaction of the Council.

DESCRIPTION OF LAND

PERMITTED USE

11. Delineation of lot boundaries within the Priority Habitat Conservation Area shall not comprise fencing, however, pegs and/or cairns or other similar measures are acceptable.
12. No building shall be constructed within this zone of materials, the colour or texture of which in the opinion of the Council is undesirable for the locality.
13. No dwelling shall be approved by the Council unless it is connected to an alternative domestic waste water treatment system as approved by the Health Department of WA with an adequate phosphorus retention capacity, as determined by the Department of Environmental Protection, and with the base of the system or the modified irrigation area being the required distance above the highest known water table.
14. No indigenous vegetation or trees shall be destroyed or cleared except, but subject to the developer of the estate/landowner obtaining the prior consent in writing of the Council, where such vegetation is dead, diseased or where the clearing is required for the purpose of a firebreak, dwelling, outbuilding, fence, drainage systems, driveways and/or to accommodate the approved uses.
15. The land is situated within the catchment of the Peel-Harvey estuarine system where active nutrient management and responsible use of fertiliser is crucial to the health of the catchment and estuary. The application, type and distribution of fertiliser to the land shall be within limits set by the Department of Environmental Protection and for irrigated and non-irrigated land.
16. The subdivider shall prepare and implement a Fire Management Plan that identifies and implements the construction requirements relative to strategic firebreaks, water supplies and equipment, and any other fire requirements that may be deemed necessary, to the specification and satisfaction of the local authority and the Bush Fires Board of WA.
17. The subdivider shall drain the land and provide detention areas in accordance with a Drainage Concept Plan provided prior to the commencement of on-the-ground works. Those easements and reserves required by Council or the Water Corporation shall be provided to the Council or Water Corporation at the time of subdivision to provide for ongoing maintenance of the drainage system components.
18. At the time of the building application for each lot a plan of the site shall be submitted by the applicant to the satisfaction and specifications of the Council which shall show site contours, existing trees and stands of vegetation, those trees and vegetation to be removed and retained, and proposals for tree planting and maintenance.
19. Within the priority habitat Conservation Area depicted on the approved Subdivision Guide Plan, the planting of non indigenous vegetation and removal of any vegetation including the under storey, from any area outside the identified building envelope shall be prohibited, unless written approval is obtained from Council.

J. STAR, President.
I. BODILL, Chief Executive Officer.
